PROXY STATEMENT

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This Proxy Statement is being mailed to all shareholders of record of Emerging Vision, Inc. ("EVI" and the "Company"), at the close of business on July 15, 2005, in connection with the solicitation, by the Board of Directors, of Proxies to be voted at the Annual Meeting of Shareholders (the "Meeting"), to be held at the offices of Certilman Balin Adler & Hyman, LLP, at 90 Merrick Avenue, East Meadow, NY 11554, on August 26, 2005, at 9:00 a.m., local time, or any adjournment(s) thereof. The Proxy and this Proxy Statement were first mailed to shareholders on or about August 3, 2005.

All shares represented by Proxies duly executed and received will be voted on the matters presented at the Meeting in accordance with the instructions specified in such Proxies. Proxies so received without specified instructions will be voted **FOR** the election, to the Company's Board of Directors, of those nominees named in the Proxy. The Board does not know of any other matters that may be brought before the Meeting nor does it foresee or have reason to believe that Proxy holders will have to vote for substitute or alternate nominees to the Board. In the event that any other matter should come before the Meeting or any nominee is not available for election, the persons named in the enclosed Proxy will have discretionary authority to vote all Proxies not marked to the contrary with respect to such matters in accordance with their best judgment.

The Board has fixed the close of business on July 15, 2005 as the record date for the determination of shareholders entitled to notice of the Annual Meeting, and only holders of record of the Company's common stock, par value \$0.01 per share (the "Common Stock"), and Senior Convertible Preferred Stock, par value \$0.01 per share (the "Preferred Stock" and, together with the Common Stock, hereinafter collectively referred to as the "Capital Stock"), on that date, will be entitled to notice of, and to vote at, the Annual Meeting. As of the record date, the Company had outstanding 70,323,698 shares of Common Stock, each share of Common Stock being entitled to one vote on all matters presented at the Annual Meeting, and 0.74 shares of Preferred Stock entitled to vote, on an "as converted" basis, together with the Common Stock as a single class, 98,519 shares of Common Stock, for a total of 70,422,217 voting shares (collectively, the "Voting Shares").

The presence, in person or by proxy, of the holders of shares that represent a majority of the votes entitled to be cast at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted to determine whether a quorum is present. Any shares not voted in the election of directors (whether by abstention or otherwise) shall not be counted in the total vote and will not affect the election of directors. A plurality of the votes cast at the Annual Meeting is required for the election of directors. For all other matters to be considered at the Annual Meeting, the affirmative vote of a majority of the votes cast on the matter will be required for approval. Broker non-votes and abstentions will not be counted for purposes of determining the number of votes cast.

Any person giving a Proxy in the form accompanying this Proxy Statement has the power to revoke it at any time before its exercise. The Proxy may be revoked by filing with the Company a written notice of revocation or a fully executed Proxy bearing a later date. The Proxy may also be revoked by affirmatively electing to vote in person while in attendance at the Meeting. However, a shareholder who attends the Meeting need not revoke a Proxy given and vote in person unless the shareholder wishes to do so. Written revocations or amended Proxies should be sent to the Company at 100 Quentin Roosevelt Boulevard, Suite 508, Garden City, New York 11530, Attention: Corporate Secretary.

The Proxy is being solicited by the Company's Board of Directors. The Company will bear the cost of the solicitation of Proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of the Company's shares. Solicitations will be made primarily by mail, but certain directors, officers or employees of the Company may solicit Proxies in person or by telephone, telecopier or telegram without special compensation.

A list of shareholders entitled to vote at the Meeting will be available for examination by any shareholder for any purpose at the Meeting, at the offices of the Company, 100 Quentin Roosevelt Boulevard, Suite 508, Garden City, New York 11530, and also during the Meeting for inspection by any shareholder who is present. To contact the Company, shareholders should call (516) 390-2100.

SECURITY OWNERSHIP OF**CERTAIN BENEFICIAL OWNERS AND MANAGEMENT****Common Stock**

The following table sets forth information, as of July 15, 2005 regarding the beneficial ownership of our Common Stock by: (i) each shareholder known by us to be the beneficial owner of more than five percent of the outstanding shares of our Common Stock; (ii) each of our directors; (iii) each of our Named Executive Officers (as said term is defined under the caption Executive Compensation above); and (iv) all directors and executive officers of the Company as a group, in each case, based on an aggregate amount of 70,323,698 shares of Common Stock outstanding as of that date.

The percentages in the Percent of Class column are calculated in accordance with the rules of the SEC, under which a person may be deemed to be the beneficial owner of shares if that person has or shares the power to vote or dispose of those shares or has the right to acquire beneficial ownership of those shares within 60 days (for example, through the exercise of an option or warrant). Accordingly, the shares shown in the table as beneficially owned by certain individuals may include shares owned by certain members of their respective families. Because of these rules, more than one person may be deemed to be the beneficial owner of the same shares. The inclusion of the shares shown in the table is not necessarily an admission of beneficial ownership of those shares by the person indicated. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Cohen s Fashion Optical

Drs. Robert and Alan Cohen are officers and directors of Cohen Fashion Optical, Inc. (CF), including its affiliate, Real Optical, LLC. (REAL). CF, which has been in existence since 1978, owns a chain of company-operated and franchised retail optical stores doing business under the name Cohen s Fashion Optical. As of March 31, 2005, CF had 70 franchised stores and 12 company-owned stores. In addition, CF also licenses to retail optical stores the right to operate under the name Cohen s Kids Optical or Ultimate Spectacle. As of March 31, 2005, there were 2 Ultimate Spectacle stores located in the State of New York; and REAL, as of such date, operated 3 stores (under the name Cohen s Fashion Optical), all of which were located in New York State. CF and REAL stores are similar to the Company s retail optical stores. CF has been offering franchises since 1979 and currently has retail optical stores in the States of Connecticut, Florida, New Hampshire, Massachusetts, New Jersey and New York. In the future, Cohen s Fashion Optical, Cohen s Kids Optical or Ultimate Spectacle stores may be located in additional states. As of March 31, 2005, approximately 15 CF stores were located in the same shopping center or mall as, or in close proximity to, certain of the Company s retail optical stores. It is possible that one or more additional Cohen s Fashion Optical stores, Cohen s Kids Optical stores or Ultimate Spectacle stores may, in the future, be located near one or more of the Company s retail optical stores, thereby competing directly with such Company stores. In addition, the Company s stores and certain of CF s stores jointly participate, as providers, under certain third party benefit plans obtained by either the Company or CF, which arrangement is anticipated to continue in the future.

In January 2002, the Company subleased from CF, for a term of approximately five years, a portion of the space then being leased by CF in a building located at 100 Quentin Roosevelt Boulevard, Garden City, New York and, in connection therewith, relocated its principal executive offices to such premises. Occupancy costs are being allocated between the Company and CF based upon the respective square footages being occupied. The Company believes that its rent with respect to such premises is equal to the fair market rental value of such space.

On December 31, 2002, the Company refinanced certain past due amounts, owed to CF, in an effort to improve its current cash flow position. As a result, the Company signed a 5-year, \$200,000 promissory note, in favor of CF, bearing interest at a rate of 10% per annum, and which is payable in equal monthly installments of principal and interest.

General Vision Services

In January 2001, General Vision Services, LLC (GVS), a Delaware limited liability company located in New York City and beneficially owned, in part, by Drs. Robert and Alan Cohen and certain members of their respective immediate families (collectively, the Cohen Family), acquired substantially all of the assets of General Vision Services, Inc. As of March 31, 2005, GVS operated approximately 22 retail optical stores, principally located in New Jersey and in the New York metropolitan area, which stores are similar to the retail optical stores operated and franchised by the Company. In addition, GVS solicits and administers third party benefit programs similar to those being administered by the Company. GVS does not franchise any retail optical stores. It is possible that a GVS store, or another retail optical store which provides third party benefit plans administered by GVS, may now or in

the future be located near one or more of the Company's retail optical stores and may be competing directly with such store.

Furthermore, the Company, CF and GVS jointly participate in certain third party benefit plans, and certain of the Company's retail optical stores, CF's stores and GVS's stores participate as providers under third party benefit plans obtained by either the Company, CF or GVS and, in all likelihood, will continue to do so in the future.

In June 2001, the Company subleased to GVS its retail optical store (and the furniture, fixtures and equipment located therein), located in Nyack, New York, at a rent per month equal to the rent and additional rent payable under the Master Lease for such store, less a monthly rental credit, until May 31, 2003, of \$2,500. Pursuant to the terms of such sublease, the Company transferred and conveyed to GVS all of such store's furniture, fixtures and equipment from and after June 15, 2003. Following May 31, 2003, the Company continued to sublet this store to GVS, however the Company no longer provided a rent subsidy. On August 10, 2004, this store was permanently closed.

In April 2002, EVI sold to GVS, for the sum of \$55,000, substantially all of the assets of one of its stores located in New York City, together with all of the capital stock of its wholly-owned subsidiary, Sterling Vision of 125th Street, Inc., which is the tenant under the Master Lease for such store.

During 2004, 2003 and 2002, the Company purchased from City Lens, Inc. ("City Lens"), an ophthalmic lens laboratory owned by GVS, ophthalmic lenses and certain lens refinishing services for its Company-owned stores. For the years ended December 31, 2004, 2003 and 2002, the total cost of such lenses and services purchased from City Lens was approximately \$1,000, \$26,000 and \$228,000, respectively. The Company believes that the cost of such lenses and services were as favorable to the Company as those which could have been obtained from an unrelated third party.

Vision World

In October 2003, Vision World, LLC, a Delaware limited liability company located in New York City and beneficially owned, in principal part, by Drs. Robert and Alan Cohen and certain members of the Cohen Family, acquired substantially all of the assets of Eyeglass Services Industries, Inc.'s third party administration business. Vision World solicits and administers third party benefit programs similar to those being administered by the Company. It is possible that a Vision World store, or another retail optical store which provides third party benefit plans administered by Vision World, may now or in the future be located near one or more of the Company's retail optical stores and may be competing directly with such store.

Additional Agreements and Transactions Between the Company and the Cohen Family

On July 23, 2002, the Board authorized the Company to borrow \$300,000 from Dr. Robert Cohen. The loan was payable on August 10, 2002, together with interest in an amount equal to 1% of the principal amount of such loan. The Company repaid this loan, in full, on August 8, 2002.

On April 4, 2003, the Board authorized the Company to borrow \$100,000 from Dr. Robert Cohen. The loan was payable immediately after the closing of the Company's rights offering (the "Rights Offering"), together with interest in an amount equal to 1% of the principal amount of such loan. The Company repaid this loan, in full, on April 22, 2003, with a portion of the proceeds from the Rights Offering.

Newtek Business Services

Christopher G. Payan, the Company's Chief Executive Officer and a director of the Company, serves on the board of directors of Newtek Business Services, Inc., or NBSI, a company that provides various financial services to both small and mid-sized businesses. The Company utilizes the bank and non-bank card processing services of one of NBSI's affiliated companies. During the years ended December 31, 2004 and 2003, the Company paid approximately \$65,000 and \$23,000, respectively, to such affiliate for such services provided. The Company believes that the cost of such services was as favorable to the Company as those that could have been obtained from an unrelated third party.

Transactions Among the Company and the Cohen Family

On December 31, 2003, the Company entered into agreements, with certain of the members of the Cohen Family (collectively, the "Subject Shareholders"), pursuant to which the Company and each of the Subject

Shareholders agreed to, and effectuated, (a) the rescission, *ab initio*, of the exercise, by the Subject Shareholders, of 6,178,840 of the over-subscription rights of the Subject Shareholders (and, accordingly, of the issuance, to such Subject Shareholders, of the units associated therewith) granted to them in the Rights Offering, and (b) the rescission, surrender and cancellation of all of the remaining warrants (15,784,572 in the aggregate) that were acquired by the Subject Shareholders in the Rights Offering (collectively, the Rescission Transactions). In connection with the Rescission Transactions, the Company agreed to repay each Subject Shareholder the original subscription amount of \$0.04 (previously paid by each Subject Shareholder) for each of the rescinded units (together with interest at a rate of 6% per annum from the date of the original acquisition thereof), which, in the aggregate for all of the Subject Shareholders, totaled \$247,154. This sum (plus interest) is payable, by the Company, on or before April 14, 2007, pursuant to a series of promissory notes issued to the Subject Shareholders.

Recognizing that the Subject Shareholders suffered certain damages in connection with the Rescission Transactions, on December 31, 2003, (i) the Company and the Shareholders entered into settlement agreements with each of the Subject Shareholders, pursuant to which the Subject Shareholders released any and all claims that they may have had against the Company as a result of the consummation of the Rescission Transactions, and (ii) the Company, in consideration for such releases, granted to the Subject Shareholders, in the aggregate, new warrants to purchase 28,142,252 shares of the Company's common stock. The exercise prices of the new warrants issued to each of the Subject Shareholders ranged from \$0.0465 to \$0.0489. These exercise prices were calculated with the intention of allowing the Subject Shareholders to purchase equity of the Company on substantially the same economic terms that they would have been originally entitled pursuant to the Rights Offering, but for the Rescission Transactions. The new warrants are not exercisable until April 15, 2006, and expire on April 14, 2008.

Report on Executive Compensation

Philosophy

Edgar Filing: EMERGING VISION INC - Form DEF 14A

The compensation philosophy of the Company is to develop and implement policies that will encourage and reward outstanding performance, seek to increase the profitability of the Company, and maximize the

Company's return on equity so as to increase shareholder value. Maintaining competitive compensation levels in order to attract and retain executives who bring valuable experience and skills to the Company is also an important consideration. The Company's executive compensation programs are designed to attract and retain talented individuals and motivate them to achieve the Company's business objectives and performance targets, including increasing long-term shareholder value.

Compensation Structure

The Compensation Committee believes that it is in the best interests of the Company and its shareholders that its executive officers be compensated in a manner that provides such officers with a strong incentive to advance both the short-term and long-term interests of the Company.

The annual cash compensation of most of the Company's executive officers consists primarily of an annual salary, a performance bonus and stock options. The Compensation Committee also has discretion to award discretionary bonuses to each of the executive officers.

Non-cash compensation of executive officers consists of options granted under the Company's 1995 Stock Incentive Plan. These stock options produce value for executives only if the Company's stock price increases over the respective option exercise prices. Although there are no particular targets with respect to the number of options granted to an executive officer, in general, the higher the level of an executive's responsibility, the larger this stock-based component of such person's compensation will be. In addition, in determining the size of option awards for a particular executive officer, the Compensation Committee considers the amount of stock options awarded to other executive officers in a like position.

The compensation of each executive officer (other than the Chief Executive Officer) is based on an annual review of such officer's performance by the Chief Executive Officer and his recommendations to the Compensation Committee; and the compensation of the Chief Executive Officer is determined by the Compensation Committee. In establishing and administering the variable elements in the compensation of the Company's executive officers, the Compensation Committee tries to recognize individual contributions, as well as overall business results. Compensation levels are also determined based upon the executive's responsibilities, the efficiency and effectiveness with which he/she marshals resources and oversees the matters under his/her supervision, and the degree to which he/she has contributed to the accomplishment of major tasks that advance the Company's goals.

Executive Officer Compensation for 2004

During the year ended December 31, 2004 each of Myles S. Lewis, the Company's Senior Vice President - Business Development and Co-Chief Operating Officer, Samuel Z. Herskowitz, its Chief Marketing Officer and Co-Chief Operating Officer, and Brian P. Alessi, its Chief Financial Officer and Treasurer, were not employed by the Company pursuant to employment contracts. The base salary to which each executive officer was entitled to during the 2004 fiscal year was based upon the Company's goal of attracting and retaining qualified executives.

During the year ended December 31, 2004, the following employee stock options were granted by the Compensation Committee to these executive officers: Myles S. Lewis - 3,314,124; Samuel Z. Herskowitz - 1,841,180, and Brian P. Alessi - 920,590.

The Compensation Committee believes, based upon an independent investigation, that the compensation paid to its executive officers (including its Chief Executive Officer, whose compensation is discussed below) is comparable to compensation paid by similar companies.

The Compensation Committee feels that actions taken regarding executive compensation are appropriate in view of each individual's, as well as the Company's, overall performance.

Chief Executive Officer Compensation for 2004

During the year ended December 31, 2004, Christopher G. Payan, the Company's Chief Executive Officer, was employed by the Company pursuant to an employment contract. Additionally, during the year ended December 31, 2004, Mr. Payan was granted 7,208,220 employee stock options by the Compensation Committee.

The Committee believes that the 2004 salary of Mr. Payan was reasonable in light of his leadership. The Committee believes that the 2004 compensation level for Mr. Payan reflected the Committee's confidence in him and the Company's desire to retain his talents. In this instance, the Committee sought to provide a total

compensation package that is competitive with individuals who hold comparable positions or have similar qualifications in other similar organizations.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the independent auditors and approves in advance any services to be performed by the independent auditors, whether audit-related or not. The Audit Committee reviews each proposed engagement to determine whether the provision of services is compatible with maintaining the independence of the independent auditors. SHAREHOLDER PROPOSALS

If any shareholder of the Company intends to present a proposal for consideration at the 2006 annual shareholder meeting and desires to have such proposal included in the 2006 proxy statement and proxy card distributed by the Board with respect to such meeting, such proposal must have been received at the Company's principal executive offices, a reasonable time prior to mailing of the 2006 proxy statement. Upon receipt of a proposal, the Company will determine whether or not to include the proposal in its 2006 proxy statement in accordance with applicable law.

The following requirements with respect to shareholder proposals and shareholder nominees to the Board of Directors are included in the Company's Amended and Restated By-Laws.

Shareholder Proposals

For a proposal to be properly brought before an annual meeting by a stockholder of the Company, the stockholder must have given timely notice thereof to the Secretary of the Company. To be timely, such proposals must be received by the Secretary of the Company at the principal executive offices of the Company on a date which is not less than 50 days nor more than 75 days prior to the annual meeting; provided, however, if during the prior year the Company did not hold an annual meeting, or if the date of the meeting for which a shareholder intends to submit a proposal has changed more than 30 days from the date of the meeting in the prior year, then such notice must be received a reasonable time before the Company mails the proxy statement for the current year.

A shareholder's notice must set forth as to each matter the shareholder proposes to bring before the annual meeting certain information regarding the proposal, including (a) a brief description of the business desired to be brought before the meeting and the reasons for conducting such business at such meeting; (b) the name and address of such shareholder proposing such business; (c) the class and number of shares of the Company which are beneficially owned by such shareholder; and (d) any material interest of such shareholder in such business. No business proposed by a shareholder shall be conducted at an annual meeting except in accordance with these procedures. These requirements are separate from and in addition to the requirements a shareholder must meet to have a proposal included in the Company's Proxy Statement.

Shareholder Nominees

In order for persons nominated to the Board of Directors, other than those persons nominated by or at the direction of the Board of Directors, to be qualified to serve on the Board of Directors, such nomination must be made pursuant to timely notice in writing to the Secretary of the Company. To be timely, a shareholder's notice must be received at the principal executive offices of the Company not less than 50 days nor more than 75 days prior to the meeting; provided, however, if during the prior year the corporation did not hold an annual meeting, or if the date of the meeting for which a shareholder intends to submit a nomination for the election of director(s) has changed more than 30 days from the date of the meeting in the prior year, then such notice must be received a reasonable time before the corporation mails the proxy statement for the current year.

Nominations by a shareholder shall be by written notice to the Secretary of the Company setting forth (a) as to each person whom the shareholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares or capital stock of the Company which are beneficially owned by the person, and (iv) any other information relating to the person that is required to be disclosed in solicitations for proxies for the election of directors pursuant to the Rules and Regulations of the Securities Exchange of 1934, as amended; and (b) as to the shareholder giving the notice, (i) the name and record address of the shareholder and (ii) the class and number of shares of capital stock of the Company which are beneficially owned by the shareholder. The Company may require any proposed nominee to furnish other information as may be reasonably requested by the Company in order to determine the eligibility of such proposed nominee to serve as a director of the Company. No person shall be eligible for election as a director of the Company unless nominated in accordance with the procedures set forth herein.

Any notice given pursuant to the foregoing requirements must be sent to the Secretary of the Company at 100 Quentin Roosevelt Boulevard, Suite 508, Garden City, New York 11530. **The foregoing is only a summary of the provisions of the Amended and Restated By-Laws of the Company that relate to shareholder proposals**
