Item 2.01 - Completion of Acquisition or Disposition of Assets

On April 18, 2008, Reunion Industries, Inc. (the "Registrant") completed the sale of the business and substantially all of the assets of its CP Industries division to subsidiaries of Everest Kanto Cylinder Ltd. ("Buyer") for a purchase price consisting of \$66.3 million paid in cash and the Buyer's assumption of the accounts payable and other current liabilities of the division. The purchase price is subject to a post-closing adjustment based on a closing balance sheet for the division that is to be prepared within 60 days of the closing date. The Registrant deposited \$875,000 of the purchase price in a one-year escrow, as security for any claims of the Buyer that may arise after the closing under the governing Asset Purchase Agreement.

The purchase price was determined by negotiation between the Registrant and the Buyer. There is no relationship, other than in respect of the reported transaction, between (1) the Buyer and (2) the Registrant or any of Registrant's affiliates or any of Registrant's directors or officers or any associates of any such director or officer.

CP Industries manufactures and sells large seamless pressure vessels for the containment and transportation of pressurized gases.

The Registrant is currently operating as debtor and debtor-in-possession in its case under Chapter 11 of the U.S. Bankruptcy Code, which is pending before U.S. Bankruptcy Court in Bridgeport, Connecticut.
