Item 1.01 Entry into a Material Definitive Agreement.

LRM Term Loan

On December 4, 2015, Lazarus Refining & Marketing, LLC, a Delaware corporation (“LRM”) and wholly owned subsidiary of Blue Dolphin Energy Company (“Blue Dolphin”), entered into a Loan Agreement with Sovereign Bank, a Texas state bank (“Sovereign”), as administrative agent and lender pursuant to which Sovereign agreed to make a term loan to LRM in the principal amount of \$10.0 million (the “LRM Term Loan”). The LRM Term Loan is guaranteed under the Business & Industry Guaranteed Loan Program administered by the United States Department of Agriculture Rural Development. The LRM Term Loan, which requires a monthly payment of principal and interest of \$74,110.95, has a 19 year term and accrues interest at a rate based on the Wall Street Journal Prime Rate plus 2.75%. Proceeds of the LRM Term Loan will primarily be used to construct additional new petroleum product storage tanks at Blue Dolphin’s crude oil and condensate processing facility located in Nixon, Texas (the “Nixon Facility”), as well as to refinance a \$3.0 million bridge loan. Pursuant to a construction rider in the LRM Term Loan, proceeds will be placed in an escrow account whereby Sovereign will make advances for construction related expenses.

The LRM Term Loan is secured by: (i) a second priority lien on the rights of Lazarus Energy, LLC (“LE”) in the Nixon Facility and the other collateral of LE pursuant to a Security Agreement to the LRM Term Loan; (ii) a first priority lien on the real property interests of LRM; (iii) a first priority lien on all of LRM’s fixtures, furniture, machinery and equipment; (iv) a first priority lien on all of LRM’s contractual rights, general intangibles and instruments, except with respect to LRM’s rights in its leases of Tanks 62, 63, and 80, with respect to which Sovereign will have a second priority lien in such leases subordinate to a prior lien granted by LRM to Sovereign to secure obligations of LRM under a loan made on May 2, 2014 in the original principal sum of \$2.0 million; and (v) all other collateral as described in the security documents. The LRM Term Loan contains representations and warranties, affirmative, restrictive, and financial covenants, as well as events of default which are customary for term loans of this type. Repayment of funds borrowed and interest accrued under the LRM Term Loan is guaranteed by Blue Dolphin, LE, Jonathan P. Carroll (“Carroll”), and Lazarus Energy Holdings, LLC (“LEH”), which owns approximately 81% of Blue Dolphin’s common stock. Carroll is also the majority owner of LEH.

The above summary of the LRM Term Loan does not purport to be complete and is qualified in its entirety by reference to the full text of the respective loan documents, which are provided as exhibits to this Current Report Form 8-K and which are incorporated by reference into this Item 1.01.

Guaranty Fee Agreements

On December 4, 2015, Carroll entered into a Guaranty Fee Agreement with LRM (the “LRM Guaranty Fee Agreement”) dated December 4, 2015, in consideration for Carroll’s execution and delivery of a guaranty as security for and as a condition of the obligations of LRM under the LE Term Loan. Pursuant to the LRM Guaranty Fee Agreement, LRM shall pay Carroll, as a guarantor, a guaranty fee equal to 2.00% per annum, paid monthly, of the outstanding principal balance owed under the LRM Term Loan. Amounts payable to Carroll as the guaranty fee shall be paid at the end of each calendar month.
