PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 15, 2004

INTRODUCTION

This Proxy Statement (this "Proxy Statement") is being furnished in connection with the solicitation by the Board of Directors of Patriot National Bancorp, Inc. ("Bancorp") of proxies from holders of Bancorp's Common Stock, \$2.00 par value ("Common Stock"), to be voted at the Annual Meeting of Shareholders to be held on June 15, 2004 and at any adjournments thereof. The time and place of the Annual Meeting, as well as the purposes therefor, are set forth in the accompanying Notice of Annual Meeting. The approximate date on which this Proxy Statement and the enclosed proxy are first being sent or given to shareholders is May 6, 2004. In addition to solicitation by mail, directors, officers and certain management employees of Bancorp or its subsidiary, Patriot National Bank (the "Bank"), may solicit by telephone or in person the return of signed proxies from shareholders without additional remuneration therefor. Bancorp has also retained Morrow & Company, a proxy solicitation firm, to assist in proxy solicitation for the Annual Meeting.

Any proxy given by a shareholder may be revoked at any time before its exercise, and any shareholder who executes and returns a proxy and who attends the Annual Meeting may withdraw the proxy at any time before it is voted and vote his or her shares in person. A proxy may also be revoked by submitting a duly executed proxy bearing a later date or by giving notice to the Secretary of Bancorp in writing (at Bancorp's address indicated above) or in open meeting prior to the taking of a vote.

Unless so revoked, the proxy will be voted at the Annual Meeting, and unless authorization to vote for the election of directors or for any particular nominee is withheld, the shares represented by such proxy will be voted FOR the nominees set forth in this Proxy Statement with the votes cumulated as determined by the proxy holders. If authorization to vote for any nominee or nominees is withheld in a proxy, the votes of the shares represented thereby will be distributed among the remaining nominees in the manner determined by the persons named in the proxy, unless contrary instructions are given. Proxies containing instructions on Proposal 2 (the amendment to the Certificate of Incorporation increasing the authorized number of shares) and Proposal 3 (the ratification of the appointment of McGladrey & Pullen, LLP as independent auditor for 2004) will be voted in accordance with such instructions. If no instructions are contained on Proposals 2 or 3, proxies will be voted FOR the proposals. Under Bancorp's Bylaws for the election of directors, where the holders of the Common Stock have cumulative voting, the nominees receiving the largest number of votes will be elected. Under Connecticut law, approval of Proposal 2 requires the affirmative vote of a majority of the votes eligible to be cast at the Annual Meeting. Under Bancorp's Bylaws, approval of Proposal 3 requires the affirmative vote of a majority of the votes cast at the Annual Meeting. An abstention or a broker non-vote will be counted for purposes of determining whether a quorum is present but will not be counted as votes cast.

VOTING SECURITIES AND PRINCIPAL HOLDERS

The record date for determining shareholders entitled to notice of and to vote at the Annual Meeting and any adjournments thereof has been set as April 28, 2004 (the "Record Date"). As of the Record Date, there were 2,428,607 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote multiplied by the number of directors to be elected with respect to the election of directors and to one vote on each other matter submitted to the Annual Meeting.

Other than Angelo De Caro, who is the Chairman and Chief Executive Officer and a director of Bancorp, there is no person who, to the knowledge of Bancorp's Board of Directors, owns beneficially more than 5% of the outstanding Common Stock. Information as to the number of shares of Common Stock owned by each director of Bancorp and by each nominee for election as a director of Bancorp is set forth below under "Election of Directors-Stock Ownership."

To the knowledge of Bancorp, no arrangement exists the operation of which might result in a change in control of Bancorp. However, Angelo De Caro has received authority from the Federal Reserve Bank of New York to acquire up to 35% of the Common Stock.

PROPOSAL 1 ELECTION OF DIRECTORS

Nominees

The number of directors to be elected at the Annual Meeting has been set at nine by action of the Board of Directors in accordance with the Certificate of Incorporation and the Bylaws of Bancorp. The directors are elected annually by the shareholders by ballot. With respect to the election of directors, the holders of Common Stock have cumulative voting. Cumulative voting means that each share of Common Stock is entitled to one vote multiplied by the number of directors to be elected. Such votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. In the event a shareholder submitting a proxy does not specify how the votes attributable to the shares represented thereby are to be distributed, the persons named in the proxy will determine how such votes are to be distributed among the candidates. The nominees receiving the largest number of votes will be elected. Each director holds office until the next Annual Meeting of Shareholders and until his or her successor is elected and qualifies (or until his or her earlier resignation, death or removal). Each of the nominees has consented to being named in this Proxy Statement and to serve as a director if elected. Each of the directors also serves as a director of the Bank.

Edgar Filing: PATRIOT NATIONAL BANCORP INC - Form DEF 14A

The persons named in the form of proxy to represent shareholders at the Annual Meeting are John A. Geoghegan, L. Morris Glucksman and Michael F. Intrieri and each of them. It is the intention of the persons named in the proxy to vote FOR the election of the nominees named herein unless authority to vote is withheld with respect to one or more nominees. In the event that any nominee for director should become unavailable for election for any reason, the persons named in the proxy will consult with Bancorp's management and use their discretion in deciding whether and how to vote the shares represented by such proxies.

The names of the nominees for election as directors are set forth below, together with their principal occupations and employment, ages, directorships in publicly held companies and any company registered as an investment company under the Investment Company Act of 1940, directorships in other companies and lengths of service as directors. Each of the persons named below has a business address c/o Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, Connecticut 06901. There is no arrangement or understanding between any director and any other person or persons pursuant to which such director was or is to be selected as a director or nominee. There is no family relationship between any director and any executive officer of Bancorp or the Bank.

Meetings and Committees of the Board

During 2003, the Board of Directors of Bancorp met 11 times. All directors attended at least 75% of the total number of meetings of Bancorp's Board of Directors and of those Board committees on which he served which were held during 2003 with the exception of Mr. De Caro who attended 10 of 11 Board meetings and 21 of 36 Committee meetings due to a temporary personal circumstance.

5

The members of the Board of Directors devote time and talent to certain standing and ad hoc committees of Bancorp and the Bank. Among these committees are the Executive Committee, the Asset and Liability Committee, the Audit Committee, the Loan Committee and the Personnel Committee, whose members and principal functions are described below. Bancorp does not have a standing nominating committee of the Board of Directors. The nominees for Director were approved by unanimous vote of the independent directors of the Board, in accordance with

NASDAQ requirements.

The functions of the Executive Committee include monitoring the implementation by management of policies established by the Board of Directors, and exercising, when the Board of Directors is not in session, all other powers of the Board of Directors that may lawfully be delegated, and reviewing for approval any contracts with third parties authorized by the Board of Directors prior to execution thereof. The members of the Executive Committee are Messrs. De Caro, Ferguson, Geoghegan, Glucksman and Howell. During 2003, the Executive Committee of Bancorp met one time.

The functions of the Asset and Liability Committee include ensuring adherence to the investment policies of the Bank, recommending amendments thereto, exercising authority regarding investments and liquidity and exercising, when the Board of Directors is not in session, all other powers of the Board of Directors regarding investment activities that may lawfully be delegated. The members of the Asset and Liability Committee are Messrs. De Caro, Geoghegan, Glucksman, Howell, Naclerio, O'Connell, Settlemeyer and Wolford. During 2003, the Asset and Liability Committee of Bancorp met four times.

The functions of the Audit Committee include (i) reviewing and recommending policies regarding internal audit and credit review, (ii) establishing and implementing policies to comply with applicable regulations, (iii) monitoring compliance with investment policies, (iv) causing suitable audits to be made by auditors engaged by the Audit Committee on behalf of Bancorp, (v) pre-approving all audit services and permitted non-audit services provided by the auditors, and (vi) reviewing the independence of the auditors and the "audit committee financial experts" on the Audit Committee. The Audit Committee or its Chairman also discusses with the independent auditor the auditor's review of Bancorp's unaudited quarterly financial statements. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached as Appendix A to this Proxy Statement. The members of the Audit Committee are Messrs. Ferguson, Intrieri, Naclerio, and Settlemeyer, each of whom is an independent director as defined by NASDAQ rules. Mr. Settlemeyer has been determined to have the professional experience deemed necessary to qualify as an audit committee financial expert under Securities and Exchange Commission rules. During 2003, the Audit Committee of Bancorp met six times. The Report of the Audit Committee for the year ended December 31, 2003 is set forth under "Election of Directors -Report by the Audit Committee."

6

The functions of the Loan Committee include examining, reviewing and approving loans, reviewing and approving loan policies and establishing appropriate levels of credit risk and exercising, when the Board of Directors is not in session, all other powers of the Board of Directors regarding extensions of credit that may lawfully be delegated. The members of the Loan Committee are Messrs. De Caro, Howell, Intrieri, Naclerio, O'Connell, Settlemeyer and Wolford. During 2003, the Loan Committee of Bancorp met 28 times.

The functions of the Personnel Committee include reviewing and recommending policies with respect to a comprehensive personnel policy, staffing requirements, personnel compensation and benefits issues and performance review of certain identified officer positions. The Personnel Committee also reviews management's implementation of established policies and personnel compliance issues. The members of the Personnel Committee are currently Messrs. De Caro, Geoghegan, Glucksman, Howell, Intrieri, Naclerio, O'Connell and Wolford. During 2003, the Personnel Committee of Bancorp met three times.

Nomination Process

The Board of Directors does not have a nominating committee. The full Board of Directors performs the functions of a nominating committee. The Board of Directors does not believe it needs a separate nominating committee because a majority of the full Board is comprised of independent directors and has the time and resources to perform the function of selecting board nominees. All Board nominees must be approved by a vote of the independent members of the Board pursuant to NASDAQ requirements. Messrs. Ferguson, Geoghegan, Glucksman, Intrieri, Naclerio and Settlemeyer are considered to be independent directors under the NASDAQ rules. When the Board of Directors performs its nominating function, the Board acts in accordance with Bancorp's Certificate of Incorporation and Bylaws but does not have a separate charter related to the nomination process. Under the Company's Bylaws, nominations for directors may be made by the Board of Directors or by any shareholder of any outstanding class of capital stock of Bancorp who delivers notice along with the additional information and materials required by Bancorp's charter to Bancorp's President not less than 14 days and no more than 50 days before the annual meeting. Shareholders may obtain a copy of Bancorp's Certificate of Incorporation and Bylaws by writing to Bancorp's Corporate Secretary, 900 Bedford Street, Stamford, Connecticut 06901.

Bancorp's directors have a critical role in guiding Bancorp's strategic direction and in overseeing management. The Board of Directors considers candidates for the Board based upon several criteria, including their broad-based business and professional skills and experiences, concern for the long-term interests of shareholders, and personal integrity and judgment. Candidates should have reputations, both personal and professional,

Edgar Filing: PATRIOT NATIONAL BANCORP INC - Form DEF 14A

consistent with Bancorp's image and reputation. The majority of directors on the Board of Directors should be "independent," not only as that term may be legally defined, but also without the appearance of any conflict in serving as a director. In addition, directors must have time available to devote to Board activities and to enhance their knowledge of the banking industry. Accordingly, the Board of Directors seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to Bancorp.

7

The Board of Directors utilizes the following process for identifying and evaluating nominees to the Board. In the case of incumbent directors, each year the Board of Directors informally reviews directors' overall service to Bancorp during their term, including the number of meetings attended, level of participation and quality of performance. In the case of new director candidates, the directors on the Board of Directors are polled for suggestions as to potential candidates that may meet the criteria above, discuss candidates suggested by Bancorp shareholders, and may also engage, if the Board of Directors deems appropriate, a professional search firm. To date, the Board of Directors has not engaged professional search firms to identify or evaluate potential nominees but may do so in the future, if necessary. The Board of Directors then meets to discuss and consider these candidates' qualifications and then chooses a candidate by majority vote. Each of the nominees for director listed above were recommended by the directors.

Director Attendance at Annual Meetings

Bancorp has a policy encouraging attendance by members of the Board of Directors at Bancorp's annual meetings of shareholders. All of the Bancorp directors attended the 2003 Annual Meeting of Shareholders.

Officers, directors and greater than 10% beneficial owners are required by applicable regulations to furnish Bancorp with copies of all forms they file pursuant to Section 16(a). Based solely upon a review of the copies of the forms furnished to Bancorp, and written representations from reporting persons that no Forms 5 were required, Bancorp believes that during 2003, filing requirements under Section 16(a) applicable to the officers and directors of Bancorp were complied with in a timely manner except for one filing made by Todd Brown which was filed late.

Employment and Change of Control Agreements

Bancorp and the Bank entered into an Employment Agreement, dated October 23, 2003, pursuant to which Charles F. Howell is employed to serve as President and Chief Executive Officer of the Bank and as President of Bancorp for a period of three years ending on December 31, 2006. Mr. Howell's base salary for the first year was fixed at \$225,000 and will increase by \$15,000 and \$20,000 in the next two years. In the event of Mr. Howell's termination of employment for any other reason, including a termination following a change of control (as defined in the agreement), all restricted stock awards and options will vest immediately.

In the event of the early termination of the agreement with Mr. Howell for any reason other than cause, he would be entitled to receive a lump sum payment equal to the greater of the aggregate salary payments that would be made to him for the remaining term of the agreement or 18 months of his stipulated base salary at the time of termination. In connection with a change of control (as defined in the agreement), in addition to immediate vesting of all restricted stock awards and options or cash payments in lieu thereof, Mr. Howell would be entitled to receive a lump sum cash payment equal to two times the greater of Mr. Howell's then annual base salary, Mr. Howell's cash compensation from the Bank for services rendered for the last full calendar year immediately preceding the change of control, or Mr. Howell's average annual cash compensation for the two most recent taxable years ending before the date on which the change of control occurs.

Bancorp and the Bank entered into an Employment Agreement, dated November 3, 2003, pursuant to which Robert F. O'Connell is employed to serve as Chief Financial Officer and Senior Executive Vice President of the Bank for the period ending December 31, 2007. Mr. O'Connell's base salary for each year under the contract is currently \$165,000, subject to review and increase by the Board of Directors each year. If Mr. O'Connell's employment were terminated without cause (as defined in the agreement), Mr. O'Connell would be entitled to a lump sum payment equal to the aggregate salary payments (based on the rate then in effect) for the balance of the employment period. If Mr. O'Connell's employment is terminated without cause following a change of control (as defined), he would be entitled to receive the greater of the amount described in the preceding sentence or the amount payable pursuant to his change of control agreement described below.

Edgar Filing: PATRIOT NATIONAL BANCORP INC - Form DEF 14A

The Bank has also entered into a change of control agreement with Mr. O'Connell pursuant to which he would be entitled to receive a lump sum cash payment if a change of control (as defined in the agreement) occurs while he is a full-time officer of the Bank or within six months following his termination of employment other than for cause (as defined in the agreement) or by reason of his death or disability. The amount of the payment would be equal to the greater of two times (i) the then current year's base salary or (ii) Mr. O'Connell's total compensation, including salary and any cash incentive compensation from the Bank for the last full calendar year preceding the change of control.

12

The Bank entered into Employment Agreements, dated January 1, 2004, between each of Marcus Zavattaro and Todd Brown pursuant to which Mr. Zavattaro is employed to serve as Executive Vice President of the Bank and President of the Pinnacle Financial Division ("Pinnacle") of the Bank, and Mr. Brown is employed to serve as Executive Vice President of the Bank, until December 31, 2004. Salary and commissions for each of Mr. Zavattaro and Mr. Brown shall be between \$150,000 and \$300,000 depending upon the amount of the fee income generated by such executives from mortgage transactions. In addition, Mr. Zavattaro and Mr. Brown are entitled to certain incentive payments in amounts dependent upon Pinnacle meeting certain financial targets.

Options and Stock Appreciation Rights

During 2003, Bancorp did not grant options to any of the Named Executive Officers.

During 2001, Bancorp adopted the Patriot National Bancorp, Inc. 2001 Stock Appreciation Rights Plan (the "2001 Plan"). Under the terms of the 2001 Plan, Bancorp may grant stock appreciation rights to officers of Bancorp that entitle the officers to receive, in cash or Common Stock, the appreciation in the value of the Common Stock from the date of grant. Each award vests at the rate of 20% per year from the date of grant. Any unexercised rights will expire ten years from the date of grant.

The following table sets forth information as to stock appreciation rights granted to Named Executive Officers during 2003. No other stock options or stock appreciation rights were granted to any of the Named Executive Officers in 2003.

REPORT BY THE AUDIT COMMITTEE

The Audit Committee operates pursuant to a written charter, dated October 14, 2003, a copy of which is attached as Appendix A.

The Board of Directors, in its business judgment, has determined that each of the members of the Audit Committee is independent, as required by the applicable listing standards of The NASDAQ Stock Market, Inc. The Board of Directors has determined that Mr. Settelmeyer has the professional experience necessary to qualify as an audit committee financial expert within the meaning of the Securities and Exchange

Edgar Filing: PATRIOT NATIONAL BANCORP INC - Form DEF 14A

Commission rules.

In performing its function, the Audit Committee has:

- reviewed and discussed the audited financial statements of Bancorp as of and for the year ended December 31, 2003 with management and with McGladrey & Pullen, LLP, Bancorp's independent auditors for 2003;
- discussed with Bancorp's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect; and
- received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and has discussed with the independent auditors the independent auditors' independence. The Audit Committee has considered whether the provision of non-audit services by the independent auditors to Bancorp is compatible with maintaining the accountants' independence and has discussed with McGladrey & Pullen, LLP their independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that Bancorp's audited financial statements be included in its Company's Annual Report on Form 10-KSB for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

THE REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED INCORPORATED BY REFERENCE INTO ANY FILING UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, EXCEPT TO THE EXTENT THAT BANCORP SPECIFICALLY INCORPORATES IT BY REFERENCE, AND SHALL NOT OTHERWISE BE DEEMED TO BE FILED UNDER SUCH ACTS.

CODE OF CONDUCT

The Chief Executive Officer, Chief Financial Officer and Chief Accounting Officer of Bancorp are required to comply with the Patriot National Bancorp, Inc. Code of Conduct for Senior Executive Financial Officers attached as Appendix B, adopted by Bancorp's Board of Directors. The Code of Conduct was adopted by Bancorp to deter wrongdoing and promote honest and ethical conduct; full, fair, accurate and timely disclosure in public documents; compliance with law; prompt internal reporting of Code violations, and accountability for adherence to the Code. Shareholders may request a copy of the Code, without charge, by contacting Robert F. O'Connell, Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, Connecticut 06901 (203) 324-7500.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In the ordinary course of business, the Bank has made loans to officers and directors (including loans to members of their immediate families and loans to companies that a director owns 10% or more of). In the opinion of management, all of such loans were made in the ordinary course of business of the Bank on substantially the same terms, including interest rates and collateral requirements, as those then prevailing for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

PROPOSAL 2

AMENDMENT OF CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK AND TO PROVIDE FOR A NEW CLASS OF SERIAL PREFERRED STOCK

The Board of Directors of Bancorp has unanimously approved and recommended to the shareholders that they approve at the Annual Meeting an amendment to Article II of Bancorp's Certificate of Incorporation increasing the total number of shares of capital stock of Bancorp to 31,000,000 shares, consisting of 30,000,000 shares of Common Stock and 1,000,000 shares of serial preferred stock, without par value (the "Preferred Stock").

Bancorp's current Certificate of Incorporation provides that the only class of capital stock it is authorized to issue is 5,333,333 shares of Common Stock. As of April 15, 2004, there were 2,428,307 shares of Common Stock issued and outstanding. In addition, 63,784 shares have been reserved for outstanding warrants and 110,000 shares for outstanding stock options under a stock option plan leaving 2,731,242 shares authorized but not issued, outstanding and/or reserved under the foregoing plans. The current Certificate of Incorporation does not authorize the issuance of any preferred stock.

16

The Board of Directors determined it is in the best interests of Bancorp and its shareholders to increase the authorized number of shares of Common Stock from 5,333,333 to 30,000,000 in order to fully implement the recently adopted Rights Plan described below and to give it flexibility to issue shares in the future and because it has undertaken in the Rights Agreement to amend its Certificate of Incorporation to increase the authorized number of shares to an amount sufficient to permit to the maximum extent possible the exercise of all outstanding Rights. It is common for public companies to have available a significant number of authorized but unissued and unreserved shares of Common Stock to provide flexibility to address in an expeditious manner the organization's need or desirability to issue additional shares. Future uses could take one of many forms, including stock-based compensation plans, capital reorganizations, actions to deter undervalued acquisitions, and/or acquisitions by Bancorp of other institutions. In any such event, the ability of the Board to take appropriate action without delay would be severely hampered unless the number of shares for issuance is adequate to meet Bancorp's needs. Future issuances of Common Stock, however, may initially dilute the ownership, voting and/or economic interests of existing shareholders. Bancorp is likely to require additional capital in the future to support its growth plans, and the additional authorized shares of Common Stock may be issued in connection with a future capital raising effort.

The proposed amendment also provides for the creation of a new class of 1,000,000 shares of Preferred Stock. The amendment permits the Board of Directors to issue Preferred Stock from time to time in one or more series, with each series having the rights and privileges determined by the Board of Directors in their best judgment. Preferred Stock could be issued by the directors in one series or multiple series under different terms and conditions from time to time. Preferred Stock could be issued with dividends that cumulate or that are non-cumulative. Preferred Stock could be issued with or without voting rights; or the voting rights extended to the Preferred Stock could be different than the voting rights enjoyed by the holders of Common Stock. Preferred Stock could be issued with conversion features entitling the holder to convert each share of Preferred Stock for one or more shares of Common Stock at a per share price which equals or exceeds the Common Stock's par value of \$2.00 per share. Preferred Stock could also be issued with exchange privileges, redemption provisions, sinking fund provisions and rights upon liquidation or conversion that are preferred to the rights of the holders of Common Stock. The Preferred Stock could also be listed with an exchange or NASDAQ. Under the current Certificate of Incorporation, the holders of Common Stock have the sole voting power and, without another class of shares, have the sole right to any dividends that may be declared by the Board of Directors, any distribution of assets upon liquidation or dissolution of Bancorp, and any preemptive rights. Preferred Stock issuances may be placed privately or sold publicly and may or may not be offered to holders of Common Stock. Issuance of the Preferred Stock may initially dilute the ownership, voting and/or economic interests of existing shareholders.

17

The Board of Directors determined it is in the best interests of Bancorp and its shareholders to provide for the creation of the Preferred Stock in order to give it additional flexibility to raise capital for ongoing business operations and future growth and to serve as a tool to discourage attempts to acquire control of Bancorp by suitors who would seek to acquire Bancorp at a value less than its fair value. It is common for public companies to have a class of preferred stock that can be issued and sold to the public at a premium on terms that are favorable in the financial markets existing at the time of issuance. A series of Preferred Stock could also be issued as a dividend to holders of Bancorp's Common Stock in a rights offering or in a private placement to discourage tender offers or attempts by third parties to acquire control of Bancorp on terms that the Board determines, in its good faith judgment, do not adequately reflect the fair value of Bancorp's business.

Edgar Filing: PATRIOT NATIONAL BANCORP INC - Form DEF 14A

Some banks and corporations with preferred stock charter provisions similar to that provided in the proposed amendment have issued preferred shares with voting or conversion privileges that may lessen the opportunity for shareholders to participate in certain types of transactions, such as tender or exchange offers. In addition, the overall effect of the preferred stock charter provisions, the existence of a large class of authorized but unissued shares of Common Stock and the other anti-takeover provisions Bancorp has in place, as described below, may make more difficult a merger, tender or exchange offer, proxy contest, the assumption of control by a holder of a large block of Bancorp's securities, and the removal of incumbent management. They may also have an adverse impact on shareholders who may want to participate in such a tender offer, exchange offer or proxy contest.

The Board has in place several measures that could have the effect of discouraging take-over attempts. Several senior executive officers have Employment Agreements and/or Change of Control Agreements with Bancorp and the Bank that require lump sum payments to such officers and the immediate vesting of certain stock grants and stock options upon a change of control, as described under "Election of Directors - Compensation of Directors and Executive Officers - Employment and Change of Control Agreements." In addition, on April 15, 2004, the Board of Directors authorized the creation of a rights plan with respect to the Common Stock of Bancorp that could make it more difficult for a person to acquire a controlling interest in Bancorp. Under such plan, the Board declared a dividend of one right (the "Rights") for each share of Common Stock issued and outstanding on the Record Date of April 29, 2004. Each Right entitles the holder to purchase from Bancorp 8.152 shares of Common Stock at a price of \$60, subject to adjustment. The Rights attach to the Common Stock and are not exercisable or separately transferable until they are triggered by certain events, including the acquisition of more than 15% of Bancorp's Common Stock by any person, the commencement of a tender offer or exchange offer for Bancorp's Common Stock, or the filing by any person of a registration statement with respect to a contemplated exchange offer to acquire 15% of Bancorp's Common Stock. The Rights can be redeemed in whole by the Company at \$.001 per Right at any time prior to the trigger date. The Rights expire after ten years, unless earlier exercised by the holders or redeemed or exchanged by Bancorp. Pursuant to the Plan, Bancorp has reserved 2,731,242 authorized and unissued shares of its Common Stock in order to permit the exercise of all outstanding Rights and has undertaken to amend its Certificate of Incorporation to increase the authorized number of shares to an amount sufficient to permit to the maximum extent possible the exercise of all outstanding Rights. The total number of shares that need to be reserved under the Rights Plan, assuming full exercise of all of the Rights, is 18,030,406 shares of Common Stock. Assuming shareholder approval of this Proposal No. 2, the number of issued and outstanding shares and reserved for issuance would be 20,632,497 shares, leaving 9,367,503 shares authorized but not issued, outstanding and/or reserved. In the event Bancorp does not receive shareholder approval to amend its Certificate of Incorporation, the Rights Agreement provides that each holder of a Right shall, in the discretion of the Board of Directors, have a right to receive, upon exercise of the Rights, such number of Common Stock Equivalents, as defined in the Rights Agreement, or the maximum number of shares of Common Stock available for issuance to such holder at a reduced purchase price, which reflects a per share purchase price of 50% of current market value as determined in the Rights Agreement.

18

The description and terms of the Rights are set forth in a Rights Agreement, dated as of April 19, 2004 (the "Rights Agreement"), between Bancorp and Registrar and Transfer Company filed with the Securities and Exchange Commission in a Current Report on Form 8-K, dated April 20, 2004.

The Board of Directors has determined that it is prudent and in the best interests of Bancorp and its shareholders to have in place certain provisions, such as the proposed increase in authorized shares of Common Stock, the proposed creation of a new class of Preferred Stock, the Rights Plan and change of control provisions in senior officer agreements, to protect Bancorp's shareholders from attempts by third parties to acquire control of Bancorp on terms that the Board determines, in its good faith judgment, do not adequately reflect the fair value of Bancorp's business. The Board believes that the use of such provisions are in the best interests of its shareholders because they would enable the Board to consider, in a deliberate and timely manner, whether any such attempts or offers are in the best interests of the shareholders of Bancorp. Such provisions could also have the effect of requiring would-be acquirors to negotiate with the Board and giving the Board the leverage needed to attain the best terms and conditions for its shareholders. The Board also believes that the enactment of these provisions will better enable the Board to fully implement its long-term growth and strategic plan. While the Board is not aware of any person who has acquired (with the exception of Angelo De Caro, see "Election of Directors - Stock Ownership of Directors and Officers" above), or has the intention to acquire, a significant amount of Common Stock of Bancorp or who has announced, or has the intention of announcing, a tender or exchange offer for shares of Common Stock of Bancorp, the Board has taken note of recent unusual trading activity in its stock. No person, however, has made any public announcement, or made any filing that may be required under the rules of the Securities and Exchange Commission, reporting an acquisition of 5% or more of Bancorp's Common Stock, the commencement of a tender or exchange offer, or any other measure to acquire control of Bancorp. The Board of Directors is not presently contemplating the issuance of shares of Common Stock or Preferred Stock for defensive purposes other than the Rights Plan should it be triggered. The Board of Directors will issue shares of Common Stock and Preferred Stock only when it deems such action to be in the best interests of its shareholders.

The foregoing summary description of the proposed amendment is qualified in its entirety by reference to the complete text of the proposed amendment set forth in [Appendix C](#) to this Proxy Statement.

The affirmative vote of at least a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is required to adopt Proposal 2.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK AND TO PROVIDE FOR A NEW CLASS OF SERIAL PREFERRED STOCK

**PROPOSAL 3
RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR**

The Audit Committee of Bancorp has approved the engagement of McGladrey & Pullen, LLP, independent auditors, to audit the books, records and accounts of Bancorp for the year ending December 31, 2004. In accordance with a resolution of the Board of Directors, this selection is being presented to the shareholders for ratification at the Annual Meeting.

McGladrey & Pullen, LLP has served as independent auditor of Bancorp and the Bank since 1994 and is considered to be well qualified. Bancorp has been advised by McGladrey & Pullen, LLP that it has no direct financial interest or any material indirect financial interest in Bancorp other than that arising from the firm's employment as independent auditor.

McGladrey & Pullen, LLP performs both audit and non-audit professional services for and on behalf of Bancorp. During 2003, the audit services included an audit of the consolidated financial statements of Bancorp and a review of certain filings with the Securities and Exchange Commission. All professional services rendered by McGladrey & Pullen, LLP during 2003 were furnished at customary rates and terms.

During the period covering the fiscal year ended December 31, 2003, McGladrey & Pullen, LLP and RSM McGladrey, Inc. performed the following professional services:

	2003	2002
Audit Fees consist of fees for professional services rendered for the audit of the consolidated financial statements and review of financial statements included in quarterly reports on Form 10-QSB and services connected with statutory and regulatory filings or engagements.	\$ 113,983	\$ 107,407

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services

The Audit Committee's policy is to pre-approve all audit and non-audit services provided by the independent public accountants. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The Audit Committee has

Edgar Filing: PATRIOT NATIONAL BANCORP INC - Form DEF 14A

delegated pre-approval authority to its Chair when expedition of services is necessary. The Chair is required to report any decisions to pre-approve such services to the full Audit Committee at its next meeting. The independent public accountants and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent public accountants in accordance with this pre-approval, and the fees for the services performed to date.

A representative of McGladrey & Pullen, LLP will be present at the Annual Meeting and will be provided the opportunity to make a statement and to respond to appropriate questions which may be asked by shareholders.

If the shareholders do not ratify the selection of McGladrey & Pullen, LLP, the selection of independent auditor will be reconsidered by the Board of Directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSAL 3.

21

SHAREHOLDER PROPOSALS AND COMMUNICATIONS

Any shareholder who intends to present a proposal at the 2005 Annual Meeting is advised that, in order for such proposal to be included in the Board of Directors' proxy material for such meeting, the proposal must be received by Bancorp at its principal executive office no later than January 6, 2005 directed to Angelo De Caro, Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, Connecticut 06901.

If any shareholder proposes to make any proposal at the 2005 Annual Meeting which proposal will not be included in Bancorp's proxy statement for such meeting, such proposal must be received by March 22, 2005 to be considered timely for purposes of Rule 14a-4(c) under the Securities Exchange Act of 1934 (the "Exchange Act"). The form of proxy distributed by the Board of Directors for such meeting will confer discretionary authority to vote on any such proposal not received by such date. If any such proposal is received by such date, the proxy statement for the meeting will provide advice on the nature of the matter and how Bancorp intends to exercise its discretion to vote on each such matter.

Bancorp has not had a formal process for shareholder communications with the Board of Directors. Bancorp has, however, made an effort to ensure that the Board of Directors or individual Directors, if applicable, consider the views of its shareholders. Bancorp believes that its responsiveness to shareholder communications to the Board of Directors has been excellent. Nevertheless, during the upcoming year, the Board of Directors will give consideration to the adoption of a formal process for shareholder communication with the Board. Shareholders may communicate with the Board of Directors by written communication to Angelo De Caro, Patriot National Bancorp, Inc., 900 Bedford Street, Stamford, Connecticut 06901.

COST OF SOLICITATION

Bancorp will bear the cost of preparing, assembling and mailing the notice, proxy statement and proxy for the Annual Meeting. Solicitation of proxies will be primarily through the use of the mails, but regular employees of Bancorp may solicit proxies by personal contact, by telephone or by telegraph without additional remuneration therefor. Banks, brokerage houses and other institutions, nominees or fiduciaries will be notified and supplied with sufficient copies of proxies, proxy soliciting material and annual reports in order to obtain authorization for the execution of proxies by their beneficial holders. Bancorp will, upon request, reimburse banks, brokerage houses and other institutions, nominees and fiduciaries for their reasonable expenses in forwarding proxy material to their beneficial holders. All expenses associated with the solicitation of proxies in the form enclosed will be borne by Bancorp. Bancorp has also retained Morrow & Company, a proxy solicitation firm, to assist in proxy solicitation for the Annual Meeting. Bancorp will pay that firm \$5,000, plus out-of-pocket expenses. Bancorp will also make arrangements with brokerage firms and other custodians, nominees and fiduciaries to send proxy materials to their principals and will reimburse those parties for their expenses in doing so.

22

OTHER MATTERS

Audit Committee Charter

Purpose

The purpose of the Audit Committee is to provide oversight and act as a liaison to the Board of Directors of Patriot National Bancorp, Inc. and Patriot National Bank (together referred to as the Company) regarding audit issues. The Committee approves the engagement of the independent auditors, reviews the arrangement and scope of the audit, considers comments made by the independent auditors regarding internal accounting controls, oversees the internal auditing function, reviews internal accounting procedures and controls with the Company's financial staff.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the authority to engage independent counsel and other advisers as it determines necessary to carry out its duties.

Each member of the Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information and (ii) the accuracy of the financial and other information provided to the Committee by such persons and organizations absent actual knowledge to the contrary. In addition, the evaluation of the Company's financial statements by the Committee is not of the same scope as, and does not involve the extent of detail as, audits performed by the independent auditor, nor does the Committee's evaluation substitute for the responsibilities of the Company's management for preparing, or the independent auditor for auditing, the financial statements.

Responsibilities of Audit Committee

- Review the adequacy of the Company's system of internal control.
- Review the activities, organizational structure and qualifications of the internal audit function. Meet with the internal auditor at least quarterly.
