ITEM 3.02. UNREGISTERED SALE OF EQUITY SECURITIES.

On December 3, 2004, we sold 280,000 shares of common stock to World Munsell for consideration of \$196,000 in cash. World Munsell is a Japanese company that is a division of ItoX Group, also a Japanese company. World Munsell has interests in the functional water industry. We will be working with World Munsell on various functional water applications for industry and consumer use. We issued these securities in reliance on Section 4(2) of the Act. This transaction occurred outside of the United States and the purchaser is not a U.S. company. This was a transaction by us as issuer that did not involve public offering. We believe that the purchaser was knowledgeable about our operations and financial condition. We believe that the purchaser had the knowledge and experience in financial and business matters which allowed it to evaluate the merits and risk of receipt of our securities.
