Safe Harbor Statement

Information provided in the exhibit hereto contains statements that are “forward-looking” statements, usually containing the words “will,” “anticipates,” “believe,” “estimate,” “project,” “expect,” “target,” “goal,” or similar expressions. Forward-looking statements in the exhibit relate to, among other things, U.S. Energy’s pursuit of a potential land exchange transaction, the terms of such a transaction, including the consideration to be received by U.S. Energy, and future valuations of the Mt. Emmons properties. These statements are made pursuant to the safe harbor provision of the Private Securities Litigation Reform Act of 1995. Forward-looking statements inherently involve risks and uncertainties that could cause actual results to differ materially from the forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to, future trends in commodity and/or mineral prices, the availability of capital, competitive factors, and other risks described in the Company’s filings with the SEC (including, without limitation, the Form 10-K for the year ended December 31, 2011, and the form 10 Q for the quarter ended March 31, 2012).

The forward-looking statements referenced above are made only as of the date of the exhibit. We undertake no obligation to update or revise the forward-looking statements, whether as a result of new information, future events or otherwise.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
