Prospectus Supplement
(to Prospectus dated August 12, 2005)

Antares Pharma, Inc.

Common Stock

**20,329,105 Shares of Common Stock
Offered by Selling Stockholders**

This prospectus supplement further supplements the prospectus dated August 12, 2005 of Antares Pharma, Inc. relating to the sale of shares of our common stock that may be sold from time to time in one or more offerings by several of our stockholders. We will not receive any proceeds from sales of shares of common stock by the selling stockholders. You should read this prospectus supplement in conjunction with the prospectus, and this prospectus supplement is qualified by reference to the prospectus, except to the extent that the information in this prospectus supplement supercedes the information contained in the prospectus.

The information including under the section entitled **Selling Stockholders** contained in the prospectus is hereby amended as follows:

Based on information provided by the selling stockholders and our internal corporate records, the following table lists the selling stockholders and other information regarding their beneficial ownership of the shares of our common stock. The following table sets forth (i) the number of shares of common stock beneficially owned by each selling stockholder at December 1, 2005, assuming exercise of warrants and options (exercisable within 60 days) held by certain of the selling stockholders; (ii) the number of shares of common stock to be offered for resale by each selling stockholder pursuant to this prospectus; and (iii) the number and percentage of outstanding shares of common stock to be held by each selling stockholder after completion of the offering.
