NEW ENVIRONMENTAL TECHNOLOGIES CORPORATION  
(A Development Stage Company)  
Notes to the Financial Statements  
March 31, 2003 and December 31, 2002

NOTE 1 - CONDENSED FINANCIAL STATEMENTS

The accompanying financial statements have been prepared by the Company without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows at March 31, 2003 and 2002 and for all periods presented have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted. It is suggested that these condensed financial statements be read in conjunction with the financial statements and notes thereto included in the Company's December 31, 2002 audited financial statements. The results of operations for the period ended March 31, 2003 and 2002 are not necessarily indicative of the operating results for the full years.

NOTE 2 - GOING CONCERN

The Company's financial statements are prepared using generally accepted accounting principles applicable to a going concern which contemplates the realization of assets and liquidation of liabilities in the normal course of business. The Company has not yet established an ongoing source of revenues sufficient to cover its operating costs and allow it to continue as a going concern. The ability of the Company to continue as a going concern is dependent on the Company obtaining adequate capital to fund operating losses until it becomes profitable. If the Company is unable to obtain adequate capital, it could be forced to cease operations.

In order to continue as a going concern, develop a reliable source of revenues, and achieve a profitable level of operations the

## Edgar Filing: VICTORY CAPITAL HOLDINGS CORP - Form 10QSB

Company will need, among other things, additional capital resources. Management's plans to continue as a going concern include seeking opportunities to merge with an existing operating company. In the interim, the shareholders of the Company will cover all operating expenses. Management cannot provide any assurances that the Company will be successful in accomplishing any of its plans.

The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plans described in the preceding paragraph and eventually secure other sources of financing and attain profitable operations. The accompanying financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

### NOTE 3 - SUBSEQUENT EVENTS

On April 14, 2003, the Company reached an agreement with a shareholder to satisfy outstanding bills for legal services, of \$22,278, in exchange for a cash payment of \$12,881. The difference will be recorded as a contribution of additional paid-in capital occurring in the three months ended June 30, 2003.

NEW ENVIRONMENTAL TECHNOLOGIES CORPORATION  
(A Development Stage Company)  
Notes to the Financial Statements  
March 31, 2003 and December 31, 2002

### NOTE 3 - SUBSEQUENT EVENTS (Continued)

On April 14, 2003, the Company's president and CEO paid \$14,278 towards the satisfaction of certain company accounts payable. This will result in the reclassification of accounts payable to accounts payable - related party for \$14,278 during the three months ended June 30, 2003.

On April 14, 2003, shareholders accounting for 2,279,077 shares, or 87% of the Company's outstanding common stock, entered into a share purchase agreement whereby all of the common stock held by the aforementioned shareholders was exchanged in consideration for \$275,000. As a result, the purchasers have established a controlling interest in the Company.

On April 14, 2003, the Company accepted the resignation of its president and CEO, David C. Merrell. In his place, the Company has appointed Harold Gregg as interim president and CEO.

On May 2, 2003, the Company reached an agreement with the Company's former president and CEO to satisfy outstanding obligations and accrued interest related to cash advances made to the Company, of \$44,358. As the former president and CEO continues to own a significant number of shares of the Company's common stock, the amount will be considered as a contribution of additional paid-in capital occurring in the three months ended June 30, 2003.
