ITEM 7.01 REGULATION FD DISCLOSURE

Edgar Filing: LANTRONIX INC - Form 8-K

Lantronix, Inc. announced in a press release on June 15, 2005, that the Superior Court of the State of California, County of Orange, approved the settlement of a shareholder derivative action (entitled Drake v. Bruscha, et al) pending against certain of the company's current and former directors and former officers. As described in the company's most recent Form 10-Q filed with the SEC, the settlement involves the adoption of certain corporate governance measures and payment of attorneys' fees and expenses to the derivative plaintiff's counsel in the amount of \$1.2 million. The action was dismissed with prejudice as to all parties, including Mr. Steven Cotton, who was not a party to the settlement agreement and who had objected to the settlement. The company's insurance carrier has agreed to pay the \$1.2 million, and the settlement will have no impact on the company's financial statements or results of operations. This settlement does not impact the securities class action or Synergetics Micro Systems securities case described in the Company's most recent Form 10-Q filed with the SEC.

A copy of this press release is furnished as Exhibit 99.1 to this report. This information shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and is not incorporated by reference into any filing of the company, whether made before or after the date of this report, regardless of any general incorporation language in the filing.
