Item 3.02 Unregistered Sales of Equity Securities.

On December 18, 2006, Altair Nanotechnologies Inc. ("Altair") issued a Placement Agent's Warrant (the "Warrant") to Cowen and Company, LLC ("Cowen"), as part of the consideration for Cowen's services as placement agent in Altair's previously announced "registered direct" offering, described more fully in Item 8.01 below and in Altair's previous Current Report on Form 8-K filed on December 14, 2006. The Warrant is for 231,482 Altair common shares, at an exercise price of \$3.375 per share. The Warrant has a five-year term beginning December 18, 2006. The Warrant contains a "net exercise" provision. Altair has agreed to file a registration statement with the Securities and Exchange Commission within 30 days of the issuance of the Warrant covering the re-sale of the shares issuable upon exercise of the Warrant. A copy of the Warrant was previously filed as Exhibit 4.1 to Altair's Current Report on Form 8-K filed on December 14, 2006.

The Warrant was issued pursuant to an exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act"). Cowen is an accredited investor within the meaning of Rule 501(a) of the Securities Act; the Warrant was issued without any general solicitation by Altair or its representatives; the Company received representations that the Warrant and common shares issuable thereunder were being acquired for Cowen's own account and not with a view to resell; and the Warrants include and contemplated that the common shares issuable thereunder will include standard restrictive legends.

Item 7.01 Regulation FD Disclosure.

On December 18, 2006, Altair issued a press release announcing the completion of the previously announced "registered direct" offering resulting in receipt by Altair of approximately \$23.15 million in net proceeds, after deducting placement agent fees and estimated offering expenses. In the offering, Altair issued 9,259,259 units to certain institutional investors, each unit consisting of (i) one common share of Altair and (ii) one warrant to purchase 0.25 common shares of Altair at an exercise price of \$2.70 per share, for a purchase price of \$2.70 per unit. Units are not issued or certificated. The common shares and warrants are immediately separable and will be issued separately. The warrants are exercisable beginning December 18, 2006 and through December 18, 2007. A copy of this press release is furnished hereto as Exhibit 99.1.

The information set forth in this Item 7.01 and Exhibit 99.1 attached hereto is intended to be furnished and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act or the Exchange Act, except as expressly set forth by specific reference in such filing.
