The Registrant is unable to file its Quarterly Report on Form 10-Q for the quarter ended June 30, 2010, in the time period prescribed for such filing without unreasonable effort or expense because the Registrant's financial statements have not yet been completed. The Registrant expects that its net loss for the quarter ended June 30, 2010, will be significantly greater than its net loss for the quarter ended June 30, 2009, due to additional expenses incurred during the second quarter of 2010, as compared to the same period in 2009. However, because the Registrant's financial statements have not yet been completed, the Registrant is unable to provide a reasonable estimate of the change at this time.
