On November 4, 2010, Altair Nanotechnologies Inc. (the "Company") held a publicly available conference call with respect to its financial results for the quarter ended September 30, 2010. Certain statements made during the call related to the Share Subscription Agreement dated September 20, 2010 with Canon Investment Holdings Limited, a company organized under the laws of Hong Kong ("Canon") and related transactions. Cautionary Note regarding Forward-Looking Statements

In addition to historical information, this report contains forward-looking statements related to the common share issuance, potential transactions among the Company, Canon and Zhuhai Yintong Energy Co. Ltd. ("YTE"), and the future operations of the Company, Canon or YTE. These forward-looking statements include statements regarding the intent, belief or current expectations of the Company as the assumptions on which such statements are based, and are identified by the use of words such as "may," "will," "seeks," "anticipates," "believes," "estimates," "expects," "projects," "forecasts," "plans," "intends," "should," "could," "would" or similar expressions. Forward-looking statements, which are included in accordance with the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, may involve risks, uncertainties and other factors that may cause actual results and performance in future periods to be materially different from any future results or performance suggested by the forward-looking statements in this report. These risks and uncertainties include, without limitation, the risks that the transactions described herein will not close as a result of the failure to obtain shareholder approval, the failure to obtain various governmental and regulatory approvals on a timely basis or at all, breaches of representations, warranties or covenants or the failure to satisfy other conditions precedent to closing; that synergies and strategic benefits anticipated from the transaction and relationship with Canon and YTE will not be realized as a result of technical, regulatory, corporate, market or other concerns; that any product orders described herein may be cancelled or delayed as permitted by governing documents or in breach of governing documents; and that delays in closing (or the failure to close), and the inability to raise capital in the interim, will create a critical cash shortage for the Company in the coming months and require the scaling back of operations or other measures. In addition, other risks are identified in the Company's most recent Annual Report on Form 10-K and Quarterly Report on Form 10-Q filed with the SEC. Such forward-looking statements speak only as of the date of the statements.
