**Item 3.03. Material Modification to Rights of Security Holders.**

On November 14, 2008, Global Med Technologies, Inc. (the Company ) filed an amendment to its Amended and Restated Articles of Incorporation with the Secretary of State of Colorado to permit shareholders to take action by less than unanimous written consent. This provision will permit the holders of the minimum number of votes that would be necessary to authorize or take action at a valid meeting of the Company's shareholders to act without a meeting. Thus, the holders of the Company's securities comprising a majority of the votes outstanding, acting by written consent, could bind the Company to any matter to the same extent to which a majority vote at a shareholder meeting could bind the Company. The amendment affects both common and preferred shareholders of the Company. A copy of the Company's Amended and Restated Articles of Incorporation, as amended, is attached as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

Effective as of November 14, 2008, the Company amended Article II, Section 2.13 of the Company's Bylaws. Prior to the amendment, Article II, Section 2.13 read as follows:

Section 2.13 Action Without a Meeting. Any action required or permitted to be taken at a meeting of the shareholders may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by all of the shareholders entitled to vote with respect to the subject matter thereof. Such consent (which may be signed in counterparts) shall have the same force and effect as a unanimous vote of the shareholders and may be stated as such in any document. Unless the consent specifies a different effective date, action taken without a meeting pursuant to a consent in writing as provided herein shall be effective when all shareholders entitled to vote have signed the consent. The record date for determining shareholders entitled to take action without a meeting is the date the first shareholder signs the consent. All consents signed pursuant to this Section 2.13 shall be delivered to the secretary of the corporation for inclusion in the minutes or for filing with the corporate records.

Pursuant to the aforementioned amendment, Article II, Section 2.13 of the Company's Bylaws now reads in its entirety as follows:

Section 2.13 Action Without a Meeting. Any matter to be approved by the corporation's shareholders may, in lieu of being approved by vote of the shareholders of the corporation at an annual or special meeting, be approved if shareholders holding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all of the shares entitled to vote thereon were present and voted deliver to the corporation a written consent to such action in accordance with § 7-107-104 of the Colorado Business Corporation Act.

A copy of the Company's Bylaws, as amended, is attached as Exhibit 3.2 to this Current Report on Form 8-K and is incorporated herein by reference.
