Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Effective as of October 14, 2009, the Board of Directors of Global Med Technologies, Inc. (the Company) has appointed Darren Craig to the position of Acting Chief Financial Officer. Mr. Craig, age 45, also serves as the Company's Vice President of Finance and has served a previous stint as the Company's Acting Chief Financial Officer. Mr. Craig has been an officer of the Company since October 2007 and has been with the Company since October 2000. Mr. Craig has a Masters in Accounting from the University of Southern California and also received a B.S. in Finance from San Diego State University. Mr. Craig is a CPA.

The Company has entered into an employment agreement with Mr. Craig which governs his employment as Vice President Finance (the Employment Agreement). The Employment Agreement has an initial term from November 1, 2008 through November 1, 2009, which initial term automatically renews for additional one year periods. Mr. Craig will receive an annual base salary of \$157,500. Mr. Craig is also entitled to participate in all of the Company's employee benefit plans, subject to restrictions.

The Employment Agreement also provides that upon a Change of Control (as defined in the Employment Agreement) all Company stock options held by Mr. Craig will vest.

In the event that Mr. Craig's employment is terminated by the Company for cause or if Mr. Craig resigns without good reason then Mr. Craig would be entitled to his base salary through the date of termination or resignation, including any accrued but unused vacation time.

In the event that Mr. Craig terminates his employment for good reason, if the Company terminates Mr. Craig's employment for any reason other than cause, death or disability or the Company fails to renew the new employment agreement after the expiration of the initial term or any renewal term, then Mr. Craig would be entitled to (i) the continuation of his benefits for the remainder of the initial term or the then current renewal term and (ii) subject to the execution of a release by Mr. Craig, severance consisting of continuation of his base salary until the earlier of (A) the date that Mr. Craig elects to engage or cause others to engage in a Competing Business (as defined in the Employment Agreement) or (B) six (6) months following the date of termination or non-renewal.

The Employment Agreement also includes provisions with respect to the protection of the Company's confidential and proprietary information and the assignment of intellectual property by Mr. Craig to the Company. In addition, the Employment Agreement prohibits certain solicitations by Mr. Craig during the term of the Employment Agreement and for one year following termination of the Employment Agreement and restricts Mr. Craig's ability to compete with the Company during the term of the Employment Agreement.

The foregoing description of the terms of the Employment Agreement is not complete and is qualified in its entirety by reference to the Employment Agreement, a copy of which is attached as Exhibit 10.108 to this Current Report on Form 8-K and incorporated herein by reference.
