Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On September 13, 2010 the Compensation Committee approved amendments to employment agreements with certain executives, as described below, and the Company entered into the agreements with the executives.

Three executives' agreements were modified to extend their current employment agreements through September 30, 2011. These executives are: Chief Financial Officer Elaine Marion, Executive Vice President Bruce Bowen, and Senior Vice President Steven Mencarini. Other minor changes were also made to bring the agreements into compliance in accordance with recent interpretations of Internal Revenue Code Section 409A ("Section 409A"): (a) Section 5(b) of the agreements were modified to provide that any bonus earned under that section will be paid no later than the next December 31 following the fiscal year in which the bonus was earned, unless calculation of the bonus is not administratively practicable and further delay would not violate Section 409A; (b) Section 7(c)(5) of the agreements were modified to provide that any applicable release and certification required to entitle the executive to certain payments due on termination of employment must be signed and returned to the company within twenty-one days of termination, and any payment due thereunder would be paid on the last day of the applicable payment period, unless otherwise required by Section 20 of the agreement; and (c) the sample release appended to the agreements was amended to include a certification that the executive complied with certain sections of the agreement.

The Compensation Committee approved, and Chief Operating Officer Mark Marron's employment agreement was amended as follows, to bring it into compliance in accordance with recent interpretations of Section 409A: (a) Section 5(b) of his agreement was modified to provide that any bonus earned under that section will be paid no later than the next December 31 following the fiscal year in which the bonus was earned, unless calculation of the bonus is not administratively practicable and further delay would not violate Section 409A; and (b) Section 7(c)(5) of his agreement was modified to provide that payment thereunder would be paid as set forth in the agreement, unless otherwise required by Section 20 of the agreement.

Also, the Compensation Committee approved, and Chief Executive Officer Phillip G. Norton's employment agreement was amended as follows, to bring it into compliance in accordance with recent interpretations of Section 409A: a) Section 5(b) of his agreement was modified to provide that any bonus earned under that section will be paid no later than the next December 31 following the fiscal year in which the bonus was earned, unless calculation of the bonus is not administratively practicable and further delay would not violate Section 409A; (b) Section 7(c)(5) of the agreement was modified to provide that any applicable release and certification required to entitle Mr. Norton to certain payments due on termination of employment must be signed and returned to the company within twenty-one days of termination, and any payment due thereunder would be paid on the last day of the applicable payment period, unless otherwise required by Section 20 of the agreement; (c) the sample release appended to the agreement was amended to include a certification that the executive complied with certain sections of the agreement. Additionally, Mr. Norton's compensation was modified from \$500,000 to \$560,000 annually, effective October 1, 2010.
