### CIRCUIT CITY STORES, INC.

#### NOTES TO UNAUDITED PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS

The unaudited pro forma consolidated financial statements of Circuit City Stores, Inc. included on pages 3 through 5 give effect to the disposition of its bankcard business, which includes credit card receivables and related cash reserves. The disposition will be accounted for as a discontinued operation beginning with the third fiscal quarter ending November 30, 2003. The unaudited pro forma consolidated balance sheet assumes the disposition of the bankcard business on August 31, 2003. Pro forma information is based upon the historical consolidated balance sheet data of Circuit City as of that date.

The unaudited pro forma consolidated statements of operations give effect to the disposition of the bankcard business for the six month period ended August 31, 2003, and for the fiscal year ended February 28, 2003, as if the disposition occurred on March 1, 2002.

The unaudited pro forma consolidated financial statements should be read in conjunction with the historical consolidated financial statements and related notes incorporated by reference in the Circuit City Stores, Inc. Annual Report on Form 10-K for the fiscal year ended February 28, 2003, and included in Circuit City Stores, Inc. Quarterly Reports on Form 10-Q for the periods ended

## Edgar Filing: CIRCUIT CITY STORES INC - Form 8-K

May 31, 2003, and August 31, 2003.

The pro forma adjustments are based on available information and assumptions that management believes are reasonable and are described in the following notes. The unaudited pro forma consolidated financial statements do not necessarily represent Circuit City's results of operations and financial position had the transaction occurred at such dates nor are they necessarily indicative of results of operations and financial position that may occur in the future.

- (A) The results of the bankcard business have been removed from the unaudited pro forma consolidated statements of operations. The pro forma adjustment to finance income reflects the elimination of securitization income, payroll and related fringe benefit expenses and other direct expenses of the bankcard business. The pro forma adjustment to selling, general and administrative expenses reflects the elimination of income attributed to North National Insurance Ltd., a separate insurance subsidiary of Circuit City, for insurance and debt cancellation products sold on behalf of the bankcard business. The pro forma adjustment to income taxes was made at an effective tax rate of 36%.

An after-tax loss of approximately \$82 million, which is not reflected in the unaudited pro forma consolidated statements of operations, is expected on the sale of the bankcard business. The \$82 million after-tax loss consists of approximately \$75 million of adjustments to the carrying value of Circuit City's retained interest in the bankcard portfolio and approximately \$7 million of other costs, including severance and lease termination.

6

An after-tax loss of \$95 million was recognized during the second fiscal quarter ended August 31, 2003, to reflect the then-estimated net proceeds from the sale. To reflect the actual proceeds from the sale, a reduction of approximately \$20 million in the after-tax loss will be recorded in the third fiscal quarter ending November 30, 2003. Severance costs will be incurred ratably through the final conversion date and lease termination costs are expected to be incurred in the first fiscal quarter of next year.

- (B) The unaudited pro forma consolidated balance sheet reflects net cash proceeds of approximately \$324 million from the sale of the bankcard business, which includes credit card receivables and related cash reserves, as of August 31, 2003. The unaudited pro forma consolidated balance sheet includes adjustments to reflect an estimated after-tax loss of approximately \$85 million as of August 31, 2003.

The cash proceeds and after-tax loss as of the closing date will differ from the pro forma amounts presented as of August 31, 2003, because the proceeds are determined based on the credit card receivable and cash reserve balances as of the closing date. Based upon credit card receivable and cash reserve balances as of November 18, 2003, the estimated after-tax loss on the sale is expected to be approximately \$82 million and the estimated after-tax cash proceeds will be approximately \$279 million.

- (C) The pro forma adjustments to accounts receivable and retained interests in securitized receivables reflect the elimination of the assets sold.
- (D) The pro forma adjustment to property and equipment reflects the impairment of property and equipment as a result of the sale.

Edgar Filing: CIRCUIT CITY STORES INC - Form 8-K

- (E) The pro forma adjustment to accrued expenses and other current liabilities reflects the estimated liability for lease termination and severance costs resulting from the sale and assumes these costs were incurred on August 31, 2003.
