Report of Independent Registered Public Accounting Firm

The Board of Trustees of  
Dreyfus High Yield Strategies Fund:

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance With Certain Provisions of the Investment Company Act of 1940, that the Dreyfus High Yield Strategies Fund (the "Fund") complied with the requirements of subsections (b) and (c) of Rule 17f-2 under the Investment Company Act of 1940 (the Act) as of June 30, 2005. Management is responsible for the Fund's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Fund's compliance based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included examining, on a test basis, evidence about the Fund's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of June 30, 2005 and with respect to agreement of security purchases and sales, for the period from March 31, 2005 (the date of our last examination), through June 30, 2005:

1. Examination of Mellon Bank N.A.'s (the "Custodian") security position reconciliations for all securities held by sub custodians and in book entry form;
2. Confirmation of all securities hypothecated, pledged or placed in escrow with brokers;
3. Inspection of documentation of other securities held in safekeeping by Custodian but not included in 1) and 2) above;

7. Confirmation of all repurchase agreements with brokers/banks and agreement of underlying collateral with the Custodian's records;
8. We reviewed Mellon Global Securities Services Report

on Controls Placed in Operation and Tests of Operating Effectiveness ("SAS 70 Report") for the period January 1, 2005 through June 30, 2005 and noted no negative findings were reported in the areas of Asset Custody and Control.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Fund's compliance with specified requirements.

In our opinion, management's assertion that the Dreyfus High Yield Strategies Fund complied with the requirements of subsections (b) and (c) of Rule 17f-2 of the Investment Company Act of 1940 as of June 30, 2005, with respect to securities reflected in the investment account of the Fund is fairly stated, in all material respects.
