PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Information Holdings Inc., a Delaware corporation (the "Company"), for use at the Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held on Tuesday, April 29, 2003, at 2:00 p.m., Eastern Standard Time, at the offices of Warburg Pincus & Co., 466 Lexington Avenue, New York, New York, 10017, or at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. It is expected that the Notice of Annual Meeting of Stockholders, this Proxy Statement and the enclosed proxy card, together with the Company's Annual Report to stockholders for the fiscal year ended December 31, 2002, will be mailed to stockholders entitled to vote at the Annual Meeting commencing on or about April 1, 2003.

Any stockholder or stockholder's representative who, because of a disability, may need special assistance or accommodation to allow him or her to participate at the Annual Meeting may request reasonable assistance or accommodation from the Company by contacting Information Holdings Inc., 2777 Summer Street, Suite 209, Stamford, Connecticut 06905. To provide the Company sufficient time to arrange for reasonable assistance, please submit all requests by April 15, 2003.

Record Date and Voting Securities

Stockholders can ensure that their shares are voted at the Annual Meeting by attending the Annual Meeting or signing and returning the enclosed proxy card in the envelope provided. The submission of a signed proxy will not affect a stockholder's right to attend the Annual Meeting and vote in person. Stockholders who execute proxies retain the right to revoke them at any time before they are voted by filing with the Company's Secretary a written revocation or a proxy bearing a later date. The presence at the Annual Meeting of a stockholder who has signed a proxy does not itself revoke that proxy unless the stockholder attending the Annual Meeting files written notice of revocation of the proxy with the Company's Secretary at any time prior to the voting of the proxy.

Proxies will be voted as specified by the stockholders. Where specific choices are not indicated, proxies will be voted **FOR** the proposals submitted for approval, and in accordance with the proxyholder's best judgment as to any other business as may properly come before the Annual Meeting. The proxy card provides space for a stockholder to withhold voting for any or all nominees to the Board or to abstain from voting for any proposal if the stockholder chooses to do so.

Under Delaware law and the Company's Bylaws, the presence of a quorum is required to transact business at the Annual Meeting. A quorum is defined as the presence, either in person or by proxy, of a majority of the outstanding shares entitled to vote. Proxies marked "abstain" will be included in determining a quorum. On routine matters, brokers who hold customer shares in "street name" but have not timely received voting instructions from such customers have discretion to vote such shares. Since all of the matters to be voted upon at the Annual Meeting are routine, the presence of such shares will be included in determining a quorum.

Under Delaware law and the Company's Bylaws, proposals must be approved by the affirmative vote of a majority of the shares present, either in person or by proxy, or, in the case of the election of directors, a plurality of the votes cast, at the Annual Meeting and entitled to vote. Accordingly,

abstentions have the same effect as votes "against" a proposal, whereas instructions to withhold voting on the election of any nominee for director have no effect on the outcome of the vote.

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

The Board has fixed the close of business on March 14, 2003 as the record date (the "Record Date") for the determination of the Company's stockholders who are entitled to receive notice of and to vote at the Annual Meeting. At the close of business on the Record Date, the Company had outstanding 21,441,277 shares of common stock, par value \$0.01 per share (the "Common Stock"), excluding treasury shares. The holders of Common Stock are entitled to one vote for each share held on the Record Date.

PROXIES IN THE FORM ENCLOSED ARE BEING SOLICITED BY, OR ON BEHALF OF, THE BOARD. THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD. Such persons designated as proxies are the Company's officers. Any stockholder desiring to appoint another person to represent him or her at the Annual Meeting may do so either by inserting such person's name in the blank space provided on the accompanying form of proxy, or by completing another form of proxy and, in either case, delivering an executed proxy to the Company's Secretary at the address indicated above, before the time of the Annual Meeting. It is the responsibility of the stockholder appointing such other person to represent him or her to inform such person of this appointment.

The Company will bear the cost of solicitation of proxies. Further solicitation may be made by the Company's directors, officers and employees personally, by telephone or otherwise, but such persons will not be specifically compensated for such services. The Company also intends to make, through bankers, brokers or other persons, a solicitation of proxies of beneficial holders of the Common Stock. Upon request, the Company will reimburse brokers, dealers, banks or similar entities acting as nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual Meeting to the beneficial owners of Common Stock which such persons hold of record.

The Company may send only one annual report and proxy statement to multiple stockholders that share the same address. Upon written or oral request, the Company will promptly supply such stockholders additional copies of the annual report and proxy statement. Such requests should be made by contacting the Company either by mail at the Company's offices at 2777 Summer Street, Suite 209, Stamford, Connecticut 06905 or by telephone at (203) 961-9106. If stockholders sharing the same address are receiving multiple copies of the annual report and proxy statement, such stockholders can request delivery of a single copy of the annual report and proxy statement by contacting the Company at the above address.

Pursuant to a stock option agreement, Mr. Nadler's options are exercisable for a period of ten years from the date of grant. The options vest and become exercisable in four equal annual installments from the date of grant.

In the event that Mr. Nadler's employment is terminated for "Cause" (as defined in his employment agreement), he will be entitled to receive any accrued but unpaid base salary, unused vacation and unreimbursed expenses. In the event the Company terminates his employment without Cause, or if he resigns within 90 days following a change in control, in addition to the amounts

9

specified in the foregoing sentence, Mr. Nadler will continue to receive his base salary and health and insurance benefits for a period equal to the greater of 6 months from the date of termination or the remainder of the employment term. expiration date of the employment contract. Mr. Nadler's employment agreement also contains a non-compete clause, which applies until the first anniversary of the termination of Mr. Nadler's employment, and confidentiality and non-solicitation provisions.

Aneel M. Pandey

The Company has an employment agreement, dated as of November 6, 2000 with Aneel Pandey which provides that Mr. Pandey will serve as Chief Executive Officer of Transcender until November 5, 2003, subject to automatic one-year renewals unless either party provides notice of non-renewal. Mr. Pandey's employment agreement provides for a base salary of \$200,000 per annum through November 5, 2001, increasing to \$235,000 through November 5, 2002 and \$260,000 through November 5, 2003. In addition, Mr. Pandey is entitled to receive a bonus equal to 50% of his base salary based upon meeting objectives determined by the Board of Directors. Mr. Pandey is also entitled to participate in health, insurance, pension and other benefits provided to other senior executives of the Company.

The Company also has a confidentiality and non-competition agreement, dated November 6, 2000, which provides that for a period ending on the third anniversary of the termination of Mr. Pandey's employment, Mr. Pandey will not, directly or indirectly, engage in any business which competes with Transcender.

In the event that Mr. Pandey's employment is terminated for "Cause" (as defined in his employment agreement), Mr. Pandey will be entitled to receive any accrued but unpaid base salary, unused vacation and unreimbursed expenses. In the event the Company terminates his employment without Cause, in addition to the amounts specified in the foregoing sentence, Mr. Pandey will continue to receive his base salary and health and insurance benefits for the remainder of the employment term.

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act that might incorporate filings by reference, including this Proxy Statement, in whole or in part, the following Report of the Board of Directors and Compensation Committee (the "Compensation Committee") on Executive Compensation and the Performance graphs shall not be incorporated by reference into any such filings.

REPORT OF THE BOARD OF DIRECTORS AND THE BOARD COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee's responsibilities include establishing the Company's policies governing the compensation of its officers and other key executives. The Compensation Committee approves all elements of compensation for executive officers, including their equity compensation under the Company's 1998 Amended and Restated Stock Option Plan (the "Option Plan"). The Board is responsible for overall administration of the Option Plan.

Executive Compensation. The Company's compensation program consists of base salary, annual incentive payments, stock options and employee benefits. The goal of the Company's compensation program is to motivate and reward its executive officers and other key employees to improve long-term stockholder value and to attract and retain the highest quality executive and key employee talent available. The Company's executive compensation program is designed to align executive compensation practices with increasing the value of the Common Stock and to foster adherence to, and promotion of, the Company's business mission, values, strategic goals and annual objectives.

10

Except for equity compensation under the Option Plan to employees who are not executive officers, the Compensation Committee has the authority to determine all matters relating to compensation of the Company's employees. When making compensation decisions, the Compensation Committee considers an executive's scope of responsibilities, level of experience, individual performance and attainment of pre-established goals as well as the Company's business plan and general economic factors. The Compensation Committee also considers input from the Company's Chief Executive Officer and Chief Financial Officer.

Base Salary and Bonus. The salary levels for executive officers are determined by such officer's level of job responsibility and experience, job performance and attainment of pre-established goals. Consideration is also given to salaries for comparable positions within the industry and the Company's ability to pay. The Compensation Committee considers all of these factors and makes an informed decision with respect to any annual salary increases for the executive officers. Bonus payouts to the Company's executive officers and other key employees are based on the attainment of corporate earnings goals and certain individual performance goals.

Compensation of Chief Executive Officer. The salary paid and stock options granted in fiscal 2002 to Mason Slaine, the Company's Chief Executive Officer, were determined in accordance with specific provisions of his employment agreement. Mr. Slaine received a bonus of

\$206,000 for fiscal 2002.

Options. The Board believes that stock options are important to provide an inducement to obtain and retain the services of the Company's employees and the employees of its subsidiaries and to increase their proprietary interest in the Company's success. Long-term incentives in the form of stock options provide a vehicle to reward executive officers only if there is an increase in stockholder value. Stock options are granted on a subjective and discretionary basis within a guideline range that takes into account the position and responsibilities of the Company's executive officers and key employees whose contributions and skills are important to the Company's long-term success.

During 2002, the Board approved the issuance of options to purchase a total of 380,342 shares of Common Stock to various employees. Such options were granted at exercise prices equal to the respective market prices of the Common Stock on the various dates of grant.

Policy Regarding Qualifying Compensation. Section 162(m) of the Internal Revenue Code imposes a \$1,000,000 limitation on tax-deductible remuneration paid to any one of the five most highly compensated executive officers of a publicly-held corporation, unless the compensation qualifies as "performance-based compensation" or is otherwise exempt from the provisions of Section 162(m). None of the compensation paid to executive officers exceeded the limits of Section 162(m) for the fiscal year ended December 31, 2002.

Notwithstanding anything to the contrary set forth in any of the Company's filings under the Securities Act or the Exchange Act that might incorporate filings by reference, including this Proxy Statement, in whole or in part, the following Report of the Audit Committee of the Board of Directors shall not be incorporated by reference into any such filings except to the extent that the Company specifically incorporates it by reference in such filings and shall not be deemed to be "soliciting material" or to be "filed" with the Commission.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is responsible for overseeing the Company's financial reporting process and for recommending to the Board of Directors, subject to stockholder ratification, the selection of the Company's independent auditors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The Audit Committee is composed of independent directors of the Company, as currently defined by NYSE and SEC guidelines, and acts pursuant to a written charter adopted by the Board of Directors. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61, Communications with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The independent auditors provided to the Audit Committee the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended. The Audit Committee has reviewed and discussed with the independent auditors the firm's independence and has considered the compatibility of non-audit services with the auditor's independence.

Edgar Filing: INFORMATION HOLDINGS INC - Form DEF 14A

The Audit Committee discussed with the independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, both with and without management present, to discuss the results of their examinations, their evaluation of internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2002.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act ("Section 16(a)") requires the Company's executive officers, directors and persons who beneficially own more than 10% of the Common Stock to file initial reports of ownership and reports of changes in ownership with the Commission and the NYSE. Executive officers, directors and greater than 10% beneficial owners are required by Commission regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of such forms furnished to the Company and written representations from the executive officers, directors and greater than 10% beneficial owners, the Company believes that all Section 16(a) filing requirements applicable to the Company's executive officers, directors and greater than 10% owners were complied with during fiscal year 2002, except with respect to Mr. Slaine, who did not timely file a Form 4 reporting the grant of stock options or the sale of Common Stock. Both transactions have since been reported.

STOCKHOLDER NOMINATIONS AND PROPOSALS FOR 2004

Any proposals intended to be presented by stockholders at the Company's Annual Meeting of Stockholders to be held in 2004 must meet the requirements of Rule 14a-8 of the Commission relating to stockholders' proposals. A stockholder proposal outside of the processes of Rule 14a-8 will be considered untimely if received by the Company after February 10, 2004.

OTHER BUSINESS

It is not anticipated that there will be presented to the Annual Meeting any business other than the election of directors and the ratification of independent auditors, and the Board was not aware of any other matters which might properly be presented for action at the Annual Meeting. If any other business should come before the Annual Meeting, the persons named on the enclosed proxy card will have discretionary authority to vote all proxies in accordance with their best judgment.

Proxies in the form enclosed are solicited by or on behalf of the Board. The cost of this solicitation will be borne by the Company. In addition to the solicitation of the proxies by use of the mails, some of the Company's officers and regular employees, without extra remuneration, may solicit proxies personally, or by telephone or otherwise. In addition, arrangements will be made with brokerage houses and other custodian, nominees and fiduciaries to forward proxies and proxy material to their principals, and the Company will reimburse them for their expenses in forwarding soliciting materials, which are not expected to exceed \$5,000.

It is important the proxies be returned promptly. Therefore, stockholders are urged to sign, date and return the enclosed proxy card in the accompanying stamped and addressed envelope.
