The Company and the Bank are parties to an Employment Agreement with George H. Mantakos dated May 1, 1995, pursuant to which Mr. Mantakos is employed as the President of the Bank. The agreement provides for an annual salary of \$125,000 which may be adjusted on the anniversary date of the agreement to an amount to be approved by the Board of Directors. Mr. Mantakos is entitled to participate in any management bonus plans established by the Bank and to receive all benefits offered to employees. Mr. Mantakos will, at the discretion of the Chairman, have the opportunity to receive a bonus in a maximum amount of \$20,000 per year. The Compensation Committee is empowered to grant a larger bonus to Mr. Mantakos. Mr. Mantakos receives the use of an automobile provided by the Bank. The term of the Employment Agreement is one year, expiring May 1, 2005 and, if not terminated within 90 days of its termination date, is automatically renewed for one additional year, provided, however, that the Board of Directors of the Bank may terminate the agreement at any time. In the event of involuntary termination for reasons other than gross negligence, fraud or dishonesty (or in the event of the material diminution of or interference with Mr. Mantakos' duties, or a change of control of the Bank), the Bank is obligated to pay Mr. Mantakos his salary through the remaining term plus additional severance equal to the then current annual salary, but not less than \$110,000. In such event, Mr. Mantakos is permitted to exercise all options, and warrants held by him, and the Company is obligated to purchase all of the Common Stock owned by Mr. Mantakos at the time of the involuntary termination and all of the Common Stock owned by him after he exercises all of his options and warrants.

CHANGE IN CONTROL AGREEMENTS

The Company has entered into Change in Control Agreements with Messrs. Hale, Mantakos, Cicero, and Keidel.

The agreements provide severance payments to these executives should a change in control result in a loss of employment, or a significant change in his or her employment. Under the agreement Messrs. Hale, Mantakos, and Cicero would be entitled to severance payments equal to 2.99 times annual compensation, while Mr. Keidel would receive 1.99 times his annual compensation.

OTHER BENEFITS

The Company provides life insurance benefits to Messrs. Hale, Mantakos, Cicero and Keidel in an amount equal to two times base annual salary during their employment up to a maximum of \$300,000. The Company has agreed to provide post-employment life insurance benefits for these executives of \$100,000, subject to a predetermined vesting schedule.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The functions of the Compensation Committee include administering management incentive compensation plans, establishing the compensation of officers and reviewing the compensation of directors. The Board of Directors has adopted a written charter for this committee setting out the functions that this committee is to perform. A copy of the charter is available on the Company's website.

The Compensation Committee of the Board consists of Messrs. Bondroff, Hoffman and Ms. Brown, who are non-employee directors and have no interlocking relationship or insider participation as defined by the Securities and Exchange Commission. None of the Company's executive officers serves on the Board of Directors or Compensation Committee of a company that has an executive officer that serves on the Company's Board or Compensation Committee. No member of the Company's Board is an executive officer of a company in which one of the company's executive officers serves as a member of the Board of Directors or Compensation Committee of that company.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The objectives of the Company's management compensation policy are to attract and retain the best available executive officers; to motivate them to achieve the goals set forth in the Company's business plan; to link executive and stockholder interest through equity-based compensation; and to provide a compensation package that recognizes the executive's contribution, as well as the Company's performance, measured by both short-term and long-term achievements.

The management compensation policy and the general compensation policies of the Company are established by the Compensation Committee of the Board (The "Compensation Committee"). The Compensation Committee formulates the compensation policy and specific compensation levels for executive officers and administers the Company's equity based compensation plans. Each member of the Compensation Committee is a non-employee director. From time to time, the Compensation Committee retains independent compensation consultants to work on its compensation matters. The Board of Directors approves the recommendations of the Compensation Committee.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

The Compensation Committee believes that the compensation of the Chief Executive Officer, Edwin F. Hale, Sr., should be based largely upon corporate performance relative to the Company's business plan. In setting Mr. Hale's salary and bonus, the Compensation Committee considered the key role Mr. Hale plays in the continued development and expansion of the Company, its substantial growth, the significance of the public awareness of the Company and the development of commercial and consumer business of the Bank.

During the tenure of Mr. Hale's leadership, the Company has realized remarkable growth and increased profitability. Total assets, loans and deposits have grown at average compound annual growth rates of 45%, 44% and 42%, respectively, and the Company has grown to the fourth largest publicly traded bank holding company headquartered in Maryland. Profits reached a record level in 2004, exceeding \$6.1 million and increasing 15% compared to 2003. The year ended December 31, 2004 marked the fourth consecutive year of higher profits. Growth in assets and loans has far exceeded industry averages, and asset quality has remained solid with net chargeoffs as a percentage of average loans of just .13% since 1995.

Mr. Hale has been an integral part of the Company's sales and marketing efforts, actively participating in the Company's marketing strategies and serving as spokesman in the Company's radio and television advertising. Through Mr. Hale's efforts, the Company now enjoys name recognition of 89% in the Baltimore Metropolitan area based on an independent market research study conducted in 2004. Through his successful leadership of the Bank, continuous support and promotion of numerous civic and charitable activities, Mr. Hale has become one of the most visible and respected financial leaders in the Bank's market area.

Mr. Hale has also been a critical factor in the Company's success in raising capital to support its continued growth. Mr. Hale's banking experience and credibility in the capital market has been instrumental in successful capital raising efforts in 1995, 1998, 2001, 2002, 2003 and most recently during the fourth quarter of 2004.

The Compensation Committee annually reviews competitive data regarding compensation levels and the various forms of compensation received by executives of other financial services organizations in the region. The Compensation Committee sets Mr. Hale's base compensation at \$480,000 for 2004, a 12.9% increase over his base salary for 2003. Mr. Hale received bonus payments in 2004 totaling \$244,000 based upon the Company's performance, including exceeding its budgeted net income targets.

Mr. Hale received no stock options in 2004.

COMPENSATION OF OTHER EXECUTIVE OFFICERS

Recommendations regarding the base salary of the Executive Officers, other than the Chief Executive Officer, are made to the Compensation Committee by the Chief Executive Officer and either approved or modified by the Compensation Committee. The recommendation as to the bonus paid to each Executive Officer is based upon a review of the performance of these officers during the prior year by the Chief Executive Officer and includes the factors described in the preceding section on compensation of the Chief Executive Officer. The Compensation Committee concurred with the recommendations made by the Chief Executive Officer.

Mr. Cicero, Mr. Mantakos and Mr. Keidel received no stock options in 2004.

PERFORMANCE GRAPH

The following graph compares the performance of the Company's Common Stock, with the performance of a broad market index and a nationally-recognized industry standard assuming in each case both an initial \$100 investment on December 31, 1999 and reinvestment of dividends as of the end of the Company's fiscal years. The Company has selected the Nasdaq Market Index as the relevant broad market index because prices for the Company's Common Stock are quoted on Nasdaq National Market. Additionally, the Company has selected the Nasdaq Bank Index as the relevant industry standard because such index consists of financial institutions which the Company believes generally possess assets, liabilities and operations more similar to the Company than other publicly-available indices. However, given the short history of the Company's operations and its rapid growth, the Company believes no truly appropriate comparative index exists.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has had in the past, and expects to have in the future, banking transactions in the ordinary course of business with directors and executive officers on substantially the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with other unaffiliated persons and, in the opinion of management, these transactions do not and will not involve more than the normal risk of collectibility or present other unfavorable features. Included in our portfolio are loans outstanding from the Company to Edwin F. Hale, Sr. in the aggregate amount of \$1.15 million at December 31, 2004, which loans do not involve more than the normal risk of collectibility and bear interest and are collateralized on terms prevailing for comparable transactions.

The Company has entered into various leases with Hale Properties, LLC, a company owned by Edwin F. Hale, Sr., CEO of the Company, for office and retail space at 3301 Boston Street in Baltimore City. This location includes an expanded full service branch location, a retail mortgage office, and approximately 54,800 square feet of general office space, including the Company's current headquarters. The Company pays annual rent of \$988,513 for office and retail mortgage space and \$104,541 for 3,000 square feet of retail branch space with extended drive thru facilities. The Company leases from Mr. Hale 34,300 square feet of general office space at 1516 Baylis Street, Baltimore, Maryland, which houses a significant portion of the Company's servicing and operations units. The Company pays annual rent of approximately \$415,993 for this office space. The Company also leases 18,400 square feet of storage space and disaster recovery facilities at two other locations owned by Mr. Hale; with the annual rent for these facilities totaling \$131,048.

The Company is currently negotiating to lease approximately 56,500 square feet of office space in a new building currently under construction by Mr. Hale. This building is adjacent to the current headquarters building at 3301 Boston Street and is anticipated to be completed in the second quarter of 2006. At that time, the operations facility at 1516 Baylis Street will be vacated. The additional space will be utilized for growth and the expected rental rates will be approximately \$25.00 per square foot triple net. It is anticipated that the lease will be signed in early April, 2005.

The above leases have been approved by the Audit Committee and the Board of Directors, which believe that such leases are comparable or at least favorable to market rates and terms.

In October 2004 the Company announced that it has entered into a purchase agreement with Canton Crossing, LLC and Hale Canton, LLC, limited liability companies wholly owned by Edwin F. Hale Sr., whereby the Company would purchase its headquarter building at 3301 Boston Street for \$20 million. The sale was completed on March 31, 2005.

The Company sponsors the activities of the Baltimore Blast, a professional soccer team owned by Edwin F. Hale, Sr. The Company pays approximately \$215,000 for a sponsorship package which includes printed material and Company banners displayed at Baltimore Blast games, prize giveaways, free tickets and employee recognition nights. The Company has a letter of credit with the Baltimore Blast in the amount of \$400,000 that is secured by cash.

The Company has obtained the naming rights to the major indoor sports/entertainment facility in Baltimore from Mr. Hale who obtained them from the City of Baltimore. The Company pays Mr. Hale \$75,000 per year for the naming rights, which is the same as Mr. Hale pays the City of Baltimore. The Company has a letter of credit with the City of Baltimore in the amount of \$375,000 securing performance under the contract.

The Company has a letter of credit with Canton Crossing, LLC, a limited liability company wholly owned by Mr. Hale for \$363,217 that is secured by cash.

The Audit Committee and the Board of Directors have reviewed and approved the above transactions and believes them to be fair and reasonable, and in the best interest of the Company.

CODE OF CONDUCT AND ETHICS

The Company has an Employee Code of Conduct and Ethics Policy approved by the Board of Directors that applies to all employees, directors, and officers of the Company, including our principal executive officer, principal financial officer and principal accounting officer. We require all directors, officers and employees to adhere to the Code of Conduct and Ethics Policy in addressing the legal and ethical issues encountered in conducting their work. All employees are required to certify that they have reviewed the Code of Conduct and Ethics Policy and understood it. Additionally, the Company has adopted an Executive Code of Conduct and Ethics that addresses (i) "blackout period" prohibitions on trading in the Company's securities; (ii) prohibitions against insider trading; (iii) corporate opportunities; and (iv) the policy regarding loans to insiders.

Proposal Two:

STOCKHOLDER PROPOSAL RELATING TO SEPARATION OF POSITIONS OF CHAIRMAN OF THE BOARD AND CHIEF EXECUTIVE OFFICER

Mr. John F. Maas, 4053 Bayberry Ct., Monmouth Jct., New Jersey, 08852 the beneficial owner of 3796.4 shares of common stock, has advised the Company that he plans to introduce the following resolution at the Annual Meeting:

RESOLVED:

That the shareholders of First Mariner Bancorp (FMB) urge the Board of Directors to adopt a policy that the Chairman of the Board and Chief Executive Officer (CEO) be two different individuals and that the Chairman be an independent director, elected by the directors.

SUPPORTING STATEMENT

At last year's Annual Meeting this proposal received 21.8% of the votes cast.

In my opinion, the primary purpose of the Board of Directors is to protect shareholders' interests by providing independent oversight of management, including the CEO. I believe that a separation of the roles of Chairman and CEO will promote greater management accountability to shareholders and having an independent Chairman will strengthen the Board's integrity and improve its oversight of management.

Corporate governance experts have questioned how one person serving as both Chairman and CEO can effectively monitor and evaluate his or her own performance. The National Association of Corporate Directors Blue Ribbon Commission on Director Professionalism has recommended that an independent director should be charged with "organizing the board's evaluation of the CEO and providing continuous ongoing feedback; chairing executive sessions of the board; setting the agenda with the CEO, and leading the board in anticipating and responding to crises." (*Report of the NACD Blue Ribbon Commission on Director Professionalism*. Washington, D.C.: National Association of Corporate Directors, 1996, reissued 2001).

Institutional investors have found that a strong objective board leader can best provide necessary oversight of Management. For example, CalPERS' Corporate Governance Core Principles and Guidelines states that "the independence of a majority of the Board is not enough" and that "the leadership of the board must embrace independence, and it must ultimately change the way in which directors interact with management." (CalPERS' Corporate Governance Core Principles & Guidelines: The United States April 13, 1998, III.A).

The Baltimore Business Journal reported

"When companies do business with firms owned by an officer or board member it is known as a "related party transaction." The practice isn't uncommon, but it is receiving increase scrutiny from shareholder advocates who feel it may serve management's interests, not those of shareholders.

Institutional Shareholder Services said in a report last year that Hale's involvement in "related party transactions" negatively affected First Mariner's corporate governance ranking. The service studies the governance practices of thousands of public companies from anti-takeover provisions to the number of independent directors and gives companies an overall ranking.

Last year, First Mariner, founded in 1995, ranked in the lowest third of about 22,000 public companies ISS surveyed on their corporate governance practices." (Baltimore Business Journal 4/9/2004).

Andrew Grove, chairman of Intel Corporation, stated "The separation of the two jobs goes to the heart of the conception of a corporation. Is a company a sandbox for the CEO, or is the CEO an employee? If he's an employee, he needs a boss, and that boss is the board. The chairman runs the board. How can the CEO be his own boss?" (*BusinessWeek*, November 11, 2002).

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **AGAINST** THIS PROPOSAL FOR THE FOLLOWING REASONS

The Board strongly endorses the view that one of its primary functions is to protect stockholders' interests by providing independent oversight of management, including the CEO. However, the Board does not believe that mandating a particular structure, such as a separate chairman and CEO, is necessary to achieve effective oversight.

The same proposal has been submitted by Mr. Maas for the previous three years. The stockholders of the Company defeated a similar proposal submitted by Mr. Maas at the 2004 annual meeting, rejecting it by a majority (78.2%) of shares voted by stockholders. The Board of Directors continues to believe that the proposal is not in the best interests of the Company or its stockholders. The Board believes that our Company is best served by having Mr. Hale, who is also a large stockholder, serve as both Chairman and Chief Executive Officer. In this manner, the Chairman, whose interests in the opinion of the Board are aligned with the interest of the public stockholders, acts as a bridge between the Board and the operating organization and provides critical leadership for strategic initiatives.

Mr. Hale's leadership the Company has continued to reflect solid growth and increasing profits, as evidenced in the Company's growth and performance since its formation in 1995. The Company's profits in 2004 were a record for the fourth consecutive year, increasing 15% over 2003 profits. The Company continues to grow at significant rates while stressing conservative loan underwriting practices which have resulted in strong asset quality measures. In the 9+ years since the Company's formation, we have grown to be the fourth largest bank holding company headquartered in Maryland.

Mr. Hale has been an integral part of the Company's sales and marketing efforts, actively participating in the Company's marketing strategies and serving as spokesman in the Company's radio and television advertising. Through Mr. Hale's efforts, the Company enjoys name recognition of 89% in 2004 and 94% in 2003 in the Baltimore Metropolitan area based upon an independent market study conducted by Marshall Marketing in each of 2004 and 2003 on behalf of WBAL. Through his leadership of the Bank, as well as other public civic and private endeavors, Mr. Hale has become a very visible and respected business leader in the Bank's operating area.

Mr. Hale has also been a critical factor in the Company's success in raising capital to support its continued growth. Mr. Hale's banking experience and credibility in the capital markets has been instrumental in successful capital raising efforts in 1995, 1998, 2001, 2002, 2003 and 2004, all of which have supported the Company's continued growth.

The Board of Directors believes that independent oversight of management is effectively conducted and maintained through the Board. In fact, *14 of the 17 current directors are independent directors* and the Chairman has no greater nor lesser vote on matters considered by the Board than any other director.

Moreover, in addition to the full Board, all various committees of the Board are comprised by a majority of independent directors. The Compensation Committee of the Board consists of three directors, all independent; as detailed in its report appearing elsewhere in this proxy statement, the Compensation Committee reviews and evaluates the performance of all executive officers of the Company including the Chief Executive Officer and reports to the Board. The Audit Committee, which is comprised solely of independent directors, oversees the Company's financial practices, regulatory compliance, accounting procedures and financial reporting functions. In addition, the Audit Committee, is specially entrusted by law to pass on related party transactions and possible conflicts of

interest, if any. Furthermore, as a regulated entity, any related party transactions are closely scrutinized by federal and state government agencies that regularly examine the Company. In the opinion of the Board of Directors, an independent chairman does not add any value to this already effective process.

Finally, all directors of the Company, including the Chairman, are bound by fiduciary obligations, imposed by law, to serve the best interests of the stockholders. Separating the offices of Chairman and Chief Executive Officer would not serve to enhance or diminish the fiduciary duties of any director of the Company.

The Board believes that the interests of the Company and its stockholders are best served at this time by the experienced leadership and decisive direction provided by a full-time Chairman and Chief Executive Officer, subject to oversight by the Company's independent directors. The Board and the Company is strengthened by the presence of Mr. Hale, who provides strategic, operational, and technical expertise, broad vision and a proven ability to lead the Company to the successes it has experienced. The Board believes that success is promoted by active and independent directors and loyal and hard-working executives who act consistently with a strong set of corporate governance ethics, rather than a particular Board structure. The Board believes that it needs to retain the ability to balance board structure with the flexibility to determine board leadership.

The Board believes therefore, that this proposal is not in the best interest of the Company or its stockholders and unanimously recommends a vote **AGAINST** approval of the proposal to separate the office of Chairman and Chief Executive Office, and the accompanying proxy will be so voted, unless a contrary specification is made.

Pre-Approval of Audit and Non-Audit Services

In 2003, the SEC adopted a rule pursuant to the federal Sarbanes-Oxley Act of 2002 that, except with respect to certain *de minimis* non-audit services, as defined in Section 10A(i)(1) of the Exchange Act, requires Audit Committee pre-approval of audit and non-audit services provided by the Company's independent auditors. In recognition of this responsibility, the following provision is included in the Audit Committee's charter: "In carrying out [its] responsibilities, the Committee will ... pre-approve all audit and permitted non-audit services in accordance with Section 202 of the [Sarbanes-Oxley] Act [of 2002] and the SEC rules promulgated thereunder." All of the services described above were pre-approved by the Audit Committee pursuant to this SEC rule. No fees were paid to the independent registered public accounting firm pursuant to the "de minimus" exception to the foregoing pre-approval policy.

AUDIT COMMITTEE CONSIDERATION

After due consideration, the Audit Committee has concluded that the provision by Stegman & Company of the non-audit services described above is not incompatible with the maintenance by Stegman & Company of its independence.
