This calculation assumes that holders of ordinary shares, par value 10 pence each (the 'Ordinary Shares') in the United States own directly or indirectly 20.0% of the 3,090,248,790 Ordinary Shares issued and outstanding as of June 3, 2005 (including Ordinary Shares represented by American Depositary Shares) and that a *pro rata* number of non-cumulative preference shares, par value 10 pence each (the 'B Shares') are issued in the United States. Transaction Valuation is based upon a value of £0.65 cash per share for the B Shares expected to be issued in the United States and on an exchange rate of \$1.8119 per £1.00, which was the noon buying rate in New York certified by the New York Federal Reserve Bank for customs purposes on June 3, 2005.

Edgar Filing: NATIONAL GRID TRANSCO PLC - Form SC TO-I

This Issuer Tender Offer Statement on Schedule TO ('Schedule TO') has been filed by National Grid Transco plc, a public limited company organized under the laws of England and Wales ('National Grid Transco' or the 'Company'), which is returning cash (the 'Return of Cash') following an issue of non-cumulative preference shares, par value 10 pence per share (the 'B Shares'), to the holders of its existing ordinary shares, par value 10 pence per share (the 'Existing Ordinary Shares') and the holders of its American Depositary Receipts ('Existing ADRs'), evidencing American Depositary Shares and representing five Existing Ordinary Shares.

The Return of Cash will be made to record holders of its Existing Ordinary Shares as of 5:00 p.m. (London time) on July 29, 2005, and to record holders of its Existing ADRs as of 5:00 pm (New York City time) on July 29, 2005. Pursuant to the Return of Cash, holders of Existing Ordinary Shares shall be entitled to one B Share per Existing Ordinary Share they hold as of July 29, 2005. In the case of holders of Existing ADRs, since each Existing ADR represents five Existing Ordinary Shares, such holders are entitled to receive five B Shares per Existing ADR they hold as of July 29, 2005. Each B Share entitles its holder to receive 65 pence in cash and since holders of Existing ADRs will receive five B Shares per Existing ADR, such holders will be entitled to £3.25 per Existing ADR.

Holders of B Shares have three alternative ways in which they can receive their 65 pence per B Share. They are as follows: (i) receive a single cash dividend of 65 pence per B Share; (ii) have their B Shares repurchased for cash, at a price of 65 pence per B Share ('Alternative 2'); or (iii) retain their B Shares and receive a continuing dividend, with an opportunity to have their B Shares purchased at certain dates in 2006 and 2007 at a price of 65 pence per B Share.

In conjunction with the issue of the B Shares, National Grid Transco intends to engage in a share capital consolidation, or reverse stock split, in order to maintain the trading value of the Existing Ordinary Shares and Existing ADRs (subject to normal market movements) despite the cash payment of 65 pence per Existing Ordinary Share or £3.25 per Existing ADR. The Share Capital Consolidation will be carried out by subdividing and consolidating each Existing Ordinary Share and Existing ADR which will result in new Ordinary Shares (the 'New Ordinary Shares') and new ADRs (the 'New ADRs') being issued. U.S. Shareholders will receive 43 New Ordinary Shares for every 49 Existing Ordinary Shares owned as of 5:00 p.m. (London time) on July 29, 2005. Holders of ADRs will receive approximately 0.88 New ADRs for each Existing ADR owned as of 5:00 p.m. (New York City time) on July 29, 2005.

To the extent that holders of Existing Ordinary Shares and Existing ADRs elect to have their B Shares purchased under Alternative 2, the Company can acquire, following the purchase of the B Shares by its financial adviser and corporate broker, JPMorgan Cazenove Limited, a company organized under the laws of England and Wales ('JPMorgan Cazenove'), through its agent, Cazenove Incorporated ('Cazenove Incorporated'), a company incorporated under the laws of the State of Delaware, (collectively with JPMorgan Cazenove Limited, 'Cazenove'), the B Shares of the Company at 65 pence per B Share, on the terms and subject to the conditions as set forth in the Circular to Shareholders and the U.S. Supplemental Memorandum, each dated June 6, 2005 (collectively, the 'Return of Cash Documents'), and in the related Election Form or Letter of Election and Transmittal, respectively (which, together with the Return of Cash Documents and any amendments or supplements thereto, collectively constitute the 'Initial Repurchase Offer').

This Schedule TO is being filed pursuant to Section 13(e) of the Securities Exchange Act of 1934, as amended (the 'Exchange Act'), and the rules and regulations promulgated thereunder. With respect to shareholders resident in the United States, the Company has applied for relief from certain of the tender offer rules promulgated under the Exchange Act. Copies of information provided to shareholders in connection with the Return of Cash are filed as Exhibit 99.(a)(1) through Exhibit 99.(a)(12) hereto and are incorporated herein by reference.
