PROXY STATEMENT FOR ANNUAL GENERAL MEETING OF SHAREHOLDERS

May 1, 2008

This proxy statement contains information about the 2008 Annual General Meeting of Shareholders of Genpact Limited, which we refer to in this proxy statement as the annual meeting or the meeting. The annual meeting will be held on Thursday, May 1, 2008, at the New York Stock Exchange, 11 Wall Street, New York, New York. The annual meeting will commence at 10 a.m. Eastern time.

In accordance with the New York Stock Exchange's security procedures, all persons attending the annual meeting must present their photo identification and submit to screening by metal detector and x-ray examination of packages, handbags and luggage.

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors of Genpact Limited, which is also referred to as Genpact or the Company in this proxy statement, for use at the annual meeting and at any adjournment of the annual meeting. All proxies will be voted in accordance with the instructions they contain. If no instruction is specified on a proxy, it will be voted in favor of the matters set forth in the Notice of 2008 Annual General Meeting. A shareholder may revoke any proxy at any time before it is exercised by giving our Secretary written notice to that effect either before or at the annual meeting, signing and submitting another proxy with a later date or by attending the meeting in person and voting such holder's shares.

Our Annual Report to Shareholders, including our Annual Report on Form 10-K, for the fiscal year ended December 31, 2007 is being mailed to shareholders with the Notice of 2008 Annual General Meeting and this proxy statement on or about April 7, 2008.

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2007 as filed with the United States Securities and Exchange Commission (the "SEC"), except for exhibits, will be furnished without charge to any shareholder upon written request to Genpact Limited, 1251 Avenue of the Americas, 41st Floor, New York, New York 10020, attention: Corporate Secretary.

IMPORTANT INFORMATION ABOUT THE ANNUAL GENERAL MEETING AND VOTING

What is the purpose of the annual meeting?

At the annual meeting, shareholders will consider and act on the following matters:

1. To elect eleven (11) directors to hold office until the next annual election and until their successors are duly elected and qualified.
2. To adopt our U.S. Employee Stock Purchase Plan and International Employee Stock Purchase Plan (together, the "Purchase Plans").
3. To ratify and approve the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2008.
4. To transact such other business as may properly come before the annual meeting or any adjournment thereof.

Who can vote?

To be able to vote, you must have been a shareholder of record at the close of business on March 11, 2008. This date is the record date for the annual meeting.

Shareholders of record at the close of business on March 11, 2008 are entitled to vote on each proposal at the annual meeting. The number of outstanding common shares entitled to vote on each proposal at the meeting is 212,286,523.

How many votes do I have?

Each common share of Genpact that you owned on the record date entitles you to one vote on each matter that is voted on at the annual meeting.

Is my vote important?

Your vote is important regardless of how many common shares you own. Please take the time to vote. Take a moment to read the instructions below. Choose the way to vote that is easiest and most convenient for you and submit your proxy so your vote is cast as soon as possible.

How do I vote?

You may deliver your proxy to vote your shares in one of the following ways or you may vote in person at the annual meeting.

You may submit your proxy to vote by mail. You may vote by completing and signing the proxy card that accompanies this proxy statement and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States. The shares you own will be voted according to the instructions on the proxy card you mail. If you sign and return the proxy card, but do not give any instructions on a particular matter to be voted on as described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our board of directors. The board of directors recommends that you vote **FOR** Proposals 1, 2 and 3.

You may submit your proxy to vote over the Internet. If you have Internet access, you may submit your proxy to vote your shares from any location in the world by following the "Electronic Voting Instructions" set forth on the enclosed proxy card.

Edgar Filing: Genpact LTD - Form DEF 14A

You may vote in person. If you attend the meeting at the location set forth in the accompanying Notice of 2008 Annual General Meeting, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot. Ballots will be available at the meeting. If you attend the meeting in person you will need to bring an acceptable form of photo identification, such as a driver's license or passport. In accordance with the New York Stock Exchange's security procedures, all persons attending the annual meeting must present their photo identification and submit to screening by metal detector and x-ray examination of packages, handbags and luggage.

Can I change my vote after I have mailed my proxy card or after I have submitted my proxy to vote my shares over the Internet or by telephone?

Yes. You can revoke your proxy and change your vote at any time before the polls close at the meeting by doing any one of the following things:

signing and delivering another proxy with a later date to our Corporate Secretary at Genpact Limited, 1251 Avenue of the Americas, 41st Floor, New York, New York 10020 USA;

submitting another proxy to vote with a later date over the Internet;

giving our Corporate Secretary written notice before or at the meeting that you want to revoke your proxy; or

voting in person at the meeting.

Your attendance at the meeting alone will not revoke your proxy.

Can I vote if my shares are held in "street name"?

If the shares you own are held in "street name" by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form.

If your shares are held in street name, you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of the shares as of the record date in order to be admitted to the meeting on May 1, 2008. To be able to vote your shares held in street name at the meeting, you will need to obtain a proxy card from the holder of record.

What constitutes a quorum?

In order for business to be conducted at the annual meeting with respect to a particular matter, a quorum must be present for that particular matter. For each of the proposals described in the accompanying Notice of 2008 Annual General Meeting, we will have a quorum if at least two shareholders are present in person or by proxy who hold or represent more than 50 percent of the outstanding shares entitled to vote, or at least 106,143,261 shares.

Common shares represented in person or by proxy (including "broker non-votes" and shares that abstain or do not vote with respect to a particular proposal to be voted upon) will be counted for the purpose of determining whether a quorum exists at the annual meeting for that proposal. "Broker non-votes" are shares that are held in "street name" by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter.

If a quorum is not present, the annual meeting will be adjourned until a quorum is obtained.

What vote is required for each item?

For each of the proposals being considered at the annual meeting, approval of the proposal requires the affirmative vote of a simple majority of the votes cast. There is no cumulative voting in the election of directors. The election of each director nominee will be considered and voted upon as a separate proposal. Abstentions and broker "non-votes" are not counted as votes cast and will not affect the voting results on any proposals. If the proposal for the election of a director nominee does not receive the required majority of the votes cast, then the director will not be elected and the position on the board of directors that would have been filled by the director nominee will become vacant. The board of directors has the ability to fill any vacancy upon the recommendation of its nominating and governance committee.

How will votes be counted?

Each common share will be counted as one vote according to the instructions contained on a properly completed proxy, whether submitted by mail, over the Internet, or on a ballot voted in person at the annual meeting. Shares will not be voted in favor of a proposal if either (1) the shareholder abstains from voting on a particular matter, or (2) the shares are broker non-votes. If the shareholder does not indicate voting instructions on the proxy card, the proxies will have the authority to vote for proposals 1, 2 and 3.

Who will count the votes?

An independent vote tabulator will count the votes. Computershare has been appointed by the board of directors as the independent Inspector of Election and will determine the existence of a quorum, validity of proxies and ballots, and certify the results of the voting.

How does the board of directors recommend that I vote on the proposals?

The board of directors recommends that you vote:

FOR the election of the eleven directors listed under Proposal 1 to hold office until the next annual election and until their successors are duly elected and qualified;

FOR the adoption of our Purchase Plans; and

FOR the ratification and approval of the appointment of KPMG as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

Will any other business be conducted at the meeting or will other matters be voted on?

The board of directors does not know of any other matters that may properly come before the meeting. If any other matter properly comes before the meeting, the persons named in the proxy card that accompanies this proxy statement, whether you submit your proxy by mail or through the Internet, will exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

Where can I find the voting results?

We will report the voting results in our quarterly report on Form 10-Q for the second quarter of fiscal 2008, which we expect to file with the SEC in August 2008.

How and when may I submit a shareholder proposal, including a shareholder nomination for director, for the 2009 annual general meeting?

Our bye-laws contain advance notice procedures with regard to shareholder proposals not related to director nominations. If you are interested in submitting a proposal for inclusion in the proxy statement for the 2009 annual general meeting, you need to follow the procedures outlined in Rule 14a-8 of the Securities Exchange Act of 1934, or the Exchange Act. To be eligible for inclusion, we must receive your shareholder proposal intended for inclusion in the proxy statement for our 2009 Annual General Meeting of Shareholders at our New York City office as set forth below no later than December 8, 2008.

Bermuda law provides that shareholders who collectively hold at least 5% of the total voting rights of our outstanding common shares, or any group comprised of at least 100 or more registered shareholders, may require a proposal to be submitted to an annual general meeting of shareholders. Bermuda law generally requires that notice of such a proposal must be deposited at our registered office not less than six weeks before the date of the meeting.

A shareholder's notice to our corporate secretary must be in proper written form and must set forth, as to each matter the shareholder proposes to bring before the meeting:

a description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and if such business includes a proposal to amend our bye-laws, the language of the proposed amendment), the reasons for conducting the business at the meeting and any material interest in such business of such shareholder on whose behalf the proposal is made;

the name and record address of the shareholder;

the class and number of shares of our share capital which are owned and of record by the shareholder;

a representation that the shareholder is a holder of record of our shares entitled to vote at the meeting and that the shareholder intends to appear in person or by proxy at the meeting to propose such business; and

a representation as to whether the shareholder intends or is part of a group which intends to deliver a proxy statement or form of proxy to holders of at least the percentage of our outstanding share capital required to approve or adopt the business proposal, or otherwise to solicit proxies from shareholders in support of such proposal.

Our bye-laws also contain advance notice procedures with regard to shareholder proposals related to the nomination of candidates for election as directors. These procedures provide that any shareholder entitled to vote for the election of directors may nominate persons for election as directors only if written notice of such shareholder's intent to make such nomination is given to our corporate secretary not later than (i) with respect to an election to be held at an annual general meeting, not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting or not later than ten days after notice or public disclosure of the date of the annual meeting is given or made available to shareholders, whichever date is earlier, and (ii) with respect to an election to be held at a special general meeting for the election of directors, the close of business on the tenth day following the date on which notice of such meeting is first given to shareholders.

A shareholder's notice to our corporate secretary must be in proper written form and must set forth information related to the shareholder giving the notice and the owner on whose behalf the nomination is made, including:

the name and record address of the shareholder and the owner;

Edgar Filing: Genpact LTD - Form DEF 14A

the class and number of shares of our share capital which are owned and of record by the shareholder;

a representation that the shareholder is a holder of record of our shares entitled to vote at that meeting and that the shareholder intends to appear in person or by proxy at the meeting to bring the nomination before the meeting; and

a representation as to whether the shareholder intends or is part of a group which intends to deliver a proxy statement or form of proxy to holders of at least the percentage of our outstanding share capital required to elect the nominee, or otherwise to solicit proxies from shareholders in support of such nomination.

As to each person whom the shareholder proposes to nominate for election as a director:

all information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to the Exchange Act; and

the nominee's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

Any proposals, nominations or notices should be sent to:

Genpact Limited
1251 Avenue of the Americas, 41st Floor
New York, New York 10020
Attention: Corporate Secretary

What are the costs of soliciting these proxies?

We will bear the costs of solicitation of proxies. We are initially soliciting these proxies by mail, but our directors, officers and selected other employees may also solicit proxies by telephone, e-mail or by other means of communication without additional remuneration. Directors, officers and employees who help us in solicitation of proxies will not be specially compensated for those services, but they may be reimbursed for their reasonable out-of-pocket expenses incurred in connection with their solicitation. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting material to the owners of our common shares that they hold in their names. We will reimburse banks and brokers for their reasonable out-of-pocket expenses incurred in connection with the distribution of our proxy materials.

Will the 2007 financial statements be presented to the annual meeting?

Yes. At the annual meeting we will present the audited consolidated financial statements for the fiscal year ended December 31, 2007, as required by Bermuda law. Copies of these financial statements are included in our Annual Report to Shareholders, which we are delivering to you with this proxy statement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and the holders of more than 10% of our common shares to file with the SEC initial reports of ownership of our common shares and other equity securities on a Form 3 and reports of changes in such ownership on a Form 4 or Form 5. Executive officers, directors and 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based on our review of copies of reports filed with the SEC and except as set forth in the above table, we do not believe that there are currently any beneficial owners of more than ten percent of our common shares.

Based solely on our review of copies of reports filed by our directors and executive officers with the SEC or written representations from such persons pursuant to Item 405 of Regulation S-K, we believe that during the fiscal year ended December 31, 2007, all filings required to be made by our directors and executive officers pursuant to Section 16(a) with respect to Genpact Limited securities were made in accordance with Section 16(a).

PROPOSAL 1 ELECTION OF DIRECTORS

Our board of directors currently consists of eleven members. The nominating and governance committee of the board of directors has recommended to the board of directors, and the board of directors has nominated, the eleven persons listed in the table below for election as directors with terms expiring at the 2009 annual meeting. Unless a contrary direction is indicated, it is intended that proxies received will be voted for the election as directors of the eleven nominees, to serve for one-year terms, and in each case until their successors are elected and qualified. Each of the nominees has consented to being named in this Proxy Statement and to serve as a director if elected. In the event any nominee for director declines or is unable to serve, the proxies may be voted for a substitute nominee selected by the board of directors.

The following paragraphs provide information as of the date of this proxy statement about each member of our board of directors. The information presented includes information each director has given us about his age, all positions he holds, his principal occupation and business experience for the past five years, and the names of other publicly-held companies of which he serves as a director. Information about the number of common shares beneficially owned by each director appears under the heading "Security Ownership of Certain Beneficial Owners and Management."

There are no family relationships among any of the directors and executive officers of Genpact. Messrs. Crandall, Denning, Dzialga and Nayden serve on our board as designees of Genpact Investment Co. (Lux) SICAR S.à.r.l. ("GICo"), the investment vehicle of General Atlantic LLC and Oak Hill Capital Partners, pursuant to the shareholders agreement described in "Certain Relationships and Related Party Transactions Shareholders Agreement." Other than such arrangement, no arrangements or understandings exist between any director or any person nominated for election as a director and any other person pursuant to which such person is to be selected as a director or nominee for election as a director.

Board Recommendation

The board of directors believes that approval of the election of all nominees is in our best interests and the best interests of our shareholders and therefore recommends a vote FOR this proposal.

CORPORATE GOVERNANCE

General

We believe that good corporate governance is important to ensure that Genpact is managed for the long-term benefit of its shareholders. The board of directors has adopted corporate governance guidelines to assist the board of directors in the exercise of its duties and responsibilities and to serve the best interests of our Company and our shareholders. These guidelines, which provide a framework for the conduct of the board of director's business, provide, among other things, that:

the principal responsibility of the directors is to exercise their business judgment to promote the long-term interests of the Company's shareholders by providing strategic direction to the Company and overseeing management in the performance of the Company's business activities;

additional responsibilities include reviewing, approving and monitoring significant financial and business strategies as developed by management, evaluating the performance of the Company and its executive officers, approving CEO succession plans and reviewing and approving material transactions and corporate activities not entered into in the ordinary course of business;

a majority of the members of the board of directors shall be independent directors;

the independent directors shall meet at least twice a year in executive session;

directors shall have full and free access to management and, as necessary and appropriate, independent advisors; and

at least annually the nominating and governance committee shall oversee a self-evaluation of the board of directors to determine whether the board of directors and its committees are functioning effectively.

Director Independence

Pursuant to the corporate governance listing standards of the New York Stock Exchange ("NYSE"), a director employed by us cannot be deemed to be an "independent director," and consequently Mr. Bhasin is not an independent director. In addition, in accordance with the NYSE corporate governance listing standards, the board determined that Mr. Gary Reiner and Mr. Lloyd Trotter, who served on our board during the fiscal year ended December 31, 2007, were not independent because they were executive officers of GE. The board has determined that none of the other directors has a material relationship with us for purposes of the NYSE corporate governance listing standards and accordingly each is independent under such NYSE standards.

In making its independence determinations the board considered the relationship between our Company and GICo, the investment vehicle through which General Atlantic and Oak Hill own 50.32% of our outstanding common shares, the fact that Messrs. Crandall, Denning, Dzialga and Nayden serve on our board as designees of GICo pursuant to the terms of the shareholders agreement, the fact that Messrs. Crandall and Nayden are managing partners of Oak Hill and the fact that Messrs. Denning and Dzialga are managing directors of General Atlantic. Messrs. Gary Reiner and Lloyd Trotter served as members of our board of directors as GE designees pursuant to the terms of our shareholders

agreement until their respective resignations from our board. See "Certain Relationships and Related Party Transactions Shareholders Agreement." On March 27, 2008, the shareholders agreement was amended to remove GE's right to designate directors thereunder.

Director Nomination Process

In considering whether to recommend any particular candidate for inclusion in the board of directors' slate of recommended director nominees, the nominating and governance committee applies the criteria set forth in our Corporate Governance Guidelines. These criteria include the candidate's integrity, knowledge of our business and industry, experience, diligence, absence of any conflicts of interest and the ability to act in the interests of all shareholders. The committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the board of directors to fulfill its responsibilities.

Shareholders may recommend individuals to the nominating and governance committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the shareholder or group of shareholders making the recommendation has beneficially owned more than 5% of our common shares for at least a year as of the date such recommendation is made, to nominating and governance committee, c/o Genpact Limited, 1251 Avenue of the Americas, 41st Floor, New York, NY 10020. Assuming that appropriate biographical and background material has been provided on a timely basis, the committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

Board of Directors Meetings and Committees

The board of directors has responsibility for establishing broad corporate policies and reviewing our overall performance rather than day-to-day operations. The board of directors' primary responsibility is to oversee the management of Genpact and, in so doing, serve the best interests of the Company. Subject to the recommendations of the nominating and governance committee, the board of directors selects, evaluates and provides for the succession of executive officers and the board of directors nominates for election at annual general shareholder meetings individuals to serve as directors of Genpact and elects individuals to fill any vacancies on the board of directors to the extent not filled by shareholders in general meetings. It reviews and approves corporate objectives and strategies, and evaluates significant policies and proposed major commitments of corporate resources. Management keeps the directors informed of Company activity through presentations at board of directors and committee meetings.

The board of directors met, in person or telephonically, ten times in fiscal 2007. During fiscal 2007, except for Messrs. Khattar, Nayden and Spence, each of our directors attended 75% or more of the total number of meetings of the board of directors and the committees of which such director was a member during the period of time he served on such committee. The board of directors has standing audit, compensation and nominating and governance committees. Each committee has a charter that has been approved by the board of directors. Each committee must review the appropriateness of its charter and perform a self-evaluation at least annually. Mr. Bhasin is the only director who is an employee of Genpact and he does not participate in any meeting at which his compensation is evaluated. All members of all committees are non-employee directors and the board of directors has determined that all of the members of our three standing committees are independent as defined under the rules of the NYSE, and, in the case of all members of the audit committee, the independence requirements contemplated by Rule 10A-3 under the Exchange Act.

Edgar Filing: Genpact LTD - Form DEF 14A

Our Corporate Governance Guidelines, which were adopted in connection with our initial public offering, set forth our policy that directors are expected to attend annual general meetings of shareholders.

Communicating with the Independent Directors

The board of directors will give appropriate attention to written communications that are submitted by shareholders, and will respond if and as appropriate. The nominating and governance committee, with the assistance of the Company's General Counsel, is primarily responsible for monitoring communications from shareholders and for providing copies or summaries to the other directors as its members consider appropriate.

Communications will be forwarded to all directors if they relate to important substantive matters and include suggestions or comments that the nominating and governance committee considers to be important for the directors to know. In general, communications relating to corporate governance and corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which the Company may receive repetitive or duplicative communications.

Shareholders who wish to send communications on any topic to the board of directors should address such communications to:

Code of Conduct and Ethics

Our board of directors has adopted a code of ethical business conduct applicable to our directors, officers and employees in accordance with applicable rules and regulations of the SEC and the New York Stock Exchange. The code of ethics is posted on our web site at www.genpact.com under the heading "Investors Corporate Governance." We will also provide a copy of the code of ethics to shareholders upon request. We disclose any material amendments to the code of ethics, as well as any waivers for executive officers or directors, on our web site.

Report of the Audit Committee

The audit committee has reviewed our audited consolidated financial statements for the fiscal year ended December 31, 2007 and has discussed these financial statements with our management and independent registered public accounting firm.

The audit committee has also received from, and discussed with, KPMG, our independent registered public accounting firm, various communications that our independent registered public accounting firm is required to provide to the audit committee, including the matters required to be discussed by Statement on Auditing Standards No. 114 (The Auditor's Communication with Those Charged with Governance).

Our independent registered public accounting firm also provided the audit committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The audit committee has discussed with the independent registered public accounting firm their independence from Genpact.

Based on its discussions with management and the independent registered public accounting firm, and its review of the representations and information provided by management and the independent registered public accounting firm, the audit committee recommended to our board that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2007.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Policies and Procedures for Related Person Transactions

Our board of directors has adopted written policies and procedures for the review of any transaction, arrangement or relationship in which Genpact Limited is a participant, the amount involved exceeds \$1,000,000 (or such lower threshold as our audit committee may from time to time determine), and one of our officers, directors, director nominees or 5% shareholders (or their immediate family members), each of whom we refer to as a "related person," has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a "related person transaction," the related person must report the proposed related person transaction to our General Counsel. The policy calls for the proposed related person transaction to be reviewed and, if deemed appropriate, approved by the board's audit committee. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the audit committee will review, and, in its discretion, may ratify

the related person transaction. The policy also permits the chair of the audit committee to review and, if deemed appropriate, approve proposed related person transactions that arise between committee meetings, subject to ratification by the audit committee at its next meeting. Any related person transactions that are ongoing in nature will be reviewed annually.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the audit committee after full disclosure of the related person's interest in the transaction. The audit committee will review and consider such information regarding the related person transaction as it deems appropriate under the circumstances.

The audit committee may approve or ratify the transaction only if the audit committee determines that, under all of the circumstances, the transaction is in the Company's best interests. The audit committee may impose any conditions on the related person transaction that it deems appropriate.

In addition to the transactions that are excluded by the instructions to the SEC's related person transaction disclosure rule, the board has determined that the following transactions do not create a material direct or indirect interest on behalf of related persons and, therefore, are not related person transactions for purposes of this policy:

interests arising solely from the related person's position as an executive officer of another entity (whether or not the person is also a director of such entity), that is a participant in the transaction, where (a) the related person and all other related persons own in the aggregate less than a 10% equity interest in such entity, (b) the related person and his or her immediate family members are not involved in the negotiation of the terms of the transaction and do not receive any special benefits as a result of the transaction, (c) the amount involved in the transaction equals less than the greater of \$1 million dollars or 2% of the annual consolidated gross revenues of the other entity that is a party to the transaction, and (d) the amount involved in the transaction equals less than 2% of our annual gross revenues; and

a transaction that is specifically contemplated by provisions of our charter or bylaws.

Shareholders Agreement

The shareholders agreement, as amended, among us, certain affiliates of GE (collectively referred to as GE), General Atlantic, Oak Hill and Wachovia (such entities the "Shareholders") provides that GICo, the investment vehicle owned by General Atlantic and Oak Hill, is entitled to nominate four persons to our board of directors, and the Shareholders have agreed to vote their shares to elect such persons. The number of directors that GICo is entitled to appoint is reduced if its ownership in us declines below certain levels and such right ceases if such ownership is below 10% of our outstanding common shares.

In addition, each of the Shareholders is subject to certain restrictions on the transfer of their common shares. GICo, General Atlantic and Oak Hill have agreed not to transfer their shares in us if such transfer would result in a change of control (as defined in the agreement) unless certain conditions are met which require that all outstanding common shares owned by the Shareholders are sold for cash or certain types of marketable securities (or both), provided that a limited number may be exchanged for equity of, or remain outstanding in, the surviving person in certain circumstances. In the event of certain transfers by GICo, each of GE and Wachovia has certain co-sale rights which permit them to sell shares to such transferee on the same terms and conditions.

GE has agreed that, without the consent of GICo, prior to March 20, 2009, it will not transfer shares in us if such transfer would result in its owning less than 26,745,000 shares. However, if GICo and its permitted transferees own less than 40,117,500 shares, then GE would be permitted to make a transfer so long as the quotient obtained by dividing its remaining ownership percentage by its ownership percentage as of December 30, 2004 is equal to or greater than the quotient obtained by

dividing the ownership percentage of GICo at such time by its ownership percentage as of December 30, 2004.

Subject to the restrictions on GICo and GE set forth in the two preceding paragraphs, any Shareholder may transfer shares (i) to certain affiliates, subject to the restriction on GICo, General Atlantic and Oak Hill described in the next paragraph and (ii) in a registered offering, a sale pursuant to Rule 144 under the Securities Act, or a sale to a placement agent where an immediate resale pursuant to Regulation S or Rule 144A under the Securities Act is contemplated, subject to certain other limitations.

Until December 31, 2009, GICo, General Atlantic and Oak Hill are also prohibited from transferring shares to a general partner, limited partner, shareholder, member or other equity holder of General Atlantic or Oak Hill without GE's prior written consent unless such transfer is a sale for value and on arms-length terms that would be subject to the co-sale rights described above.

GE has agreed to grant GICo, and Wachovia has agreed to grant us, certain rights of first refusal in the event they desire to transfer shares other than to an affiliate or in a registered offering or a sale pursuant to Rule 144.

The agreement grants the Shareholders certain rights to require us to register for public resale under the Securities Act all common shares that they request be registered. In addition, the agreement grants the Shareholders piggyback rights on any registration for our account or the account of another Shareholder. These rights are subject to certain limitations, including customary cutbacks and other restrictions. In connection with our initial public offering or the other registrations described above, we have and will indemnify any selling Shareholders and we will bear all fees, costs and expenses, except underwriting discounts and selling commissions and except that the selling Shareholders will reimburse us for out of pocket expenses in the case of a second demand registration prior to May 3, 2009.

The Agreement also provides certain information rights to the Shareholders and regulates the parties' conduct concerning corporate opportunities.

Reorganization Agreement

In order to make Genpact Limited the holding company for our business and complete certain other related actions, on July 13, 2007, we entered into a reorganization agreement with the other Shareholders that provided for the Shareholders to exchange their shares in Genpact Global Holdings SICAR S.à.r.l. ("GGH") and Genpact Global (Lux) S.à.r.l. ("GGL") for shares of Genpact Limited. The reorganization agreement also provided for the migrations of GGH and GGL from Luxembourg to Bermuda, the assumption by Genpact Limited of stock option plans of GGH and certain other related transactions. GE and GICo also agreed to indemnify us for certain taxes related to GGL.

Our Master Services Agreement with GE

Our Master Services Agreement ("MSA") with GE is for a term ending December 31, 2014. It can be renewed for a single three-year term upon mutual written agreement with at least twelve months prior written notice. Under the MSA, GE has agreed to purchase a stipulated minimum dollar amount of services or pay us certain costs in lieu thereof. The minimum annual volume commitment is \$360 million for each of the seven years beginning January 1, 2005. The annual commitment is then reduced in a phased manner for the final three years of the MSA, with the commitment being \$270 million for 2012, \$180 million for 2013, and \$90 million for 2014. The minimum committed amount is subject to reduction in certain circumstances, including (1) as a result of the termination of any Statements of Work ("SOWs") by GE for cause, (2) as a result of non-performance of services by us due to certain force majeure events or (3) in certain other circumstances relating to business offered to us by GE that we chose not to perform. In the event that the actual purchased dollar volume for

any year falls below the minimum volume commitment, GE has agreed to make certain payments to us. The payments GE is required to pay to us if it does not meet the minimum volume commitment are significantly lower than the amount by which GE's purchases fall short of that minimum volume commitment. In the event that GE purchases more than the minimum volume commitment in a given year, it is entitled to a limited credit against future shortfalls. In addition, pursuant to the MSA, GE is entitled to include the revenues we receive from certain businesses divested by GE in calculating the minimum annual volume commitment.

Our pricing arrangements with GE vary by SOW and include some time and materials contracts and some fixed price contracts, as well as productivity benefit sharing.

There is no restriction on our ability to provide services to other parties, except that we have agreed not to allow employees who have performed certain software-related services for GE to work on a similar project for companies that GE names in writing as its competitors for a period of 12 months following the completion of such services to GE. We have the right of first opportunity during the term of the MSA to respond to a request for proposal from GE in respect of any business process services that are (1) similar to those already provided to GE, (2) able to be provided by us in India, China, Hungary or Mexico and (3) anticipated to involve an annual purchase dollar volume in excess of \$200,000, so long as GE has not previously terminated such services for cause. GE is not prevented from either negotiating or contracting for the outsourcing of services with other parties thereafter.

GE can terminate the MSA for cause, which includes the failure to achieve certain performance standards. GE can also terminate any pre-existing SOW for convenience, but only with a notice period and, in certain cases, the payment of certain amounts. We have agreed to indemnify GE for losses arising from material breaches of any SOW, non-compliance with laws and certain other matters. Our liability is subject to limits in certain cases. We and GE have agreed to mutual non-solicitation of employees until June 2010. In a separate agreement, GE has agreed through December 31, 2009, subject to exceptions, to restrictions on its ability to set up a separate business unit to provide English-language business process services from low-wage countries to certain GE businesses or set up a business that provides outsourcing services from a low-wage country to provide services to third parties.

Our Master Services Agreement with Wachovia

Our MSA with Wachovia is for a term ending November 30, 2012 and can be renewed by Wachovia for a single two-year term. The MSA covers all services to be provided under SOWs and specifies the pricing methodology for all SOWs. We may propose transactional or fixed pricing for new or amended SOWs, but only if such pricing is as favorable to Wachovia as the prices computed using the methodology in the MSA. Wachovia has agreed to share with us a portion of certain productivity benefits, after certain reimbursements for investments made to facilitate such benefits. Wachovia has not agreed to any volume commitment under the MSA. See " Wachovia Securities Purchase Agreement and Ancillary Agreement."

We are entitled to bid on any business process to be outsourced by Wachovia, but Wachovia is not required to use our services exclusively. We have agreed not to perform certain types of services for three of Wachovia's principal competitors. We are obligated to offer Wachovia the opportunity to be a pilot client for, and preferred access to, any advances we have developed in the provision of services substantially similar to the services provided to Wachovia. Wachovia has agreed to not solicit our employees for 12 months following the termination of the MSA.

Under the MSA, we agree actively to involve Wachovia in the selection of employees who perform their services and employees cannot be assigned to certain key positions without Wachovia's consent. We have agreed to pay certain penalties if we do not achieve certain specified milestones while transitioning the work under SOWs or if we do not achieve certain performance levels. Wachovia has the right, upon the occurrence of certain *force majeure* type events and regulatory concerns, to

take-over the processes we provide for them. Wachovia has the right to benchmark periodically our prices and we must decrease prices if they are found to exceed benchmarked prices beyond certain levels.

Wachovia can terminate the MSA or any SOW (1) for cause at any time, (2) in the event of a change of control with six months' notice and (3) for convenience with at least 180 days' notice along with the payment of certain costs and charges. Wachovia may also terminate the MSA with lesser periods of notice upon the occurrence of certain adverse events or circumstances with respect to us. We have agreed to provide certain services, if so required by Wachovia, for up to a year following the termination of any SOW in order to assist with the transition of work back to Wachovia. Wachovia has agreed to pay certain costs and, in certain circumstances, termination charges, if SOWs are terminated following any extraordinary event that increases or decreases the estimated average monthly usage of resources above a certain limit. Upon termination of the MSA, Wachovia also has the right to purchase, or in certain circumstances lease, any Delivery Centers or equipment used by us to primarily deliver services to them. We have also agreed to indemnify Wachovia for losses arising from breaches of any our representations, warranties and covenants, non-compliance with laws and certain other factors. We are also liable for certain operational losses suffered by Wachovia as a direct result of a breach by us of our obligations. Our liability is subject to limits in certain cases.

Wachovia Securities Purchase Agreement and Ancillary Agreement

Wachovia purchased common shares from GE under a securities purchase agreement dated November 30, 2005. We agreed to indemnify Wachovia for losses that arise from breaches of our representations and warranties, provided such losses exceed \$5 million. Our liability under that indemnity is capped at \$20 million in the aggregate.

Under the ancillary agreement between us and Wachovia dated November 30, 2005, Wachovia agreed to make a payment to us if the number of our FTEs performing services for Wachovia does not exceed certain specified levels by December 31, 2010 and any one of the following events has occurred: (1) an initial public offering or a change of control event has occurred prior to that date, in which case the payment is due on January 31, 2011; (ii) an initial public offering or a change of control event occurs prior to when the MSA is terminated, in which case the payment is to be made on the termination of the MSA; or (iii) the MSA is terminated prior to an initial public offering or change of control event, in which case the payment is due on the earlier of the initial public offering or the change of control event. The amount of the payment depends on the number of employees performing services for Wachovia at such time as well as the price of our common shares at the time of our initial public offering and the movement of an index comprised of the share prices of certain of our competitors. Wachovia has also agreed, for the period from December 31, 2010 through March 31, 2012, to use commercially reasonable efforts to maintain the number of our FTEs utilized by Wachovia at the December 31, 2010 level.

Tax Matters Agreement

We are party to a tax matters agreement with two of our shareholders, GICo and GE, relating to a series of transactions we refer to as the "2004 Reorganization," under which our operations that were formerly conducted through various entities and divisions of GE were reorganized and placed under GGH. Under the tax matters agreement, GE indemnifies us and GICo for certain tax liabilities that arose either prior to the 2004 Reorganization or relating to the 2004 Reorganization.

INFORMATION ABOUT EXECUTIVE AND DIRECTOR COMPENSATION

On March 29, 2007, we formed Genpact Limited in Bermuda to be the new holding company for our business. It was initially a wholly-owned subsidiary of its predecessor, GGH. On July 13, 2007, we effectuated a transaction that resulted in Genpact Limited owning 100% of the capital stock of GGH. This transaction, together with related transactions, is referred to as the "2007 Reorganization." The numbers of options and shares, as well as the exercise price and per share purchase price of such options and shares discussed in this proxy statement are shown having given effect to the 2007 Reorganization.

Compensation Discussion and Analysis

Overview

This Compensation Discussion and Analysis section discusses the compensation policies and programs for our Chief Executive Officer (referred to as our CEO), our Chief Financial Officer (referred to as our CFO) and our three next most highly paid executive officers as determined under the rules of the SEC. Such individuals are referred to as our named executive officers.

The primary objectives of our compensation program for our executives, including our named executive officers, are to attract, motivate and retain highly talented individuals who are committed to our core values of leadership, performance, passion, innovation, teamwork, integrity and respect. Our compensation program is designed to reward the achievement of our annual, long-term and strategic goals, such as growing revenues, improving operating margins, reducing employee attrition levels and expanding into new geographies and service offerings. It is also designed to align the interests of our executives, including our named executive officers, with those of our shareholders by rewarding performance that exceeds our goals, with the ultimate objective of improving shareholder value.

Currently, our compensation committee is responsible for reviewing the overall goals and objectives of our executive compensation programs, as well as our compensation plans, and making any changes to such goals, objectives and plans. Our compensation committee bases our executive compensation on the same objectives that guide us in establishing all of our compensation programs:

Compensation is based on the individual's level of job responsibility.

Edgar Filing: Genpact LTD - Form DEF 14A

Compensation reflects the value of the job in the marketplace. We operate in developing economies where there is significant competition for top talent.

Compensation programs are designed to reward performance, both individual and Company.

For 2007, our executive compensation program had four primary components: (a) base salary, (b) annual cash bonus payments, (c) equity-based compensation granted in the form of options to purchase our common shares (we refer to an option to purchase one of our common shares as a Company option) and (d) other benefits and perquisites.

Our Process

Our compensation committee reviews each component of compensation at least every 15 months with the goal of allocating compensation between long-term and currently paid out compensation and between cash and non-cash compensation, and combining the compensation elements for each executive in a manner we believe best fulfills the objectives of our compensation program.

Our compensation committee is responsible for reviewing the performance of each of our executives, including the named executive officers, approving the compensation level of each of our executives, establishing criteria for granting Company options to our executives and other employees and approving such grants of Company options. Other than with respect to the grants of Company options, which are made from time to time by our compensation committee, each of these tasks is generally performed annually by our compensation committee.

Role of CEO in Compensation Decisions. After the end of the 2007 fiscal year, the compensation committee and the CEO discussed our business performance, his performance and his evaluation of and cash compensation recommendations for the other executive officers and certain other members of senior management. The compensation committee, without the CEO present, determined the CEO's annual salary and bonus award. The compensation committee also approved the annual salaries and bonuses for the other executive officers and certain other members of senior management.

Role of Consultants and Advisors in Compensation Decisions. The compensation committee has the authority to retain and terminate any independent third-party compensation consultant and to obtain independent advice and assistance from internal and external legal, accounting and other advisors. During 2007, the compensation committee utilized the services of an executive compensation consulting firm, Frederic W. Cook & Co., Inc. ("F. W. Cook"). F.W. Cook reported directly to the compensation committee. During 2007, we did not engage F.W. Cook for any additional services beyond their support of the compensation committee. In anticipation of our IPO, the compensation committee requested F.W. Cook to review the competitiveness of Genpact's senior executive compensation levels and develop recommendations for the appropriate post-IPO share reserve to be allocated to equity compensation plans. They also requested F.W. Cook to provide their recommendations for long-term incentive programs as well as compensation for our non-employee directors. Representatives from F.W. Cook attended two meetings of the compensation committee during 2007 and interacted with the compensation committee members, members of our human resources staff and in-house legal counsel prior to and following committee meetings.

Compensation Components

Base Salary. Base salary reflects the experience, knowledge, skills and performance record our executives, including our named executive officers, bring to their positions and the general market conditions in the country in which the executives are located.

Our compensation committee reviews the salaries of our executives, including our named executive officers, at least every fifteen months and determines changes in base salaries based on various factors, including the importance of the role in our overall business, performance and potential of the

executive, general Company performance and the market practices in the country where the named executive officer is located. In connection with such review, our Chief Executive Officer provides recommendations and rankings of the executives who directly report to him, including our other named executive officers, and the compensation committee considers the Chief Executive Officer's recommendations in setting base salaries. Our compensation committee approved increases in base salaries for the named executive officers, other than Mr. Bhasin, in 2007 ranging from 8%-25% over 2006 base salaries, consistent with the recommendations of our Chief Executive Officer. The actual date of the increase is tied to the applicable named executive officer's date of joining Genpact.

Pramod Bhasin. In December 2007 we amended and restated Mr. Bhasin's employment agreement with the Company dated as of July 26, 2005. The employment agreement specifies that Mr. Bhasin will receive an annual base salary of not less than U.S. \$656,000, effective April 1, 2007. In February 2008, the compensation committee approved an increase in the base salary of Mr. Bhasin to \$750,000, effective July 1, 2008. The increase reflects Mr. Bhasin's increased responsibilities as the CEO of a public company as well as his outstanding individual performance to date. See " Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements With Named Executive Officers."

Vivek Gour. We generally do not have employment agreements with our employees except in special cases or where required by local law and we do not have an employment agreement with Mr. Gour. Mr. Gour's 2007 base salary was \$314,856. In February 2008, the compensation committee approved an increase in the base salary for Mr. Gour to \$340,100, effective October 1, 2008, in recognition of his increased responsibilities as the CFO of a public company and individual performance to date.

N.V. Tyagarajan. In 2005, we entered into an employment agreement with N.V. Tyagarajan, our Executive Vice President of Global Sales and Marketing, pursuant to which we have agreed to provide Mr. Tyagarajan with a minimum base salary of \$300,000. During 2007, the base salary payable to Mr. Tyagarajan was \$359,700. In February 2008, the compensation committee approved an increase in the base salary for Mr. Tyagarajan to \$450,000, effective December 1, 2008, in recognition of his 2007 performance in continuing to grow relationships with existing clients as well as develop new ones, and his success in building strong business development teams in all geographies where we operate. See " Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements With Named Executive Officers."

Patrick Cogy. In October 2007, we entered into an employment agreement with Mr. Cogy in connection with his relocation to Romania. Mr. Cogy's agreement specifies that Mr. Cogy will receive an annual base salary of €252,810 (\$366,700). In February 2008, the compensation committee approved an increase in the base salary for Mr. Cogy to €266,184 (\$386,100), effective December 1, 2008, in recognition of Mr. Cogy's contributions in expanding our European operations. See " Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements With Named Executive Officers."

Rakesh Chopra. We do not have an employment agreement with Mr. Chopra. Mr. Chopra's 2007 base salary was \$316,261. Mr. Chopra received a merit increase in October 2007 in recognition of his contributions to our revenue growth and accordingly is not due for a merit increase to his base salary until 2009.

Annual Cash Bonus. Annual cash bonuses are designed to provide more immediate rewards to our executives, including our named executive officers, for their performance during the most recent year. We believe that the immediacy of these cash bonuses, in contrast to our equity grants, which vest over a period of time, provides a significant incentive to our executives towards achieving their respective individual objectives, our Company objectives and our overall long term goal of creating

value for our shareholders and employees. Thus, we believe our cash bonuses are an important motivating factor for our executives, in addition to being a significant factor in attracting and retaining our executives.

Bonuses are generally determined by our compensation committee in January or February following the end of the year and, as with the base salary component, are based on the recommendation and rankings provided by our Chief Executive Officer for all executives other than the CEO. The same factors used to determine base salary for the new year, which are described above, are used to determine bonuses for the prior year, with a greater emphasis on the performance of the individual and our Company. For Messrs. Bhasin and Tyagarajan, who have employment agreements that specify bonus payments, the compensation committee also takes into consideration the requirements for bonus payments under their agreements, although the compensation committee exercises discretion in determining the appropriate bonus amount. See " Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements with Named Executive Officers."

Pramod Bhasin. Pursuant to his employment agreement, Mr. Bhasin is eligible to receive an annual cash bonus equal to 120% of his base salary or such higher amount as determined by the board of directors. Mr. Bhasin's 2007 bonus payment was \$1,250,000. Mr. Bhasin's 2007 bonus payment reflected Mr. Bhasin's outstanding individual performance and contributions to our success, in particular the impressive growth of revenues from clients other than GE, which we refer to as Global Clients, and the success of our initial public offering. Pursuant to his employment agreement, Mr. Bhasin also received a special bonus payment of \$2,500,000 in January 2008 in connection with the Company's initial public offering.

Vivek Gour. Mr. Gour's 2007 bonus payment was \$141,000 (including a one-time IPO related bonus of \$50,000). Mr. Gour's 2007 bonus reflected Mr. Gour's contributions to our strong 2007 financial performance and the success of our initial public offering.

N.V. Tyagarajan. Mr. Tyagarajan's employment agreement provides that his target annual bonus will be equal to 100% of his base salary, subject to a maximum of \$500,000. The 2007 bonus payment for Mr. Tyagarajan exceeded the maximum set forth in his employment agreement and was \$675,000. Mr. Tyagarajan's bonus payment reflected Mr. Tyagarajan's outstanding individual performance and contributions to our success, in particular the impressive growth of Global Client revenues.

Patrick Cogny. Mr. Cogny's 2007 bonus payment was \$121,000. Mr. Cogny's 2007 bonus reflected Mr. Cogny's contributions to the growth of our European operations, in particular our expansion in Romania.

Rakesh Chopra. Mr. Chopra's 2007 bonus payment was \$82,000. Mr. Chopra's 2007 bonus reflected Mr. Chopra's contributions to our revenue growth as well as his achievements in reducing attrition in his operations.

Equity-Based Compensation. Our equity-based compensation program is designed primarily to attract and retain highly qualified individuals, given that competition for talent is high in our industry. In addition, we believe that awarding our executives, including our named executive officers, with Company options with vesting schedules that require continued service enables us to retain our executives for longer periods. Finally, we believe awards of Company options provide closer alignment between the interests of our employees and our shareholders. Consistent with this philosophy, following our 2004 Reorganization, we granted our executives, including our named executive officers, an initial grant of Company options, which generally vest over five years following the grant date as an incentive for our executives to stay with our newly reorganized Company. In addition, we granted Mr. Bhasin an additional 452,250 Company options that were subject to certain performance-based vesting conditions.

These performance based options are meant to align even more closely our Chief Executive Officer's interests with those of our shareholders by tying vesting of those Company options to achievement of target equity values. For a description of the vesting conditions of these 452,250 Company options, see the " 2007 Outstanding Equity Awards at Fiscal Year End" table.

In 2007, we granted Company options to certain of our employees and all of our named executive officers, to reward these individuals for their efforts in our growth and to provide added incentives to remain with us following our initial public offering. For more details on the vesting schedules of Company options granted to our named executive officers as of December 31, 2007, see the " 2007 Outstanding Equity Awards at Fiscal Year End" table. In making these grants in 2007, we consulted an independent compensation consultant, F.W. Cook, for their recommendations with respect to the appropriate grant amounts and vesting schedule, considering our compensation committee's goal of incenting our employees for long-term performance and retention following our IPO. The vesting schedules of the grants to our named executive officers were designed so that one third of the Company options would vest on each of December 31, 2010, December 31, 2011 and December 31, 2012. We do not expect to make any stock option grants to our named executive officers in 2008. Our compensation committee is considering awarding in the future additional or alternative forms of equity incentives, such as grants of restricted stock, restricted stock units and other performance based awards, and has sought the advice of F.W. Cook in structuring a performance share plan for Genpact.

Stock Ownership Guidelines. We currently do not have any stock ownership guidelines for executives or other employees.

Benefits and Perquisites. We provide other benefits to our named executive officers that are generally available to other employees in the country in which the named executive officer is located. We believe these benefits are consistent with the objectives of our compensation program and allow our named executive officers to work more efficiently. We also provide our named executive officers with certain perquisites which we believe are reasonable and consistent with market trends in the countries in which our named executive officers are located. Such benefits and perquisites are intended to be part of a competitive overall compensation program. For more details on the benefits provided to our named executive officers, see " Summary Compensation Table" and " Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table."

Severance Arrangements. We have entered into employment agreements with Messrs. Bhasin, Cogny and Tyagarajan which provide for certain payments in the event of a termination of employment. We also provide for certain benefits in the event of a termination of employment under our 2005 option award agreements with Mr. Bhasin. The severance payments and benefits were based on individual negotiations with the executives and are an important part of employment arrangements designed to retain these named executive officers and provide certainty with respect to the payments and benefits to be provided upon certain termination events. For additional details on these payments and benefits, see " Potential Payments Upon Termination or Change in Control."

Change in Control. While Company options granted to our named executive officers may be accelerated by our board upon a change in control, this is not generally a current requirement under our option plans and award agreements. The only named executive officer with current rights to change in control-related payments or benefits is Mr. Bhasin, who receives both "single trigger" and "double trigger" benefits based on his employment agreement and 2005 option award agreements. These benefits were based on individual negotiations with Mr. Bhasin in connection with his commencement of employment with us and are described in more detail in " Narrative Disclosure to Summary Compensation Table and Grant of Plan-Based Awards Table Employment Agreements with Named Executive Officers Pramod Bhasin" and " Potential Payments Upon Termination or Change in Control."

Edgar Filing: Genpact LTD - Form DEF 14A

Equity Grant Timing Practices. All stock options granted by the Company have an exercise price equal to the closing market price of our stock on the grant date. Option grants are typically approved at our quarterly meetings of the compensation committee by resolution, and, unless a future effective date is specified, are effective as of the date of the meeting at which they are approved. In certain cases option grants to new hires or promoted employees are approved by written consent outside of regularly scheduled compensation committee meetings and are effective as of the latest date a committee member signs the consent. Our compensation committee has not delegated any authority to the CEO or others to grant options or other forms of equity compensation.

2007 Grants of Plan-Based Awards

The following table provides certain information regarding equity-based awards granted to our named executive officers during the fiscal year ended December 31, 2007. These awards were granted under the Genpact Global Holdings 2007 Stock Option Plan. There were no grants under any non-equity incentive plans to any of our named executive officers for the year ended December 31, 2007.

Name	Grant date	All Other Option Awards: Number of Securities Underlying Options (#)	Exercise Price of Option Awards (\$/Sh)(1)	Grant Date Fair Value of Option Awards \$(1)(2)
Pramod Bhasin	5/29/07	723,600	16.13	7.70
Vivek Gour	4/20/07	135,675	16.13	7.73
N.V. Tyagarajan	4/20/07	361,800	16.13	8.39
Patrick Cogy	4/20/07	126,630	16.13	8.39
Rakesh Chopra	3/27/07	117,585	16.13	7.73

- (1) The exercise price was determined by our compensation committee on the date of grant based on various factors, including contemporaneous valuations and the expected price of a common share in our initial public offering. The fringe benefit tax being recovered from Indian resident optionees is deemed to increase the exercise price payable by such optionee. Such deemed increase in the exercise price is reflected in the grant date fair value of the option awards for Indian resident optionees but is not reflected above.
- (2) The grant date fair value for FAS 123(R) purposes of an option issued to an Indian resident employee is lower than the grant date value of an identical option issued to employees resident outside of India because the Indian fringe benefit tax payable with respect to options issued to Indian residents is being recovered from the relevant Indian resident employees.

Employment Agreements with Named Executive Officers

Below are descriptions of the material terms of our employment agreements with our named executive officers.

Pramod Bhasin. In December 2007, we amended and restated Mr. Bhasin's employment agreement with the Company dated as of July 26, 2005. The purpose of the amendments was to bring the employment agreement into compliance with Section 409A of the Internal Revenue Code, to reflect our new corporate structure following the Company's 2007 corporate restructuring and initial public offering, and to make certain other revisions. The employment agreement specifies that Mr. Bhasin will receive an annual base salary of not less than U.S. \$656,000. In February 2008, the compensation committee approved an increase in the base salary of Mr. Bhasin to \$750,000, effective July 1, 2008. The increase reflects Mr. Bhasin's increased responsibilities as the CEO of a public company as well as his outstanding individual performance to date.

Mr. Bhasin is entitled to benefits, perquisites and fringe benefits that are no less favorable than the benefits and perquisites provided to our other senior executives and up to \$60,000 in annual reimbursement for costs related to his primary residence in addition to reimbursement for certain other personal costs, such as telephone charges. Mr. Bhasin is also entitled to relocation expense reimbursement and four weeks' vacation.

Pursuant to the terms of Mr. Bhasin's original employment agreement, in September 2005, Mr. Bhasin purchased 535.045 interests of Genpact Management Investors, LLC at the per interest price of \$1,869, for a total purchase price of \$1,000,000. As of December 31, 2007, Genpact Management Investors, LLC held shares in us indirectly through GICo, an investment entity of General Atlantic and Oak Hill. We expect that Genpact Management Investors, LLC will be liquidated prior to the end of 2009 and that the shares it holds in our Company will be distributed directly to Mr. Bhasin and our other employees who continue to hold Company shares through this entity.

Pursuant to the terms of his original employment agreement, Mr. Bhasin also received 3,618,000 Company options. Of these, 3,165,750 Company options are subject to time-based vesting and the remaining 452,250 Company options are subject to performance-based vesting (the "performance options"). The Company options were granted on July 26, 2005. Information with respect to these grants is included in the " 2007 Outstanding Equity Awards at Fiscal Year End" table.

Mr. Bhasin's employment agreement also provides that Mr. Bhasin is eligible for a retention bonus. The retention bonus is payable on January 1, 2010 and is equal to the product of \$2,500,000 and a vested percentage, which began at 0% on January 1, 2005 and increases by 5% every three months thereafter until it reaches 100% on January 1, 2010. In the event of a change in control, as defined in the Company's 2007 Omnibus Incentive Compensation Plan, the vested percentage will be 100%. In addition, if Mr. Bhasin's employment is terminated due to death or disability, by the Company without cause or by Mr. Bhasin for good reason, the vested percentage will be calculated as if Mr. Bhasin remained employed for an additional 12-month period after the termination date. Mr. Bhasin shall not receive any unpaid retention bonus if terminated for cause.

For purposes of Mr. Bhasin's employment agreement, the term "good reason" means reducing the nature or scope of Mr. Bhasin's authorities or duties, reduction in base salary, target bonus or fringe benefits or requiring Mr. Bhasin to report to any person other than our board of directors, which has not been cured by us within 30 days following notice by Mr. Bhasin.

In the event of a termination of his employment, Mr. Bhasin will receive various payments and benefits pursuant to his employment agreement. Following the termination of Mr. Bhasin's employment for any reason, including for cause (as defined in his employment agreement) Mr. Bhasin is entitled to

a five-year sum certain joint life and survivor annuity benefit in the annual amount of \$190,000 per year commencing on the earliest of (A) Mr. Bhasin's separation from service with the Company that occurs on or after his obtaining age 60, (B) Mr. Bhasin's death or disability and (C) Mr. Bhasin's attaining age 65. In addition, he is entitled to a lump sum payment in an amount equal to the sum of (I) any earned but unpaid base salary through the date of termination, (II) any earned but unpaid bonus for any fiscal year preceding the fiscal year in which the termination occurs and (III) the dollar value of all accrued but unpaid vacation. If Mr. Bhasin's employment terminates due to his death or disability, Mr. Bhasin or his estate, as applicable, will receive a pro-rated bonus for the fiscal year of termination and payment of any vested but unpaid portion of the retention bonus, calculated as though Mr. Bhasin's employment continued for 12 months after such termination. If Mr. Bhasin's employment is terminated by Mr. Bhasin voluntarily, he will receive a pro-rated bonus for the fiscal year of termination and any vested but unpaid portion of the retention bonus. Such payments would be made in lump sum following termination.

If Mr. Bhasin's employment is terminated by us without cause (as defined in the employment agreement) or by Mr. Bhasin for good reason, Mr. Bhasin is entitled to a lump sum payment, within 60 days of such termination, of an amount equal to the sum of (I) any earned but unpaid base salary through the date of termination, (II) any earned but unpaid bonus for any fiscal year preceding the fiscal year in which the termination occurs, (III) a pro-rated bonus for the year in which the termination occurs and (IV) the dollar value of all accrued and unused vacation. In addition, Mr. Bhasin is entitled to payment of any vested portion of his retention bonus, including the portion which vests upon such termination of employment, plus an amount equal to the sum of two times Mr. Bhasin's then current base salary and two times the annual bonus received for the fiscal year preceding the fiscal year in which the termination occurs. In addition, we will continue to provide Mr. Bhasin and his dependents with health benefits at the same level of coverage and benefits as is provided to our US-based senior executives for two years following the date of termination, or if such continuation is not permitted under the relevant plans, an amount in cash (after tax) equal to the amount necessary to provide Mr. Bhasin with such health benefits.

Mr. Bhasin is not entitled to receive any payment of any unpaid retention bonus if terminated by us for cause.

Mr. Bhasin's payments upon termination of employment described above are subject to his execution of a release. The release would also be executed by us and release Mr. Bhasin from any claims by us relating to Mr. Bhasin's employment or services other than claims based on acts or omissions of Mr. Bhasin that involve fraud or which are not known to the non-employee directors on the date of such release. The release also includes a mutual non-disparagement provision.

Under his employment agreement, for one year after the termination of his employment, Mr. Bhasin is not permitted to engage in or carry on, directly or indirectly, any enterprise, whether as an advisor, principal, agent, partner, officer, director, employee, shareholder (other than certain minor passive ownership), associate or consultant to any of a specified group of five companies or any successor of any such entity, which group may be amended annually by our board of directors so long as the number of entities does not exceed five. In addition, for two years after his termination of employment, Mr. Bhasin is not permitted knowingly to (a) attempt to influence, persuade or induce or assist any other person in so doing, any of our employees or independent contractors to give up, or to not commence, employment or a business relationship with us, (b) unless otherwise contrary to law, directly or indirectly, through direction to any third party, hire or engage, or cause to be hired or engaged, any person who is or was one of our employees or independent contractors or (c) attempt to influence, persuade or induce, or assist any other person in so doing, any of our agents, consultants, vendors, suppliers or clients to give up or not commence, a business relationship with us.

Edgar Filing: Genpact LTD - Form DEF 14A

N.V. Tyagarajan. We entered into an employment agreement with N.V. Tyagarajan, our Executive Vice President and Head of Sales, Marketing and Business Development, on September 21, 2005. The employment agreement has an indefinite term and may be terminated by us or Mr. Tyagarajan or due to Mr. Tyagarajan's death or disability, subject to the termination provisions described below. The employment agreement provides for an annual base salary of not less than \$300,000 and a target bonus of 100% of annual base salary, capped at \$500,000. For 2007, as discussed in the "Compensation Discussion and Analysis," the compensation committee awarded a bonus in excess of the maximum provided in the employment agreement in recognition of Mr. Tyagarajan's outstanding individual performance and contribution to our success. Mr. Tyagarajan is entitled to benefits and perquisites generally available to our other senior executives and is entitled to four weeks vacation and automobile perquisites.

Under his employment agreement, Mr. Tyagarajan received 904,500 Company options on July 26, 2005.

If Mr. Tyagarajan's employment is terminated by us for cause (as defined in his employment agreement) or if Mr. Tyagarajan terminates his employment for any reason, for one year following such termination, Mr. Tyagarajan may not engage in or carry on, directly or indirectly, any enterprise, whether as an advisor, principal, agent, partner, officer, director, employee, shareholder, associate or consultant for or on behalf of any of a specified group of five companies. If Mr. Tyagarajan's employment is terminated by us without cause, he will be entitled to a lump sum cash payment equal to 50% of his base salary in effect on the date of termination, in addition to any earned but unpaid base salary and bonus, and will be subject to the above-described restriction for six months following his termination. In addition, under his employment agreement, Mr. Tyagarajan may not, for thirty-six months following the termination of his employment, (a) directly or indirectly solicit any person who is on the date of Mr. Tyagarajan's termination our employee or independent contractor, (b) attempt to influence, persuade or induce, or assist any other person in doing so, any entity that is on the date of his termination a client of ours to give up or not commence, a business relationship with us or (c) directly or indirectly solicit for business or corporate opportunity any entity that is one of our clients on the date of his termination.

Patrick Cogny. In October 2007 we entered into an employment agreement with Mr. Cogny in connection with his relocation to Romania. The 2007 employment agreement with Mr. Cogny replaces a prior agreement with substantially similar terms governed by French law. Among other provisions, Mr. Cogny's agreement specifies that Mr. Cogny will receive an annual gross basic salary of RON 846,914 (€252,810 at the exchange rate established in the agreement). In addition, if Mr. Cogny's employment is terminated, except for serious misconduct, he will receive a one-time payment equal to ten months of his base salary (subject to reduction by any payment due according to collective agreement and/or law in Romania). Mr. Cogny's employment agreement also provides for certain benefits, including reimbursement for rent up to €6,500 per month and for educational expenses for Mr. Cogny's children up to \$20,000 per year per child, and use of a company car.

Other Named Executive Officers. We do not have employment agreements with any of our other named executive officers.

2007 Omnibus Incentive Compensation Plan

We adopted our 2007 Omnibus Incentive Compensation Plan, or the 2007 Plan, on July 13, 2007. The purpose of the 2007 Plan is to promote our interests and the interests of our shareholders by (i) attracting and retaining exceptional directors, officers, employees and consultants (including prospective directors, officers, employees and consultants) and (ii) enabling such individuals to participate in our long-term growth and financial success.

Edgar Filing: Genpact LTD - Form DEF 14A

Types of Awards. The 2007 Plan provides for the grant of options intended to qualify as incentive share options, or ISOs under Section 422 of the Code, non-qualified share options, or NSOs, share appreciation rights, or SARs, restricted share awards, restricted share units, or RSUs, performance units, cash incentive awards and other equity-based or equity-related awards.

Plan Administration. The 2007 Plan is administered by the compensation committee of our board of directors or such other committee as our board may designate to administer the 2007 Plan.

Eligible Participants. Any of our, or our affiliates', directors, officers, employees or consultants (including any prospective directors, officers, employees or consultants) is eligible to participate in the 2007 Plan.

Stock Options. The committee may grant both ISOs and NSOs under the 2007 Plan. Except as otherwise determined by the committee in an award agreement, the exercise price for options must be equal to or greater than the fair market value of our common shares on the grant date. In the case of ISOs granted to an employee who, at the time of the grant of an option, owns stock representing more than 10% of the voting power of all classes of our stock or the stock of any of our affiliates, the exercise price cannot be less than 110% of the fair market value of a share of our common shares on the grant date.

The vesting schedule of awards under the 2007 Plan shall be as provided in the applicable award agreement. Except as otherwise set forth in the applicable award agreement, each option will expire upon the earlier of (i) the tenth anniversary of the date the option is granted and (ii) either (x) 90 days after the participant who is holding the option ceases to be a director, officer or employee of us or one of our affiliates for any reason other than the participant's death or (y) six months after the date the participant who is holding the option ceases to be a director, officer or employee of us or one of our affiliates by reason of the participant's death.

Stock Appreciation Rights. The committee may grant SARs under the 2007 Plan either alone or in tandem with, or in addition to, any other award permitted to be granted under the 2007 Plan. SARs granted in tandem with, or in addition to, an award may be granted either at the same time as the award or at a later time. Subject to the applicable award agreement, the exercise price of each common share covered by a SAR must be equal to or greater than the fair market value of such share on the grant date. Upon exercise of a SAR, the holder will receive cash, common shares, other securities, other awards, other property or a combination of any of the foregoing, as determined by the committee, equal in value to the excess over the exercise price, if any, of the fair market value of the common shares subject to the SAR at the exercise date.

Restricted Shares and Restricted Stock Units. Subject to the provisions of the 2007 Plan, the committee may grant restricted shares and RSUs. Restricted shares and RSUs may not be sold, assigned, transferred, pledged or otherwise encumbered except as provided in the 2007 Plan or the applicable award agreement. Upon the grant of a restricted share, a certificate will be issued and registered in the name of the participant and deposited by the participant, together with a stock power endorsed in blank, with us or a custodian designated by the committee or us. Upon the lapse of the restrictions applicable to such restricted share, we or the custodian, as applicable, will deliver such certificate to the participant or his or her legal representative.

An RSU will be granted with respect to one common share or have a value equal to the fair market value of one such share. Upon the lapse of restrictions applicable to an RSU, the RSU may be paid in cash, common shares, other securities, other awards or other property, as determined by the committee, or in accordance with the applicable award agreement. The committee may, on such terms and conditions as it may determine, provide a participant who holds restricted shares or RSUs with dividends or dividend equivalents, payable in cash, common shares, other securities, other awards or other property.

Edgar Filing: Genpact LTD - Form DEF 14A

Performance Units. Subject to the provisions of the 2007 Plan, the committee may grant performance units to participants. Performance units are awards with an initial value established by the committee (or that is determined by reference to a valuation formula specified by the committee or the fair market value of our common shares) at the time of the grant. In its discretion, the committee will set performance goals that, depending on the extent to which they are met during a specified performance period, will determine the number and/or value of performance units that will be paid out to the participant. The committee, in its sole discretion, may pay earned performance units in the form of cash, common shares or any combination thereof that has an aggregate fair market value equal to the value of the earned performance units at the close of the applicable performance period. The determination of the committee with respect to the form and timing of payout of performance units will be set forth in the applicable award agreement. The committee may, on such terms and conditions as it may determine, provide a participant who holds performance units with dividends or dividend equivalents, payable in cash, common shares, other securities, other awards or other property.

Cash Incentive Awards. Subject to the provisions of the 2007 Plan, the committee may grant cash incentive awards payable upon the attainment of performance goals.

Other Stock-Based Awards. Subject to the provisions of the 2007 Plan, the committee may grant to participants other equity-based or equity-related compensation awards, including vested stock. The committee may determine the amounts and terms and conditions of any such awards provided that they comply with applicable laws.

Performance Compensation Awards. The committee may designate any award granted under the 2007 Plan (other than ISOs, NSOs and SARs) as a performance compensation award in order to qualify such award as "qualified performance-based compensation" under Section 162(m) of the Code. The committee will, in its sole discretion, designate within the first 90 days of a performance period the participants who will be eligible to receive performance compensation awards in respect of such performance period. The committee will also determine the length of performance periods, the types of awards to be issued, the performance criteria that will be used to establish the performance goals, the kinds and levels of performance goals and any performance formula used to determine whether a performance compensation award has been earned for the performance period.

The performance criteria will be limited to the following: (1) net income before or after taxes, (2) earnings before or after taxes (including earnings before interest, taxes, depreciation and amortization), (3) operating income, (4) earnings per share, (5) return on stockholders' equity, (6) return on investment or capital, (7) return on assets, (8) level or amount of acquisitions, (9) share price, (10) profitability and profit margins, (11) market share, (12) revenues or sales (based on units or dollars), (13) costs, (14) cash flow, (15) working capital and (16) level of attrition. These performance criteria may be applied on an absolute basis or be relative to one or more of our peer companies or indices or any combination thereof. The performance goals and periods may vary from participant to participant and from time to time. To the extent required under Section 162(m) of the Code, the committee will, within the first 90 days of the applicable performance period, define in an objective manner the method of calculating the performance criteria it selects to use for the performance period.

The committee may adjust or modify the calculation of performance goals for a performance period in the event of, in anticipation of, or in recognition of, any unusual or extraordinary corporate item, transaction, event or development or any other unusual or nonrecurring events affecting us, any of our affiliates or our financial statements or the financial statements of any of our affiliates, or changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange, accounting principles, law or business conditions, so long as that adjustment or modification does not cause the performance compensation award to fail to qualify as "qualified performance-based compensation" under Section 162(m) of the Code. In order to be eligible for payment in respect of a performance compensation award for a particular performance period,

participants must be employed by us on the last day of the performance period (unless otherwise determined in the discretion of the compensation committee), the performance goals for such period must be satisfied and certified by the committee and the performance formula must determine that all or some portion of the performance compensation award has been earned for such period. The committee may, in its sole discretion, reduce or eliminate the amount of a performance compensation award earned in a particular performance period, even if applicable performance goals have been attained. In no event will any discretionary authority granted to the committee under the 2007 Plan be used to grant or provide payment in respect of performance compensation awards for which performance goals have not been attained, increase a performance compensation award for any participant at any time after the first 90 days of the performance period or increase a performance compensation award above the maximum amount payable under the underlying award.

Change of Control. Pursuant to the 2007 Plan, unless otherwise provided in an individual award agreement, in the event of a change of control of our company, the board of directors may provide that existing awards be assumed, substituted or continued. If the board of directors does not make such provision:

any options and SARs outstanding as of the date the change of control is determined to have occurred will become fully exercisable and vested, as of immediately prior to the change of control;

all performance units and cash incentive awards will be paid out as if "target" performance levels had been attained, but pro rated based on the portion of the performance period that elapses prior to the change of control; and

all other outstanding awards will automatically be deemed exercisable or vested and all restrictions and forfeiture provisions related thereto will lapse as of immediately prior to such change of control.

Unless otherwise provided pursuant to an award agreement, a change of control is defined to mean any of the following events, generally:

during any period of twenty-four consecutive months, a change in the composition of a majority of our board of directors that is not supported by a majority of the incumbent board of directors;

the consummation of a merger, reorganization or consolidation or sale or other disposition of all or substantially all of our assets;

the approval by our shareholders of a plan of our complete liquidation or dissolution; or

an acquisition by any individual, entity or group (other than General Atlantic Partners (Bermuda) L.P., Oak Hill Capital Partners (Bermuda), L.P. or GE Capital International (Mauritius) or any of their respective affiliates) of beneficial ownership of a percentage of the combined voting power of our then outstanding voting securities entitled to vote generally in the election of directors that is equal to or greater than 20%.

Prior Equity-Based Compensation Plans

We have also utilized the following equity-based compensation plans as an additional means to attract able persons to enter and remain in our employ and to provide a means whereby our employees, managers, directors and consultants can acquire and maintain share ownership and to further align the interests of award recipients and our shareholders: the Gecis Global Holdings 2005 Stock Option Plan, the Genpact Global Holdings 2006 Stock Option Plan and the Genpact Global Holdings 2007 Stock Option Plan (collectively, the "Prior Company Stock Plans").

Edgar Filing: Genpact LTD - Form DEF 14A

Now that we have adopted the 2007 Plan, we will no longer issue options under the Prior Company Stock Plans. At December 31, 2007, there were options to purchase 23,583,632 common shares outstanding under the 2007 Plan and the Prior Company Stock Plans at a weighted average exercise price of \$9.79 per share, including options held by each of our named executive officers (such amounts give effect to the 2007 Reorganization). We granted options to all of our named executive officers in 2007 as set forth in the "Grant of Plan Based Awards Table."

The terms of each Prior Company Stock Plan are substantially similar. The Prior Company Stock Plans are administered by the compensation committee, which is authorized to, among other things, select the officers and other employees who will receive grants and determine the exercise price and vesting schedule of the options.

The exercise price per common share subject to the Company options is set by our compensation committee at the time of grant and is not less than the fair market value of the underlying shares on the date of grant. Prior to our offering, the fair market value was determined by our board of directors or compensation committee, as applicable, as required under our Prior Company Stock Plans.

Our board of directors may amend, alter, suspend, discontinue or terminate the Prior Company Stock Plans or any award agreement under the Prior Company Stock Plans at any time, subject to any required shareholder approvals. No such amendment, alteration, suspension, discontinuance or termination that would impair the rights of any participant with respect to any option will be effective without the consent of the affected participant, unless such amendment, alternation, suspension, discontinuance or termination is required by applicable law.

Company options granted under the Prior Company Stock Plans may not be transferred, except in certain limited circumstances.

For a description of the provisions in our Prior Company Stock Plans and related arrangements relating to termination of employment or a change of control, see " Partial Payments Upon Termination and Change in Control Company Stock Plans."
