PROXY STATEMENT

Solicitation

This proxy statement is furnished to the stockholders of LTC Properties, Inc., a Maryland corporation, in connection with the solicitation of proxies by our Board of Directors for use at our 2012 Annual Meeting of Stockholders to be held on Tuesday, May 22, 2012 at 9:00 a.m., local time, at the Montage Laguna Beach, 30801 S. Coast Highway, Laguna Beach, California 92651 and at any and all adjournments of our 2012 Annual Meeting. The approximate date on which this proxy statement and the form of proxy are first being sent to our stockholders is April 20, 2012.

The cost of the solicitation of proxies will be borne by us. In addition to solicitation by mail, our directors and officers, without receiving any additional compensation, may solicit proxies personally, by telephone, by facsimile or electronically. We will request brokers, banks, and other nominees holding stock in their names for others to forward proxy materials to their customers or principals who are the beneficial owners of common shares and will reimburse them for their expenses in doing so. We have retained the services of Georgeson Shareholder, Inc. for a fee of \$8,000 plus out-of-pocket expenses, to assist in the solicitation of proxies.

We will provide without charge to any person solicited hereby, upon the written request of any such person, a copy of our Annual Report on our Form 10-K for the year ended December 31, 2011 filed with the Securities and Exchange Commission (or SEC). Such requests should be directed to our Investor Relations Department, at 2829 Townsgate Road, Suite 350, Westlake Village, CA 91361. Also, our Annual Report is available on our website at www.LTCproperties.com. We are not including the information contained on our website as part of, or incorporating it by reference into this proxy statement.

Voting Rights

At the close of business on April 2, 2012, there were 30,411,774 shares of common stock outstanding and eligible for voting at the 2012 Annual Meeting. Only stockholders of record at the close of business on April 9, 2012, are entitled to notice of, and to vote at, the 2012 Annual Meeting. The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast constitutes a quorum for the transaction of business at the 2012 Annual Meeting.

Voting of Proxy

You may vote by attending the 2012 Annual Meeting and voting in person, or you may vote by submitting a proxy. The method of voting by proxy differs depending on whether (1) you are viewing this proxy statement on the internet or receiving a paper copy, and (2) you hold your shares as a record holder or in "street name".

If you are the record holder of your stock and you are receiving a paper copy of this proxy statement, you may vote by completing, dating and signing the proxy card that was included with the proxy statement and promptly returning it in the pre-addressed, postage paid envelope provided to you. If you do not have a postage-prepaid envelope, please mail your completed proxy card to the following address: American Stock Transfer and Trust Company, Proxy Department, 6201 15th Avenue, Brooklyn, NY 11219.

If you hold your shares of common stock in "street name", you will receive instructions from your broker, bank or other nominee on how to vote your shares. Your broker, bank or other nominee may allow you to deliver your voting instructions via the internet and may also permit you to submit your voting instructions by telephone. Please note that, if you hold your shares in "street name" and you

Table of Contents

wish to vote in person at the 2012 Annual Meeting, you must obtain and present a proxy card issued in your name from your broker, bank or other nominee.

Broker Non-Votes

If you are a "street name" beneficial owner whose shares are held of record by a broker, the rules of the New York Stock Exchange (or NYSE) require your broker to ask you for instructions on how to vote. If you do not provide voting instructions to your broker, then your broker may only exercise discretionary authority to vote on routine matters. Of the items described in this proxy statement, routine matters consist of Proposal 2, ratification of independent registered public accounting firm, and Proposal 4, increase in the number of authorized shares of common stock. Your broker may not exercise discretionary authority to vote on non-routine matters. This lack of discretionary authority is called a "broker non-vote." Of the items described in this proxy statement, non-routine matters consist of Proposal 1, election of directors, and Proposal 3, advisory vote to approve named executive officer compensation. The effect of broker non-votes is set forth in the description of each item in this proxy statement. Despite limitations impacting broker non-votes, your broker can register your shares as being present at the 2012 Annual Meeting for purposes of determining the presence of a quorum.

Board of Director's Recommendations

The Board of Directors' recommendations are set forth together with the description of each item in this proxy statement. In summary, the Board of Directors recommends a vote:

For the election of each of the Board of Directors' nominees for director;

For the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal 2012;

For the approval of the compensation of our named executive officers, as disclosed in this proxy statement; and

For an amendment of the Company's Articles of Amendment and Restatement, as amended and supplemented (or the Charter), to increase the number of authorized shares of Common Stock from 45,000,000 shares to 60,000,000 shares.

Revocability of Proxy

The giving of a proxy does not preclude the right to revoke the proxy or vote in person should the stockholder giving the proxy so desire.

If you are a stockholder of record, you have the power to revoke your proxy at any time prior to its exercise by: (a) delivering a written statement to our Investor Relations Department that the proxy is revoked; (b) by delivering to us a later-dated proxy executed by the person executing the prior proxy; or (c) by attending the 2012 Annual Meeting and voting in person.

If you hold your shares in "street name" through a broker, bank or other nominee, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. Please note that voting in person at the 2012 Annual Meeting will only act to revoke prior voting instructions if you have obtained and present a proxy card issued in your name from your broker, bank or other nominee.

ALL STOCKHOLDERS ARE URGED TO VOTE AS PROMPTLY AS POSSIBLE VIA (A) THE INTERNET OR TELEPHONE, IF AND AS INSTRUCTED BY YOUR BROKER OR OTHER NOMINEE, OR (B) IF THIS PROXY STATEMENT WAS MAILED TO YOU, BY COMPLETING, DATING AND SIGNING THE ENCLOSED PROXY CARD AND MAILING IT IN THE ACCOMPANYING POSTAGE PAID ENVELOPE.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Code of Ethics

LTC Properties, Inc. (or LTC) is committed to having sound corporate governance principles. To that end, we have adopted a Code of Business Conduct, Ethics and Corporate Governance applicable to our Board of Directors, principal executive officer, principal financial officer, principal accounting officer or controller and other officers and employees. Our Code of Business Conduct, Ethics and Corporate Governance is available on our website (www.LTCproperties.com). If we amend or waive the Code of Business Conduct, Ethics and Corporate Governance with respect to our directors, principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, we will post the amendment or waiver on our website.

Corporate Governance Policies

To guide us in director independence and other governance matters, we have adopted Corporate Governance Policies as required by the listing standards of the NYSE. The matters addressed in our Corporate Governance Policies include Board composition, Board meetings, Board committees, management responsibility, and stock ownership guidelines. A copy of our Corporate Governance Policies is available on our website at www.LTCproperties.com.

Board Structure and Committee Composition

The business of LTC is managed under the direction of the Board of Directors (or Board), which is elected by our stockholders. The basic responsibility of the Board is to lead our company by exercising its business judgment to act in what each director reasonably believes to be the best interests of our company and its stockholders. Leadership is important to facilitate the Board acting effectively as a working group so that our company and its performance may benefit. Our Corporate Governance Policies contemplate that the Chief Executive Officer shall be nominated annually to serve on the Board.

Our Board currently separates the positions of Executive Chairman and Chief Executive Officer. Our Executive Chairman, Mr. Dimitriadis, founded LTC in 1992 and until March 2007 served as Chief Executive Officer. As Executive Chairman, he is able to make a time commitment to advise on our company's operations, has an extensive knowledge of our company, its challenges, and opportunities, and has a productive working relationship with the company's officers and employees. The role of Executive Chairman includes providing continuous feedback on the direction, performance and strategy of our company, serving as chairman of regular and executive sessions of the Board, setting the Board's agenda with the Chief Executive Officer, and leading the Board in anticipating and responding to key company developments. Separation of the positions of Chairman and Chief Executive Officer is not mandated by our company's articles, bylaws, or Corporate Governance Policies. The Board believes that the advisability of having a separate or combined Executive Chairman and Chief Executive Officer is dependent upon the strengths of the individuals that hold these positions and the most effective means of leveraging these strengths. At this time, given the composition of our Board, the effective interaction between Mr. Dimitriadis, as Executive Chairman, and Ms. Simpson, as Chief Executive Officer, the Board believes that separating the Chief Executive Officer and Executive Chairman positions provides our company with the right foundation to pursue strategic and operational objectives, while maintaining effective oversight and objective evaluation of the performance of our company.

Aside from Mr. Dimitriadis and Ms. Simpson, the four remaining members of our Board are independent directors. Our Corporate Governance Policies provide that, where the chairman is not independent, one independent director may be appointed "lead independent director." If no "lead independent director" has been appointed by the Board, the designation of the presiding director at independent directors' meetings will rotate among the Chairmen of each committee. The "lead

Table of Contents

independent director" will periodically and no less frequently than annually, schedule and conduct separate meetings of the independent directors only. Currently, Mr. Hendrickson is designated "lead independent director." In accordance with our Corporate Governance Policies, the independent members of the Board meet separately without management directors at least once per year to discuss such matters as the independent directors consider appropriate.

As of the date of this proxy statement, our Board has six directors and the following three committees: (1) Audit; (2) Compensation; and (3) Nominating and Corporate Governance. On January 10, 2012, the Board nominated six incumbent directors for election at the Annual Meeting on May 22, 2012. Those nominated were Messrs. Dimitriadis, Hendrickson and King, Dr. Triche and Mses. Simpson and Shapiro. The function of each of the committees and the membership of the committees currently and during the last year are described below. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available on our website (www.LTCproperties.com). During fiscal 2011, the Board held five meetings. Each Board member attended 100% of Board and Committee meetings in 2011. Our policy is to schedule our annual meeting of stockholders after consulting with each director regarding their availability to help ensure their ability to attend. All Board members attended our 2011 Annual Meeting of Stockholders.

The following table reflects the current composition of each committee:

Audit Committee

The Audit Committee has oversight of all compliance related to financial matters, SEC reporting and auditing. The "Report of the Audit Committee of the Board of Directors" is contained herein on page 34. The Audit Committee Charter is available on our website (www.LTCproperties.com). The Audit Committee met five times during 2011.

The Board has determined that each member of the Audit Committee is independent within the meaning of the Securities Exchange Act of 1934, as amended (or Exchange Act) and the listing standards of the NYSE. The Board also has determined that Mr. King, the current chair of the Audit Committee, and Ms. Shapiro each qualify as an "audit committee financial expert" as defined by SEC rules and that they have accounting and related financial management expertise within the meaning of the listing standards of the NYSE.

Compensation Committee

The Compensation Committee is responsible for overseeing, reviewing, and administering our compensation and benefit practices. The Compensation Committee oversees our general compensation policies, reviews and approves compensation of our executive officers and administers all of our employee benefit plans. The Compensation Committee Charter is available on our website (www.LTCproperties.com). The Compensation Committee met three times during 2011. The Board has

determined that each member of the Compensation Committee is independent within the meaning of the listing standards of the NYSE.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for (i) identifying, screening and reviewing individuals qualified to serve as directors and recommending to the Board candidates for nomination for election at our Annual Meeting of Stockholders or to fill Board vacancies; (ii) overseeing our policies and procedures for the receipt of stockholder suggestions regarding Board composition and recommendations of candidates for nomination by the Board; (iii) developing, recommending to the Board and overseeing implementation of our Code of Business Conduct, Ethics and Corporate Governance; and (iv) reviewing on a regular basis our overall corporate governance policies and procedures and recommending improvements when necessary. The Nominating and Corporate Governance Committee Charter is available on our website (www.LTCproperties.com).

The Nominating and Corporate Governance Committee met two times during 2011. The Board has determined that each member of the Nominating and Corporate Governance Committee is independent within the meaning of the listing standards of the NYSE.

Communications with the Board

Stockholders and all other parties interested in contacting the Board, its committees, the independent directors as a group, the presiding director, or individual directors may send written correspondence to the Audit Committee Chairman of LTC Properties, Inc. at 2829 Townsgate Road, Suite 350, Westlake Village, California 91361. All such communications will be forwarded to the relevant director(s), except for solicitations or other matters unrelated to our company.

Consideration of Director Nominees

The Board is responsible for the selection of candidates for the nomination or appointment of all Board members. The Nominating and Corporate Governance Committee, in consultation with the Chief Executive Officer, recommends candidates for election to our Board and considers recommendations for Board candidates submitted by stockholders using the same criteria it applies to recommendations from Nominating and Corporate Governance Committee members, directors and members of management. The Nominating and Corporate Governance Committee will also consider whether to nominate any person nominated by a stockholder pursuant to the provisions of our Bylaws relating to stockholder nominations as described immediately below. Since 2011, there have been no material changes to the procedures by which stockholders may recommend nominees. Stockholders may submit recommendations in writing addressed to the Nominating and Corporate Governance Committee, LTC Properties, Inc., 2829 Townsgate Road, Suite 350, Westlake Village, CA 91361.

Stockholders may directly nominate persons for director only by complying with the procedure set forth in our Bylaws, which in summary requires that the stockholder submit the names of such persons in writing to our Corporate Secretary not less than 60 days nor more than 150 days prior to the first anniversary of the date of the preceding year's Annual Meeting. The nominations must set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director and as to the stockholder giving the notice (a) the name, age, business address and residence address of such person, (b) the principal occupation or employment of such person, (c) the class and number of shares of our capital stock which are beneficially owned by such person on the date of such stockholder notice, (d) such nominee's consent to serve as a director if elected and (ii) as to the stockholder giving the notice (a) the name and address, as they appear on our books, of such stockholder to be supporting such nominees and (b) the class and number of shares of our capital stock which are beneficially owned by such stockholder on the date of such stockholder notice and by any other

Table of Contents

stockholders known by such stockholder to be supporting such nominees on the date of such stockholder notice.

Once a prospective nominee has been identified, by either the Nominating and Corporate Governance Committee or proposed by the stockholders, the Nominating and Corporate Governance Committee makes an initial determination as to whether to conduct a full evaluation of the prospective candidate. This initial determination would include whatever information is provided with the recommendation of the prospective candidate and the Nominating and Corporate Governance Committee's own knowledge of the prospective candidate. The Nominating and Corporate Governance Committee may make inquiries of the person making the recommendation or of others regarding the qualifications of the prospective candidate. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board. The Board's policy is to encourage selection of directors who will contribute to our overall corporate goals and to the discharge of the Board's responsibility to our stockholders. The Nominating and Corporate Governance Committee may, at the request of the Board from time to time, review the appropriate skills and characteristics required of Board members in the context of the current makeup of the Board. Board members are expected to prepare for, attend and participate in meetings of the Board and the committees on which they serve; therefore, a prospective candidate must have the ability to dedicate sufficient time, energy and attention to the diligent performance of his or her duties as a Board member.

The Nominating and Corporate Governance Committee may conduct interviews with prospective nominees in person or by telephone. After completing the evaluation and interviews, the Nominating and Corporate Governance Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

The Nominating and Governance Committee does not have a specific policy with regard to the consideration of diversity in identifying director nominees. As part of its periodic review of the composition of the Board, the Nominating and Governance Committee considers whether the composition of the Board reflects the appropriate balance of independence, sound judgment, business specialization, technical skills, diversity, and other desired qualities. The Nominating and Governance Committee does not have formal objective criteria for determining the amount of diversity needed or present on the Board. Instead, the Nominating and Governance Committee seeks to have a Board with a diversity of background and experience.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities of our company.

To our knowledge, based solely on review of the copies of such reports and written representations that no other reports were required, during the year ended December 31, 2011 all directors, executive officers and persons who beneficially own more than 10% of our common stock have complied with the reporting requirements of Section 16(a); except that (i) one report, covering two transactions, was filed late by Mr. Hendrickson, (ii) one report, covering one transaction, was filed late by Mr. Triche, and (iii) one report, covering one gift transaction in 2006 and one gift transaction in 2007, was filed late by Mr. King.

The six nominees receiving the most votes (providing a quorum is present) will be elected as directors. For purposes of the vote on Proposal 1, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote, although they will count towards the presence of a quorum for Proposal 1. **PROPOSAL 2
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has appointed Ernst & Young LLP as the independent registered public accounting firm to audit LTC Properties, Inc.'s consolidated financial statements for the year ended December 31, 2012. During 2011, Ernst & Young LLP served as our independent registered public accounting firm and also provided certain tax and other audit related services. See "Independent Registered Public Accounting Firm Fees and Services" on page 34. A representative of Ernst & Young LLP is expected to be present at the 2012 Annual Meeting.

Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice. If the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the company and our stockholders.

Required Vote and Recommendation

Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2012 requires the affirmative vote of a majority of all the votes cast at a meeting at which a quorum is present. For purposes of the vote on Proposal 2, abstentions and broker non-votes will not be counted as votes cast and this will have no effect on the result of the vote although they will count towards the presence of a quorum for Proposal 2. Properly executed, unrevoked proxies will be voted FOR Proposal 2 unless a vote against Proposal 2 or abstention is specifically indicated in the proxy.

**PROPOSAL 3
ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (or Dodd-Frank Act) requires that we provide our stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. This proposal, commonly known as a "say-on-pay" proposal, gives stockholders the opportunity to express their views on our named executive officers' compensation. As previously reported in the Current Report on Form 8-K that we filed with the SEC on June 3, 2011, our Board of Directors has determined that LTC will hold a nonbinding, advisory "say-on-pay" vote every year to approve named executive officer compensation until the next required advisory vote on the frequency of such vote, which will occur no later than the 2017 Annual Meeting of Stockholders.

As described below under "Executive Compensation Discussion and Analysis" (or CD&A), we seek to align compensation for executive management with our overall performance as well as the individual performance of each executive officer. Our compensation programs are designed to attract and retain key executives responsible for our company's success and are administered in the long-term interests of our company and our stockholders. During 2011, approximately 38% of total named executive officer compensation was in the form of long-term equity incentives.

As noted in the CD&A, our 2011 financial performance was characterized by growth in assets, growth in revenues, and increased liquidity. Please refer to CD&A and accompanying tables, and in particular the Executive Summary contained therein for details regarding how our compensation program for executive management is structured to support and reward for our annual and long-term financial performance as an organization.

Pursuant to the resolution below, we are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. The vote on this resolution is not intended to address any specific element of compensation. Rather, the vote relates to the compensation of our named executive officers, as described in the CD&A and accompanying tables.

Accordingly, stockholders are being asked to vote on the following resolution at the 2012 Annual Meeting:

"RESOLVED, that the stockholders of LTC Properties, Inc. approve, on an advisory basis, the compensation of the named executive officers, as disclosed in LTC Properties, Inc.'s Proxy Statement for the 2012 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation discussion and analysis, the summary compensation table, and the other related tables and disclosure."

Required Vote and Recommendation

Because the vote is advisory, it is not binding on our company, our Board of Directors, or the Compensation Committee of our Board of Directors. Our Board of Directors and the Compensation Committee will take into account the outcome of the vote, however, when designing future executive compensation programs.

For purposes of the vote on Proposal 3, abstentions and broker non-votes will not be counted as votes cast and this will have no effect on the result of the vote although they will count towards the presence of a quorum for Proposal 3. Properly executed, unrevoked proxies will be voted FOR Proposal 3 unless a vote against Proposal 3 or abstention is specifically indicated in the proxy.

**PROPOSAL 4
AMENDMENT TO CHARTER
TO INCREASE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

At the 2012 Annual Meeting, stockholders will be asked to approve an amendment to our Articles of Amendment and Restatement, as amended and supplemented (or Charter) which would increase the number of authorized shares of our common stock, \$0.01 par value per share, from 45,000,000 to 60,000,000 shares. On January 10, 2012, our Board of Directors adopted a resolution setting forth this proposed amendment to our Charter and declaring it advisable, and directed that this proposed amendment be submitted to our stockholders for consideration at the 2012 Annual Meeting.

As of April 2, 2012, our company had 30,411,774 shares of common stock outstanding. As of April 2, 2012, our company also had 2,000,000 shares of Series C Cumulative Convertible Preferred Stock (or Series C Preferred Stock) outstanding, which is convertible into 2,000,000 shares of common stock based upon a conversion price of \$19.25 per share as of April 2, 2012. Our company through subsidiaries has issued partnership units of such subsidiaries (or Units) that are convertible into, or exchangeable for, at our option, shares of common stock. As of April 2, 2012, Units convertible into, or exchangeable for, 23,294 shares of common stock at a price of \$17.00 per share were outstanding. As of April 2, 2012, our company also had granted, and had outstanding, options to purchase 170,334 shares of common stock and had options available but not yet granted to purchase 271,221 shares of common stock. As a result, we have committed to the potential issuance of an additional 2,464,849 shares of common stock, in the aggregate, leaving 12,123,377 authorized shares of common stock uncommitted and available for future issuance.

Authorized and unissued shares of common stock and any additional shares of common stock to be authorized pursuant to the proposed amendment to our Charter may be issued from time to time as our Board of Directors deems appropriate. The Board may authorize the issuance of shares of common stock, whether now or hereafter authorized, or securities or rights convertible into shares of common stock, for such consideration as the Board may deem advisable, subject to such restrictions or limitations, if any, as may be set forth in our Charter or Bylaws or Maryland law.

We believe the ability to issue additional shares of common stock provides our company with valuable financing options, including direct issuance, as part of an offering of convertible preferred stock or convertible bond, as acquisition consideration or as a stock dividend, among other possible financing structures. As of the date of this proxy statement, we have no present undisclosed plans to issue additional shares of common stock.

We believe that our company has a sufficient number of authorized but unissued shares of common stock to complete any potential new financing transaction that would include the issuance or contingent issuance of shares of common stock. However, if any such transaction should be completed, the remaining authorized but unissued shares of common stock available could be insufficient to permit our company to engage in certain future financing transactions. The Board of Directors therefore believes that it is important to increase the number of authorized shares of common stock to provide our company with flexibility to act promptly with respect to any future transactions which the Board determines to be in the best interests of our stockholders.

The increase in the number of authorized shares of common stock could have an anti-takeover effect, although this is not the intent of the Board of Directors in proposing the amendment. For instance, our authorized but unissued capital stock could be issued in one or more transactions that would make more difficult or costly, and less likely, to execute a takeover of us. As of the date of this proxy statement, we are not aware of any attempt or plan to obtain control of us.

If the proposed amendment to our Charter is approved, any or all of the additional authorized shares of common stock may be issued without further action by the stockholders and without first

Table of Contents

offering such shares to the stockholders. The issuance of additional shares of common stock otherwise than on a pro-rata basis to all current stockholders would have the effect of reducing the proportionate stock interest of our current stockholders.

The full text of the amendment to Section 7.1 of the Charter is set forth in Appendix A attached hereto, which assumes that Proposal 4 is approved by our stockholders.

If the proposed amendment to our Charter is approved by our stockholders, it will become effective upon filing, and acceptance for record, of articles of amendment as required by Maryland law.

Required Vote and Recommendation

The affirmative vote of the holders of two-thirds (2/3rds) of the outstanding shares of common stock of our company is required for approval of this proposed amendment to our Charter. For purposes of the vote on Proposal 4, abstentions and broker non-votes will have the effect of a vote AGAINST the Proposal. However, because Proposal 4 is a "routine" matter on which a broker is generally empowered to vote, it is unlikely that any broker non-votes will occur. Properly executed, unrevoked proxies will be voted FOR Proposal 4 unless a vote against Proposal 4 or abstention is specifically indicated in the proxy.

EXECUTIVE COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary

2011 Business Highlights

2011 represented a year focused on capitalizing on opportunities for long-term growth for our company and stockholders.

We have adhered to a disciplined investment underwriting policy and do not make investments in assets believed by management to be overpriced. This disciplined investment policy allowed us to weather the current challenging economic environment and positioned us well to take advantage of investment opportunities going forward.

Also, we have continued our marketing strategy designed to enhance awareness of our company among local and regional operators of skilled nursing, assisted living, memory care and independent living properties in certain states. The marketing campaign highlights our low-levered balance sheet, our access to capital to invest, our ability and interest in doing small transactions, our strong but small management team and our many years in the industry.

As a direct result of these efforts, in 2011 we grew substantially by purchasing approximately \$106.5 million, including transaction fees, of assets comprised of skilled nursing properties, properties providing combinations of independent living, skilled nursing or assisted living services and a vacant parcel of land held for future development of a 120-bed skilled nursing property. Our 2011 year-over-year revenue growth was 15.6% and our year-over-year funds from operations growth was 31.0%.

In addition, we increased our liquidity during 2011 by entering into a new \$210.0 million unsecured revolving credit agreement which provides the opportunity to increase the availability up to a total of \$250.0 million. Also, we sold \$50.0 million aggregate principal amount of 4.8% senior unsecured term notes and entered into an Amended and Restated Note Purchase and Private Shelf Agreement which provides the possible issuance of up to an additional \$100.0 million unsecured fixed-rate term notes during a three-year issuance period.

During 2011, we sold 3,990,000 shares of common stock in an underwritten public offering for net proceeds of \$103.6 million. The net proceeds were used to redeem all of our 8.0% Series F Cumulative Preferred Stock (or Series F preferred stock).

Finally, as the stock performance graph in our Form 10-K for 2011 shows, \$100 invested in LTC common stock on December 31, 2006 would be worth \$155.58 on December 31, 2011, as compared to \$93.11 from a like investment in the NAREIT Equity REIT Index, or \$98.76 in the Standard & Poors 500 Stock Index.

2011 Compensation Highlights

We seek to closely align the interests of our named executive officers (or NEOs) with those of our stockholders. Accordingly, we have structured our executive compensation program to support this alignment, with relatively lower base salaries and by delivering a greater proportion of total compensation through annual bonus and long-term equity incentive opportunities.

In view of their accomplishments and our financial performance during 2011, the Compensation Committee recommended and the Board approved:

Base salary increases for executives and other members of the management team;

Annual bonuses for the NEOs with respect to 2011 performance consistent with our business results.

Table of Contents

2011 "Say-On-Pay" Vote

At LTC's 2011 Annual Meeting of Stockholders, approximately 85% of the votes cast in the advisory "say-on-pay" vote were voted for approval of the named executive officer compensation as disclosed in the 2011 proxy statement. The Board of Directors and Compensation Committee has considered the results of the 2011 "say-on-pay" vote and believes that the overwhelming support by our stockholders indicates they generally are supportive of our approach to executive compensation. This support was one of the factors the Board of Directors and Compensation Committee took into account in not making material changes to our compensation philosophy for executive officers or the components of executive compensation. The Board of Directors and Compensation Committee will continue to consider "say-on-pay" votes in formulating future executive compensation policies and decisions.

2011 Corporate Governance Highlights

We seek to maintain good governance standards, including with respect to the oversight of our compensation policies and practices. Following are highlights of the policies and practices in effect during 2011:

The leadership structure for our Board consists of an Executive Chairman and a separate Chief Executive Officer. In addition, we maintain a separate "lead independent director" role;

The Compensation Committee is comprised solely of independent directors; and

We have stock ownership guidelines in place for our executives and independent directors and all executives and directors are in compliance.

We encourage you to read this Compensation Discussion and Analysis for a detailed discussion of our executive compensation program, including information about the fiscal 2011 compensation of the NEOs.

Executive Compensation Program Philosophy and Objectives

We endeavor to ensure that the compensation programs for our executive officers are effective in attracting and retaining key executives responsible for our company's success and are administered in appropriate fashion in the long-term interests of our company and our stockholders. Through the oversight of the Compensation Committee, we seek to align total compensation for executive management with our overall performance as well as the individual performance of each executive officer.

Our executive compensation policies may be summarized as follows:

- (1) Our compensation programs are designed to attract, motivate and retain qualified key executives;
- (2) An executive's salary, bonuses and incentive compensation and other benefit programs should reflect both our company's performance as a whole and the executive's individual performance and effort; and
- (3) Our compensation programs should enable the executive to have a financial interest in our company that parallels the financial interests of our stockholders.

Executive Compensation Program Elements

We seek to achieve our compensation program objectives through the following key compensation elements: base salary, annual bonus opportunity, long-term equity incentive opportunity and severance upon termination of the executive officers' employment under certain conditions or change in control

Table of Contents

of our company. We believe that each element of our executive compensation program helps us to achieve one or more of our compensation objectives as follows:

Base salary attract, motivate, and retain qualified key executives. We believe the base salary should reflect job responsibilities, value to our company, individual performance/expertise and competitiveness of the market for the executive's services/salary norms for persons in comparable positions at comparable companies.

Annual bonuses reward company performance and individual performance and effort. We believe the annual bonus should be linked to individual performance and to our company's performance as a whole, and where practicable, should be related to variables under our management's control.

Long-term equity incentives align executives' financial interests with those of our stockholders. We believe that long-term compensation should motivate and reward the creation and preservation of long-term stockholder value.

Severance attract, motivate and retain qualified key executives. We believe that providing our executives with severance and other benefits upon termination of employment or change in control is consistent with the severance protections offered by similar companies and is an integral part of total executive compensation.

Base salaries and severance are designed primarily to attract, motivate and retain qualified key executives. These are the elements of our executive compensation program where the value of the benefit in any given year is typically not variable. We believe that it is important to provide executives with predictable benefit amounts that reward the executive's continued service. Base salaries are paid out on a short-term basis and are intended to attract and motivate executives. Severance and other benefits are paid out on a longer-term basis such as upon termination of employment or change in control of our company and are designed to aid in retaining executives.

Annual bonuses are designed to reward performance, both at the company and individual level. Annual bonuses are paid out on a short-term basis and are designed to reward performance for that period.

Long-term equity incentives are intended to align executives' and stockholders' interests. Long-term equity incentives are typically earned and paid out on a longer-term basis and are designed to reward performance over one or more years.

Compensation Committee

The Compensation Committee reviews and approves the compensation of our executive officers and determines our general compensation policy. The Compensation Committee is also responsible for the administration of our Equity Participation Plans. During 2008, we adopted the 2008 Equity Participation Plan under which 600,000 shares of common stock have been reserved for awards, including nonqualified stock options grants and restricted common stock grants to officers, employees, non-employee directors and consultants. The Compensation Committee is authorized to determine the options and restricted common stock awards to be granted under such plan and the terms and provisions of such options and restricted common stock awards. The Compensation Committee determines the base salary, annual bonus and long-term equity incentives of our Chief Executive Officer. Wendy L. Simpson, our Chief Executive Officer and President, recommends to the Compensation Committee the base salary, annual bonus and long-term compensation levels for all of our other officers. None of the other executive officers had any role in determining or recommending the form or amount of the compensation of the other executive officers.

Table of Contents

Competitive Considerations

In determining the level and composition of compensation for the executive officers, the Compensation Committee considers various corporate performance measures, both in absolute terms and in relation to similar companies, and individual performance measures. Although the Compensation Committee considers funds from operations per share as an important measure of our performance, the Compensation Committee does not apply any specific quantitative formula in making compensation decisions. The Compensation Committee also may evaluate the following factors in establishing executive compensation: (a) comparative compensation surveys and other material concerning compensation levels and stock grants at similar companies; (b) our historical compensation levels and stock awards; (c) overall competitive environment for executives and the level of compensation necessary to attract and retain executive talent; (d) financial performance of other real estate investment trusts relative to market condition; and (e) from time to time, the Compensation Committee may seek the advice of an independent compensation consultant in assessing its overall compensation philosophy. The Compensation Committee assigns no specific weight to any of the factors discussed above in establishing executive compensation. In determining the appropriate levels of compensation to be paid to executive officers, we do not generally factor in amounts realized from prior compensation.

While the Compensation Committee may review broad-based third party compensation surveys in determining the reasonableness of our executive officers compensation, compensation levels are not set by reference to any percentile or benchmark within any peer group of companies or otherwise. Consistent with our compensation philosophies described above, our goal is to provide each executive officer with a current compensation package that is at market based upon the Compensation Committee's perception of comparable executives at comparable companies, including real estate investment trusts.

Compensation Consultant

Pursuant to its charter, the Compensation Committee has the authority to engage independent compensation consultants and other professionals to assist in the design, formulation, analysis, and implementation of compensation programs for our executive officers. In November 2010, the Compensation Committee retained Pearl Meyer & Partners (or PM&P) as an independent compensation consultant to assist the Compensation Committee with its responsibilities related to our company's executive and Board of Director compensation programs. The scope of the consulting services provided by PM&P was limited to the services it provided directly to the Compensation Committee on executive compensation matters. During the year ended December 31, 2011, PM&P and its affiliates were not retained by the management of our company to provide services related to executive compensation.

Executive Compensation Review

PM&P was engaged by the Compensation Committee to conduct a comprehensive review of our executive compensation programs. The initial phase of the review was conducted during November and December 2010 and included the following:

Assisting with the development of a comparative Peer Group for compensation comparisons; consisting of healthcare and other California real estate investment trusts (or REITs) with total assets and market capitalization generally similar to LTC.

Conducting a preliminary review of the competitiveness of current compensation levels, programs and arrangements provided to our executive officers, including the named executive officers.

An assessment of compensation and incentive plan provisions among the Peer Group REITs.

Conducting a competitive assessment of our non-employee director compensation program, performed for the Governance Committee.

The competitive Peer Group included the following six health care REITs and nine apartment, office or diversified REITs:

Health Care REITs

Apartment/Office/ Diversified REITs

Cogdell Spencer, Inc.

Alexandria Real Estate Equities, Inc.

Healthcare Realty Trust, Inc.

BioMed Realty Trust, Inc.

Medical Properties Trust, Inc.

Hudson Pacific Properties, Inc.

National Health Investors, Inc.

Kilroy Realty Corp.

Nationwide Health Properties, Inc.

Mission West Properties, Inc.

Omega Healthcare Investors, Inc.

MPG Office Trust, Inc.

PS Business Parks, Inc.

Realty Income Corp.

Sunstone Hotel Investors, Inc.

Due to the differences in total assets between LTC and the Peer Group companies, regression analysis was utilized to size-adjust the data and develop estimated market levels of compensation based on LTC's total asset size. The regressed Peer Group data was combined with data from selected compensation surveys to develop estimated market levels for our executives. The compensation surveys included real estate industry surveys (National Associates of Real Estate Investment Trusts Compensation Survey and National Real Estate Compensation & Benefits Survey) as well as general industry surveys (Mercer Executive Compensation Survey and Watson Wyatt Top Management Compensation Survey). PM&P compared LTC's 2010 total direct compensation (base salary, annual and long-term incentives) for each executive position against the market compensation levels for similar executives in the Peer Group and the compensation surveys. LTC's aggregate total direct compensation was slightly below the market 50th percentile on a size adjusted basis.

The second phase of the engagement began in January 2011 and focused on providing the Compensation Committee with a more comprehensive review of LTC's compensation programs; the second phase consisted of the following activities:

PM&P conducted confidential interviews with selected executives and the members and the chair of the Compensation Committee. Through these interviews PM&P gathered background information regarding the company's current compensation structure as well as management's and the Compensation Committee members' perceptions of the programs. Observations gathered through the interviews were summarized and reported to the Committee.

Additional analyses related to equity plan share allocations and utilization, executive beneficial ownership and CEO employment agreement terms among Peer Group REITs.

Development of program recommendations and compensation actions for the Committee to consider based on the competitive findings from the first and second phases of the engagement.

The Compensation Committee utilized the findings from the PM&P review to provide some guidance with executive compensation decisions in 2011. During 2011, the Compensation Committee worked with PM&P to:

Refine and articulate our philosophy and objectives for executive compensation, and

Review our annual bonus program and long-term equity incentive program and grant practices.

For further information as to the Compensation Committee's use of the findings from the PM&P engagement and other factors that were considered in determining 2011 compensation levels, see the discussion below concerning fiscal 2011 compensation.

Executive Compensation Practices*Base Salaries*

Base salaries are reviewed and adjusted by the Compensation Committee on an annual basis. We typically pay base salaries in cash at regular intervals throughout the year. The Compensation Committee seeks to ensure that the base salaries are established at levels considered appropriate in light of responsibilities and duties of our executive officers as well as at levels competitive to amounts paid to executive officers of other real estate investment trusts. In determining an individual executive's actual base salary, the Compensation Committee also considers other factors, which may include the executive's past performance and contributions to our success.

Our named executive officers each have an employment agreement (see "Description of Employment Agreements" below) granting them the contractual right to receive a fixed base salary as disclosed in the "Summary Compensation Table" below.

Based on the findings from the PM&P review and recommendations received from the Chief Executive Officer, the Compensation Committee approved the following increases to base salaries for the named executive officers (excluding the Chief Executive Officer) to more closely align the executives' compensation with compensation in the peer group. Base salary increases were effective June 1, 2011. In approving the salary increases, the Compensation Committee took into consideration the company's performance and PM&P's 2010 executive compensation review. The following table summarizes salary adjustments approved by the Compensation Committee for 2011.

Named Executive Officer	2011 Base Salary	2010 Base Salary	Year over Year Increase
Wendy L. Simpson	\$ 500,000	\$ 416,000	20%
Pamela Shelley-Kessler	\$ 275,000	\$ 215,000	28%
Clint B. Malin	\$ 275,000	\$ 180,000	53%
T. Andrew Stokes	\$ 240,000	\$ 180,000	33%

Annual Bonuses

Bonuses are awarded based on our overall performance and individual performance of each executive officer. We typically pay annual cash bonuses; however, bonuses may be awarded in other forms, such as stock awards, in lieu of cash payments. Bonus amounts awarded may vary from year to year and are typically paid, or awarded, at the end of the period for which performance is being rewarded. Annual bonuses for executive officers are awarded by the Compensation Committee after considering the Chief Executive Officer's recommendations.

In formulating bonus recommendations, the Chief Executive Officer took into consideration the company's performance (as summarized below), individual executive performance, the competitive market findings in the PM&P report, and the executive's total compensation package including base salary, equity awards and annual dividends earned on outstanding unvested equity awards.

Edgar Filing: LTC PROPERTIES INC - Form DEF 14A

Table of Contents

In determining bonuses, the Compensation Committee evaluates the performance of our company for the year compared to other real estate investment trusts and the overall market. Accomplishments during 2011 included the following:

Acquired 9 senior housing properties with a total of 1,134 skilled nursing beds, 40 assisted living units and 53 independent living units for \$105.7 million, including transaction fees;

Acquired a vacant parcel of land held for future development of a 120-bed skilled nursing property for \$0.9 million, including transaction fees;

Increased our unsecured revolving credit agreement from \$110.0 million to \$210.0 million at the same interest rates of 150 basis points over LIBOR, based on current leverage ratios;

Entered into an Amended and Restated Note Purchase and Private Shelf Agreement which provides for the possible issuance of up to an additional \$100.0 million of senior unsecured fixed-rate term notes during a three-year issuance period;

Sold \$50.0 million aggregate principal amount of 4.8% senior unsecured notes fully amortizing to maturity; and

Redeemed 3,536,530 shares of our 8.0% Series F Cumulative Preferred Stock using part of the \$103.6 million proceeds from the issuance of 3,990,000 shares of common stock in an underwritten public offering.

The Compensation Committee does not rely upon any specific performance targets or measurements related to our company when determining bonuses. Overall company performance is evaluated relative to stockholder value and return over the year, revenue growth, new investment levels relative to market constraints and external factors outside the control of our company.

In considering the Chief Executive Officer's bonus recommendations, the Compensation Committee seeks to ensure that bonuses are established at levels considered appropriate in light of responsibilities and duties of our executive officers as well as at levels competitive to amounts paid to executive officers of other real estate investment trusts. In determining the individual bonus amounts the Compensation Committee considered the responsibilities and duties of our executive officers, the executive officers total compensation package including raises and equity awards, competitive amounts paid to executive officers at other real estate investment trusts, and the executive's performance and contributions to our success.

There are no specific performance targets or measurements for our executive officers that impact their bonuses. None of our executive officers have a contractual right to receive a fixed actual or target bonus for any given year. However, Ms. Simpson's employment agreement provides for an annual target bonus equal to 100% of her base salary awarded at the sole discretion of the Board of Directors. The following table shows the aggregate 2011 bonuses awarded to our Named Executive Officers for services provided in 2011, which amounts are reflected in the "Summary Compensation Table" below. Discretionary cash bonuses awarded for 2011 performance, successes detailed by bullet points above, were paid in 2012. Ms. Simpson's entire 2011 bonus was in the form of a long-term bonus in a grant of restricted common shares, as detailed in the schedule below.

Named Executive Officer	Discretionary Cash Bonus
Wendy L. Simpson	\$
Pamela Shelley-Kessler	275,000
Clint B. Malin	275,000
T. Andrew Stokes	180,000

Long-Term Equity Incentives

Long-term incentives are designed to align the executives' financial interests with those of our stockholders. Therefore, our long-term incentive compensation for our executive officers has historically taken the form of a mix of restricted common stock and stock option awards. The Compensation Committee does not have a formula for determining the mix of restricted common stock and/or stock options awarded. Awards are made on an individual basis and are not granted at any pre-determined time during the year. Restricted common stock and stock option awards typically vest ratably over a three to five-year period and are generally subject to the individual executive officer's continued employment. The level of long-term incentive compensation is determined by the Compensation Committee based on an evaluation of competitive factors in conjunction with total compensation provided to each individual executive officer. The relevant weight given to each of these factors varies from individual to individual. Stock price performance has not been a factor in determining annual compensation because the price of our common stock is subject to a variety of factors outside of our control. We do not have an exact formula for allocating between cash and non-cash compensation. Nor do we have a policy for allocating between long-term and currently paid out compensation.

The grant date of an equity award is typically the date the Compensation Committee approves the equity award. The grant date may also be a future date from the date of approval as specified by the board resolution. In no instances has the grant date been retroactive or prior to the date the Compensation Committee approved the equity award. For long-term incentive awards in the form of stock options, the exercise price is the closing price of our company's stock as reported by the NYSE on the grant date. The Compensation Committee has not and does not time the granting of equity awards with any favorable or unfavorable news released by us.

During 2008, we adopted the 2008 Equity Participation Plan (or 2008 Plan) under which awards may be granted including stock options (incentive or non-qualified), stock appreciation rights, restricted common stock, deferred stock and dividend equivalents. We reserved 600,000 shares of common stock for issuance under this plan. As of December 31, 2011, there were 327,421 shares of common stock reserved for issuance under the 2008 Plan. The 2008 Plan is administered by the Compensation Committee which sets the terms and provisions of the awards granted under the plan. Incentive stock options, stock appreciation rights, restricted common stock, deferred stock and dividend equivalents may only be awarded to officers and other full-time employees to promote our long-term performance and specifically, to retain and motivate senior management to achieve a sustained increase in stockholder value. Non-qualified stock options, stock appreciation rights, restricted common stock, deferred stock and dividend equivalents may be awarded to non-employee directors, officers, employees, consultants and other key persons who provide services to us. The Compensation Committee reviews and evaluates the overall compensation package of the executive officers and determines the awards based on our overall performance and the individual performance of the executive officers.

During 2011, no restricted common shares were awarded to the Named Executive Officers. In January 2012, the Compensation Committee approved an award of restricted common shares to the Chief Executive Officer. In January 2012, the Chief Executive Officer recommended and the Compensation Committee approved an award of restricted common shares to Ms. Shelley-Kessler and

Mr. Malin. The following table shows the awards, which reflect the aggregate long-term equity incentives awarded to our Named Executive Officers to date in 2012.

Named Executive Officer	Restricted Stock Value	Number of Restricted Stock
Wendy L. Simpson	\$ 953,100 ⁽¹⁾	30,000
Pamela Shelley-Kessler	193,797 ⁽²⁾	6,100
Clint B. Malin	193,797 ⁽²⁾	6,100

(1) Awarded in 2012 as bonus but related to services provided in 2011. These shares will vest on June 15, 2015.

(2) Awarded in 2012 as part of the bonuses but related to services provided in 2011. These shares will vest on January 10, 2016.

In approving the restricted common stock awards, the Compensation Committee took into consideration the executive's historical performance and contributions, total ownership levels and the value of equity delivered historically, the below-market positioning of the executives' base salaries and the company's desire to retain the executives by providing a meaningful long-term incentive award to each executive which is aligned with stockholder interests. The magnitude of the awards combined with a future vesting date effectively serves as a retention vehicle.

Severance and Other Benefits Upon Termination of Employment or Change in Control

As discussed in greater detail in the section "Employment Agreements" below, we have provided our executive officers with severance and other benefits upon termination of employment or a change in control of our company. We believe that we need to provide our executive officers with severance protections that are competitive with severance protections offered by companies similar to ours. We believe the severance protections we have provided our executive officers are consistent with our compensation objective to attract, motivate and retain qualified key executives.

We believe that severance should be payable to our executive officers if their employment is terminated for any reason, except for a termination for cause or a voluntary resignation. The amount of cash severance we have agreed to pay and other severance benefits we extend to our executive officers upon such an occurrence is intended to help them avoid financial hardship during the period of time when the executive officer is likely to be unemployed and seeking new employment. If the executive officer's employment is terminated for any reason, except for a termination for cause or a voluntary resignation without a good reason, then we have agreed to pay the officer a lump sum severance payment equal to the following:

Executive Chairman	Four times base salary
Chief Executive Officer	Four times base salary
Chief Financial Officer	One times base salary
Senior Vice Presidents	One times base salary
Vice Presidents	One times base salary

Additionally, we have agreed to extend medical and dental insurance coverage for up to 18 months at our expense to the executive officer. We have agreed to provide Ms. Simpson with health insurance benefits for life if Ms. Simpson's employment terminates for any reason except for a termination for cause or a voluntary resignation without good reason. We may elect to pay Ms. Simpson a one-time cash payment of \$250,000 in lieu of continuing health insurance benefits.

We believe that severance should be payable to our executive officers upon a change of control because a change of control transaction creates uncertainty regarding the continued employment of the executive officers. The amount of cash severance we have agreed to pay and other severance benefits

Table of Contents

we extend to our executive officers upon a change of control is intended to encourage the executive officers to remain employed by us during an important time when their prospects for continued employment following the change of control transaction are often uncertain. Upon a change in control of our company whether or not the officer's employment is terminated, we have agreed to pay the officer a severance payment in cash equal to the following:

Executive Chairman	\$5,000,000
Chief Executive Officer	\$3,000,000
Chief Financial Officer	Two times base salary
Senior Vice Presidents	Two times base salary
Vice Presidents	Two times base salary

Further, upon a change of control all stock options and/or restricted common stock automatically vest. We have agreed to provide Ms. Simpson with health insurance benefits for life upon change of control of our company whether or not Ms. Simpson's employment is terminated. We may elect to pay Ms. Simpson a one-time cash payment of \$250,000 in lieu of continuing health insurance benefits. The Compensation Committee believes that a change of control typically results in a constructive termination of the executive officer's employment and therefore designed severance protection effective upon a change of control, rather than actual termination in the event of a change of control of our company.

We have agreed to provide Mr. Dimitriadis with health insurance benefits for life and Mr. Dimitriadis' two dependents with health insurance benefits until they reach the age of 22. However, we may elect to pay Mr. Dimitriadis a one-time cash payment of \$250,000 in lieu of continuing health insurance benefits for Mr. Dimitriadis and his two dependents.

The Compensation Committee believes that there are several situations that could result in continuing health care coverage not being available to these executives as a result of an action taken by us or a transaction involving our company. The provision of continuing health insurance benefits was included in the evaluation of the overall compensation package we have provided to our top two executive officers. The buyout clause was designed to limit our exposure to increasing health insurance costs.

If any payment or benefit received by Mr. Dimitriadis or Ms. Simpson from us subjects them to excise taxes under the "golden parachute" rules on payments and benefits, then they will be entitled to receive an additional amount (a "gross-up payment" to make the officer whole for these excise taxes and for all taxes on the gross-up payment). Notwithstanding the foregoing, we will have no liability if an executive officer's employment is terminated for cause or by voluntary resignation without a good reason.

401(k) Savings Plan

We have a 401(k) Savings Plan which is a defined contribution plan covering all of our employees. Each year participants may contribute up to 15% of pre-tax annual compensation. In 2011 the contributions may not exceed \$16,500, or \$22,000 if the employee is 50 years or older. We match up to 3% of salaries for our vice presidents and contribute 3% of the individual's salary for staff that open an account. We will not contribute any amount, nor match contributions for our executive officers at the senior vice president level and higher.

Benefits

With limited exceptions, the Compensation Committee's policy is to provide benefits to executive officers that are substantially the same as those offered to other officers of our company at or above the level of vice president. Except for the lifetime health insurance benefits described in "Severance

Table of Contents

and Other Benefits Upon Termination of Employment or Change in Control" above and the supplemental medical insurance discussed below, the employee benefits programs in which our executive officers participate (which provide benefits such as medical, dental and vision benefits coverage, life insurance protection, and 401(k) savings plan) are generally the same programs offered to all of our full-time employees. Our officers at the level of vice president and above are eligible to participate in a supplemental medical insurance program which provides participants with reimbursements for eligible out-of-pocket medical expenses such as primary insurance co-payments, deductibles, and certain elective medical procedures not covered by the employee's primary insurance policy. Amounts reimbursed to our executive officers during 2011 are included in the "Summary Compensation Table" below.

Stock Ownership Guidelines

We encourage our executives to hold our company's stock on a long-term basis. The following table represents the company's stock ownership guidelines for our executive officers and independent directors:

Executive Chairman	Three times base salary
Chief Executive Officer	Three times base salary
Chief Financial Officer	Two times base salary
Senior Vice Presidents	Two times base salary
Vice Presidents	One times base salary
Independent Directors	One times annual fee

The company's stock ownership guidelines recommend that the Executive Chairman, Chief Executive Officer, Chief Financial Officer, Senior Vice Presidents and Vice Presidents achieve the targeted level of ownership within three years from the date of hire, promotion or appointment. Also, the stock ownership guidelines recommend that the independent directors achieve the targeted level of ownership within three years from date of election. At this time all of our executive officers and independent directors hold at least the full amount of the guideline. The Nominating and Governance Committee has requested and receives from the company a quarterly report on executive and independent director stock ownership of company stock. Additionally, we do not have any policies regarding the ability of executives to hedge the economic risk of ownership in our company's stock.

Tax and Accounting Considerations

Policy with Respect to Section 162(m)

Section 162(m) of the Code denies deduction for Federal income tax purposes for certain compensation in excess of \$1,000,000 paid to certain executive officers, unless certain performance, disclosure, stockholder approval and other requirements are met. The Compensation Committee periodically reviews the effects of its compensation programs with regard to Code Section 162(m). We periodically evaluate alternatives to ensure executive compensation is reasonable, performance-based, and consistent with our overall compensation objectives. The Compensation Committee reserves the right to design programs that recognize a full range of performance criteria important to our success, even where the compensation paid under such programs may not be deductible. Interpretations of and changes in the tax laws and other factors beyond the Compensation Committee's control may affect the deductibility of certain compensation payments. The Compensation Committee may consider various alternatives to preserve the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives.

(2) Ms. Simpson's employment agreement provides Ms. Simpson with health insurance benefits for life if Ms. Simpson's employment with us is terminated for any reason, except for a termination for cause or a voluntary resignation without a good reason, or upon a change in control of our company whether or not Ms. Simpson's employment is terminated. During the term of his employment by us, each officer will devote the time necessary to provide the services reasonably required by our Board and will not, without the express approval of our Board, engage for his own account or for the account of any other person or entity, in a business which competes with us.

Table of Contents**Option Exercises and Stock Vested During 2011**

The following table shows the number and value of stock options exercised and the number of shares and value of restricted common stock that vested related to each of our Named Executive Officers during the year ended December 31, 2011.

Name	Option awards		Stock awards	
	Number of shares acquired on exercise	Value realized on exercise ⁽¹⁾	Number of shares acquired on vesting	Value realized on vesting ⁽²⁾
Andre C. Dimitriadis		\$		\$
Wendy L. Simpson			28,060	858,781
Pamela Shelley-Kessler			9,288	269,641
Clint B. Malin			8,485	246,297
T. Andrew Stokes			8,034	233,357

(1) The value realized is the difference between the market price of the underlying securities at exercise, as measured by the closing price of our common stock as reported by NYSE on the date of exercise, and the exercise price times the number of shares acquired on exercise.

(2) The value realized is the number of shares that vested multiplied by the closing price of our common stock as reported by the NYSE on the vesting date. This differs from the compensation expense disclosed in the "Summary Compensation Table" which is determined using the fair value on the grant date of the stock award.

Potential Payments Upon Termination or Change In Control

We have provided our executive officers with employment contracts that provide certain benefits depending on the circumstances surrounding their termination of employment with us. In addition to the benefits described below, upon termination of employment with us, the executive officer is generally entitled to amounts or benefits earned or accrued during the term of employment, including earned but unpaid salary. We have calculated the amount of any potential payments as if the termination or change of control occurred on December 31, 2011 and therefore used the closing price of our common stock as reported by the NYSE on December 30, 2011, the last trading day of 2011.

Severance and Other Benefits Upon Termination of Employment

As described above under "Description of Employment Agreements" the employment agreements we have with our executive officers provide for payments of severance and other benefits upon termination of employment. If the executive officer's employment is terminated for any reason, except for a termination for cause or a voluntary resignation without a good reason, then we have agreed to pay the officer a lump sum severance payment equal to four times base salary for Mr. Dimitriadis and Ms. Simpson and one times base salary for Ms. Shelley-Kessler, Messrs. Malin, and Stokes. Additionally, we have agreed to extend medical and dental insurance coverage for up to 18 months, at our expense, to the executive officer. Further, we have agreed to provide Mr. Dimitriadis and Ms. Simpson with health insurance benefits for life and Mr. Dimitriadis' two dependents with health insurance benefits until they reach the age of 22. However, we may elect to pay Ms. Simpson and Mr. Dimitriadis a one-time cash payment of \$250,000 each in lieu of continuing health insurance benefits for Ms. Simpson, Mr. Dimitriadis and Mr. Dimitriadis' two dependents. If any payment or benefit received by Mr. Dimitriadis or Ms. Simpson from us subjects them to excise taxes under the "golden parachute" rules on payments and benefits, then we have agreed to provide them an additional "gross-up payment" to make the officer whole for these excise taxes and for all taxes on the gross-up payment.

(1) Represents base salaries and termination provisions in effect at December 31, 2011.

(2) The employment agreements state that if the executive officer's employment is terminated upon a change in control of our company then the executive shall not be given the opportunity to participate in any medical or dental insurance coverage. However, if the executive officer's employment is terminated for any reason, except for a termination for cause or a voluntary resignation without a good reason, we have agreed to extend medical and dental insurance coverage for up to 18 months, at our expense, to the executive officer. Estimates provided in this table are based on amounts we paid for medical and dental insurance for our Named Executive Officers in 2011. As described above under "Description of Employment Agreements," we agreed to provide Mr. Dimitriadis with health insurance benefits for life and Mr. Dimitriadis' two dependents with health insurance benefits until they reach the age of 22. However, we may elect to pay Mr. Dimitriadis a one-time cash payment of \$250,000 in lieu of continuing health insurance benefits for Mr. Dimitriadis and his two dependents. Also as described above under "Description of Employment Agreements," we agreed to provide Ms. Simpson with health insurance benefits for life if Ms. Simpson's employment with us is terminated for any reason, except for a termination for cause or a voluntary resignation without a good reason. However, we may elect to pay Ms. Simpson a one-time cash payment of \$250,000 in lieu of continuing health insurance benefits.

Severance and Other Benefits Upon Change of Control

As described above under "Description of Employment Agreements" the employment agreements we have with our Named Executive Officers provide for payments of severance and other benefits upon a change of control of our company. Upon a change in control of our company whether or not the Named Executive Officer's employment is terminated, we have agreed to pay the Named Executive Officer a severance payment in cash equal to \$5,000,000 for Mr. Dimitriadis, \$3,000,000 for Ms. Simpson and two times base salary for Ms. Shelley-Kessler, Messrs. Malin and Stokes. If any payment or benefit received by Mr. Dimitriadis or Ms. Simpson from us subjects them to excise taxes under the "golden parachute" rules on payments and benefits, then we have agreed to provide them an additional "gross-up payment" to make the officer whole for these excise taxes and for all taxes on the gross-up payment. Further, upon a change of control all stock options and/or restricted common stock automatically vest.

A "Change in Control" occurs if:

(a) Any Person or related group of Persons (other than Executive and her Related Persons, our company or a Person that directly or indirectly controls, is controlled by, or is under common control with, our company) is or becomes the Beneficial Owner, directly or indirectly, of securities of our company representing 30% or more of the combined voting power of our company's then outstanding securities;

(b) The stockholders of our company approve a merger or consolidation of our company with any other corporation (or other entity), other than a merger or consolidation which would result in the voting securities of our company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 66²/₃% of the combined voting power of the voting securities of the company or such surviving entity outstanding immediately after such merger or consolidation; provided,

however, that a merger or consolidation effected to implement a recapitalization of our company (or similar transaction) in which no Person acquires 30% or more of the combined voting power of our company's then outstanding securities shall not constitute a Change in Control;

(c) The stockholders of our company approve a plan of complete liquidation of the company or an agreement for the sale or disposition by our company of all or substantially all of our company's assets; or

(d) A majority of the members of the Board of Directors of our company cease to be Continuing Directors.

(2) The employment agreements state that if the executive officer's employment is terminated upon a change in control of our company then the executive shall not be given the opportunity to participate in any medical or dental insurance coverage. As described above under "Description of Employment Agreements," we agreed to provide Mr. Dimitriadis with health insurance benefits for life and Mr. Dimitriadis' two dependents with health insurance benefits until they reach the age of 22. However, we may elect to pay Mr. Dimitriadis a one-time cash payment of \$250,000 in lieu of continuing health insurance benefits for Mr. Dimitriadis and his two dependents. Also as described above under "Description of Employment Agreements," we agreed to provide Ms. Simpson with health insurance benefits for life upon a change in control of our company whether or not Ms. Simpson's employment is terminated. However, we may elect to pay Ms. Simpson a one-time cash payment of \$250,000 in lieu of continuing health insurance benefits.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE**Review, Approval or Ratification of Transactions with Related Persons**

We have adopted a written policy that addresses related person transactions requiring disclosure under Item 404 of Regulation S-K under the Securities Act. A related person of our company includes a director, a director nominee, an executive officer, a stockholder beneficially owning a 5% voting interest in our company, or an immediate family member of any of the foregoing. Under the policy, any transaction in which a related person has a direct or indirect material interest and where the amount exceeds \$120,000 must be approved by disinterested members of our Board of Directors.

In determining whether to approve or ratify a related person transaction, our Board of Directors will take into account, whether (i) the terms are fair to our company and on the same basis generally available to an unrelated person, (ii) there are business reasons for our company to enter into the transaction, (iii) it would impair independence of an outside director, and (iv) any other factors exist that our Board deems relevant.

Transactions with Related Persons

Since the beginning of 2007 and including any currently proposed, the only transactions within the scope of Item 404 of Regulation S-K involved Boyd W. Hendrickson, one of our independent directors. His interest in these transactions arises indirectly and as a result of serving as Chief Executive Officer of SHG.

In December 2005, we purchased, on the open market, \$10,000,000 face value of SHG Senior Subordinate Notes with a face rate of 11.0% and an effective yield of 11.1%. Our Board of Directors, with Mr. Hendrickson abstaining, ratified the purchase of SHG Senior Subordinated Notes. As a result of early redemptions by SHG in 2007, at December 31, 2010, we had a remaining investment in \$6,500,000 face value of SHG Senior Subordinated Notes. During 2011, we recognized approximately \$721,000 of interest income related to the SHG Senior Subordinated Notes and expect to recognize approximately \$722,000 of interest income in 2012 assuming no further redemptions by SHG. Interest on the notes is payable semi-annually in arrears and the notes mature on January 15, 2014.

In addition, during September 2007, SHG purchased the assets of Laurel Healthcare (or Laurel). One of the assets SHG purchased was Laurel's leasehold interests in the skilled nursing properties Laurel leased from us under a 15-year master lease agreement dated in February 2006. Our Board of Directors, with Mr. Hendrickson abstaining, ratified our consent to the assignment of Laurel's master

Table of Contents

lease to subsidiaries of SHG. The economic terms of the master lease agreement did not change as a result of our assignment of the master lease to subsidiaries of SHG. During 2011, subsidiaries of SHG paid us approximately \$4,264,000 in rent and are expected to pay approximately \$4,370,000 in rent to us during 2012. During 2011, we recorded approximately \$238,000 of straight-line rental income from subsidiaries of SHG and expect to record approximately \$131,000 of straight-line rental income from subsidiaries of SHG in 2012. At December 31, 2011, the straight-line rent receivable from subsidiaries of SHG was \$3,060,000.

Director Independence

In accordance with the listing standards of the NYSE, our Corporate Governance Policies provide that:

A director who is, or has been within the last three years, an employee of the company, or whose immediate family member is, or has been within the last three years an executive officer of the company may not be deemed independent. Employment as an interim Chairman or Chief Executive Officer will not disqualify a director from being considered independent following that employment.

A director who has received, or who has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), may not be deemed independent. Compensation received by a director for former service as an interim Chairman or Chief Executive Officer and compensation received by an immediate family member for service as a non-executive employee of the company will not be considered in determining independence under this test.

A director who is, or whose immediate family member is, a current partner of a firm that is the company's external auditor; a director who is a current employee of such a firm; a director who has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or a director who was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the company's audit within that time may not be deemed independent.

A director who is, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the company's present executive officers at the time serves or served on that company's compensation committee may not be deemed independent.

A director who is a current employee or whose immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the company for property or services in an amount which, in any of the last three years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues, may not be deemed independent.

For purposes of these guidelines, the terms:

"affiliate" means any consolidated subsidiary of the company and any other company or entity that controls, is controlled by or is under common control with the company, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity;

Table of Contents

"executive officer" means an "officer" within the meaning of Rule 16a-1(f) under the Exchange Act; and

"immediate family" means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than employees) sharing a person's home, but excluding any person who is no longer an immediate family member as a result of legal separation or divorce, or death or incapacitation.

Pursuant to our Corporate Governance Policies on Director Independence, the Board undertook its annual review of director independence in 2011. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and our company and its subsidiaries and affiliates, including those within the scope of "Transactions with Related Persons" above. The Board also considered whether there were any transactions or relationships between directors or any member of their immediate family (or any entity of which a director or an immediate family member is an executive officer, general partner or significant equity holder) and members of our senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the director is independent.

The Board has affirmatively determined that each of the current directors standing is independent within the meaning of our director independence standards, which reflect the NYSE director independence standards, except for Mr. Dimitriadis and Ms. Simpson. Mr. Dimitriadis and Ms. Simpson are considered inside directors because of their employment as senior executives of our company. In determining that each of the other directors is independent, the Board considered that our company owns Senior Subordinated Notes issued by SHG, a company at which Boyd W. Hendrickson, one of our independent directors, serves as the chief executive officer. During 2007, SHG purchased the assets of one of our operators and now operates skilled nursing properties under a master lease with us. The payments received from SHG did not exceed 2% of SHG's consolidated gross revenues. Mr. Hendrickson does not have a direct material interest in these transactions and his only interest arises solely from his position as Chief Executive Officer of SHG. The Board determined that this relationship did not impair Mr. Hendrickson's independence.

Tax Fees

These fees represent aggregate fees billed for services rendered for tax compliance and consultation, including REIT qualification matters during 2011 and 2010.

All audit, audit related and tax services were pre-approved by the Audit Committee. On an annual basis the Audit Committee pre-approves specifically described audit, audit-related and tax services to be performed by Ernst & Young LLP. The Audit Committee has delegated to the Chair of the Audit Committee the authority to pre-approve non-audit services to be performed by Ernst & Young LLP, provided that the Chair shall report any decision to pre-approve such non-audit services to the full Audit Committee at its next regular meeting.

In accordance with Section III, Item 6 of the Audit Committee Charter, the Audit Committee reviewed the effectiveness of Ernst & Young LLP's audit effort, including approval of the scope of, and fees charged in connection with, the annual audit, quarterly reviews and any non-audit services provided. REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee Report of LTC Properties, Inc. (or company) shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee of the Board of Directors is comprised of three independent directors as determined by the Board within the meaning of the New York Stock Exchange listing standards and operates under a written charter adopted by the Board.

The Audit Committee has oversight of all compliance related to financial matters, Securities and Exchange Commission reporting and auditing. Additionally, it is the Audit Committee's duty to review annually the Audit Committee Charter and recommend any changes to the Board.

The Audit Committee is appointed by the Board to assist the Board in its oversight function by monitoring, among other things, the integrity of the company's financial statements, the company's financial reporting process and the independence and performance of the independent registered public accounting firm. It is the responsibility of executive management of the company to prepare financial statements in accordance with U.S. generally accepted accounting principles and of the company's independent registered public accounting firm to audit those financial statements. The Audit Committee has the sole authority and responsibility to select, appoint, evaluate, compensate and retain, approve significant non-audit services, confirm the independence of the independent registered public accounting firm and, where appropriate, replace the independent registered public accounting firm. Additionally, the Audit Committee determines the extent of funding that the company must provide to it.

Management is responsible for the company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the company's consolidated financial statements and internal control over financial reporting in accordance with standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and Ernst & Young LLP, the company's independent registered public accounting firm. Management represented to the Audit Committee that the company's consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and Ernst & Young LLP. The Audit Committee discussed with Ernst & Young LLP matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

In addition, the Audit Committee has received the written disclosures and the letter required by the Public Company Accounting Oversight Board's Ethic and Independence Rule 3526 (Communications with Audit Committees Concerning Independence), as amended, from Ernst & Young LLP and has discussed with Ernst & Young LLP its independence from the company and its management. Further, the Audit Committee has considered whether the non-audit services provided by Ernst & Young LLP are compatible with maintaining its independence.

Further, the Audit Committee periodically meets with Ernst & Young LLP, without management present, to discuss the results of their examinations, the evaluations of the company's internal controls and the overall quality of the company's financial reporting.

During the past year, the Audit Committee met with Ernst & Young LLP eight times in total and without management present three times.

RISK OVERSIGHT

Management continually monitors the material risks facing our company, including financial risk, strategic risk, operational risk, and legal and compliance risk. The Board of Directors is responsible for exercising oversight of management's identification of, planning for, and managing those risks. The Board may delegate to its committees oversight responsibility for those risks that are directly related to their area of focus. Pursuant to its charter, the Audit Committee has the responsibility and duty to review the financial, investment and risk management policies followed by our company in operating its business activities. The full Board reviews risks that may be material to our company, including those detailed in the Audit Committee's reports and as disclosed in our quarterly and annual reports filed with the SEC. We believe that our leadership structure also enhances the Board's risk oversight function. Due to his knowledge of our company and industry, our Executive Chairman is well-positioned to lead Board discussions on risk areas. Our Executive Chairman regularly discusses with management the material risks facing our company and is also expected to report candidly to his fellow directors on his assessment of those material risks. This structure fosters greater communication between management and the Board on matters including with respect risk.

OTHER MATTERS

Other business may properly come before the 2012 Annual Meeting, and in that event, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion. However, we have not received timely and proper notice from any stockholder of any other matter to be prepared at the 2012 Annual Meeting. Our management and Board of Directors know of no matters to be brought before the 2012 Annual Meeting other than as set forth herein.

Stockholder Proposals

Stockholder proposals intended to be presented at the 2013 Annual Meeting must be received by us for inclusion in our proxy statement by December 21, 2012 and otherwise comply with the regulations of the SEC governing inclusion of such proposals.

Matters (other than nominations of candidates for election as directors) may be brought before the meeting by stockholders only by complying with the procedure set forth in our Bylaws, which in summary requires that notice be delivered to our principal executive offices not less than 60 days nor more than 150 days prior to the anniversary of the 2012 Annual Meeting of Stockholders. Each such stockholder notice shall set forth (i) as to each matter the stockholder proposes to bring before the 2013 Annual Meeting, (a) a brief description of the matter desired to be brought before the 2013 Annual Meeting and the reasons for bringing such matter before the 2013 Annual Meeting and (b) any material interest of the stockholder in such matter; and (ii) as to the stockholder giving the notice (a) the name and address, as they appear on our books, of such stockholder and any other stockholders known by such stockholder to be supporting the bringing of such matter before the 2013 Annual Meeting as of the date of such stockholder notice and (b) the class and number of shares of our capital stock which are beneficially owned by such stockholder on the date of such stockholder notice and by any other stockholder known by such stockholder to be supporting the bringing of such matter before the 2013 Annual Meeting as of the date of such stockholder notice.

For information regarding nominating candidates for election as directors, please refer to "Consideration of Director Nominees" in the Corporate Governance Principles and Board Matters section above.

Notice of Annual Meeting of Stockholders, Proxy Statement, and Annual Report, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure will reduce our printing costs and postage fees.

Stockholders who participate in householding will continue to receive separate proxy cards. Also, householding will not in any way affect dividend check mailings.

If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of the Notice of Annual Meeting of Stockholders and Proxy Statement and the accompanying documents, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our transfer agent, American Stock Transfer & Trust Company, at 866-708-5586.

If you participate in householding and wish to receive a separate copy of this Notice of Annual Meeting of Stockholders, Proxy Statement and the accompanying documents, or if you do not wish to participate in householding and prefer to receive separate copies of these documents in the future, please also contact our transfer agent, American Stock Transfer & Trust Company, at 866-708-5586.

"Street name" beneficial owners can request information about householding from their banks, brokers, or other nominee holders of record.
