Dear Fellow Shareholder:

A special meeting of the shareholders of EMCORE Corporation ("EMCORE") will be held on December 5, 2014 at 8:00 a.m., local time, at The Langham Hotel, 1401 South Oak Knoll Avenue, Pasadena, California 91106.

At the Special Meeting, you will be asked to consider and vote upon the following proposals:

1. To authorize the sale (the "Asset Sale") by EMCORE of substantially all of the assets, and the transfer of substantially all of the liabilities, primarily related to or used in EMCORE's photovoltaics business, known as its Photovoltaics Business, pursuant to the Asset Purchase Agreement by and between EMCORE and Photon Acquisition Corporation, dated September 17, 2014 (the "Asset Purchase Agreement"), as more fully described in the enclosed Proxy Statement (the "Asset Sale Proposal");
2. To approve, by non-binding, advisory vote, certain compensation arrangements, as described in the enclosed Proxy Statement, for EMCORE's named executive officers in connection with the Asset Sale (the "Golden Parachute Proposal," and together with the "Asset Sale Proposal," the "Proposals"); and
3. To transact such other business as may properly come before the meeting and any postponements or adjournments thereof.

After careful consideration, our board of directors determined that the Asset Sale and the terms and conditions of the Asset Purchase Agreement are desirable and in the best interests of EMCORE and its shareholders. Our board of directors unanimously recommends that you vote **"FOR"** the authorization of the Asset Sale Proposal and approval of the Golden Parachute Proposal.

The enclosed Notice of Special Meeting and Proxy Statement explain the Proposals and provide specific information concerning the Special Meeting. Please read these materials (including the annexes) carefully.

Your vote is very important, regardless of the number of shares you own. The approval of each of the proposals requires the affirmative vote of a majority of the votes cast, in person or by proxy, at the Special Meeting by the holders of shares entitled to vote thereon. Only shareholders who owned shares of EMCORE's common stock at the close of business on October 22, 2014, the record date for the Special Meeting, will be entitled to vote at the Special Meeting. To vote your shares, you may return your proxy card, submit a proxy via the Internet or by telephone or attend the Special Meeting and vote in person. Even if you plan to attend the Special Meeting, we urge you to promptly submit a proxy for your shares via the Internet, by telephone or by completing, signing, dating and returning the enclosed proxy card.

On behalf of your board of directors, thank you for your continued support.

Very truly yours,

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS TO BE HELD DECEMBER 5, 2014

To the Shareholders of EMCORE Corporation:

A Special Meeting of the shareholders of EMCORE Corporation, a New Jersey corporation ("EMCORE"), will be held on December 5, 2014 at 8:00 a.m., local time, at The Langham Hotel, 1401 South Oak Knoll Avenue, Pasadena, California 91106, to consider and vote upon the following proposals:

1. To authorize the sale (the "Asset Sale") by EMCORE of substantially all of the assets, and the transfer of substantially all of the liabilities, primarily related to or used in EMCORE's photovoltaics business, known as its Photovoltaics Business, pursuant to the Asset Purchase Agreement by and between EMCORE and Photon Acquisition Corporation, dated September 17, 2014 (the "Asset Purchase Agreement"), as more fully described in the enclosed Proxy Statement (the "Asset Sale Proposal");
2. To approve, by non-binding, advisory vote, certain compensation arrangements, as described in the enclosed Proxy Statement, for EMCORE's named executive officers in connection with the Asset Sale (the "Golden Parachute Proposal" and, together with the "Asset Sale Proposal," the "Proposals"); and
3. To transact such other business as may properly come before the meeting and any postponements or adjournments thereof.

After careful consideration, our board of directors determined that the Asset Sale and the terms and conditions of the Asset Purchase Agreement are desirable and in the best interests of EMCORE and its shareholders. Our board of directors unanimously recommends that you vote **"FOR"** the authorization of the Asset Sale Proposal and approval of the Golden Parachute Proposal.

Our board of directors has fixed October 22, 2014 as the record date for determining the shareholders entitled to notice of and to vote at the meeting. The Asset Sale may constitute the sale of substantially all of the property and assets of EMCORE within the meaning of Section 14A:10-11 of the New Jersey Statutes Annotated (the "NJSA"). The Asset Sale does not constitute a "Business Combination" and Photon Acquisition Corporation is not an "Interested Stockholder," in each case as such terms are used in our restated certificate of incorporation (as amended, our "certificate of incorporation") and the NJSA. Consequently, pursuant to our certificate of incorporation and the NJSA, both of the Proposals require approval by the affirmative vote of a majority of the votes cast, in person or by proxy, at the Special Meeting by the holders of our common stock entitled to vote thereon.

Please read the enclosed Proxy Statement carefully. Whether or not you plan to attend the Special Meeting, please submit your proxy as promptly as possible by Internet, telephone, or by completing, dating, signing and returning the enclosed proxy card in the accompanying reply envelope. If you have Internet access, we encourage you to vote via the Internet. If you attend the Special Meeting and vote in person, your vote by ballot will revoke any proxy previously submitted.

By Order of the Board of Directors,

PROXY STATEMENT FOR SPECIAL MEETING OF SHAREHOLDERS

October 22, 2014

INTRODUCTION

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of EMCORE Corporation (hereinafter "we," "us," "our," the "Company" or "EMCORE") for use at a Special Meeting of the shareholders of EMCORE ("Shareholders") to be held on December 5, 2014 (the "Special Meeting") at 8:00 a.m., local time, at The Langham Hotel, 1401 South Oak Knoll Avenue, Pasadena, California 91106, and any postponements or adjournments thereof. This Proxy Statement was first made available to shareholders on or about October 22, 2014.

At the Special Meeting, our shareholders will consider and vote upon the following proposals:

1. To authorize the sale (the "Asset Sale") by EMCORE of substantially all of the assets, and the transfer of substantially all of the liabilities, primarily related to or used in EMCORE's photovoltaics business, referred to in this Proxy Statement as the Photovoltaics Business, pursuant to the Asset Purchase Agreement by and between EMCORE and Photon Acquisition Corporation ("Purchaser"), dated September 17, 2014 (the "Asset Purchase Agreement") as more fully described in this Proxy Statement (the "Asset Sale Proposal");
2. To approve, by non-binding, advisory vote, certain compensation arrangements, as described in this Proxy Statement, for EMCORE's named executive officers in connection with the Asset Sale (the "Golden Parachute Proposal," and together with the "Asset Sale Proposal," the "Proposals"); and
3. To transact such other business as may properly come before the meeting and any postponements or adjournments thereof.

After careful consideration, our board of directors determined that the Asset Sale and the terms and conditions of the Asset Purchase Agreement are desirable and in the best interests of EMCORE and its shareholders. Our board of directors unanimously recommends that you vote **FOR** the authorization of the Asset Sale Proposal and approval of the Golden Parachute Proposal.

Only shareholders of record as of October 22, 2014 (the "Record Date") will be entitled to vote at the Special Meeting and any postponements or adjournments thereof. As of October 22, 2014, 31,151,800 shares of our no par value common stock were outstanding and eligible to be voted. The holders of common stock are entitled to one vote per share on any proposal presented at the Special Meeting. Shareholders may vote in person or by proxy. Execution of a proxy will not in any way affect a shareholder's right to attend the Special Meeting and vote in person. Any proxy may be revoked by a shareholder at any time before it is exercised by delivery of a written revocation or a later executed proxy to the Secretary of the Company or by attending the Special Meeting and voting in person by written ballot.

The costs of preparing, assembling and mailing this Proxy Statement and the other material enclosed and all clerical and other expenses of solicitation will be paid by EMCORE. In addition to the solicitation of proxies by mailing, directors, officers and employees of EMCORE, without receiving additional compensation, may solicit proxies by personal interview, mail, e-mail, telephone, facsimile or other means of communication. In addition, we have retained Morrow & Co., LLC to assist in the

solicitation. We will pay Morrow & Co., LLC up to \$10,000 plus reasonable out-of-pocket expenses for their assistance. EMCORE also will request brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to the beneficial owners of common stock held of record by such custodians and will reimburse such custodians for their expenses in forwarding soliciting materials.

These transactions have not been approved or disapproved by the SEC, and the SEC has not passed upon the fairness or merits of these transactions nor upon the accuracy or adequacy of the information contained in this Proxy Statement. Any representation to the contrary is unlawful.

SUMMARY TERM SHEET

This summary highlights information included elsewhere in this Proxy Statement. This summary does not contain all of the information you should consider before voting on the Proposals presented in this Proxy Statement. You should read the entire Proxy Statement carefully, including the annexes attached hereto. For your convenience, we have included cross references to direct you to a more complete description of the topics described in this summary.

Parties to the Asset Purchase Agreement. EMCORE Corporation, a New Jersey corporation, offers a broad portfolio of compound semiconductor-based products for the fiber optics and space solar power industries. Our principal executive office is located at 10420 Research Road, SE, Albuquerque, New Mexico 87123, and our main telephone number is (505) 332-5000.

Photon Acquisition Corporation ("Purchaser") is a Delaware corporation and an affiliate of The Veritas Capital Fund IV, LP (the "Veritas Fund"), a private equity investment fund organized and managed by Veritas Capital Fund Management, L.L.C ("Veritas Capital"). Founded in 1992 and headquartered in New York, Veritas Capital is a leading private equity investment firm that invests in companies that provide critical products and services to government and commercial customers worldwide. Purchaser was formed solely for the purpose of entering into, and completing the transactions contemplated by, the Asset Purchase Agreement. Purchaser has not conducted any business to date, except for activities incidental to its formation and as contemplated by the Asset Purchase Agreement. Upon completion of the Asset Sale, Purchaser will acquire substantially all of the assets, and assume substantially all of the liabilities, primarily related to or used in the Photovoltaics Business. The principal executive offices of Purchaser and the Veritas Fund are located at c/o Veritas Capital Fund Management, L.L.C., 590 Madison Avenue, New York, New York 10022, and their telephone number is (212) 415-6700.

The Asset Sale. Pursuant to the Asset Purchase Agreement, Purchaser will acquire substantially all of the assets, and assume substantially all of the liabilities, primarily related to or used in the Photovoltaics Business for \$150 million in cash, subject to a working capital adjustment. We will retain all of our other assets, including the assets related to our telecommunications and broadband businesses (the "Other Businesses"). We will also retain all of our other debts and liabilities, including expenses related to the Other Businesses and corporate functions, our remaining senior executives and professional advisors. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement."

Reasons for the Asset Sale. Our board of directors considered a number of factors before deciding to enter into the Asset Purchase Agreement, including, among other things, the price to be paid by Purchaser, the strategic and financial benefits that the Asset Sale will provide to EMCORE, the extensive sale process with respect to the Photovoltaics Business that led to entering into the Asset Purchase Agreement, the future business prospects of the Photovoltaics Business and the terms and conditions of the Asset Purchase Agreement. See "Proposal No. 1: The Asset Sale Reasons for the Asset Sale."

Board Recommendation. Our board of directors has determined by unanimous vote of the directors present at the meeting that the Asset Sale Proposal is desirable and is in our best interests and the best interests of our shareholders and has directed that it be submitted to our shareholders for their approval. Our board of directors unanimously recommends that you vote FOR the Asset Sale Proposal. You should read "Proposal No. 1: The Asset Sale Reasons for the Asset Sale" for a discussion of factors that our board of directors considered in deciding to recommend the approval of the Asset Sale Proposal.

Table of Contents

Required Vote. Approval of the Asset Sale Proposal requires the affirmative vote of a majority of the votes cast, in person or by proxy, at the Special Meeting by the holders of shares entitled to vote thereon.

Opinion of EMCORE's Financial Advisor. At the September 16, 2014 meeting of our board of directors (the "Board"), representatives of Raymond James & Associates, Inc. ("Raymond James") rendered Raymond James' oral opinion, which was subsequently confirmed by delivery of a written opinion to the Board, dated September 16, 2014, as to the fairness, as of such date, from a financial point of view, to EMCORE of the consideration of \$150 million in cash (the "Consideration") to be received by EMCORE in the Asset Sale pursuant to the Asset Purchase Agreement, based upon and subject to the qualifications, assumptions, limitations and other matters considered in connection with the preparation of its opinion. The full text of the written opinion of Raymond James, dated September 16, 2014, which sets forth, among other things, the various qualifications, assumptions, and limitations on the scope of the review undertaken, is attached as *Annex C* to this Proxy Statement. **Raymond James provided its opinion for the information and assistance of the Board (solely in its capacity as such) in connection with, and for purposes of, its consideration of the Asset Sale and its opinion only addresses whether the Consideration to be received by EMCORE in the Asset Sale pursuant to the Asset Purchase Agreement was fair, from a financial point of view, to EMCORE as of the date of such opinion. The opinion of Raymond James did not address any other term or aspect of the Asset Purchase Agreement or the Asset Sale contemplated thereby. The Raymond James opinion does not constitute a recommendation to the Board or any holder of our common stock as to how the Board, such shareholder or any other person should vote or otherwise act with respect to the Asset Sale or any other matter.** Our board of directors encourages holders of our common stock to read the opinion carefully and in its entirety. See "Proposal No. 1: The Asset Sale Opinion of EMCORE's Financial Advisor" for a more detailed description of the opinion of Raymond James, and *Annex C* for the full text of such opinion.

Indemnification of Purchaser. From and after the closing of the Asset Sale, EMCORE will indemnify, hold harmless and reimburse Purchaser and certain of its related parties for any damages arising out of or related to (i) any failure by EMCORE to perform any of its covenants, (ii) the excluded liabilities and (iii) any breach of EMCORE's representations and warranties concerning organization, authority and qualification, tax matters, title to the acquired assets or brokers. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement Indemnification by EMCORE."

Use of Proceeds. The proceeds from the Asset Sale will be received by the Company, not our shareholders. The Company will use a portion of the proceeds to pay for transaction costs associated with the Asset Sale, make payments required pursuant to existing retention award agreements, to repay certain indebtedness and for general working capital purposes. The remaining proceeds from the Asset Sale may be used, at the discretion of our Board, to repay other indebtedness, provide liquidity to the Company's shareholders through one or more special dividends or repurchases of outstanding shares of the Company's common stock, invest in our Other Businesses, or a combination thereof.

Nature of Our Business Following the Asset Sale. Following the Asset Sale, we will continue to be a public company operating under the name EMCORE Corporation, and our Other Businesses will account for all of our revenues. See "Proposal No. 1: The Asset Sale Activities of EMCORE Following the Asset Sale."

Conditions to the Asset Sale. Completion of the Asset Sale requires (1) the approval of our shareholders, (2) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"),

Table of Contents

(3) obtaining certain third party consents and (4) completion of other customary closing conditions in the Asset Purchase Agreement. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement Conditions to the Asset Sale."

Voting Agreement. Certain of our shareholders who control in the aggregate approximately 11% of the voting power of our common stock outstanding as of October 22, 2014 have entered into a voting agreement with Purchaser pursuant to which, subject to certain exceptions, they have agreed to vote such shares in favor of the Asset Sale Proposal. See "Proposal No. 1: The Asset Sale Voting Agreement."

Termination of the Asset Purchase Agreement. The Asset Purchase Agreement may be terminated by us or Purchaser in certain circumstances, in which case the Asset Sale will not be completed. If the Asset Purchase Agreement is terminated due to a failure of our shareholders to approve the Asset Purchase Agreement and an Alternative Transaction Proposal (as defined herein) was announced or otherwise communicated to our board of directors, we will be required to reimburse Purchaser for certain fees and expenses not to exceed \$2,000,000, which, in the event of a termination fee, is credited against the termination fee. If we or Purchaser terminate the Asset Purchase Agreement after the Special Meeting has been held because we failed to obtain the required vote of our shareholders in favor of the Asset Sale Proposal (or additionally, in the case of a termination by Purchaser, because of a material uncured breach of the Asset Purchase Agreement by us) and (i) prior to the termination, there has either been announced or otherwise communicated to our board of directors an Alternative Transaction Proposal and (ii) we enter into a definitive agreement with respect to, or consummate, any Alternative Transaction Proposal within 12 months of the date of such termination, then we must pay Purchaser a \$5,330,000 termination fee no later than the date the transaction contemplated by the Alternative Transaction Proposal is consummated. In addition, if Purchaser terminates the Asset Purchase Agreement because, prior to obtaining shareholder approval of the Asset Purchase Agreement, we knowingly and intentionally materially breach the no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement or our board of directors makes a Seller Adverse Recommendation Change (as defined herein) or fails to recommend against acceptance of a tender or exchange offer constituting an Alternative Transaction Proposal or that is not conditioned on the sale of the Photovoltaics Business pursuant to the Asset Purchase Agreement within ten business days after commencement of such offer, then we must pay Purchaser a \$5,330,000 termination fee within three business days of the termination of the Asset Purchase Agreement. If we terminate the Asset Purchase Agreement in order to enter into a Superior Proposal (as defined herein), then we must pay Purchaser a \$5,330,000 termination fee prior to or contemporaneously with the termination of the Asset Purchase Agreement. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement Termination of the Asset Purchase Agreement" and " Termination Fees."

U.S. Federal Income Tax Consequences. Our U.S. shareholders will not realize any gain or loss for U.S. federal income tax purposes as a result of the Asset Sale. See "Proposal No. 1: The Asset Sale U.S. Federal Income Tax Consequences of the Asset Sale."

Risk Factors. The Asset Sale involves a number of risks, including:

The announcement and pendency of the Asset Sale, whether or not consummated, may adversely affect our business.

We cannot be sure if or when the Asset Sale will be completed.

We cannot predict the timing, amount or nature of any distributions to our shareholders.

We may undergo an "ownership change" within the meaning of Section 382 of the Internal Revenue Code of 1986, as amended, which could affect our ability to offset gains, if any,

Table of Contents

realized in the Asset Sale against our net operating losses and certain of our tax credit carryovers.

Our executive officers and directors may have interests in the Asset Sale other than, or in addition to, the interests of our shareholders generally.

Because the Photovoltaics Business represented approximately 42% of our total revenues for fiscal year 2013, our business following the Asset Sale will be substantially different.

If the Asset Sale disrupts our business operations and prevents us from realizing intended benefits, our business may be harmed.

The Asset Sale may not be completed or may be delayed if the conditions to closing are not satisfied or waived.

If we fail to complete the Asset Sale, our business may be harmed.

The Asset Purchase Agreement limits our ability to pursue alternatives to the Asset Sale.

We may not participate in a superior offer for the Photovoltaics Business unless we pay a termination fee to Purchaser.

Because our business will be smaller following the sale of the Photovoltaics Business, there is a possibility that our common stock may be delisted from The NASDAQ Global Market if we fail to satisfy the continued listing standards of that market.

We will continue to incur the expenses of complying with public company reporting requirements following the closing of the Asset Sale.

See "Risk Factors."

PROPOSAL NO. 1: ASSET SALE

Q. Why did the Company enter into the Asset Purchase Agreement?

A. The decision by the Board to approve the entry into the Asset Purchase Agreement was based on a careful evaluation of the Company's strategic alternatives following an extensive strategic review process with the assistance of our financial and legal advisors. After considering the Company's strategic alternatives, the opportunities for our Other Businesses and the advice of the Company's financial and legal advisors, the Board determined that the sale of the Photovoltaics Business pursuant to the Asset Purchase Agreement was desirable and in the best interests of the Company. See "Proposal No. 1: The Asset Sale Reasons for the Asset Sale."

Q. What will happen if the Asset Sale is authorized by our shareholders?

A. If the Asset Sale is authorized by the requisite shareholder vote and the other conditions to the consummation of the Asset Sale are satisfied or waived, we will sell substantially all of our assets, and transfer substantially all of the liabilities, primarily related to or used in the Photovoltaics Business to Purchaser for \$150 million in cash, subject to a working capital adjustment pursuant to the Asset Purchase Agreement. We would retain all other debts and liabilities of the Company, including expenses related to our Other Businesses, corporate functions, our remaining senior executives, certain corporate vendors and professional advisors.

Q. What will happen if the Asset Sale is not authorized?

A. Pursuant to the terms of the Asset Purchase Agreement, if we fail to obtain a shareholder vote in favor of the Asset Sale Proposal, the Asset Purchase Agreement may be terminated, and, in the event of such termination, the Asset Sale will not occur. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement Termination of the Asset Purchase Agreement."

Q. What is the purchase price to be received by the Company?

A. The consideration to be received by the Company in the Asset Sale is \$150 million in cash, subject to a working capital adjustment, and the assumption by Purchaser of substantially all of the liabilities primarily related to the Photovoltaics Business. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement General Description of the Asset Sale" and " Consideration to be Received by EMCORE."

Table of Contents

Q. What are the material terms of the Asset Purchase Agreement?

A. In addition to the cash consideration we will receive at the closing of the Asset Sale, the Asset Purchase Agreement contains other important terms and provisions, including:

from and after the closing of the Asset Sale, we will indemnify, hold harmless and reimburse Purchaser and certain of its related parties for any damages arising out of or related to (i) any failure by us to perform any of its covenants, (ii) the excluded liabilities and (iii) any breach of our representations and warranties concerning organization, authority and qualification, tax matters, title to the acquired assets or brokers;

we have agreed to conduct our business in the ordinary course and are subject to certain other restrictions on the conduct of the Photovoltaics Business prior to the completion of the Asset Sale;

the obligations of Purchaser and the Company to close the Asset Sale are subject to several closing conditions, including (1) the approval of our shareholders, (2) the expiration or termination of the applicable waiting period under the HSR Act, (3) obtaining certain third party consents and (4) completion of other customary closing conditions in the Asset Purchase Agreement;

the Asset Purchase Agreement may be terminated by us or Purchaser in certain circumstances, in which case the Asset Sale will not be completed;

If the Asset Purchase Agreement is terminated due to a failure of our shareholders to approve the Asset Purchase Agreement and an Alternative Transaction Proposal was announced or otherwise communicated to our board of directors, we will be required to reimburse Purchaser for certain fees and expenses not to exceed \$2,000,000, which, in the event of a termination fee, is credited against the termination fee. If we or Purchaser terminate the Asset Purchase Agreement after the Special Meeting has been held because we failed to obtain the required vote of our shareholders in favor of the Asset Sale Proposal (or additionally, in the case of a termination by Purchaser, because of a material uncured breach of the Asset Purchase Agreement by us) and (i) prior to the termination, there has either been announced or otherwise communicated to our board of directors an Alternative Transaction Proposal and (ii) we enter into a definitive agreement with respect to, or consummate a transaction regarding, any Alternative Transaction Proposal within 12 months of the date of such termination, then we must pay Purchaser a \$5,330,000 termination fee no later than the date the transaction contemplated by the Alternative Transaction Proposal is consummated. In addition, if Purchaser terminates the Asset Purchase Agreement because, prior to obtaining shareholder approval of the Asset Purchase Agreement, we knowingly and intentionally materially breach the no solicitation provisions of the Asset Purchase Agreement or our board of directors makes a Seller Adverse Recommendation Change or fails to recommend against acceptance of a tender or exchange offer constituting an Alternative Transaction Proposal or that is not conditioned on the sale of the Photovoltaics Business pursuant to the Asset Purchase Agreement within ten business days after commencement of such offer, then we must pay Purchaser a \$5,330,000 termination fee within three business days of the termination of the Asset Purchase Agreement. If we terminate the Asset Purchase Agreement in order to enter into a Superior Proposal, then we must pay Purchaser a \$5,330,000 termination fee prior to or contemporaneously with the termination of the Asset Purchase Agreement.

Q. How would the proceeds from the Asset Sale be used?

A. The proceeds from the Asset Sale will be received by the Company, not our shareholders. The Company will use a portion of the proceeds to pay for transaction costs associated with the Asset

Sale, make payments required pursuant to existing retention award agreements, to repay certain indebtedness and for general working capital purposes. The remaining proceeds from the Asset Sale may be used, at the discretion of the Board, to repay other indebtedness, provide liquidity to the Company's shareholders through one or more special dividends or repurchases of outstanding shares of the Company's common stock, invest in our Other Businesses, or a combination thereof.

Q. What does the Board recommend regarding the Asset Sale Proposal?

A. Our board of directors has determined that the terms and conditions of the Asset Purchase Agreement and the transactions contemplated thereby, including the Asset Sale, are desirable to and in the best interests of the Company and its shareholders. This determination was made by a unanimous vote of the members of the Board present at the meeting. Our board of directors unanimously recommends that you vote **"FOR"** the Asset Sale Proposal.

Q. Do I have dissenters' rights in connection with the Asset Sale?

A. Shareholders may vote against the authorization of the Asset Sale Proposal, but under New Jersey law dissenters' rights are not provided to shareholders in connection with the Asset Sale because our common stock was listed on a national securities exchange as of the Record Date for the Special Meeting.

Q. Are there any risks to the Asset Sale?

A. Yes. You should carefully read the section entitled "Risk Factors."

Q. What are the U.S. federal income tax consequences of the Asset Sale to U.S. shareholders?

A. Our U.S. shareholders will not realize any gain or loss for U.S. federal income tax purposes as a result of the Asset Sale. See "Proposal No. 1: The Asset Sale U.S. Federal Income Tax Consequences of the Asset Sale."

Q. When is the closing of the Asset Sale expected to occur?

A. If the Asset Sale is authorized by our shareholders and all conditions to completing the Asset Sale are satisfied or waived prior to such authorization, the closing of the Asset Sale is expected to occur shortly after the Special Meeting.

PROPOSAL NO. 2: THE GOLDEN PARACHUTE PROPOSAL

Q. Why am I being asked to cast a non-binding, advisory vote to approve the Golden Parachute Proposal?

A. In accordance with the rules promulgated under Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), we are providing our shareholders with the opportunity to cast a non-binding, advisory vote on the compensation that will or may be payable to our named executive officers in connection with the Asset Sale.

Q. What will happen if shareholders do not approve the Golden Parachute Proposal at the Special Meeting?

A. Approval of the Golden Parachute Proposal is not a condition to the consummation of the Asset Sale. The vote with respect to the Golden Parachute Proposal is an advisory vote and will not be binding on us or Purchaser. Further, the underlying plans and

Edgar Filing: EMCORE CORP - Form DEFM14A

arrangements are contractual in nature and are not, by their terms, subject to shareholder approval. Accordingly, regardless of the outcome of the non-binding, advisory vote, if the Asset Sale is authorized by our shareholders and completed and the other terms and conditions of the applicable plans and arrangements are satisfied, our named executive officers will receive the golden parachute payments as disclosed in this Proxy Statement.

RISK FACTORS

In addition to the other information contained in this Proxy Statement, you should carefully consider the following risk factors when deciding whether to vote to approve the Proposals. You should also consider the information in our other reports on file with the Securities and Exchange Commission (the "SEC") that are incorporated by reference into this Proxy Statement. See "Where You Can Find More Information."

The announcement and pendency of the Asset Sale, whether or not consummated, may adversely affect our business.

The announcement and pendency of the Asset Sale, whether or not consummated, may adversely affect the trading price of our common stock, our business or our relationships with customers, suppliers and employees. In addition, while the completion of the Asset Sale is pending we may be unable to attract and retain key personnel and our management's focus and attention and employee resources may be diverted from operational matters.

In the event that the Asset Sale is not completed, the announcement of the termination of the Asset Purchase Agreement may also adversely affect the trading price of our common stock, our business or our relationships with customers, suppliers and employees.

We cannot be sure if or when the Asset Sale will be completed.

The consummation of the Asset Sale is subject to the satisfaction or waiver of various conditions, including the authorization of the Asset Sale by our shareholders. We cannot guarantee that the closing conditions set forth in the Asset Purchase Agreement will be satisfied. If we are unable to satisfy the closing conditions in Purchaser's favor or if other mutual closing conditions are not satisfied, Purchaser will not be obligated to complete the Asset Sale.

If the Asset Sale is not completed, our board of directors, in discharging its fiduciary obligations to our shareholders, may evaluate other strategic alternatives that may be available, which alternatives may not be as favorable to our shareholders as the Asset Sale. These may include retaining and operating the Photovoltaics Business or pursuing an alternate sale transaction that would yield reduced consideration or involve significant delays. Any future sale of substantially all of the assets of the Company or other transactions may be subject to further shareholder approval.

We cannot predict the timing, amount or nature of any distributions to our shareholders.

Our credit and security agreement, as amended, with Wells Fargo Bank, National Association, currently prohibits distributions to our shareholders (other than distributions payable solely in our stock), and our board of directors is unable to predict the timing, amount or nature of, or the record dates for distributions, if any, to be made to our shareholders. If we are unable to make a distribution of Asset Sale proceeds to our shareholders or our board of directors determines not to make such a distribution, you will only benefit from the Asset Sale if we are able to successfully implement our strategy for our Other Businesses and your stock appreciates in value or we subsequently sell EMCORE at a price that represents a premium over your basis in our common stock. See "Proposal No. 1: The Asset Sale Activities of EMCORE Following the Asset Sale."

We may undergo an "ownership change" within the meaning of Section 382 of the Code, which could affect our ability to offset gains, if any, realized in the Asset Sale against our net operating losses and certain of our tax credit carryovers.

Section 382 of the Internal Revenue Code, as amended (the "Code") contains rules that limit the ability of a company that undergoes an ownership change to utilize its net operating losses and tax

Table of Contents

credits existing as of the date of such ownership change. Under the rules, such an ownership change is generally any change in ownership of more than 50% of a company's stock within a rolling three-year period. The rules generally operate by focusing on changes in ownership among shareholders considered by the rules as owning, directly or indirectly, 5% or more of the stock of a company and any change in ownership arising from new issuances of stock by the company.

If we were to undergo one or more "ownership changes" within the meaning of Section 382 of the Code, our net operating losses and certain of our tax credits existing as of the date of each ownership change may be unavailable, in whole or in part, to offset gains, if any, from the Asset Sale. If we are unable to offset fully for U.S. federal income tax purposes gains, if any, realized in respect of the Asset Sale with our tax loss carry-forwards, we may incur U.S. federal income tax liability.

Our executive officers and directors may have interests in the Asset Sale other than, or in addition to, the interests of our shareholders generally.

Members of our board of directors and our executive officers may have interests in the Asset Sale that are different from, or are in addition to, the interests of our shareholders generally. Our board of directors was aware of these interests and considered them, among other matters, in approving the Asset Purchase Agreement.

Certain of our executive officers have employment agreements or separation agreements that provide for payments and the vesting of equity awards in connection with a "change of control." Certain of our directors and officers have received equity awards that provide for full vesting of all unvested equity awards upon a "change of control." The consummation of the Asset Sale would constitute a "change of control" under these agreements and equity awards.

Also, certain of our executive officers have retention agreements that provide for cash payments in connection with the closing of the Asset Sale. See "Proposal No. 1 Interests of Certain Persons in the Asset Sale."

Because the Photovoltaics Business represented approximately 42% of our total revenues for fiscal year 2013, our business following the Asset Sale will be substantially different.

The Photovoltaics Business represented approximately 42% of our total revenues for the fiscal year 2013. Following the consummation of the Asset Sale, our results of operations and financial condition may be materially adversely affected if we fail to effectively reduce our overhead costs to reflect the reduced scale of our operations or we fail to grow our Other Businesses. Our smaller size may result in the recognition of less revenues from the operations of our Other Businesses, which may negatively affect our overall net earnings.

If the Asset Sale disrupts our business operations and prevents us from realizing intended benefits, our business may be harmed.

The Asset Sale may disrupt the operation of our business and prevent us from realizing the intended benefits of the Asset Sale as a result of a number of obstacles, such as the loss of key employees, customers or business partners, the failure to adjust or implement our business strategies, additional expenditures required to facilitate the Asset Sale transaction, and the diversion of management's attention from our day-to-day operations.

The Asset Sale may not be completed or may be delayed if the conditions to closing are not satisfied or waived.

The Asset Sale may not be completed or may be delayed because the conditions to closing, including approval of the transaction by our shareholders and consents from certain third parties, may

Table of Contents

not be satisfied or waived. If the Asset Sale is not completed, we may have difficulty recouping the costs incurred in connection with negotiating the Asset Sale, our relationships with our customers, suppliers and employees may be damaged, and our business may be harmed.

If we fail to complete the Asset Sale, our business may be harmed.

As a result of our announcement of the Asset Sale, third parties may be unwilling to enter into material agreements with respect to the Photovoltaics Business or our Other Businesses. New or existing customers and business partners may prefer to enter into agreements with our competitors who have not expressed an intention to sell their business because customers and business partners may perceive that such new relationships are likely to be more stable. Employees working in the Photovoltaics Business may become concerned about the future of the business and lose focus or seek other employment. If we fail to complete the Asset Sale, the failure to maintain existing business relationships or enter into new ones could adversely affect our business, results of operations, and financial condition. If we fail to complete the Asset Sale, we will also retain and continue to operate the Photovoltaics Business. The potential for loss or disaffection of employees or customers of the Photovoltaics Business following a failure to consummate the Asset Sale could have a material, negative impact on the value of our business.

In addition, if the Asset Sale is not consummated, our directors, executive officers and other employees will have expended extensive time and effort and will have experienced significant distractions from their work during the pendency of the transaction, and we will have incurred significant third party transaction costs, in each case, without any commensurate benefit, which may have a material and adverse effect on our stock price and results of operations.

The Asset Purchase Agreement limits our ability to pursue alternatives to the Asset Sale.

The Asset Purchase Agreement contains provisions that make it more difficult for us to sell the Photovoltaics Business to any party other than Purchaser. These provisions include the prohibition on our ability to solicit competing proposals and the requirement that we pay a termination fee of \$5,330,000 if the Asset Purchase Agreement is terminated in specified circumstances. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement No Solicitation" and " Purchaser Expenses; Termination Fees." These provisions could make it less advantageous for a third party that might have an interest in acquiring EMCORE or all of or a significant part of the Photovoltaics Business to consider or propose an alternative transaction, even if that party were prepared to pay consideration with a higher value than the consideration to be paid by Purchaser.

We may not participate in a superior offer for the Photovoltaics Business unless we pay a termination fee to Purchaser.

The Asset Purchase Agreement requires us to pay Purchaser a termination fee equal to \$5,330,000 if we terminate the Asset Purchase Agreement prior to closing as a result of our determining to accept an Alternative Transaction Proposal (as defined herein) that we determine to be a Superior Proposal (as defined herein). See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement No Solicitation."

Our operating losses are currently projected to be greater on a pro forma basis following the Asset Sale until the full implementation of the Company's restructuring plans for the Other Businesses.

On a pro forma basis, giving effect to the Asset Sale as of the beginning of each respective period, the Company incurred net losses of approximately \$41.9 million, \$2.4 million and \$18.5 million for the fiscal years ended September 30, 2012 and 2013 and the nine months ended June 30, 2014, respectively, as compared to our actual net loss of approximately \$39.2 million, net income of approximately

Table of Contents

\$5.0 million and net loss of approximately \$10.6 million in the respective periods. There can be no assurance that we will achieve profitability thereafter or that profitability, if achieved, will be sustained. We expect to incur expenses to implement our restructuring plans for the Other Businesses. There can be no assurance that we will succeed in fully implementing such restructuring plans. See "Unaudited Condensed Consolidated Financial Information."

Because our business will be smaller following the sale of the Photovoltaics Business, there is a possibility that our common stock may be delisted from The NASDAQ Global Market if we fail to satisfy the continued listing standards of that market.

Even though we currently satisfy the continued listing standards for The NASDAQ Global Market, following the sale of the Photovoltaics Business our business will be smaller and, therefore, we may fail to satisfy the continued listing standards of The NASDAQ Global Market. In the event that we are unable to satisfy the continued listing standards of The NASDAQ Global Market, our common stock may be delisted from that market. Any delisting of our common stock from the NASDAQ Global Market could adversely affect our ability to attract new investors, decrease the liquidity of our outstanding shares of common stock, reduce our flexibility to raise additional capital, reduce the price at which our common stock trades and increase the transaction costs inherent in trading such shares with overall negative effects for our shareholders. In addition, delisting of our common stock could deter broker-dealers from making a market in or otherwise seeking or generating interest in our common stock, and might deter certain institutions and persons from investing in our securities at all. For these reasons and others, delisting could adversely affect the price of our common stock and our business, financial condition and results of operations.

We will continue to incur the expenses of complying with public company reporting requirements following the closing of the Asset Sale.

After the Asset Sale, we will continue to be required to comply with the applicable reporting requirements of the Exchange Act, even though compliance with such reporting requirements is economically burdensome.

You may vote "**FOR**," "**AGAINST**" or "**ABSTAIN**." Failures to vote, abstentions and broker non-votes will not be counted as votes "**FOR**" or "**AGAINST**" the Asset Sale Proposal. Certain of our shareholders who control in the aggregate approximately 11% of the voting power of our common stock outstanding as of October 22, 2014 have entered into a voting agreement with Purchaser pursuant to which, subject to certain exceptions, they have agreed to vote such shares in favor of the Asset Sale Proposal. The voting agreement is attached to this Proxy Statement as *Annex B*.

Recommendation of the Board

After careful consideration, our board of directors determined that the Asset Sale and the terms and conditions of the Asset Purchase Agreement are desirable and in the best interests of EMCORE and its shareholders. Our board of directors unanimously recommends that you vote "**FOR**" the authorization of the Asset Sale Proposal and approval of the Golden Parachute Proposal.

Edgar Filing: EMCORE CORP - Form DEFM14A

Table of Contents

postponements or adjournments of the Special Meeting; no other shares of capital stock were outstanding on such date.

Ownership of Directors and Executive Officers

As of October 22, 2014, our directors and executive officers beneficially held approximately 14% in the aggregate of our shares of common stock entitled to vote at the Special Meeting, excluding options to purchase shares of our common stock which were out-of-the-money as of such date. Certain of our shareholders who control in the aggregate approximately 11% of the voting power of our common stock outstanding as of October 22, 2014 have entered into a voting agreement with Purchaser pursuant to which, subject to certain exceptions, they have agreed to vote such shares in favor of the Asset Sale Proposal. The voting agreement is attached to this Proxy Statement as *Annex B*.

Quorum and Voting

The presence at a meeting in person or by proxy of the holders of shares entitled to cast a majority of the votes at the Special Meeting is necessary to constitute a quorum for the transaction of business at the Special Meeting. For purposes of determining the presence of a quorum, abstentions and broker non-votes will be counted as present at the Special Meeting. Each share of common stock issued and outstanding on the Record Date is entitled to one vote.

Proxies; Revocation of Proxies

If you are unable to attend the Special Meeting, we urge you to submit your proxy by completing and returning the enclosed proxy card or vote your proxy via the Internet or by telephone. If your shares of common stock are held in "street name" (i.e., through a bank, broker or other nominee), you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. If you elect to vote in person at the Special Meeting and your shares are held by a broker, bank or other nominee, you must bring to the Special Meeting a legal proxy from the broker, bank or other nominee authorizing you to vote your shares of common stock.

Unless contrary instructions are indicated on the proxy card, all shares of common stock represented by valid proxies will be voted "**FOR**" the Asset Sale Proposal and "**FOR**" the Golden Parachute Proposal and will be voted at the discretion of the persons named as proxies in respect of such other business as may properly be brought before the Special Meeting. As of the date of this Proxy Statement, our board of directors knows of no other business that will be presented for consideration at the Special Meeting other than the Proposals.

You may revoke your proxy and change your vote at any time before the polls close at the Special Meeting by:

giving written, dated notice to the Secretary of EMCORE stating that you would like to revoke your proxy;

signing and returning to us in a timely manner another proxy card with a later date;

voting again at a later time, but prior to the date of the Special Meeting, via the Internet or telephone;

if you are a shareholder of record or have a legal proxy from the shareholder of record, attending the Special Meeting in person and voting by written ballot; or

if your shares are held in "street name," following the instructions of your bank, broker or other nominee with respect to the revocation of proxies.

Simply attending the Special Meeting will not constitute a revocation of your proxy.

Table of Contents

Adjournments

The Special Meeting may be adjourned by the affirmative vote of a majority of the votes cast, in person or by proxy, at the Special Meeting by the holders of shares entitled to vote. The Special Meeting may be adjourned for any purpose, including for the purpose of obtaining a quorum or soliciting additional proxies if there are insufficient votes to authorize the Asset Sale, including, without limitation, adjourning the Special Meeting for the sole purpose of soliciting additional votes as to one proposal while closing the polls and registering the approval of the other proposal. Any adjournment may be made without notice (if a new record date is not fixed for the adjourned meeting), other than by an announcement made at the Special Meeting of the time, date and place of the adjourned meeting. Any adjournment will allow our shareholders who have already sent in their proxies to revoke them at any time prior to their use at the Special Meeting as adjourned.

Broker Non-Votes

Broker non-votes occur when a broker holding stock in "street name" does not vote the shares on some or all matters. Brokers are permitted to vote on routine, non-controversial proposals in instances where they have not received voting instructions from the beneficial owner of the stock but are not permitted to vote on non-routine matters. Uncast votes on non-routine matters are referred to as "broker non-votes." Because each proposal being considered at the Special Meeting is a non-routine matter, shares of our common stock as to which brokers have not received any voting instructions will not be permitted to vote on any of the Proposals.

The inspector of elections will treat broker non-votes as shares that are present for purposes of determining the existence of a quorum. Broker non-votes will not be considered in determining the number of votes cast for either of the Proposals.

Solicitation of Proxies

This proxy solicitation is being made and paid for by EMCORE on behalf of its board of directors. In addition, we have retained Morrow & Co., LLC to assist in the solicitation. We will pay Morrow & Co., LLC up to \$10,000 plus reasonable out-of-pocket expenses for their assistance. Our directors, officers and employees may also solicit proxies by personal interview, mail, e-mail, telephone, facsimile or other means of communication. These persons will not be paid any additional compensation for their efforts. We will also request brokers and other fiduciaries to forward proxy solicitation material to the beneficial owners of shares of our common stock that the brokers and fiduciaries hold of record. Upon request, we will reimburse them for their reasonable out-of-pocket expenses. In addition, we will indemnify our proxy solicitor against any losses arising out of that firm's proxy soliciting services on our behalf.

Questions and Additional Information

If you have more questions about the Proposals or how to submit your proxy, or if you need additional copies of this Proxy Statement or the enclosed proxy card or voting instructions, please contact Investor Relations, EMCORE Corporation, Attn: Alfredo Gomez, Secretary, 10420 Research Road, SE, Albuquerque, New Mexico, 87123, telephone number (505) 332-5000, or please contact Morrow & Co., LLC at 800-662-5200 or 203-658-9400, or by email at emcore@morrowco.com.

Background of the Asset Sale

The Board and the Company's senior management have from time to time evaluated and considered a variety of strategic alternatives as part of a long-term strategy to increase shareholder value.

Starting in August 2013, members of senior management and the Board held discussions with representatives of Raymond James regarding a strategic review process for the Company.

On October 15, 2013, Steven R. Becker, Matthew A. Drapkin, Becker Drapkin Management, L.P., Becker Drapkin Partners (QP), L.P., Becker Drapkin Partners, L.P. and BC Advisors, LLC (collectively, "Becker Drapkin") filed a Schedule 13D with the SEC stating that Becker Drapkin had beneficial ownership of 7.1% of the Company's outstanding common stock and intended to nominate three directors to the Board at the Company's 2014 annual meeting of shareholders. During the late fall of 2013, Becker Drapkin increased its beneficial ownership to 11.9% of the Company's outstanding common stock.

On December 4, 2013, the Company and Becker Drapkin entered into an agreement pursuant to which, among other things, the Board appointed three new directors to the Board designated by Becker Drapkin and formed a committee (the "Strategy Committee"), chaired by Steven Becker, to evaluate strategic alternatives available to the Company in order to create shareholder value, including potential mergers, acquisitions, divestitures and other key strategic transactions outside of the ordinary course of the Company's business.

On December 10, 2013, at a regularly scheduled Board meeting, representatives of Raymond James discussed possible strategic alternatives for the Company, including the potential sale of the entire Company or one or more of the Company's businesses, including the Photovoltaics Business. The Board directed representatives of Raymond James to work with members of senior management and the Strategy Committee to conduct a marketing process to gauge the interest of third parties in acquiring the Company or one or more of the Company's businesses, including the Photovoltaics Business.

In connection with the review of strategic alternatives by the Board and the Strategy Committee, on December 19, 2013, the Company engaged Raymond James as its sole financial advisor and, subsequently, the Company engaged Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden") as its outside legal advisor. The Company retained Raymond James based on its qualifications and experience in providing financial advice, on its reputation as a nationally recognized investment banking firm and its experience in the aerospace and defense sector.

After an initial review of the Company's strategic alternatives and initial discussions with representatives of Raymond James and members of senior management, the Strategy Committee believed that the best values that could be realized by the Company in a potential sale process would likely be achieved by the sale of individual divisions rather than a sale of the entire Company. The members of the Strategy Committee discussed the prospects of each of the Company's businesses and came to the view that each of the Company's businesses should each be marketed to prospective

Table of Contents

bidders and that the Company should explore various potential transaction structures that would enable the Company to realize the highest value available in a transaction for one or more of the Company's businesses.

During the months of January and February 2014, the Strategy Committee met and discussed with representatives of Raymond James and members of senior management, among other things, the list of prospective bidders, financial forecasts and draft confidential information memoranda that would be shared with the prospective bidders for the Company's businesses. On February 7, 2014, the Board approved a list of prospective bidders and financial forecasts (the "February Forecasts") and directed representatives of Raymond James to initiate contact with each of the approved prospective bidders.

Between February and April 2014, representatives of Raymond James contacted 25 prospective bidders for the Photovoltaics Business and the Company executed confidentiality agreements with 15 of the prospective bidders. Representatives of Raymond James and members of senior management held meetings with seven of the prospective bidders who had expressed interest in obtaining additional information regarding the Photovoltaics Business, including with Veritas Capital and Party A.

On March 5, 2014, in connection with the evaluation of strategic alternatives for the Company's businesses, members of senior management presented a plan to the Board for restructuring the Company's telecommunications business (the "Telecom Restructuring Plan"). The Board discussed the Telecom Restructuring Plan and directed management to begin its implementation.

Between March 20 and March 31, 2014, at the direction of the Strategy Committee, representatives of Raymond James sent a bid process letter to 12 prospective bidders with instructions to, among other things, provide an indication of interest of the cash purchase price for 100% of the Photovoltaics Business.

On April 9, 2014, representatives of Raymond James received written indications of interest for the Photovoltaics Business from Veritas Capital, Party A, Party B and Party C and a verbal indication of interest from Party D (the "Initial Bids"), each of which contemplated an all-cash transaction.

On April 11, 2014, at a meeting of the Strategy Committee, a representative of Raymond James discussed the Initial Bids. The representative of Raymond James summarized that 25 prospective bidders had been contacted, consisting of 14 strategic bidders and 11 private equity bidders, seven of whom had attended management presentations and five of whom had submitted Initial Bids. At the meeting, a representative of Raymond James reported that Party D's bid was for \$80 million, Party B's bid range was \$95 million to \$105 million, Party C's bid range was \$100 million to \$120 million, Party A's bid range was \$125 million to \$135 million and Veritas Capital's bid range was \$125 million to \$140 million. After discussing the Initial Bids, the Strategy Committee directed representatives of Raymond James and members of senior management to continue non-exclusive negotiations with all bidders who had submitted Initial Bids with a purchase price at or above \$100 million. In addition, the Strategy Committee directed representatives of Raymond James to inform each of Party B, Party C and Party D that they would need to increase their bids in order to remain competitive in the process.

On April 15, 2014, representatives of Raymond James received a revised initial bid from Party B, which increased its bid range from \$95 million to \$105 million to \$100 million to \$120 million. Party C and Party D decided not to increase their initial bids and discussions with Party D were terminated.

On April 16, 2014, Party E contacted Raymond James regarding submitting a bid for the Photovoltaics Business. On April 18, 2014, at the Strategy Committee meeting, the members of the Strategy Committee discussed the Party E inquiry and directed representatives of Raymond James and members of senior management to provide Party E with the necessary information to allow it to submit a proposal, subject to receipt by the Company of an executed confidentiality agreement from Party E.

Table of Contents

During its review, members of the Strategy Committee discussed whether the potential sale of the Photovoltaics Business should be structured as an asset sale or a cash-out merger of the Company contingent on the sale of the Other Businesses, so that the only remaining operating business in the Company at the time of the merger would be the Photovoltaics Business. Among other things, the members of the Strategy Committee discussed whether a cash-out merger transaction could provide the Company's shareholders with more immediate liquidity and whether, at the current stage in the process, it was in the best interests of the Company and its shareholders to explore multiple potential transaction structures. After further deliberation, the Strategy Committee directed representatives of Raymond James to inquire whether the bidders would consider a merger transaction structure contingent on the sale of the Other Businesses.

On April 25, 2014, at the Strategy Committee meeting, representatives of Raymond James reported that each of Veritas Capital, Party A, Party B, Party C and Party E had expressed a willingness to consider a cash-out merger transaction contingent on the sale of the Other Businesses.

On April 29, 2014, representatives of Raymond James received a proposal from Party E in which Party E proposed a merger between Party E and the Company following the sale of the assets of the Other Businesses, whereby Party E would obtain a portion of the equity interests in and would make certain appointments to the board of directors and the management of the surviving entity (the "Party E Proposal").

On May 2, 2014, the members of the Strategy Committee discussed the Party E Proposal, after which the members of the Strategy Committee directed representatives of Raymond James to assist the Strategy Committee in further evaluating the Party E Proposal.

During May 2014, members of senior management and representatives of Raymond James held management meetings with each of Veritas Capital, Party A, Party B, Party C and Party E.

On May 20, 2014, at a Board meeting, members of senior management presented an update on the Telecom Restructuring Plan and presented a plan for restructuring the Company's broadband business (the "Broadband Restructuring Plan" and, together with the Telecom Restructuring Plan, the "Restructuring Plans"). Among other things, the directors discussed the implementation of the Restructuring Plans. The Board received a further update on the Restructuring Plans from members of senior management at the June 18, 2014 Board meeting.

On May 30, 2014, at a Strategy Committee meeting, representatives of Raymond James reported that Veritas Capital had submitted a letter to representatives of Raymond James that day, which stated its willingness to pay \$150 million in cash for the Photovoltaics Business in an asset sale transaction. After further discussion, the Strategy Committee determined that the letter should be fully evaluated once final bids had been received from all of the bidders.

The members of the Strategy Committee then discussed the terms of the final bid instruction letter for the Photovoltaics Business. Among other things, the Strategy Committee members expressed their views that an asset sale transaction could generate greater value for the Company due to a higher purchase price and the availability of federal net operating losses to offset substantially all of the federal tax liability resulting from the taxable gain from the Asset Sale and that a cash-out merger transaction conditioned on the sale of the Other Businesses could provide a more immediate path to liquidity for the Company's shareholders, however, was also subject to the additional risk that closing could be delayed by the timing of the sales of the Other Businesses.

Following further discussion, the members of the Strategy Committee directed representatives of Raymond James to deliver final bid instruction letters that would permit bids based on a cash-out merger structure, an asset sale structure, or both and indicate that, at such time, a cash-out merger transaction was preferred by the Company. The Strategy Committee members further directed representatives of Raymond James to not send the final bid instruction letter to Party E because, at

Table of Contents

that time, the Party E Proposal was not sufficiently developed to warrant receipt of a final bid instruction letter.

On June 2, 2014, Party A provided a verbal indication of its willingness to pay \$140 million to \$150 million in cash for the Photovoltaics Business in an asset sale transaction. The next day, representatives of Raymond James delivered final bid instruction letters to Veritas Capital, Party A, Party B and Party C and, on June 11, 2014, delivered a draft merger agreement.

In June 2014, members of senior management updated the financial forecasts for the Photovoltaics Business, which, among other things, showed an increase in fiscal year 2014 adjusted EBITDA (the "June Forecasts") as compared to the February Forecasts. The June Forecasts were then shared with Veritas Capital, Party A, Party B and Party C.

In the last week of June 2014, Party B and Party C informed representatives of Raymond James that they would not be submitting final bids for the Photovoltaics Business.

On June 30, 2014, representatives of Raymond James received a final non-binding proposal from Party A, which proposed to pay \$150 million in cash to acquire the Photovoltaics Business in an asset sale transaction, excluded all pre-closing liabilities other than liabilities of the Photovoltaics Business incurred in the ordinary course, and noted that due diligence was still ongoing (the "June Party A Bid"). The June Party A Bid also noted that, if the acquisition was structured as a cash-out merger transaction, Party A's purchase price and ability to execute a merger transaction would be influenced by a number of additional factors, including, among other things, additional diligence regarding liabilities relating to the Company's corporate entity and the Other Businesses and the right to terminate the merger transaction in the event that the asset purchase agreements for the Other Businesses were not satisfactory to Party A.

On July 1, 2014, representatives of Raymond James received a final non-binding proposal from Veritas Capital, which proposed to pay \$145 million in cash to acquire the Photovoltaics Business in a cash-out merger transaction, noted that primary business diligence was completed, indicated that debt financing would be a combination of senior secured term loans and mezzanine notes without a financing condition, and provided a mark-up of the draft merger agreement, which contemplated entry into a voting agreement with certain of the Company's significant shareholders (the "June Veritas Capital Bid").

On July 8, 2014, at a Board meeting, a representative of Raymond James summarized the June Party A Bid and the June Veritas Capital Bid, including that Veritas Capital had verbally indicated that its willingness to increase the purchase price to \$150 million if the transaction was structured as an asset sale instead of a cash-out merger. The directors then discussed whether the Photovoltaics Business transaction should be structured as an asset sale or cash-out merger, including, among other things, that an asset sale transaction could generate greater value for the Company through a higher purchase price and the availability of federal net operating losses to offset substantially all of the federal tax liability resulting from the taxable gain from the Asset Sale, a cash-out merger transaction involving the Photovoltaics Business could be delayed due to being contingent on the sale of the Other Businesses and that both Veritas Capital and Party A had expressed concern regarding acquiring liabilities related to the Company's corporate functions and the Other Businesses in a cash-out merger transaction. See "Proposal No. 1: The Asset Sale Reasons for the Asset Sale."

The directors then discussed the current and projected financial performance of the Other Businesses, including management's previous presentations regarding the Restructuring Plans. After further discussion, the Board determined that the Restructuring Plans related to the Other Businesses would continue to be implemented and that the Board would continue to evaluate strategic alternatives for the Other Businesses, including possible sales of all or a part of the businesses. See "Proposal No. 1: The Asset Sale Reasons for the Asset Sale." Based in part on the Board's assessment of the

Table of Contents

financial prospects of the Other Businesses as well as the purchase price indications received to date, the Board instructed representatives of Raymond James to continue non-exclusive negotiations with Veritas Capital and Party A regarding an asset sale transaction for the Photovoltaics Business.

On July 9, 2014, representatives of Raymond James held separate calls with Veritas Capital and Party A, during which representatives of Raymond James informed each of them of the Company's willingness to proceed with an asset sale transaction structure with limited post-closing obligations and, at the Board's direction, instructed each of them to submit an updated purchase price and term sheet summarizing the key terms for an asset sale transaction. That same day Party A requested to receive a draft asset purchase agreement for its review and comment, which was provided to Party A by a representative of Raymond James on July 18, 2014.

On July 17, 2014 Veritas Capital submitted a term sheet to representatives of Raymond James summarizing the principal terms for an asset sale transaction (the "Veritas Capital Term Sheet"), which, among other things, provided for a \$145 million cash purchase price, the assumption of all liabilities primarily related to the Photovoltaics Business, no escrow or holdback, and the termination of all representations and warranties at closing, other than fundamental representations and warranties and representations and warranties related to taxes and title to the assets to be acquired pursuant to the asset purchase agreement. The Veritas Capital Term Sheet also stated that the transaction would require financing, but that it would provide financing commitments prior to signing and that any definitive agreement would not contain a financing condition.

On July 18, 2014, at a Strategy Committee meeting, the members of the Strategy Committee discussed the Veritas Capital Term Sheet, including, among other things, whether the \$145 million purchase price could be increased. The members of the Strategy Committee then discussed the instructions that should be given to Party A. After further discussion, the Strategy Committee directed representatives of Raymond James to inform Party A that their final bid would be evaluated based on, among others, the purchase price and certain post-closing terms, including any potential escrow or holdback and the terms of post-closing indemnification for breach of representations and warranties.

On July 30, 2014, Party A submitted a preliminary issues list regarding the draft asset purchase agreement (the "Party A Issues List"), which noted that Party A would not assume any pre-closing liabilities associated with the Photovoltaics Business, other than those incurred in the ordinary course, and required that an undisclosed amount of the purchase price be deposited into escrow to secure post-closing indemnification claims. In addition, Party A noted that additional due diligence was required and that Party A had not yet received corporate approval for the transaction.

On August 1, 2014, at a Board meeting, representatives of Raymond James summarized the terms of the proposals received from Veritas Capital and Party A, including that Veritas Capital had indicated a willingness to increase its purchase price in order to receive exclusivity. After further discussion regarding the Veritas Capital and Party A proposals, the Board authorized members of senior management to enter into a limited exclusivity period with Veritas Capital, subject to Veritas Capital increasing its cash purchase price to \$155 million and Party A failing to both match the increased price and improve its terms to provide for the assumption of substantially all pre-closing liabilities, a more limited indemnity structure and no escrow or holdback.

On August 1, 2014, representatives of Raymond James called Veritas Capital and informed them that they would need to increase their cash purchase price to \$155 million in order to obtain limited exclusivity. On the same day, representatives of Raymond James informed Party A that their proposed terms for the asset purchase agreement and the purchase price would need to improve in order for Party A to obtain exclusivity and that the Company was considering entering into exclusivity with another bidder.

Table of Contents

On August 5, 2014, representatives of Raymond James received a revised final proposal from Veritas Capital, which, among other things, increased the cash purchase price to \$155 million, affirmed the terms of the Veritas Capital Term Sheet, and requested a 21-day exclusivity period.

That same day, representatives of Raymond James received a call from Party A, during which Party A indicated that they did not anticipate increasing the purchase price above \$150 million.

Later that day, the Company and Veritas Capital executed an exclusivity letter agreement (the "Veritas Capital Exclusivity Letter"), which, among other things, provided for the Company to engage in exclusive negotiations with Veritas Capital regarding the sale of the Photovoltaics Business until August 26, 2014.

Between August 8, 2014 and August 26, 2014, the Company and representatives of Skadden negotiated the terms of the asset purchase agreement with Veritas Capital and its counsel.

On August 15, 2014, at a Board meeting, members of senior management presented an update regarding the Restructuring Plans, including financial forecasts that showed the Other Businesses achieving break-even adjusted EBITDA by the end of fiscal year 2015.

On August 27, 2014, the Company and Veritas Capital executed an amendment to the Veritas Capital Exclusivity Letter, which, among other things, extended the duration of exclusivity through September 7, 2014, required Veritas Capital to affirm that it was still willing to pay \$155 million in cash to acquire the Photovoltaics Business based on the terms in the Veritas Capital Term Sheet, and provided for automatic termination of the exclusivity period in the event that Veritas Capital informed the Company that it was no longer willing to pay \$155 million to acquire the Photovoltaics Business.

Between August 27 and September 7, 2014, the Company and representatives of Skadden continued to negotiate the terms of the asset purchase agreement with Veritas Capital and its counsel.

On September 7, 2014, the Board held a meeting to discuss the proposed transaction with Veritas Capital. To facilitate discussions regarding the Asset Sale, copies of the draft asset purchase agreement, along with a summary of the material terms of the asset purchase agreement and certain ancillary agreements thereto, were distributed to the Board prior to the meeting. At the meeting, representatives of Skadden reviewed with the Board its fiduciary duties in connection with the proposed transactions and presented a summary of the material terms and open points regarding the draft asset purchase agreement. The Board, among other things, reviewed and discussed the draft asset purchase agreement, including the timing of the automatic termination of the asset purchase agreement (the "Outside Date"), which Veritas Capital had proposed to be four months after the agreement was signed. After further discussion, including the potential need for additional time to obtain regulatory and/or shareholder approval of the transaction, the Board determined that the Outside Date should include an automatic two-month extension in the event that all closing conditions, other than obtaining shareholder approval or antitrust approval, were completed within four months after the date the asset purchase agreement was signed.

Representatives of Raymond James reviewed for the Board the marketing process that Raymond James had undertaken on behalf of the Company to identify and engage prospective bidders of the Photovoltaics Business, including that representatives of Raymond James had communicated with 26 prospective bidders, the Company had executed 16 confidentiality agreements, representatives of Raymond James and members of senior management had held meetings with eight prospective bidders and the Company had received six initial indications of interest. A representative of Raymond James then reviewed and discussed its analysis with respect to the Company and the proposed sale of the Photovoltaics Business, including a summary of the financial analysis supporting Raymond James's opinion. See "Proposal No. 1: The Asset Sale Prospective Financial Information." A representative of Raymond James also discussed the financing commitments received by Veritas Capital and commented favorably on the ability of Veritas Capital to complete the financing. At the request of the Board, a representative of Raymond James rendered Raymond James's oral opinion, as of September 7, 2014, and based upon and subject to the qualifications, assumptions, limitations and other matters considered set forth in Raymond James's written opinion, as to the fairness, from a financial point of view, to the Company of the consideration of \$155 million in cash to be received by the Company pursuant to the draft asset purchase agreement.

Table of Contents

The Board also discussed the ongoing operations of the Company following the sale of the Photovoltaics Business, as well as possible uses of the proceeds from the Asset Sale. In that regard, the Board considered, among other things, a potential special dividend to the Company's shareholders of some of the net proceeds from the sale, a potential repurchasing of a portion of the Company's outstanding shares of common stock, reinvesting a portion of the net proceeds into the Other Businesses, or a combination of the foregoing.

After further discussion, the Board unanimously approved the Asset Sale, subject to finalization of the asset purchase agreement and the transactions contemplated thereby, including the extension of the Outside Date, under certain circumstances, to six months after the execution of the asset purchase agreement.

When representatives of Raymond James informed Veritas Capital of the required Outside Date extension, Veritas Capital informed representatives of Raymond James that its lenders would not be able to approve the six-month Outside Date without obtaining additional lender committee approval.

Between September 8 and September 10, 2014, members of senior management determined that the financial projections for the Photovoltaics Business would need to be reforecast to account for the increased risk of loss of revenue from a customer tied to information received by the Company following the September 7 Board meeting.

On September 10, 2014, Veritas Capital informed representatives of Raymond James that all of its lenders had obtained committee approval for the six-month Outside Date.

Between September 10 and September 13, 2014, Veritas Capital was orally advised that management would be adjusting the forecasts for the Photovoltaics Business and Veritas Capital orally informed representatives of Raymond James and members of senior management that it would be reducing the purchase price from \$155 million to \$145 million, but that otherwise Veritas Capital did not expect to change the terms of the asset purchase agreement and the transactions contemplated thereby. In addition, members of senior management prepared and shared the revised forecasts with Veritas Capital, including updated quarterly financial projections for fiscal year 2015, and, together with representatives of Raymond James, negotiated with Veritas Capital regarding the purchase price.

On September 15, 2014, Veritas Capital orally informed representatives of Raymond James that it would increase the purchase price to \$150 million in cash to acquire the Photovoltaics Business in part due to the fact that while the revised projections showed lower revenue for calendar year 2015, EBITDA for the period was substantially consistent with the prior forecast. At the same time, Veritas Capital confirmed the Asset Sale would otherwise be on the same terms as had been previously negotiated.

On September 16, 2014, the Board convened a special meeting, at which representatives of Skadden provided a summary of the changes to the asset purchase agreement since the September 7, 2014 Board meeting. Representatives of Raymond James reviewed and discussed the changes to its analysis with respect to the Company since the September 7, 2014 Board meeting. See "Proposal No. 1: The Asset Sale Prospective Financial Information." At the request of the Board, a representative of Raymond James then rendered Raymond James's oral opinion, which was subsequently confirmed by delivery of a written opinion to the Board, dated September 16, 2014, to the effect that, as of such date, and based upon and subject to the qualifications, assumptions, limitations and other matters set forth in Raymond James's written opinion, the consideration of \$150 million in cash to be received by the Company pursuant to the draft asset purchase agreement was fair, from a financial point of view, to the Company. See "Proposal No. 1: The Asset Sale Opinion of EMCORE's Financial Advisor."

During the course of the meeting, the directors discussed whether, because of the reduction in the purchase price from \$155 million to \$150 million, the Board should remarket the Photovoltaics Business. At the request of the Board, a representative of Skadden again reviewed the directors'

Table of Contents

fiduciary duties. The directors then discussed the potential remarketing process, including, among other things, that the purchase price reduction by Veritas Capital had resulted from a change in the Photovoltaics Business, which could also impact the purchase price received if the Photovoltaics Business was remarketed, the fact that Veritas Capital was prepared to promptly sign the Asset Purchase Agreement at the \$150 million cash purchase price, the favorable indemnification terms of the draft asset purchase agreement with Veritas Capital as compared to the terms previously proposed by Party A, and the risks associated with engaging in a remarketing process, including that Veritas Capital may not remain a bidder upon the conclusion of the remarketing process. See "Proposal No. 1: The Asset Sale Reasons for the Asset Sale."

After discussion and the receipt of advice from members of senior management and representatives of each of Skadden and Raymond James, the Board approved the Asset Sale by unanimous vote of the directors present at the meeting, subject to finalization of the asset purchase agreement and the transactions contemplated thereby.

On September 17, 2014, the Company and Veritas Capital executed and delivered the Asset Purchase Agreement, substantially in the form approved by the Board. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement." Immediately after, Veritas Capital executed a voting agreement with certain shareholders of the Company. See "Proposal No. 1: The Asset Sale Voting Agreement." That evening, the Company issued a press release announcing the execution of the Asset Purchase Agreement.

Reasons for the Asset Sale

After careful consideration, the Board, at a meeting held on September 16, 2014, approved the Asset Purchase Agreement and the transactions contemplated thereby by a unanimous vote of the directors present at the meeting. In the course of reaching its decision to approve the Asset Purchase Agreement and recommend approval by the Company's shareholders of the Asset Sale, the Board consulted with senior management of the Company, the Company's financial and legal advisors and considered a number of factors that the Board believed supported its decision, including, but not limited to, the following factors:

Strategic and Financial Considerations. The Board's view that the Asset Sale will provide a number of strategic and financial benefits to the Company, which have the potential to create additional value for shareholders, including the following:

the Board's view, based, in part, on the advice from members of senior management, that the Asset Sale would generate greater shareholder value and be more favorable to shareholders than any other alternative reasonably available to the Company, including, among others, retaining and operating the Photovoltaics Business and other potential acquisition or disposition transactions relating to the Photovoltaics Business or the entire Company;

the Board's views as to the prospects for the Photovoltaics Business in relation to the purchase price to be received at the closing of the Asset Sale;

the fact that the gross consideration of \$150 million to be paid by Purchaser at closing to acquire the Photovoltaics Business exceeded the market capitalization of the Company by approximately 18%, based on the closing stock price on September 15, 2014, the trading day immediately preceding the date on which the Asset Purchase Agreement and the transactions contemplated thereby were approved by the Board, and the number of shares outstanding, as reported in the Company's Quarterly Report on Form 10-Q for the quarter ended June 30, 2014; and

Table of Contents

the proceeds from the Asset Sale would better capitalize the Company and permit the directors to consider a broader range of options to provide value to the Company's shareholders, including through the possible distribution of cash to the Company's shareholders through one or more special dividends, the possible repurchasing of outstanding shares of the Company's common stock, investing the net proceeds in the Other Businesses or a combination thereof.

Opinion of Financial Advisor. The financial analysis reviewed and discussed with the Board by representatives of Raymond James, as well as the oral opinion Raymond James rendered on September 16, 2014, as of that date and based upon and subject to the qualifications, assumptions, limitations and other matters set forth in Raymond James's written opinion, as to the fairness, from a financial point of view, to the Company of the consideration of \$150 million in cash to be received by the Company pursuant to the draft asset purchase agreement.

Scope of Sale Process. The fact that the Company, with the assistance of Raymond James, conducted an extensive sale process with respect to the Photovoltaics Business, including communicating with 26 prospective bidders, executing confidentiality agreements with 16 prospective bidders, holding management meetings with eight of the prospective bidders and receiving initial bids from six of the prospective bidders. In addition, the Board's view that the Veritas Capital proposal, as compared to the other proposals received for the Photovoltaics Business, was more favorable than the alternatives available to the Company, including the other acquisition proposals submitted for the Photovoltaics Business and the alternative of retaining the Photovoltaics Business.

Tax Treatment of the Proceeds from the Asset Sale. The Board's expectation that the Company's current tax attributes, including its net operating loss carry forwards, will be available to offset substantially all of the gain realized for U.S. federal income tax purposes by the Company as a result of the Asset Sale.

Familiarity with the Photovoltaics Business. The Board considered its knowledge of the business, operation, financial condition, earnings, and prospects of the Photovoltaics Business, including management's future projections for the Photovoltaics Business.

High Likelihood of Consummation. The Board's view that the Asset Sale has a high likelihood of being completed in a timely manner given the commitment of both parties to complete the Asset Sale pursuant to their respective obligations under the asset purchase agreement, the absence of any significant closing conditions under the Asset Purchase Agreement, other than shareholder approval, expiration or termination of the applicable waiting period under U.S. antitrust laws, and certain third-party consents, and the likelihood that shareholder approval and financing for Veritas Capital would be obtained.

Terms and Conditions of the Asset Purchase Agreement. The Board's view that the following terms and conditions of the Asset Purchase Agreement were favorable to the Company:

Purchaser will assume all liabilities primarily relating to or arising out of the Photovoltaics Business, including pre-closing liabilities.

The Company has no post-closing liability to Purchaser for claims alleging breach of representations or warranties, other than in the event of fraud or intentional misrepresentation or claims alleging breach of representations or warranties concerning (i) organization, authority and qualification, (ii) tax matters, (iii) title and (iv) brokers.

The Company may terminate the asset purchase agreement, under certain circumstances, in order to accept a Superior Proposal, and the Board may otherwise change its recommendation relating to the approval of the asset purchase agreement in order to act in

Table of Contents

a manner consistent with its fiduciary duties (which, in the event of such acceptance of a Superior Proposal or change in the Board's recommendation, may require the Company to pay Purchaser a \$5.33 million termination fee).

Not later than five days before the closing of the Asset Sale, Purchaser or one of its affiliates is required to offer employment to all of the Company's employees who primarily perform services in respect of the Photovoltaics Business on terms and conditions that, for one year after the closing, would provide the employees who accept the offer and remain employed (i) with base salary or wage rates, non-equity based incentives and other cash compensation that are substantially similar, in the aggregate, to those in effect immediately prior to the closing of the Asset Sale and (ii) with employee benefits (exclusive of deferred compensation, severance and supplemental executive retirement benefits) that, in the aggregate, are substantially similar to those in effect immediately prior to the closing.

An ancillary agreement to the asset purchase agreement provides for the continued supply of certain predetermined components manufactured by the Photovoltaics Business used in certain products of the Company's telecommunications business, following the closing of the Asset Sale.

The Board also considered a variety of risks and other potentially negative factors concerning the Asset Purchase Agreement and the transactions contemplated thereby, including, among others, the following:

the possibility that the Asset Sale may not be completed, or that completion may be delayed for reasons that are beyond the control of the Company, including the failure of the Company's shareholders to approve the sale of the Photovoltaics Business, the failure of Veritas Capital to obtain the requisite financing, the failure of the Company to obtain the requisite antitrust regulatory approval, or the failure of the Company to obtain specified third-party consents that are a condition to the closing of the Asset Sale;

the risks and contingencies relating to the announcement and pendency of the Asset Sale and the risk and costs to the Company if the Asset Sale is not completed, including the effect of an announcement of termination of the Asset Purchase Agreement on the trading price of the Company's common stock, business, and relationships with its customers, suppliers and employees;

if the Asset Purchase Agreement is terminated under certain circumstances, the obligation of the Company to pay Purchaser a termination fee of \$5.33 million and up to \$2 million in expense reimbursement, which, in the event of a termination fee, is credited against the termination fee;

the reverse termination fee of \$8.0 million may not be sufficient to fully compensate the Company for the costs associated with the failure to complete the Asset Sale;

the restrictions on the Company's operation of the Photovoltaics Business between the date of the Asset Purchase Agreement and the consummation of the Asset Sale;

the requirement that the Company fully vest all stock options and restricted stock units held as of immediately before the closing of the Asset Sale by any employee of the Photovoltaics Business who accepts an employment offer with Purchaser;

the incurrence of significant costs and expenses in connection with completing the Asset Sale, including the substantial amount of management time and effort that will be devoted to consummating the Asset Sale, which may adversely affect the Other Businesses;

the greater concentration of the Company's operations, which will be significantly smaller and more dependent on fewer customers, following the closing of the Asset Sale;

Table of Contents

the operating losses of the Company, which, on a pro forma basis, will be greater following the Asset Sale and which the Company will continue to experience while the Restructuring Plans are implemented;

the risk that the Other Businesses may not achieve break-even adjusted EBITDA despite the full implementation of the Restructuring Plans;

the absence of dissenters' rights for the Company's shareholders with respect to the Asset Sale under New Jersey law;

as compared with a cash-out merger transaction, the uncertainty regarding the timing and amount of any cash distributions made by the Company to its shareholders, and the resulting tax treatment of any such distribution, following the Asset Sale, if the Board were to pursue making a cash distribution to its shareholders; and

the other factors described under "Risk Factors."

In addition to considering the factors described above, the Board considered the fact that some of the Company's executive officers have interests in the Asset Sale that are different from, or in addition to, the interests of the Company's shareholders generally, as discussed under "Interests of the Certain Persons in the Asset Sale."

The above discussion of the factors considered by the Board is not intended to be exhaustive, but does set forth certain material factors considered by the Board. In view of the wide variety of factors considered in connection with its evaluation of the Asset Sale and the complexity of these matters, the Board did not consider it practicable to, and did not attempt to, quantify or otherwise assign relative or specific weight or values to any of these factors, and individual directors may have held varied views of the relative importance of the factors considered. The Board viewed its position and recommendation as being based on an overall review of the totality of the information available to it, including discussions with the Company's senior management and legal and financial advisors, and overall considered these factors to be favorable to, and to support, its determination regarding the Asset Sale.

This explanation of the Board's reasons for the Asset Sale and other information presented in this section is forward-looking in nature and should be read in light of the "Cautionary Statement Concerning Forward-Looking Statements."

Recommendation of Our Board of Directors

The Board has determined that the terms and conditions of the Asset Purchase Agreement and the transactions contemplated thereby, including the Asset Sale, are desirable and in the best interests of EMCORE and its shareholders. This determination was made by a unanimous vote of the members of the Board. The Board unanimously recommends that our shareholders vote "**FOR**" the authorization of the Asset Sale Proposal.

Opinion of EMCORE's Financial Advisor

EMCORE retained Raymond James as financial advisor on December 19, 2013. EMCORE retained Raymond James based on its qualifications and experience in providing financial advice, on its reputation as a nationally recognized investment banking firm and its experience in the aerospace and defense sector. As part of its investment banking business, Raymond James regularly engages in the valuation of assets, securities and companies in connection with various of asset and securities transactions, including mergers, acquisitions, going-private transactions, private placements and valuations for various other purposes, and in the determination of the adequacy of consideration in such transactions. Pursuant to that engagement, the Board requested that Raymond James evaluate the

fairness, from a financial point of view, to EMCORE of the Consideration to be received by EMCORE in the Asset Sale pursuant to the Asset Purchase Agreement.

At the September 16, 2014 meeting of the Board, representatives of Raymond James rendered its oral opinion, which was subsequently confirmed by delivery of a written opinion to the Board, dated September 16, 2014, as to the fairness, as of such date, from a financial point of view, to EMCORE of the Consideration to be received by EMCORE in the Asset Sale pursuant to the Asset Purchase Agreement, based upon and subject to the qualifications, assumptions, limitations and other matters considered in connection with the preparation of its opinion.

The full text of the written opinion of Raymond James is attached as *Annex C* to this Proxy Statement. The summary of the opinion of Raymond James set forth in this document is qualified in its entirety by reference to the full text of such written opinion. Holders of EMCORE common stock are urged to read this opinion in its entirety.

Raymond James provided its opinion for the information of the Board (solely in its capacity as such) in connection with, and for purposes of, its consideration of the Asset Sale and its opinion only addresses whether the Consideration to be received by EMCORE in the Asset Sale pursuant to the Asset Purchase Agreement was fair, from a financial point of view, to EMCORE. The opinion of Raymond James does not address any other term or aspect of the Asset Purchase Agreement or the Asset Sale. The Raymond James opinion does not constitute a recommendation to the Board or to any holder of EMCORE common stock as to how the Board, such shareholder or any other person should vote or otherwise act with respect to the Asset Sale or any other matter.

In connection with its review of the proposed Asset Sale and the preparation of its opinion, Raymond James, among other things:

reviewed a draft of the Asset Purchase Agreement, dated September 16, 2014, which we refer to in this section as the Draft Agreement;

reviewed certain information related to the historical, current and future operations, financial condition and prospects of the Photovoltaics Business made available to Raymond James by EMCORE, including, but not limited to, financial projections prepared by the management of EMCORE relating to the Photovoltaics Business for the fiscal years ending September 30, 2014 through September 30, 2018, as approved for Raymond James's use by EMCORE which we refer to in this section as the "Projections";

reviewed EMCORE's recent public filings and certain other publicly available information regarding EMCORE and the Photovoltaics Business;

reviewed financial, operating and other information regarding the Photovoltaics Business and the industry in which it operates;

reviewed the financial and operating performance of the Photovoltaics Business and those of other selected public companies, including the current market prices of the publicly traded securities of such companies, that Raymond James deemed to be relevant;

considered the publicly available financial terms of certain transactions that Raymond James deemed to be relevant;

reviewed a certificate addressed to Raymond James from a member of senior management of EMCORE regarding, among other things, the accuracy of the information, data and other materials (financial or otherwise) provided to, or discussed with, Raymond James by or on behalf of EMCORE;

conducted such other financial studies, analyses and inquiries and considered such other factors, as Raymond James deemed appropriate; and

discussed with members of the senior management of EMCORE certain information relating to the aforementioned and any other matters which Raymond James deemed relevant to its inquiry.

With EMCORE's consent, Raymond James assumed and relied upon the accuracy and completeness of all information supplied by or on behalf of EMCORE, or otherwise reviewed by or discussed with Raymond James, and Raymond James did not undertake any duty or responsibility to, nor did Raymond James, independently verify any of such information. Raymond James did not make or obtain an independent appraisal of the assets or liabilities (contingent or otherwise) of the Photovoltaics Business. With respect to the Projections and any other information and data provided to or otherwise reviewed by or discussed with Raymond James, Raymond James, with EMCORE's consent, assumed that the Projections and such other information and data were reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of management of EMCORE and Raymond James relied upon EMCORE to advise Raymond James promptly if any information previously provided became inaccurate or was required to be updated during the period of its review. Raymond James expressed no opinion with respect to the Projections or the assumptions on which they were based. Raymond James relied upon and assumed, without independent verification, that the final form of the Asset Purchase Agreement would be substantially similar to the Draft Agreement reviewed by Raymond James in all respects material to its analysis, and that the Asset Sale would be consummated in accordance with the terms of the Asset Purchase Agreement without waiver of or amendment to any of the conditions thereto. Furthermore, Raymond James assumed, in all respects material to its analysis, that the representations and warranties of each party contained in the Asset Purchase Agreement were true and correct and that each party would perform all of the covenants and agreements required to be performed by it under the Asset Purchase Agreement without being waived. Raymond James also relied upon and assumed, without independent verification, that (i) the Asset Sale would be consummated in a manner that complies in all respects with all applicable international, federal and state statutes, rules and regulations, and (ii) all governmental, regulatory or other consents and approvals necessary for the consummation of the Asset Sale would be obtained and that no delay, limitations, restrictions or conditions would be imposed or amendments, modifications or waivers made that would have an effect on the Asset Sale, the Photovoltaics Business or EMCORE that would be material to its analysis or opinion. Raymond James was advised by EMCORE that there were no audited financial statements for the Photovoltaics Business and, accordingly, Raymond James relied upon and assumed, without independent verification and with EMCORE's consent, that there would be no information contained in any such financial statements not otherwise discussed with or reviewed by Raymond James that would have been material to its analyses or its opinion.

Raymond James expressed no opinion as to the underlying business decision to affect the Asset Sale, the structure or tax consequences of the Asset Sale, or the availability or advisability of any alternatives to the Asset Sale. The Raymond James opinion is limited to the fairness, from a financial point of view, of the Consideration to be received by EMCORE. Raymond James expressed no opinion with respect to any other reasons (legal, business, or otherwise) that may support the decision of the Board to approve or consummate the Asset Sale. Furthermore, no opinion, counsel or interpretation was intended by Raymond James on matters that require legal, accounting or tax advice. Raymond James assumed that such opinions, counsel or interpretations had been or would be obtained from appropriate professional sources. Furthermore, Raymond James relied, with the consent of EMCORE, on the fact that EMCORE was assisted by legal, accounting and tax advisors, and, with the consent of EMCORE relied upon and assumed the accuracy and completeness of the assessments by EMCORE and its advisors, as to all legal, accounting and tax matters with respect to the Photovoltaics Business, EMCORE and the Asset Sale.

In formulating its opinion, Raymond James considered only the Consideration to be received by EMCORE, and Raymond James did not consider, and its opinion did not address, the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or

employees of EMCORE, or such class of persons, in connection with the Asset Sale whether relative to the Consideration or otherwise. Raymond James was not requested to opine as to, and its opinion did not express an opinion as to or otherwise address, among other things: (1) the fairness of the Asset Sale to the holders of any class of securities, creditors or other constituencies of EMCORE, or to any other party, except and only to the extent expressly set forth in the last sentence of its opinion or (2) the fairness of the Asset Sale to any one class or group of EMCORE's or any other party's security holders or other constituents vis-à-vis any other class or group of EMCORE's or such other party's security holders or other constituents (including, without limitation, the allocation of any consideration to be received in the Asset Sale amongst or within such classes or groups of security holders or other constituents). Raymond James expressed no opinion as to the impact of the Asset Sale on the solvency or viability of EMCORE or Purchaser or the ability of EMCORE or Purchaser to pay their respective obligations when they come due.

Material Financial Analyses

The following summarizes the material financial analyses reviewed by Raymond James with the Board at its meeting on September 16, 2014, which material was considered by Raymond James in rendering its opinion. No company or transaction used in the analyses described below is identical or directly comparable to the Photovoltaics Business, EMCORE, or the contemplated Asset Sale.

For purposes of its analysis, Raymond James reviewed a number of financial metrics, including the following (which were provided by EMCORE management):

Fully Burdened Earnings before Interest, Taxes, Depreciation and Amortization ("EBITDA") EMCORE allocates approximately \$5.5 million of annual corporate expenses to the Photovoltaics Business, which is the basis on which EMCORE measures the Photovoltaics Business' performance internally. Fully Burdened EBITDA represents the EBITDA of the Photovoltaics Business under EMCORE's ownership with the full allocation of corporate-level expenses.

Pro Forma EBITDA Management of EMCORE estimated that annual costs of only approximately \$700,000 would be required to operate the Photovoltaics Business on a stand-alone basis. Therefore, Pro Forma EBITDA represents the EBITDA of the Photovoltaics Business without the allocation of any corporate-level expenses from EMCORE but rather with the \$700,000 of expenses estimated by EMCORE management to operate the Photovoltaics Business on a stand-alone basis. With respect to these estimated costs, Raymond James, with EMCORE's consent, assumed that they were reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of management of EMCORE and Raymond James relied upon EMCORE to advise Raymond James promptly if any information previously provided became inaccurate or was required to be updated during the period of its review. Raymond James expressed no opinion with respect to these estimated costs or the assumptions on which they were based.

Selected Companies Analysis. Raymond James analyzed the relative valuation multiples of nine selected publicly-traded companies in the aerospace and defense industry that it deemed relevant based on a comparison of overall company profiles and for which future financial estimates were publicly available, including:

L-3 Communications Holdings, Inc.

Alliant Techsystems Inc.

Exelis Inc.

Teledyne Technologies Incorporated

MacDonald, Dettwiler and Associates Ltd.

Raymond James calculated various financial multiples for each company, including enterprise value (market value plus debt, plus minority interests, less cash and equivalents) compared to both revenue and EBITDA for the most recent actual twelve month results, referred to as TTM, as well as to Wall Street research analysts' projected revenue and EBITDA for the selected companies for calendar years ending December 31, 2014 and 2015, referred to as CY14 and CY15. The estimates published by Wall Street research analysts were not prepared in connection with the Asset Sale or at the request of Raymond James and may or may not prove to be accurate. Raymond James reviewed the mean, median, minimum and maximum relative valuation multiples of the selected public companies and compared them to corresponding valuation multiples for the Photovoltaics Business implied by the Consideration of \$150 million in cash. The results of the selected public companies analysis are summarized below:

	Enterprise Value / Revenue			Enterprise Value / EBITDA		
	TTM	CY14E	CY15E	TTM	CY14E	CY15E

Consideration Pro Forma EBITDA	1.92x	2.07x	1.93x	8.8x	9.6x	8.3x

Furthermore, Raymond James applied the mean, median, minimum and maximum relative valuation multiples for each of the metrics to the actual and projected financial results of the Photovoltaics Business and then compared those implied enterprise values to the Consideration of \$150 million in cash. The results of this are summarized below (\$ in millions):

	Enterprise Value / Revenue			Enterprise Value / Fully Burdened EBITDA			Enterprise Value / Pro Forma EBITDA

Selected Transaction Analysis. Raymond James analyzed publicly available information relating to selected acquisitions of aerospace and defense companies announced since January 1, 2011 and prepared a summary of the relative valuation multiples paid in these transactions. The acquisitions considered included asset sales, mergers and other transaction structures involving seller companies selected based on a comparison of overall company profiles, with acquirors including both strategic and financial acquirors. The announcement dates, target companies and acquirors in the selected transactions used in the analysis included:

Raymond James examined valuation multiples of transaction enterprise value compared to the target companies' TTM revenue and EBITDA, in each case, where such information was publicly available. Raymond James reviewed the mean, median, minimum and maximum relative valuation multiples of the selected transactions and compared them to corresponding valuation multiples for the Photovoltaics Business implied by the Consideration. Furthermore, Raymond James applied the mean, median, minimum and maximum relative valuation multiples to the actual trailing twelve months revenue, Fully Burdened EBITDA and Pro Forma EBITDA of the Photovoltaics Business to determine the implied enterprise value and then compared those implied enterprise values to the Consideration of \$150 million in cash. The results of the selected transactions analysis are summarized below:

	Enterprise Value/TTM Revenue	Enterprise Value/TTM EBITDA
Mean	1.52x	9.1x
Median	1.52x	9.0x
Minimum	0.51x	4.1
Maximum	2.50x	16.2x
Consideration Fully Burdened EBITDA	1.92x	12.0x
Consideration Pro Forma EBITDA	1.92x	8.8x

Furthermore, Raymond James applied the mean, median, minimum and maximum relative valuation multiples for each of the metrics to the actual and projected financial results of the Photovoltaics Business and then compared those implied enterprise values to the Consideration of \$150 million in cash. The results of this are summarized below (\$ in millions):

	Enterprise Value / Revenue TTM	Enterprise Value / Fully Burdened EBITDA TTM	Enterprise Value / Pro Forma EBITDA TTM
Mean	\$ 119.0	\$ 113.4	\$ 154.8
Median	119.0	112.7	153.9
Minimum	40.2	50.8	69.4
Maximum	195.6	202.0	275.7

Discounted Cash Flow Analysis. Raymond James analyzed the discounted present value of the projected free cash flows of the Photovoltaics Business for the twelve months ending September 30, 2014 through September 30, 2018 using both Fully Burdened EBITDA and Pro Forma EBITDA. Raymond James used unleveraged free cash flows, defined as earnings before interest, after taxes, plus depreciation and amortization, less capital expenditures, less investment in working capital. Based upon EMCORE's net operating losses being carried forward, management of EMCORE informed Raymond James that it did not expect EMCORE to pay corporate taxes during the period of the Projections.

The discounted cash flow analysis was based on the Projections. Consistent with the periods included in the Projections, Raymond James used trailing twelve months September 30, 2018 as the final year for the analysis and applied multiples, ranging from 7.5x to 9.5x, to trailing twelve months September 30, 2018 Fully Burdened and Pro Forma EBITDA in order to derive a range of terminal values for the Photovoltaics Business in 2018.

The projected unleveraged free cash flows and terminal values were discounted using rates ranging from 13.0% to 15.0%, which reflected the weighted average after-tax cost of debt and equity capital associated with executing EMCORE's business plan for the Photovoltaics Business. Raymond James reviewed the range of enterprise values derived in the discounted cash flow analysis and compared

Table of Contents

them to the Consideration of \$150 million in cash. The results of the discounted cash flow analysis are summarized below (\$ in millions):

	Enterprise Value based on Fully Burdened EBITDA	Enterprise Value based on Pro Forma EBITDA
Minimum	\$ 104.3	\$ 140.8
Maximum	\$ 130.8	\$ 175.2

Additional Considerations. The preparation of a fairness opinion is a complex process and is not susceptible to a partial analysis or summary description. Raymond James believes that its analyses must be considered as a whole and that selecting portions of its analyses, without considering the analyses taken as a whole, would create an incomplete view of the process underlying its opinion. In addition, Raymond James considered the results of all such analyses and did not assign relative weights to any of the analyses, but rather made qualitative judgments as to significance and relevance of each analysis and factor, so the ranges of valuations resulting from any particular analysis described above should not be taken to be the view of Raymond James as to the actual value of the Photovoltaics Business.

In performing its analyses, Raymond James made numerous assumptions with respect to industry performance, general business, economic and regulatory conditions and other matters, many of which are beyond the control of EMCORE. The analyses performed by Raymond James are not necessarily indicative of actual values, trading values or actual future results which might be achieved, all of which may be significantly more or less favorable than suggested by such analyses. Such analyses were provided to the Board (solely in its capacity as such) and were prepared solely as part of the analysis of Raymond James of the fairness, from a financial point of view, to EMCORE of the Consideration to be received by EMCORE in connection with the proposed Asset Sale pursuant to the Asset Purchase Agreement. The analyses do not purport to be appraisals or to reflect the prices at which companies may actually be sold, and such estimates are inherently subject to uncertainty. The opinion of Raymond James was one of many factors taken into account by the Board in making its determination to approve the Asset Sale. Neither Raymond James's opinion nor the analyses described above should be viewed as determinative of the Board's or EMCORE management's views with respect to the Photovoltaics Business, EMCORE, or the Asset Sale. Raymond James provided advice to EMCORE with respect to the proposed Asset Sale. Raymond James did not, however, recommend any specific amount of consideration to the Board or that the Consideration constituted the only appropriate consideration for the Asset Sale. EMCORE placed no limits on the scope of the analysis performed, or opinion expressed, by Raymond James.

The Raymond James opinion was necessarily based upon market, economic, financial and other circumstances and conditions existing and disclosed to it on September 15, 2014, and any material change in such circumstances and conditions may affect the opinion of Raymond James, but Raymond James does not have any obligation to update, revise or reaffirm that opinion. Raymond James relied upon and assumed, without independent verification, that there had been no change in the business, assets, liabilities, financial condition, results of operations, cash flows or prospects of the Photovoltaics Business since the respective dates of the most recent financial statements and other information, financial or otherwise, provided to Raymond James that would be material to its analyses or its opinion, and that there was no information or any facts that would make any of the information reviewed by Raymond James incomplete or misleading in any material respect. Raymond James also relied upon and assumed, without independent verification, at the direction of EMCORE, that any adjustments to the Consideration pursuant to the Asset Purchase Agreement will not be material to its analyses or its opinion.

During the two years preceding the date of Raymond James's written opinion, Raymond James has not been engaged by, performed services for or received any compensation from the Company (other

than any amounts that were paid or may be paid to Raymond James under the engagement letter described in this proxy statement pursuant to which Raymond James was retained as a financial advisor to the Company to assist in reviewing strategic alternatives). Raymond James's engagement pursuant to the engagement letter covers additional services unrelated to the Asset Sale which Raymond James has performed concurrently with its services related to the Asset Sale and for which Raymond James expects to receive customary compensation in accordance with the terms of the engagement letter, none of which is contingent upon the closing of the Asset Sale. During the two years preceding the date of Raymond James's written opinion, Raymond James has not been engaged by, performed services for or received any compensation from the Veritas Fund or Purchaser.

EMCORE will pay Raymond James a fee of \$2.4 million for advisory services in connection with the Asset Sale, against which \$400,000 of the opinion fees of \$550,000 and a previously paid retainer of \$50,000 will be credited and the remaining \$1.8 million of which is contingent upon the closing of the Asset Sale. EMCORE also agreed to reimburse Raymond James for its expenses incurred in connection with its services, including the fees and expenses of its counsel, and will indemnify Raymond James against certain liabilities arising out of its engagement.

Raymond James is actively involved in the investment banking business and regularly undertakes the valuation of investment securities in connection with public offerings, private placements, business combinations and similar transactions. In the ordinary course of business, Raymond James may trade in the securities of EMCORE for its own account and for the accounts of its customers and, accordingly, may at any time hold a long or short position in such securities. Raymond James may provide investment banking, financial advisory and other financial services to EMCORE and/or Veritas Capital and its affiliates, certain of its portfolio companies, or other participants in the Asset Sale in the future, for which Raymond James may receive compensation.

Prospective Financial Information

EMCORE does not as a matter of course make public projections as to future revenues, gross margins, operating income or other results due to, among other reasons, business volatility and the uncertainty of the underlying assumptions and estimates. However, EMCORE is including selected prospective financial information for the Photovoltaics Business in this Proxy Statement to provide our shareholders with access to certain non-public unaudited projected financial information that was made available to our board of directors and Raymond James in connection with the Asset Sale.

EMCORE does not assume any responsibility for the accuracy of this information. The selected prospective financial information is not being included in this Proxy Statement to influence an EMCORE shareholder's decision whether to vote in favor of Asset Sale Proposal, but because it represents prospective financial information prepared by management of EMCORE that was used for purposes of the financial analyses performed by our financial advisor.

The unaudited prospective financial information was not prepared with a view toward complying with U.S. generally accepted accounting principles ("GAAP"), the published guidelines of the SEC regarding projections or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Accordingly, the unaudited prospective financial information is not in accordance with or an alternative for GAAP, and may be different from non-GAAP measures used by other companies. free cash flow is a non-GAAP financial performance measure that represents EBITDA less investments in working capital, capital expenditures and taxes. The fully burdened unlevered free cash flow prospective financial information was derived from the fully burdened EBITDA prospective financial information and the pro forma unlevered free cash flow prospective financial information was derived from the pro forma EBITDA prospective financial information.

Although presented with numeric specificity, the unaudited prospective financial information reflects numerous estimates and assumptions with respect to the markets in which the Company operates, the opportunities for revenue growth, economic conditions both generally and specifically within our industries, the demand for EMCORE's products and services, and matters specific to EMCORE's business, all of which are difficult to predict and many of which are beyond EMCORE's control. The unaudited prospective financial information was prepared solely for internal use and is subjective in many respects. As a result, although this information was prepared by management of EMCORE based on estimates and assumptions that management believed were reasonable at the time, there can be no assurance that the prospective results would be realized or that actual results would not be significantly higher or lower than estimated. Since the unaudited prospective financial information covers multiple years, such information by its nature becomes less predictive with each successive year.

Readers of this Proxy Statement are cautioned not to place undue reliance on the unaudited prospective financial information set forth above. Shareholders are urged to review EMCORE's Annual Report on Form 10-K for the fiscal year ended September 30, 2013, Quarterly Reports on Form 10-Q for the quarters ended December 31, 2013, March 31, 2014 and June 30, 2014 and future SEC filings for a description of risk factors with respect to EMCORE's business. See "Cautionary Statement Regarding Forward-Looking Statements" and "Where You Can Find More Information." No representation is made by EMCORE, Purchaser or any other person to any shareholder regarding the ultimate performance of EMCORE compared to the unaudited prospective financial information. No representation was made by EMCORE to Purchaser in the Asset Purchase Agreement concerning this information.

Except as required by applicable securities laws, EMCORE does not intend to update or otherwise revise the prospective financial information to reflect circumstances existing after the date when made or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying such prospective financial information are no longer appropriate.

Activities of EMCORE Following the Asset Sale

Among its reasons for approving the Asset Sale, the Board believes the proceeds from the Asset Sale will better capitalize the Company and enable consideration of a broader range of options to provide value to the Company's shareholders, including, among other things, the possible distribution of cash to the Company's shareholders through one or more special dividends, the repurchase of outstanding shares of the Company's common stock, investing the net proceeds in our Other Businesses, or a combination thereof. The Board (and the Strategy Committee) will continue to review the Company's ongoing strategy, business plan and long-term forecasts for our Other Businesses, as well as the Company's strategic alternatives prior to and following the consummation of the Asset Sale. Following the Asset Sale, the Company will continue to be a public company operating under the name EMCORE Corporation, and the Other Businesses will account for all of the Company's revenues.

U.S. Federal Income Tax Consequences of the Asset Sale

The following discussion is a general summary of the anticipated U.S. federal income tax consequences of the Asset Sale. This summary is based upon existing United States federal tax law, which is subject to differing interpretations or change, possibly with retroactive effect. No ruling has

Table of Contents

been sought from the Internal Revenue Service (the "IRS") with respect to any United States federal income tax consequences described below, and there can be no assurance that the IRS or a court will not take a contrary position. In addition, this summary does not discuss any non-United States, alternative minimum tax, state, or local tax considerations.

The proposed Asset Sale by us is entirely a corporate action. Our U.S. shareholders will not realize any gain or loss for U.S. federal income tax purposes as a result of the Asset Sale.

The proposed Asset Sale will be treated as a sale of corporate assets in exchange for cash and the assumption of certain liabilities. The proposed Asset Sale is a taxable transaction for U.S. federal income tax purposes, and we anticipate that we will realize a gain for U.S. federal income tax purposes as a result of the Asset Sale. However, if we realize any gain as a result of the Asset Sale, we anticipate that our tax attributes, including our net operating loss carry forwards, will be available to offset all or a portion of our U.S. federal income tax liability resulting from such gain. The determination of whether we will realize gain or loss on the Asset Sale and whether and to what extent our tax attributes will be available is highly complex and is based in part upon facts that will not be known until the completion of the Asset Sale. See "Risk Factors we may undergo, or may already have undergone, an 'ownership change' within the meaning of Section 382 of the Code, which could affect our ability to offset gains, if any, realized in the Asset Sale against our net operating losses and certain of our tax credit carryovers." Therefore, it is possible that we will incur a U.S. federal income tax liability as a result of the proposed Asset Sale.

Accounting Treatment of the Asset Sale

The Asset Sale will be accounted for as a "sale" by EMCORE, as that term is used under generally accepted accounting principles, for accounting and financial reporting purposes.

Government Approvals

Under the HSR Act and the rules and regulations promulgated thereunder, Purchaser and EMCORE are required to make certain filings with the Antitrust Division of the U.S. Department of Justice (the "DOJ"), and the U.S. Federal Trade Commission (the "FTC"). The Asset Sale may not be consummated until the applicable waiting periods under the HSR Act have expired or have been terminated. Purchaser and EMCORE each filed their respective notification and report forms with the DOJ and the FTC under the HSR Act on October 1, 2014 and early termination of the waiting period under the HSR Act was granted on October 15, 2014.

During or after the statutory waiting periods and clearance of the Asset Sale, and even after completion of the Asset Sale, either the DOJ, the FTC or other U.S. governmental authorities could take action under the antitrust laws with respect to the Asset Sale as they deem necessary or desirable in the public interest, including seeking to enjoin the completion of the Asset Sale, to rescind the Asset Sale or to conditionally approve the Asset Sale upon the divestiture of assets of Purchaser's or EMCORE's or to impose restrictions on the operation of the combined company post-closing. Moreover, in some jurisdictions, a competitor, customer, state Attorney General or other third party could initiate a private action under the antitrust laws challenging or seeking to enjoin the Asset Sale, before or after it is completed.

We believe we are not required to make any other material filings or obtain any material governmental consents or approvals before the consummation of the Asset Sale. If any approvals, consents or filings are required to consummate the Asset Sale, we will seek or make such consents, approvals or filings as promptly as possible.

There can be no guarantee that the Asset Sale will not be challenged on antitrust grounds or, if such challenge is made, that the challenge will not be successful. Similarly, there can be no assurance

Table of Contents

that Purchaser or EMCORE will obtain the regulatory approvals necessary to consummate the Asset Sale or that the granting of these approvals will not involve the imposition of conditions to the consummation of the Asset Sale or require changes to the terms of the Asset Sale. These conditions or changes could result in the conditions to the Asset Sale not being satisfied prior to the Outside Date, as defined under the Asset Purchase Agreement, which would allow Purchaser to terminate the Asset Purchase Agreement. See "Proposal No. 1: The Asset Sale The Asset Purchase Agreement Termination of the Asset Purchase Agreement."

No Dissenters' Rights

Shareholders may vote against the authorization of the Asset Sale Proposal, but under New Jersey law dissenters' rights are not provided to shareholders in connection with the Asset Sale because our common stock was listed on a national securities exchange as of the Record Date.

Interests of Certain Persons in the Asset Sale

As described below, our executive officers may have interests in the Asset Sale that are different from, or are in addition to, the interests of our shareholders generally. Our board of directors was aware of these interests and considered them, among other matters, in approving the Asset Purchase Agreement.

Impact on Equity Awards

Our executive officers will become fully vested in the restricted stock units held by them upon consummation of the Asset Sale (or as described below, upon an earlier qualifying termination of their employment). Each restricted stock unit ("RSU") represents the right to receive one share of our common stock. The following table sets forth, for each of our executive officers, the number of restricted stock units credited to them as of September 30, 2014:

Executive Officer	Number of RSUs
Hong Q. Hou, Ph.D.	110,936
Mark B. Weinswig	81,333
Monica Van Berkel	52,256
Alfredo Gomez	52,000

For each of the executive officers, the following number of units will vest before the January 31, 2015 in the ordinary course even if the Asset Sale has not yet occurred provided the executive's employment has not yet terminated: Dr. Hou 44,270; Mr. Weinswig 31,333; Ms. Van Berkel 20,590; and Mr. Gomez 20,334.

In addition, as of October 11, 2014, Mr. Weinswig held unvested stock options to purchase 15,000 shares of our common stock at a per-share price of \$3.80. The vesting of those options will accelerate upon consummation of the Asset Sale.

All other equity incentive compensation awards held by our executive officers are fully vested.

Table of Contents

Executive Officer Employment Agreements

Other than Dr. Hou, our executive officers are party to employment agreements with us that provide them with certain severance benefits. If the executive's employment is terminated by us without cause or by the executive for good reason within three years following the consummation of the Asset Sale, the executive will receive the following benefits, provided that he or she executes and does not revoke a general release of claims against the Company and complies with the confidentiality, nondisclosure, nonsolicitation and other restrictive covenants set out in the employment agreement: (i) continued payment of base salary for a period of one year plus two weeks, plus an additional two weeks for each whole year that the executive was employed by us; (ii) continued payment of the employer portion of medical benefits for up to 18 months; (iii) payment of outplacement services with a value up to \$15,000; and (iv) immediate vesting of outstanding equity awards (excluding performance-based awards, although no currently outstanding equity awards are performance-based).

Separation Agreement with our Chief Executive Officer

The Company is party to a Separation Agreement and General Release with Dr. Hou pursuant to which, as of January 2, 2015 or, if later, fifteen days following the date on which the Company hires a successor Chief Executive Officer, Dr. Hou will cease to serve as a director of the Company and as an officer or employee with the Company and its affiliates. During the period preceding the separation date, Dr. Hou will continue to receive his existing compensation and benefits. Pursuant to his separation agreement and as contemplated by a prior employment agreement between the Company and Dr. Hou, upon his termination Dr. Hou will receive continued base pay for 86 weeks, continued payment of the employer portion of medical benefits for up to 18 months, payment of outplacement services with a value up to \$15,000 and immediate vesting of outstanding equity awards. In consideration for such benefits, Dr. Hou must enter into a release of claims against the Company and comply with the confidentiality, nondisclosure, nonsolicitation and other restrictive covenants set out in his employment agreement.

Executive Officer Retention Agreements

The Company is party to retention award letter agreements with each of its executive officers. Pursuant to the agreements, the executives will be entitled to the following payments if the Asset Sale closes before September 17, 2015: Dr. Hou \$921,500; Mr. Weinswig \$526,500; Ms. Van Berkel \$330,000; and Mr. Gomez \$330,000. One-half of the applicable amount is payable upon the closing of the Asset Sale and the remainder is paid six months after closing, in each case generally subject to continued employment. If an executive (other than Dr. Hou) is terminated without cause or, subject to the waiver described below, terminates for good reason or if Dr. Hou is terminated under circumstances entitling him to payment under his separation agreement described above, any unpaid retention attributable to a prior closing of the Asset Sale is immediately payable in full and any retention attributable to a closing that is consummated within 60 days after termination is immediately payable in full. The executives (other than Dr. Hou) agree not to assert that any changes in their position, duties or responsibilities or other terms and conditions of employment attributable to the disposition of only the Company's telecommunications or broadband businesses individually constitute good reason. If the executive subsequently successfully asserts good reason in connection with the Asset Sale by reason of a diminution in position, duties or responsibilities or other terms and conditions of employment, the severance otherwise payable to the executive will be reduced by any retention already paid.

Quantification of Potential Payments to Named Executive Officers in Connection with the Asset Sale

In accordance with Item 402(t) of Regulation S-K, the table below sets forth the estimated amounts of compensation that are based on or otherwise relate to the Asset Sale and that may be payable to those individuals who were listed in the "Summary Compensation Table" that was

Table of Contents

incorporated into our Annual Report on Form 10-K for the fiscal year ended September 30, 2013, or our "named executive officers." These amounts have been calculated assuming the Asset Sale is consummated on September 30, 2014, and, where applicable, assuming each named executive officer experiences a qualifying termination of employment as of that date. To the extent applicable, calculations of cash severance are based on the named executive officer's current base salary. See the beginning of this section for further information about the compensation disclosed in the table below. The amounts indicated below are estimates of amounts that would be payable to the named executive officers and the estimates are based on multiple assumptions that may or may not actually occur, including assumptions described in this Proxy Statement. Some of the assumptions are based on information not currently available and as a result the actual amounts, if any, received by a named executive officer may differ in material respects from the amounts set forth below.

- (2) *Cash.* Represents the value of cash severance payments payable under the applicable named executive officer's employment or separation agreement (Dr. Hou \$744,966 (payable over 86 weeks); Mr. Weinswig \$300,000 (payable over 60 weeks); Ms. Van Berkel \$334,424 (payable over 74 weeks); and Mr. Gomez \$287,692 (payable over 68 weeks)) and amounts payable under the applicable named executive officer's retention award letter agreement (Dr. Hou \$921,500; Mr. Weinswig \$526,500; Ms. Van Berkel \$330,000; and Mr. Gomez \$330,000) one half of which is payable upon consummation of the Asset Sale and the remainder of which generally is payable six months after closing, in each case as more fully described in "Proposal No. 1: The Asset Sale Interests of Certain Persons in the Asset Sale." The severance payments are subject to execution and nonrevocation of a general release of claims against the Company and compliance with certain confidentiality, nondisclosure, nonsolicitation and other restrictive covenants.
- (3) *Equity.* Represents the value of accelerated vesting of the applicable named executive officer's equity awards that will occur by reason of consummation of the Asset Sale. The values shown are based on a per-share value of \$5.79, the average closing price of a share of our common stock over the first five business days following the first public announcement of the proposed Asset Sale transaction on September 17, 2014, which is the amount that Regulation S-K requires that we use for purposes of this table. If the Asset Sale were consummated on January 31, 2015, additional equity award vesting would have occurred in the ordinary course subject to the continued employment of the respective named executive officer and the amounts shown in the table instead would be as follows: Dr. Hou \$385,996; Mr. Weinswig \$319,350; Ms. Van Berkel \$183,346; and Mr. Gomez \$183,346.

Indemnification of Officers and Directors

We have also entered into our standard form of indemnification agreement with each of our directors and executive officers, which is in addition to the indemnification provided for in our restated certificate of incorporation, as amended. These agreements, among other things, provide for indemnification of our directors and executive officers for a number of expenses, including attorneys' fees and other related expenses, as well as certain judgments, fines, penalties and settlement amounts incurred by any such person in any action, suit or proceeding, including any action by or in the right of the Company, arising out of such person's services as a director or executive officer of the Company or any other company or enterprise to which the person provided services at our request.

Following the Asset Sale, EMCORE will continue to indemnify each of our current and former directors and executive officers to the extent permitted under New Jersey law, our restated certificate of incorporation, as amended, and the indemnification agreements.

The Asset Purchase Agreement

Below and elsewhere in this Proxy Statement is a summary of the material terms of the Asset Purchase Agreement, a copy of which is attached to this Proxy Statement as *Annex A* and which we incorporate by reference into this Proxy Statement. We encourage you to carefully read the Asset Purchase Agreement in its entirety as the summaries contained herein may not contain all of the information about the Asset Purchase Agreement that is important to you.

The Asset Purchase Agreement has been included to provide you with information regarding its terms, and we recommend that you carefully read the Asset Purchase Agreement in its entirety. Except for its status as a contractual document that establishes and governs the legal relations among the parties thereto with respect to the Asset Sale, we do not intend for its text to be a source of factual, business or operational information about us. Representations and warranties may be used as a tool to allocate risks between the respective parties to the Asset Purchase Agreement, including where the parties do not have complete knowledge of all facts, instead of establishing such matters as facts. No Solicitation/Change in Board Recommendation

The Asset Purchase Agreement requires EMCORE and its subsidiaries to, and to direct their representatives to, cease and cause to be terminated any discussions or negotiations regarding any Alternative Transaction Proposal, and requires that EMCORE and its subsidiaries will not, and will use their reasonable best efforts to cause their representatives not to, directly or indirectly:

initiate, solicit or encourage (including by way of furnishing non-public information), or take any other action to facilitate, any inquiries regarding, or the making of any proposal or offer (including any proposal or offer to EMCORE's shareholders) that constitutes, or could reasonably be expected to result in, an Alternative Transaction Proposal;

engage in, continue or otherwise participate in any discussions or negotiations regarding an Alternative Transaction Proposal;

agree to, approve, endorse, recommend or consummate an Alternative Transaction Proposal;

enter into any letter of intent, term sheet, merger, acquisition or other agreement or arrangement with respect to, or which may reasonably be expected to lead to or otherwise further, any Alternative Transaction Proposal (other than an Acceptable Confidentiality Agreement (as defined below) permitted under the no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement) (each, a "Seller Acquisition Agreement");

take any action to approve a third party becoming an "interested stockholder," or to approve any transaction with an "interested stockholder," for purposes of Section 14A:10A-1 et seq. of the New Jersey Shareholders' Protection Act or EMCORE's Restated Certificate of Incorporation, as amended; or

resolve, propose or agree, or authorize or permit any of their representatives, to do any of the foregoing.

At any time prior to obtaining the requisite approval of EMCORE's shareholders, EMCORE may, in response to an unsolicited, written bona fide Alternative Transaction Proposal by a third party received after the date of the Asset Purchase Agreement (that did not result from EMCORE's breach of the no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement) (i) furnish pursuant to an Acceptable Confidentiality Agreement any information with respect to EMCORE and its subsidiaries to such third party making such Alternative Transaction Proposal, provided that any such information must be provided to Purchaser simultaneously with or promptly following its provision to such third party to the extent reasonably practicable and not previously made available to Purchaser, and (ii) participate in discussions and negotiations with such Person regarding an Alternative Transaction Proposal if:

EMCORE's board of directors (or a committee thereof), after receiving the advice of outside legal counsel and an independent financial advisor of nationally recognized reputation, determines that such Alternative Transaction Proposal constitutes or would reasonably be expected to result in a Superior Proposal;

Table of Contents

EMCORE's board of directors (or a committee thereof), after receiving advice from outside legal counsel, determines in good faith that the failure to take such action would be inconsistent with its fiduciary duties to EMCORE and its shareholders under applicable law; and

EMCORE enters into a confidentiality agreement with such third party that contains confidentiality and standstill provisions that are no less favorable in the aggregate to EMCORE than those contained in the confidentiality agreement with Purchaser and, substantially simultaneously with the execution of such confidentiality agreement, EMCORE delivers a copy of such confidentiality agreement to Purchaser (each such confidentiality agreement, an "Acceptable Confidentiality Agreement").

EMCORE must notify Purchaser promptly (and in any event within one business day) after receipt of any Alternative Transaction Proposal or any inquiries relating to an Alternative Transaction Proposal or any request for information from, or any negotiations sought to be initiated or continued with, either EMCORE or its representatives concerning an Alternative Transaction Proposal, including (i) a copy of any written Alternative Transaction Proposal and any other documents provided or (ii) in respect of the Alternative Transaction Proposal, inquiry or request not made in writing, a written summary of the material terms of such Alternative Transaction Proposal, inquiry or request, including the identity of the person or persons making the Alternative Transaction Proposal, inquiry or request. EMCORE must keep Purchaser reasonably informed on a prompt basis (and in any event within one business day) of the status or developments regarding any Alternative Transaction Proposal, inquiry or request, including any discussions with respect to or amendments or proposed amendments thereto.

Except as described below, EMCORE's board of directors (or a committee thereof) may not (i) change, qualify, withdraw, modify or fail to make, or propose to change, qualify, withdraw or modify (publicly or otherwise), the Board's recommendation of the Asset Purchase Agreement and the Asset Sale in a manner adverse to Purchaser, (ii) make any public statement or take any public action inconsistent with such recommendation, (iii) approve or recommend, or publicly propose to approve or recommend to EMCORE's shareholders any Alternative Transaction Proposal or (iv) take formal action or make any recommendation or public statement in connection with a tender offer or exchange offer not conditioned on the sale of the Photovoltaics Business pursuant to the Asset Purchase Agreement other than (1) a recommendation, in a Solicitation/Recommendation Statement on Schedule 14D-9, against such offer within ten business days after the commencement of such offer and at least two business days prior to the Special Meeting or (2) a "stop, look and listen" communication pursuant to Rule 14d-9(f) of the Exchange Act (any of the foregoing actions, a "Seller Adverse Recommendation Change"), except that any public statement other than a "stop, look and listen" statement of the type contemplated by Rule 14d-9(f) under the Exchange Act or a recommendation against acceptance of such tender or exchange offer will be deemed to be a Seller Adverse Recommendation Change or (v) authorize EMCORE or any of its subsidiaries to enter into any Seller Acquisition Agreement.

Notwithstanding the foregoing, but subject to the provisions set forth in the following paragraph, at any time prior to obtaining the approval of EMCORE's shareholders, the Board (or a committee thereof) may make a Seller Adverse Recommendation Change (i) if the Board receives an unsolicited, written bona fide Alternative Transaction Proposal by a third party (that did not result from EMCORE's breach of the no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement and that has not been withdrawn) that the Board (or a committee thereof), after receiving the advice of outside legal counsel, determines in good faith (A) after also receiving the advice of independent financial advisors of nationally recognized reputation, constitutes a Superior Proposal and (B) that the failure to take such action would be inconsistent with its fiduciary duties under applicable law, except that EMCORE may not enter into a Seller Acquisition Agreement unless the Asset Purchase Agreement is terminated by EMCORE in accordance with the terms of the Asset Purchase Agreement and the \$5,330,000 termination fee has been paid to Purchaser or (ii) if an

Table of Contents

Intervening Event (as defined below) has occurred, if the Board (or a committee thereof), after receiving the advice of outside legal counsel, determines in good faith that, in light of such Intervening Event, the failure to take such action would be inconsistent with its fiduciary duties under applicable law.

The Board may not effect a Seller Adverse Recommendation Change, terminate the Asset Purchase Agreement in connection with a Superior Proposal or enter into a Seller Acquisition Agreement unless (i) EMCORE has complied in all material respects with the no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement, (ii) EMCORE has provided written notice to Purchaser that EMCORE intends to take such action and describing the material terms and conditions of (and attaching a complete copy of) the Superior Proposal or the event constituting the Intervening Event that is the basis of such action, (iii) has provided Purchaser with four business days to make a revised proposal and (iv) has subsequently determined in good faith, after consultation with its financial and legal advisors, that the Superior Proposal giving rise to the notice continues to constitute a Superior Proposal, taking into account any changes to the terms of any revised proposal, or if such action is in response to an Intervening Event, that failure to make a Seller Adverse Recommendation Change would be inconsistent with its fiduciary duties under applicable law. Any substantive amendment to the terms of any such Superior Proposal requires EMCORE to provide a new written notice to Purchaser of such amendment and comply with the foregoing requires (except that EMCORE must provide Purchaser with three business days to make a revised proposal).

Nothing in the Asset Purchase Agreement prohibits the Board (or a committee thereof) from taking and disclosing to EMCORE's shareholders a position on any tender or exchange offer, if the Board (or a committee thereof) determines, after consultation with outside legal counsel, that failure to so disclose such position would constitute a violation of applicable law, except that EMCORE's board of directors (or a committee thereof) may not recommend that EMCORE's shareholders tender their shares in connection with any tender or exchange offer (or otherwise approve or recommend any Alternative Transaction Proposal) or effect a Seller Adverse Recommendation Change, unless in each case the applicable requirements set forth in the preceding paragraph have been satisfied. Additionally, a factually accurate public statement by EMCORE that describes EMCORE's receipt of an Alternative Transaction Proposal and the operation of the Asset Purchase Agreement with respect thereto, or any "stop, look and listen" communication or any similar communication to EMCORE's shareholders, will not, in and of itself, constitute a Seller Adverse Recommendation Change or an approval or recommendation with respect to any Alternative Transaction Proposal.

An "Alternative Transaction Proposal" means any bona fide proposal or offer from any person or group (other than Purchaser and its affiliates) relating to, in a single transaction or series of related transactions, any (i) acquisition of 20% or more of the acquired assets or acquired assets to which 20% or more of EMCORE's revenues or earnings associated with the Photovoltaics Business are attributable, (ii) acquisition of 20% or more of any class of common stock or other equity securities of EMCORE, (iii) tender offer or exchange offer that, if consummated, would result in any person or group beneficially owning 20% or more of any class of common stock or other equity securities of EMCORE, or (iv) merger, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving EMCORE.

A "Superior Proposal" means any unsolicited, written bona fide Alternative Transaction Proposal on terms which the Board determines in good faith, after having received the advice of its outside legal counsel and independent financial advisors of nationally recognized reputation, to be more favorable, from a financial point of view, to the holders of EMCORE's common stock than the sale of the acquired assets pursuant to the Asset Purchase Agreement, taking into account all of the terms and conditions of such proposal (including all legal and regulatory aspects of such proposal, including the likelihood and timing of consummation thereof) and the Asset Purchase Agreement (including any

Table of Contents

revised proposal), except that for purposes of the definition of "Superior Proposal," the references to "20%" in the definition of Alternative Transaction Proposal will be deemed to be references to "50%."

An "Intervening Event" means any event, change, effect, development, condition or occurrence that (a) does not relate to an Alternative Transaction Proposal or Purchaser or any of its affiliates, and (b) is not known and was not reasonably foreseeable to the Board as of the date of the Asset Purchase Agreement.

Subject to EMCORE's compliance in all material respects with the other no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement, upon receipt by EMCORE of an Alternative Transaction Proposal from a third party, EMCORE and its representatives may contact such third party solely in order to clarify and understand the terms and conditions of such Alternative Transaction Proposal to determine whether such Alternative Transaction Proposal constitutes or would reasonably be expected to result in a Superior Proposal.

The no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement do not apply to (i) the sale or disposition by means of asset sale (including a sale of equity securities of any subsidiary of EMCORE) of any part, or all, of the Other Businesses so long as such transaction does not constitute an acquisition of 20% or more of the acquired assets of the Photovoltaics Business or the acquired assets to which 20% or more of EMCORE's revenues or earnings associated with the Photovoltaics Business are attributable or (ii) any transaction conditioned on the consummation of the Asset Sale, including any investment in or tender offer for EMCORE's common stock or other equity securities or any merger, consolidation or other business combination involving EMCORE or any of its subsidiaries or any sale of all or substantially all of the assets of EMCORE and its subsidiaries.

Shareholders Meeting

EMCORE has agreed to establish a record date for, duly call, give notice of, convene and hold the Special Meeting as promptly as practicable following the execution of the Asset Purchase Agreement to vote on a proposal to authorize the Asset Sale. Subject to the no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement, we have agreed to include a recommendation of the Board that our shareholders approve the Asset Purchase Agreement and the Asset Sale.

Even if the Board has withdrawn or modified its approval or recommendation of the Asset Purchase Agreement or the Asset Sale, we have agreed to submit the approval of the Asset Sale pursuant to the Asset Purchase Agreement and the transactions contemplated thereby to our shareholders at the Special Meeting whether or not there is a disclosure or communication (publicly or otherwise) to us of any Alternative Transaction Proposal. If a Seller Adverse Recommendation Change occurs and thereafter the Board recommends the Asset Purchase Agreement and Asset Sale, we are prohibited from holding (or are required to adjourn) the Special Meeting until not less than ten days after the date of such reinstated recommendation.

Filings, Consents and Regulatory Approvals

EMCORE and Purchaser will each use its reasonable best efforts to obtain promptly all governmental consents necessary for the consummation of the Asset Sale, including consents required under the HSR Act or any other antitrust law and, if any objections are asserted with respect to the Asset Sale under the HSR Act or any other antitrust law, EMCORE and Purchaser will each use its reasonable best efforts to promptly resolve any such objection; *provided*, that, except as otherwise mutually agreed between the parties, Purchaser and its affiliates will not be obligated or otherwise be required to, and EMCORE will not, and will not permit its subsidiaries to, sell, divest, dispose of, license, hold separate, or take or commit to take any action that limits in any respect its freedom of

Table of Contents

action after the closing of the Asset Sale with respect to any businesses, products, rights, services, licenses or assets of Purchaser, EMCORE or any of their respective affiliates.

EMCORE has agreed to assist in any transfer or reissuance of permits required to operate the Photovoltaics Business held by EMCORE or the procurement of any other such permits when so requested by Purchaser and use its commercially reasonable efforts to ensure that all such permits are available to Purchaser without a disruption to the Photovoltaics Business, including, without limitation, all export and import licenses that are required for the ongoing operation of the Photovoltaics Business. EMCORE's commercially reasonable efforts will include providing copies of all such permits to Purchaser, providing Purchaser with all information it requires about unshipped balances and other terms and conditions of and compliance with such permits, and engaging with governmental authorities with or as required by Purchaser to secure the transfer or reissuance of such permits to Purchaser.

For purposes of the Asset Purchase Agreement, "reasonable best efforts," "commercially reasonable efforts" or any substantially similar undertakings will not (i) require EMCORE to pay any fees for obtaining any consents other than as specifically set forth in the Asset Purchase Agreement or (ii) require Purchaser to (A) pay more for the debt financing or the mezzanine financing than the terms set forth in the debt commitment letter or the mezzanine commitment letter, as applicable, and any fee letter entered into by Purchaser in connection therewith, (B) seek more equity capital than is committed in the equity commitment letter or (C) waive any condition or agree to any changes to the debt commitment letter, mezzanine commitment letter or equity commitment letter.

Non-Compete

EMCORE has agreed that for a period of three years following the closing date of the Asset Sale, EMCORE and its affiliates will not compete, directly or indirectly, with the Photovoltaic Business as conducted as of the closing date of the Asset Sale, provided that it will not be a violation for EMCORE to (i) invest in or own any non-voting or non-convertible debt securities or other debt obligations of any person, (ii) make any equity investments in publicly-traded companies that may compete with the Photovoltaic Business (provided that such investments are passive in nature and do not exceed 5% of the outstanding voting power of such public companies) or (iii) own any interests in any person through any employee benefit plan. EMCORE will not be in breach of the non-compete provisions of the Asset Purchase Agreement solely as a result of EMCORE continuing to engage in its Other Businesses as conducted as of the closing date of the Asset Sale.

Financing

The Asset Purchase Agreement requires Purchaser to use its commercially reasonable efforts to obtain the debt and equity financing contemplated by the debt and equity commitment letters described herein under "Proposal No. 1: The Asset Sale Financing" and any fee letters or ancillary agreements related thereto (such commitment letters and any related fee letters or ancillary agreements are collectively referred to herein as the "Financing Commitments"), on the terms and conditions described in such Financing Commitments, including using commercially reasonable efforts to maintain in effect the Financing Commitments, entering into definitive agreements with respect to the debt and equity financing contemplated by the Financing Commitments, satisfying the conditions set forth in the Financing Commitments and/or definitive agreements related thereto, complying in all material respects with the obligations pursuant to the Financing Commitments, and consummating the debt and equity financing at or prior to the closing of the Asset Sale upon satisfaction of the conditions set forth in the Financing Commitments and the Asset Purchase Agreement. The Asset Purchase Agreement provides that under no circumstances will Purchaser or any of its affiliates be required to commence or sustain a legal proceeding against any of the debt financing sources in connection with the Asset Purchase Agreement or the other transactions contemplated therein or the Debt Commitment (as defined below)

Table of Contents

or any of the mezzanine financing sources in connection with the Asset Purchase Agreement or the other transactions contemplated therein or by the Mezzanine Commitment (as defined below).

In the event any portion of the debt financing contemplated in the debt commitment letter and any fee letters or ancillary agreements related thereto (collectively, the "Debt Commitment") or any portion of the mezzanine financing contemplated in the mezzanine commitment letter and any fee letters or ancillary agreements related thereto (collectively, the "Mezzanine Commitment") becomes unavailable on the terms and conditions contemplated in the Debt Commitment or the Mezzanine Commitment, as applicable, Purchaser will, as promptly as practicable, use its commercially reasonable efforts to arrange to obtain alternative debt financing (the "Alternative Financing") from alternative sources in an amount sufficient to consummate the transactions contemplated by the Asset Purchase Agreement and on terms and conditions no less favorable, in the aggregate, to Purchaser than those in the Debt Commitment or the Mezzanine Commitment, as applicable.

Under the Asset Purchase Agreement and subject to certain exceptions, Purchaser is not allowed to permit any amendment or modification to be made to, or any waiver of any provision or remedy pursuant to, the Financing Commitments without the prior written consent of EMCORE if such amendment, modification or waiver would or would reasonable be expected to (i) reduce the aggregate amount of the debt financing or the mezzanine financing, as applicable, unless the equity financing is increased by an equivalent amount or Purchaser obtains commitments for Alternative Financing for such increase, (ii) impose new or additional conditions or otherwise expand, amend or modify any of the conditions to the receipt of the debt and equity financing in a manner that would reasonably be expected to delay or prevent in any material respect the ability of Purchaser to consummate the transactions contemplated by the Asset Purchase Agreement, or (iii) adversely impact the ability of Purchaser to enforce its rights against the other parties to the Financing Commitments. However, assignments consummated pursuant to the terms of the Financing Commitments are permitted.

Financing Cooperation

EMCORE has agreed to use commercially reasonable efforts, and to cause its subsidiaries and its and their representatives to use commercially reasonable efforts, to provide Purchaser with all cooperation reasonably requested by Purchaser to assist it in causing the conditions in the debt commitment letter and the mezzanine commitment letter to be satisfied or as is otherwise necessary or reasonably requested by Purchaser in connection with the debt financing and the mezzanine financing, including:

participation by officers in a reasonable number of meetings, presentations, road shows, due diligence sessions, drafting sessions and sessions with rating agencies and prospective lenders or investors and obtaining assistance from its accountants;

assisting Purchaser, the debt financing sources and the mezzanine financing sources with the timely preparation of customary rating agency presentations, marketing materials and information memoranda as may be required in connection with the debt and equity financing;

facilitating the pledging and mortgaging of collateral as may be reasonably requested by Purchaser, the debt financing sources and the mezzanine financing sources, and otherwise reasonably facilitating the pledging of collateral and the granting of security interests in respect of the debt financing provided that no obligation of EMCORE or any of its subsidiaries under any agreement, document or pledge related to the debt financing will be operative until the closing of the Asset Sale;

furnishing Purchaser, the debt financing sources and the mezzanine financing sources, as promptly as practicable, with financial and other pertinent information relating to EMCORE

and its subsidiaries in respect of the Photovoltaic Business as may be reasonably requested by Purchaser;

cooperating with Purchaser to obtain customary and reasonable corporate and facilities ratings, consents, approvals, authorizations, non-invasive environmental assessments, landlord consents, legal opinions, surveys and title insurance as reasonably requested by Purchaser;

assisting in negotiation of definitive documents as may be reasonably requested by Purchaser;

reasonably facilitating the pledging or the reaffirmation of the pledge of collateral on or prior to the closing date of the Asset Sale, as well as cooperating to permit prospective lenders involved in the debt and equity financing to evaluate and assess the assets of EMCORE and its subsidiaries for purposes of establishing collateral arrangements;

delivering notices of prepayment within the time periods required by the relevant agreements governing indebtedness and obtaining customary payoff letters, lien terminations and instruments of discharge to be delivered at the closing of the Asset Sale, and giving any other necessary notices, to allow for the payoff, discharge and termination in full at the closing of the Asset Sale of all indebtedness; and

promptly (and in any event within five business days prior to the closing date of the Asset Sale), furnishing Purchaser, the debt financing sources and the mezzanine financing sources with all documentation and other information that is required by regulatory authorities pursuant to applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act.

Purchaser will, promptly upon request by EMCORE, reimburse EMCORE (or pay in advance) for any reasonable and documented out-of-pocket costs and expenses incurred by EMCORE in connection with such cooperation.

Tax Clearance

EMCORE and Purchaser have acknowledged that the transactions contemplated by the Asset Purchase Agreement may be considered a bulk sale by EMCORE under New Jersey law and, therefore, Purchaser will file with the Director of the Division of Taxation in the Department of the Treasury of the State of New Jersey (the "NJ Division") at least ten business days prior to closing of the Asset Sale, a Notification of Sale, Transfer, or Assignment in Bulk (Form C-9600) and an executed copy of the Asset Purchase Agreement as required by law and as necessary to obtain a letter of clearance from the NJ Division. EMCORE has agreed to cooperate in good faith with Purchaser with filing the above documents and obtaining a letter of clearance from the NJ Division.

Furthermore, Purchaser and EMCORE have agreed that Purchaser will pay into escrow that portion of the preliminary purchase price under the Asset Purchase Agreement equal to the amount which is required by the NJ Division, which amount (together with interest accrued thereon, if any, the "NJ Division Escrow") will be held in escrow by EMCORE's New Jersey counsel, Connell Foley LLP (the "Escrow Agent"), in its attorney trust account pursuant to a customary escrow agreement to be entered into by Purchaser, EMCORE and the Escrow Agent at or prior to closing of the Asset Sale. The Escrow Agent will hold the NJ Division Escrow in accordance with the Asset Purchase Agreement. Purchaser and EMCORE have agreed to be bound by the escrow requirements imposed by the NJ Division, including any adjustment of the NJ Division Escrow. Upon Purchaser's receipt of a letter from the NJ Division (a "Demand Letter") demanding payment to the NJ Division of all or a portion of the NJ Division Escrow, Purchaser will promptly direct the Escrow Agent to disburse to the NJ Division that portion of the NJ Division Escrow demanded in the Demand Letter, and Purchaser will simultaneously deliver to EMCORE a copy of any such notice to the Escrow Agent, together with a copy of the Demand Letter.

Table of Contents

EMCORE has agreed to pay in a timely manner any and all amounts of its outstanding tax obligations owed to the NJ Division, provided that EMCORE reserves the right to dispute any such amounts claimed to be owed to the NJ Division in accordance with applicable law.

Subsequent Transaction

If at any time during the three years following the closing of the Asset Sale, all or substantially all of the remaining assets of EMCORE are sold, transferred or otherwise disposed of (a "Subsequent Transaction"), EMCORE will be required to deposit \$15,000,000 in immediately available funds into an escrow account pursuant to an escrow agreement (which escrow will expire on the third anniversary of the closing date of the Asset Sale) prior to or concurrently with such Subsequent Transaction. If EMCORE has delivered to Purchaser at least fifteen business days prior to the consummation of such Subsequent Transaction evidence reasonably acceptable to Purchaser that such subsequent transferee has a net worth, after giving effect to such Subsequent Transaction, equal to or in excess of EMCORE's net worth immediately prior to the consummation of such Subsequent Transaction, but in no event less than \$50 million, then such subsequent transferee may assume all of EMCORE's obligations under the Asset Purchase Agreement pursuant to an assumption agreement among such subsequent transferee, EMCORE and Purchaser in lieu of EMCORE's obligation to deposit any amounts into an escrow account. However, so long as EMCORE maintains a net worth equal to or in excess of \$50 million, neither EMCORE nor any subsequent transferee will have any obligations described in this paragraph.

Employee Matters

Purchaser has agreed to make offers of employment to all of the employees of EMCORE that primarily perform services for, or with respect to, the Photovoltaics Business as of the closing date of the Asset Sale and are listed on a schedule to the Asset Purchase Agreement and, for a period of one year following the closing of the Asset Sale, Purchaser will cause (i) each transferred employee who remains in the employment of Purchaser or any of its affiliates to receive base salary or wage rates, incentive compensation opportunity (excluding any equity-based compensation), and other cash compensation that, in the aggregate, are substantially similar to those in effect for such transferred employee, immediately prior to the closing of the Asset Sale and (ii) the transferred employees who remain in the employment of Purchaser to receive employee benefits (excluding deferred compensation, severance benefits and supplemental executive retirement plans) that, in the aggregate, are substantially similar to those in effect for such transferred employees, in the aggregate, immediately prior to the closing of the Asset Sale. Purchaser will recognize the prior service and seniority of each transferred employee as if such service had been performed with, and such seniority has been earned with, Purchaser for purposes of eligibility, vesting, service related level of benefits and benefit accrual under the employee benefit plans and policies (if any) provided by Purchaser to the transferred employees following the closing of the Asset Sale, to the same extent such service and seniority is recognized by EMCORE immediately prior to the closing of the Asset Sale. Paid time off accrued by transferred employees will carry over and be credited to such employees in connection with their employment with Purchaser.

EMCORE may not, without the prior written consent of Purchaser, for a period of one year following the closing of the Asset Sale, solicit to employ any transferred employee of the Photovoltaics Business other than those employees (i) whose employment with Purchaser or any of its affiliates is terminated at any time after the six-month anniversary of such termination or (ii) who respond to a general advertisement not targeted at employees of Purchaser without any solicitation in violation of this provision. Purchaser may not, for a period of one year following the closing of the Asset Sale, solicit to employ (i) any person who was employed by EMCORE in the Photovoltaics Business but who is not a transferred employee and who is employed by EMCORE, (ii) any person who is employed by

Conditions to the Asset Sale

EMCORE and Purchaser will not be obligated to complete the Asset Sale unless a number of conditions are satisfied or waived. These joint closing conditions include:

the approval of EMCORE's shareholders of the Asset Purchase Agreement and the transactions contemplated thereby (the "Seller Shareholder Approval") will have been obtained;

the applicable waiting period under the HSR Act relating to the transactions will have expired or been terminated and all other material regulatory and government approvals required in connection with the transactions will have been obtained and all related notice periods and waiting periods will have expired or terminated, and all material conditions contained in any such approval will have been satisfied;

(i) each of the representations and warranties of Purchaser pertaining to (a) organization and authority and (b) brokers will be true and correct in all respects as of the date of this Agreement and at and as of the closing of the Asset Sale with the same force and effect as if made at and as of the closing of the Asset Sale (other than such representations and warranties as are made as of another date, which will be true and correct as of such date) and (ii) all other representations and warranties of Purchaser contained in the Asset Purchase Agreement will be true and correct as of the date of the Asset Purchase Agreement and at and as of the closing of the Asset Sale with the same force and effect as if made at and as of the closing of the Asset Sale (other than such representations and warranties as are made as of another date, which will be true and correct as of such date), except, in the case of this clause (ii), in either case where any failure of such representations and warranties to be so true and correct (without giving effect to any qualification as to "materiality" or "material adverse effect" set forth therein) would not have, individually or in the aggregate, a material adverse effect on the ability of

each of the covenants and agreements contained in the Asset Purchase Agreement to be complied with by Purchaser on or before the closing of the Asset Sale will have been complied with in all material respects;

EMCORE will have received a certificate, dated as of the closing date of the Asset Sale, signed on behalf of Purchaser by an officer of Purchaser to the effect that, to such officer's knowledge, the conditions set forth in the two preceding bullets above have been satisfied by Purchaser, as applicable; and

each of the covenants and agreements contained in the Asset Purchase Agreement to be complied with by EMCORE on or before the closing of the Asset Sale will have been complied with in all material respects;

Purchaser will have received a certificate, dated as of the closing date of the Asset Sale, signed on behalf of EMCORE by an officer of EMCORE to the effect that, to such officer's knowledge, the conditions set forth in the two preceding bullets above have been satisfied by EMCORE;

Termination of the Asset Purchase Agreement

The Asset Purchase Agreement may be terminated at any time prior to the closing of the Asset Sale as follows:

by the mutual written consent of EMCORE and Purchaser;

by either EMCORE or Purchaser:

if the closing of the Asset Sale will not have occurred by January 17, 2015 (the "Outside Date"), except that if, as of January 17, 2015, either (i) all of the conditions set forth above in "Conditions to the Asset Sale" have been satisfied (other than (x) the conditions set forth in the first two bullets of such section and (y) those conditions that by their nature cannot be satisfied other than at the closing of the Asset Sale) or (ii) any court of competent jurisdiction or other governmental authority has issued an order, decree or ruling or taken any other action restraining, enjoining or otherwise prohibiting the Asset Sale and such order, decree, ruling or other action has not become final and non-appealable, the Outside Date will be March 17, 2015, except that such right to terminate the Asset Purchase Agreement will not be available to any party whose failure to fulfill any obligation under the Asset Purchase Agreement is the proximate cause of, or will have resulted in, the failure of the closing of the Asset Sale to occur on or prior to such date;

if any order of any governmental authority in the United States restraining, enjoining or otherwise prohibiting the Asset Sale has become final and non-appealable, except such right to terminate the Asset Purchase Agreement will not be available to any party whose failure to fulfill any obligation under the Asset Purchase Agreement is the proximate cause of, or will have resulted in, the failure of the closing of the Asset Sale to occur on or prior to such date;

by giving written notice of such termination to the other party, if such other party or one of its affiliates shall have breached any of its material obligations or agreements under the Asset Purchase Agreement and such breach shall be incapable of cure or has not been cured within thirty days following the giving of written notice by the non-breaching party (or, if the Outside Date is fewer than thirty days from provision of such notice, cured by the Outside Date); or

by EMCORE:

by giving written notice of such termination to Purchaser, if there has been a breach of the representations and warranties of Purchaser contained in the Asset Purchase Agreement which would result in the failure of the condition described in the first bullet of the conditions to EMCORE's obligations to effect the Asset Sale set forth above in "Conditions to the Asset Sale" and such breach cannot be or is not cured prior to the Outside Date;

in order to enter into a definitive agreement providing for the implementation of a transaction that is a Superior Proposal, if EMCORE has complied with the Seller Adverse Recommendation Change provisions of the Asset Purchase Agreement and prior to or concurrently with such termination, EMCORE pays the Seller Termination Fee (as defined below); or

than those conditions that by their nature cannot be satisfied other than at the closing of the Asset Sale) and Purchaser fails to consummate the transactions contemplated by the Asset Purchase Agreement upon the earlier of (i) five business days after the date the closing of the Asset Sale should have occurred pursuant to the Asset Purchase Agreement and (ii) the later of the date the closing should have occurred pursuant to the Asset Purchase Agreement and one business day before the Outside Date, and EMCORE has irrevocably notified Purchaser in writing that EMCORE is ready, willing and able to consummate the transactions contemplated by this Agreement during such period; or

by Purchaser:

by giving written notice of such termination to EMCORE, if there has been a breach of the representations and warranties of EMCORE contained in the Asset Purchase Agreement which would result in the failure of the condition described in the first bullet of the conditions to Purchaser's obligations to effect the Asset Sale set forth above in "Conditions to the Asset Sale" and such breach cannot be or is not cured prior to the Outside Date; or

if, prior to obtaining the Seller Shareholder Approval, EMCORE knowingly and intentionally breaches or fails to perform in any material respect any of its obligations set forth in the no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement or the board of directors of EMCORE or any committee thereof (i) makes a Seller Adverse Recommendation Change, including approving or recommending to the shareholders of EMCORE a Superior Proposal or (ii) fails to recommend against acceptance of a tender or exchange offer for any outstanding shares of capital stock or other ownership interests of EMCORE or its subsidiaries that constitutes an Alternative Transaction Proposal or that is not conditioned on the sale of the Photovoltaic Business pursuant to the Asset Purchase Agreement, including, for these purposes, by taking no position with respect to the acceptance of such tender offer or exchange offer by its shareholders.

Purchaser Expenses; Termination Fees

EMCORE will be required to pay Purchaser up to \$2,000,000 of all reasonable out-of-pocket fees and expenses incurred by Purchaser in connection with the Asset Purchase Agreement and the Asset Sale, including the debt, mezzanine and equity financing ("Purchaser Expenses") if:

the Asset Purchase Agreement is terminated by either party because the Seller Shareholder Approval was not obtained at the Special Meeting; and

an Alternative Transaction Proposal is publicly disclosed or otherwise communicated in writing to the Board after the date of the Asset Purchase Agreement (without regard to whether EMCORE enters into a definitive agreement with respect to an Alternative Transaction Proposal or an Alternative Transaction Proposal is consummated).

Additionally, EMCORE will be required to pay Purchaser a termination fee equal to \$5,330,000 (the "Seller Termination Fee") if:

(i) An Alternative Transaction Proposal is publicly disclosed or otherwise communicated in writing to the Board after the date of the Asset Purchase Agreement, (ii) following such event, the Asset Purchase Agreement is terminated either (x) by EMCORE for failure to obtain Seller Shareholder Approval or (y) by Purchaser for failure to obtain Seller Shareholder Approval or in connection with a material uncured breach of EMCORE's obligations under the Asset Purchase Agreement and (iii) within twelve months following termination, EMCORE enters into a definitive agreement with respect to, or consummates a transaction, regarding, an Alternative

Transaction Proposal, except that for purposes of clause (iii), the references to "20%" in the definition of Alternative Transaction Proposal will be deemed to be references to "50%";

the Asset Purchase Agreement is terminated by EMCORE in order to enter into a definitive agreement with respect to a Superior Proposal; or

Purchaser terminates the Asset Purchase Agreement if, prior to obtaining the Seller Shareholder Approval, (a) EMCORE knowingly and intentionally breaches in any material respect any of its obligations under the no solicitation/change in Board recommendation provisions of the Asset Purchase Agreement (See "The Asset Purchase Agreement - No Solicitation") or (b) the Board (or any committee thereof) (i) has made a Seller Adverse Recommendation Change, including approving or recommending to EMCORE's shareholders a Superior Proposal, or (ii) fails to recommend against acceptance of a tender or exchange offer that constitutes an Alternative Transaction Proposal, including by taking no position with respect to the acceptance of such tender offer or exchange offer, within ten business days after commencement.

Any previous payment of Purchaser Expenses by EMCORE will be credited toward the payment of the Seller Termination Fee.

In the event the Asset Purchase Agreement is terminated and the Seller Termination Fee is payable and paid to Purchaser, receipt of the Seller Termination Fee will be the sole and exclusive remedy of Purchaser against EMCORE for any loss, damage, liability, claim, obligation or action (whether in law or in equity) based upon, arising out of or relating to the Asset Purchase Agreement (including any breach or alleged breach hereof), the negotiation, execution or performance thereof or the transactions contemplated by the Asset Purchase Agreement.

Purchaser will pay EMCORE a termination fee equal to \$8,000,000 (the "Purchaser Termination Fee") if EMCORE has terminated the Asset Purchase Agreement due to:

Purchaser's breach of any of its material obligations or agreements under the Asset Purchase Agreement if such breach was not cured within thirty days following notice of such breach (or, if the Outside Date is fewer than thirty days from such notice, cured by the Outside Date); or

Purchaser's failure to consummate the Asset Sale upon the earlier of five business days after the date the closing of the Asset Sale should have occurred and the later of the date the closing of the Asset Sale should have occurred and one business day before the Outside Date if all of the joint and Purchaser closing conditions set forth above in "Conditions to the Asset Sale" had been satisfied and EMCORE had irrevocably notified Purchaser in writing that EMCORE was ready, willing and able to consummate the Asset Sale during such period.

The sole and exclusive remedies of EMCORE for any loss, damage, liability, claim, obligation or action (whether in law or in equity) based upon, arising out of or relating to the Asset Purchase Agreement, the limited guarantee, the debt or equity financing or the Financing Commitments (including any breach or alleged breach thereof), the negotiation, execution or performance thereof or the transactions contemplated thereby are (i) receipt of the Purchaser Termination Fee, (ii) receipt of any monetary amounts due and payable under, and subject to the terms and conditions of, the limited guarantee delivered to EMCORE by the Veritas Fund with respect to certain of Purchaser's payment obligations under the Asset Purchase Agreement and (iii) receipt of whatever remedies EMCORE may have under the confidentiality agreement entered into between EMCORE and Purchaser.

General Expense Provisions

Whether or not the Asset Sale is completed, each party will be required to pay its own costs and expenses (including legal fees and expenses) incurred by it in connection with the Asset Purchase Agreement and the Asset Sale, except as provided above under "Financing Cooperation" and "Purchaser Expenses; Termination Fees."

Amendment and Waiver

EMCORE and Purchaser may mutually amend any provision of the Asset Purchase Agreement at any time, provided that certain provisions thereof may not be amended in any manner that adversely impacts or is adverse in any respect to any lender that has committed to provide debt financing or mezzanine financing in connection with the transactions contemplated by the Asset Purchase Agreement without the prior written consent of any such lender, as applicable. No amendment of any provision of the Asset Purchase Agreement will be valid unless it is in writing and signed by each of EMCORE and Purchaser. The failure of any party to enforce any condition or part of the Asset Purchase Agreement at any time will not be construed as a waiver of that condition or part, nor will it forfeit any rights to future enforcement thereof. Any waiver under the Asset Purchase Agreement will be effective only if delivered to the other party in writing by the party making such waiver.

Specific Performance

EMCORE and Purchaser are each entitled to an injunction to prevent breaches or violations of the Asset Purchase Agreement and to enforce specifically the terms and provisions of the Asset Purchase Agreement, in addition to any other legal or equitable remedy which may be available.

Notwithstanding the foregoing, the right of EMCORE to seek specific performance, injunctive relief or other equitable remedies in connection with enforcing Purchaser's obligation:

to cause the equity financing to be funded in order to cause the closing of the Asset Sale will be subject to the requirements that:

the sixty-day period beginning on September 17, 2014 (the "Marketing Period") has ended and all of the joint conditions and conditions to Purchaser's obligations to consummate the transactions contemplated by the Asset Purchase Agreement have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the closing of the Asset Sale, but subject to the satisfaction or waiver of those conditions) at the time when the closing would have been required to occur under the Asset Purchase Agreement but for the failure of the equity financing to be funded;

the debt financing (or Alternative Financing) and the mezzanine financing (or Alternative Financing) have been funded or would be funded at the closing of the Asset Sale upon delivery of a drawdown notice by Purchaser and/or notice from Purchaser that the equity financing will be funded at such date; and

EMCORE has irrevocably confirmed in writing that if the equity, debt and mezzanine financing is funded, then it would take all actions that are within its control to cause the closing of the Asset Sale to occur;

to cause Purchaser to consummate the debt financing at the closing of the Asset Sale will be subject to the requirements that:

the Marketing Period has ended and all of the joint conditions and conditions to Purchaser's obligations to consummate the transactions contemplated by the Asset Purchase Agreement have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the closing of the Asset Sale, but subject to the satisfaction or waiver of those conditions) at the time when the closing would have been required to occur under the Asset Purchase Agreement but for the failure of the debt financing to be funded;

the mezzanine financing (or Alternative Financing) and the equity financing have been funded or, solely in the case of the mezzanine financing, would be funded in accordance with the terms thereof at the closing of the Asset Sale upon delivery of a drawdown notice by Purchaser;

the Marketing Period has ended and all of the joint conditions and conditions to Purchaser's obligations to consummate the transactions contemplated by the Asset Purchase Agreement have been satisfied or waived (other than those conditions that by their terms are to be satisfied at the closing of the Asset Sale, but subject to the satisfaction or waiver of those conditions) at the time when the closing would have been required to occur under the Asset Purchase Agreement but for the failure of the mezzanine financing to be funded;

Notwithstanding the foregoing, the Asset Purchase Agreement provides that under no circumstances will Purchaser or any of its affiliates be required to commence or sustain a legal proceeding against any of the debt financing sources in connection with the Asset Purchase Agreement or the other transactions contemplated therein or the Debt Commitment or any of the mezzanine financing sources in connection with the Asset Purchase Agreement or the other transactions contemplated therein or by the Mezzanine Commitment.

Intellectual Property Transfer and License Agreement

In connection with the closing of the Asset Sale, EMCORE will also enter into an intellectual property transfer and license agreement with Purchaser pursuant to which EMCORE will transfer certain intellectual property rights owned by EMCORE to Purchaser and grant Purchaser a non-exclusive, royalty-free, fully paid-up, perpetual, irrevocable, worldwide license under the intellectual property of EMCORE used in the Photovoltaics Business that is not being transferred to Purchaser as part of the Asset Sale. This license is limited in scope to the operation of the Photovoltaics Business, including its natural expansion or evolution over time. Similarly, Purchaser will grant EMCORE a non-exclusive, royalty-free, fully paid-up, perpetual, irrevocable, worldwide license-back under the intellectual property that Purchaser will acquire through the Asset Sale for use in EMCORE's other businesses, including their natural expansion or evolution over time.

Transition Services Agreement

In connection with the closing of the Asset Sale, EMCORE will also enter into a transition services agreement with Purchaser at the time of the closing pursuant to which EMCORE and Purchaser will each provide certain services to the other for a period of up to twelve months following the date of the closing of the Asset Sale.

Supply Agreement

In connection with the closing of the Asset Sale, EMCORE will also enter into a supply agreement with Purchaser at the time of closing, pursuant to which Purchaser will manufacture and supply certain predetermined components used in EMCORE's telecommunications business (the "Supplied Products") that, prior to the closing, were manufactured and supplied by the Photovoltaics Business. Under the supply agreement, EMCORE may, at any time, transfer the manufacturing of any or all of the Supplied Products to a third party or its own facility (the "Manufacturing Transfer"). In support of the Manufacturing Transfer, EMCORE will receive a license under the know-how and other intellectual property rights of Purchaser as used or incorporated in the manufacture, fabrication, assembly or testing of any Supplied Product. The supply agreement has an initial term of eighteen months, during which EMCORE must purchase no less than seventy-five percent (75%) of its total requirements for the Supplied Products which have not been transferred pursuant to the Manufacturing Transfer.

Voting Agreement

Certain of our shareholders who control in the aggregate approximately 11% of the voting power of our common stock outstanding as of October 22, 2014 have entered into a voting agreement with Purchaser pursuant to which, subject to certain exceptions, they have agreed to vote such shares (i) in favor of the Asset Sale Proposal and (ii) against (A) any action or agreement that would reasonably be expected to result in any of the conditions to EMCORE's obligations to consummate the transactions contemplated by the Asset Purchase Agreement not being fulfilled, (B) any Alternative Transaction Proposal, and (C) any other action, proposal, transaction or agreement that could reasonably be expected to impede, interfere with, materially delay, materially postpone or materially adversely affect consummation of the Asset Sale (except that the foregoing clauses (A) and (C) will not apply to the sale or disposition by way of asset sale of any part or all of the Other Businesses so long as clause (i) of the definition of Alternative Transaction Proposal is not satisfied, any transaction conditioned on the consummation of the Asset Sale or, solely with respect to certain of our shareholders, any election of directors nominated by the Board). The voting agreement includes restrictions on the ability of the shareholders that are parties thereto to, (x) transfer the record or beneficial ownership of the shares of EMCORE common stock held by such shareholders, (y) enter into any voting or similar agreement with respect to shares of EMCORE common stock held by such shareholders or (z) take any actions which could reasonably be expected to have the effect of preventing or adversely affecting the consummation of the Asset Sale or such shareholder's ability to perform its obligations under the voting agreement.

The voting agreement terminates upon the earliest of (i) the closing of the Asset Sale; (ii) the termination of the Asset Purchase Agreement in accordance with its terms; (iii) any change to the terms of the Asset Purchase Agreement without the prior written consent of the shareholders that are party to the voting agreement and which reduces the Final Purchase Price (as defined in the Asset Purchase Agreement) or changes the form of consideration provided for under the Asset Purchase Agreement; or (iv) the mutual written consent of the parties thereto. The voting agreement is attached to this Proxy Statement as *Annex B*.

Financing

The obligations of Purchaser to complete the Asset Sale under the Asset Purchase Agreement are not subject to a condition of Purchaser obtaining funds to consummate the Asset Sale and the other transactions contemplated by the Asset Purchase Agreement. However, see "Proposal No. 1: The Asset Sale The Asset Purchase Agreement Specific Performance" for a discussion on the limited specific performance rights available to us. Purchaser has obtained equity commitments and debt financing commitments for the transactions contemplated by the Asset Purchase Agreement, the proceeds of which, together with cash on hand at Purchaser and assuming the financing commitments are funded in accordance with their terms, will be used by Purchaser to pay the aggregate consideration and all related fees and expenses and to pay any other amounts required to be paid at the closing of the Asset Sale in connection with the consummation of the transactions contemplated by the Asset Purchase Agreement.

Equity Financing

The Veritas Fund has committed to provide equity financing of \$72 million to Purchaser on or prior to the closing of the Asset Sale to purchase, or cause the purchase of, equity securities of Purchaser in order to provide financing for the transactions contemplated by the Asset Purchase Agreement, which amount may be reduced to the extent that Purchaser does not require the full amount of such equity commitment to consummate the transactions contemplated by the Asset Purchase Agreement, on the terms and subject to the conditions set forth in the equity commitment letter entered into by the Veritas Fund and Purchaser in connection with the Asset Sale. The equity commitment of the Veritas Fund is subject to the following conditions:

the execution and delivery of the Asset Purchase Agreement by EMCORE and all ancillary agreements attached as exhibits to the Asset Purchase Agreement by the parties thereto;

the satisfaction in full, or the waiver by Purchaser, of all of the conditions to Purchaser's obligations contained in the Asset Purchase Agreement to consummate the transactions contemplated thereby (other than those conditions that by their nature are to be satisfied by actions taken at the closing of the Asset Sale, but subject to the prior or concurrent satisfaction or waiver of such conditions);

the substantially concurrent receipt by Purchaser of the proceeds of the debt financing and mezzanine financing in an amount that, together with the proceeds of the equity financing commitment, is sufficient to consummate the transactions contemplated by the Asset Purchase Agreement; and

the substantially concurrent consummation of the transactions contemplated by the Asset Purchase Agreement.

Subject to the terms and conditions of the Asset Purchase Agreement, EMCORE is an express third party beneficiary of the equity commitment letter and is entitled to an injunction, specific performance or other equitable relief to cause the Veritas Fund to draw down the full proceeds of the equity financing commitment pursuant to, and to specifically enforce the other provisions of, the equity commitment letter.

The Veritas Fund's obligation to fund such equity financing commitment will terminate automatically and immediately upon the earliest to occur of:

the funding of the equity financing commitment at the closing of the Asset Sale;

the termination of the Asset Purchase Agreement pursuant to its terms; or

The senior debt facilities will consist of a \$57.5 million term loan facility and a \$20.0 million revolving credit facility. In addition, Hancock Capital Management, LLC (directly or through one or more of its affiliates or accounts or funds managed by Hancock Capital Management, LLC or an affiliate and/or one or more limited partners of such an account or fund) (the "Mezzanine Investors") have committed to purchase senior unsecured subordinated notes of Purchaser in an aggregate principal amount of \$36.5 million (the "mezzanine facility") on the terms and conditions set forth in the mezzanine commitment letter.

The commitments by the Senior Lenders to provide the senior debt facilities and the Mezzanine Investors to provide the mezzanine facility will terminate, if the respective facilities have not closed prior thereto, on the earliest to occur of: the closing of the Asset Sale, termination of the Asset Purchase Agreement, the Outside Date, and 5:00 p.m. (New York City time) on March 17, 2015. The obligations of the Senior Lenders to provide debt financing under the debt commitment letter and of the Mezzanine Investors to provide debt financing under the mezzanine commitment letter are subject solely to the conditions contained in the debt commitment letter or the mezzanine commitment letter, respectively, including, without limitation:

execution and delivery of financing documentation consistent with the terms and conditions of the applicable commitment letter;

in the case of the senior debt facilities, a condition that the administrative agent, on behalf of the lenders committed to providing the senior debt facilities, shall have a valid and perfected first priority security interest in certain collateral specified in the debt commitment letter;

on the closing date of the Asset Sale, after giving effect to the transactions contemplated by the Asset Purchase Agreement, neither Purchaser, Photon Holdings Corporation, a Delaware corporation and the owner of 100% of the capital stock of Purchaser ("Parent"), nor any of their subsidiaries shall have any outstanding indebtedness (other than the senior debt facilities, the mezzanine facility, and certain other permitted indebtedness) and satisfactory evidence shall have been provided that all liens with respect to the Photovoltaic Business (other than certain permitted liens) shall have been terminated and released;

receipt in final form of the Asset Purchase Agreement and all material agreements, certificates and other documents related thereto;

the consummation of the Asset Sale on the terms of the Asset Purchase Agreement substantially concurrently with the mezzanine facility and the initial funding of the senior debt facilities;

the absence, since June 30, 2014, of any change, event, occurrence or effect that, individually or in the aggregate with all such other changes, events, occurrences or effects, has had, or could reasonably be expected to have, an "Material Adverse Effect," as that term is defined under the Asset Purchase Agreement;

receipt of documentation and other information required under applicable "know your customer" and anti-money laundering rules and regulations (including the PATRIOT Act);

receipt by Parent of cash equity at close of at least 40% of the total capitalization of Parent and its subsidiaries;

in the case of the senior debt facilities, receipt by Purchaser of net cash proceeds at close from \$36.5 million of senior unsecured subordinated notes; and

Limited Guarantee

In connection with the Asset Purchase Agreement, the Veritas Fund has executed a limited guarantee in favor of EMCORE to guarantee, subject to the limitations described therein, certain obligations of Purchaser pursuant to the Asset Purchase Agreement. Under the limited guarantee, the Veritas Fund has guaranteed 100% of the payment of the Purchaser Termination Fee, if and when payable under the Asset Purchase Agreement by EMCORE in specified circumstances, subject to an overall cap of \$8,000,000. EMCORE is contractually entitled to require the Veritas Fund to perform under the limited guarantee.

The limited guarantee will terminate on the earliest of (i) the closing of the Asset Sale and (ii) 180 days after the termination of the Asset Purchase Agreement in accordance with its terms, if EMCORE has not presented a claim for payment thereunder to the Veritas Fund by the 180th day.

In addition, the limited guarantee will terminate, and the Veritas Fund will be entitled to a refund of any payments it previously made thereunder, in the event that EMCORE asserts in any litigation or other proceeding (i) that the overall cap or any other provisions of the limited guarantee are illegal, invalid or unenforceable or (ii) any theory of liability against the Veritas Fund, Purchaser, or any of their affiliates with respect to the transactions contemplated by the Asset Purchase Agreement or the limited guarantee, other than liability against the Veritas Fund under the limited guarantee.

Consummation of the Asset Sale

We expect to complete the Asset Sale as promptly as practicable after our shareholders authorize the Asset Sale Proposal, assuming the satisfaction or waiver of all other conditions prior to such time.

RECOMMENDATION

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSAL NO. 1 TO AUTHORIZE THE ASSET SALE.

EMCORE CORPORATION
NOTES TO UNAUDITED PRO FORMA CONDENSED
CONSOLIDATED FINANCIAL STATEMENTS

1. PLANNED ASSET SALE TRANSACTION TO VERITAS CAPITAL.

On September 17, 2014, EMCORE Corporation, a New Jersey corporation ("EMCORE" or the "Company"), entered into an Asset Purchase Agreement (the "Agreement") with Photon Acquisition Corporation ("Purchaser"), a Delaware corporation and an affiliate of private equity firm Veritas Capital, pursuant to which Purchaser will acquire substantially all of the assets, and assume substantially all of the liabilities, primarily related to or used in connection with the Company's photovoltaics business, including EMCORE's subsidiaries EMCORE Solar Power, Inc. and EMCORE IRB Company, LLC (collectively, the "Photovoltaics Business" and, the sale of the Photovoltaics Business, the "Asset Sale") for \$150 million in cash (the "Purchase Price"), subject to a working capital adjustment pursuant to the Agreement, which is attached to this proxy statement as *Annex A*. The Agreement has been approved by the Board of Directors of the Company (the "Board"). The Asset Sale may constitute the sale of substantially all of the assets of the Company under New Jersey law. The Asset Sale is subject to closing conditions, including the receipt of approval by EMCORE's shareholders and other closing conditions.

Following the closing of the Asset Sale, EMCORE will continue to operate its fiber optics division which provides optical components, subsystems and systems for high-speed telecommunications, Cable Television (CATV) and Fiber-To-The-Premise (FTTP) networks, as well as products for satellite communications, video transport and specialty photonics technologies for defense and homeland security applications.

2. UNAUDITED PRO FORMA ADJUSTMENTS (in thousands)

The following notes describe the basis for and/or assumptions regarding certain of the pro forma adjustments included in EMCORE's unaudited pro forma condensed consolidated financial statements:

(a) The amounts being eliminated represent the revenues, cost of revenues, and operating and other expenses that are attributable to the sale of the Photovoltaics Business. The adjustments do not include the revenues, cost of revenues, and operating and other expenses attributable to the terrestrial solar module applications, which product lines were sold in fiscal year 2012.

(b) Amount represents the interest expense associated with the credit and security agreement, dated November 11, 2010, by and between EMCORE Corporation and Wells Fargo Bank, National Association (as amended, the "Credit Facility"), that would not have been incurred assuming a portion of the net proceeds from the Assets Sale was used to repay outstanding borrowings under the Credit Facility as of the beginning of the period presented. The remaining amount of interest expense primarily represents fixed commitment fees and facility costs associated with the Credit Facility.

(c) Due to the existence of significant net operating loss carryforwards for EMCORE, any income tax expense resulting from the Asset Sale would be offset. Therefore, no pro forma adjustment for income tax expense has been presented in connection with the Asset Sale.

(d) Weighted average shares outstanding has been adjusted as of June 30, 2014 to reflect the accelerated vesting of shares by named executive officers and employees of the Photovoltaics Business upon the completion of the Asset Sale.

(e) Recording of the disposition of the Photovoltaics Business. The amounts include the assets and liabilities that historically have been reported as part of the Company's photovoltaics reporting segment as well as assets and liabilities primarily related to the Company's photovoltaics business that

PHOTOVOLTAICS BUSINESS

NOTES TO UNAUDITED CONDENSED COMBINED FINANCIAL STATEMENTS

NOTE 1. Photovoltaics Business

Business Overview

EMCORE Corporation and its subsidiaries are collectively hereinafter referred to as "EMCORE" or the "Company". The business to be sold consists of substantially all of the assets and liabilities primarily related to or used in connection with the Company's photovoltaics business, including EMCORE's subsidiaries EMCORE Solar Power, Inc. and EMCORE IRB Company, LLC (the "Photovoltaics Business"). The Photovoltaics Business provides products for space power applications including high-efficiency multi-junction solar cells, Covered Interconnect Cells (CICs) and completed satellite solar panels, and terrestrial applications, including high-efficiency GaAs solar cells for concentration photovoltaics (CPV) power systems.

NOTE 2. Basis of Presentation

The Unaudited Condensed Combined Financial Statements for the Photovoltaics Business (the "Unaudited Financial Statements") include only the assets, liabilities, and operating activity of the Photovoltaics Business. As described in Note 15 herein, the Company entered into an Asset Purchase Agreement with an affiliate of Veritas Capital on September 17, 2014 to sell substantially all of the assets and liabilities primarily related to or used in the Photovoltaics Business (the "Asset Sale"). The Unaudited Financial Statements have been prepared pursuant to the SEC requirement that the Company provide unaudited historical financial statements for the Photovoltaics Business in its proxy statement seeking shareholder approval of the Asset Sale.

The Photovoltaics Business operates through EMCORE's U.S.-based operations. Due to existing functions and facilities shared among EMCORE's two operating segments photovoltaics and fiber optics, certain working capital and property and equipment have been attributed to the Photovoltaics Business and certain operating expenses, including general corporate overhead, have been allocated to the Photovoltaics Business. The Company used underlying activity drivers as a basis of allocation, including management estimates of the proportion of shared employees' time spent supporting each segment and the corresponding application of such percentages to compensation and other applicable shared costs. Management believes such allocations are reasonable; however, they may not be indicative of the actual results of the Photovoltaics Business had it been operating as an independent company for the periods presented or the amounts that will be incurred in the future. See Note 3 for further information regarding general corporate overhead allocations.

The accompanying Unaudited Financial Statements have been derived from the consolidated financial statements of the Company, and include the revenue, costs of revenue, operating and other expenses associated with the Asset Sale. For the nine months ended June 30, 2014 and 2013 and the fiscal years ended September 30, 2013 and 2012, the revenues, cost of revenues, operating and other expenses did not include amounts attributable to the terrestrial solar module applications, which product lines were sold in fiscal year 2012.

The assets and liabilities included in the accompanying balance sheets are substantially all of the assets and liabilities primarily related to or used in the Photovoltaics Business. The amounts include the assets and liabilities that historically have been reported as part of the Company's photovoltaics reporting segment plus assets and liabilities that are being transferred in the Asset Sale that were reported as part of the Company's unallocated corporate division. The carrying value of those assets less the carrying value of those liabilities on each of the balance sheet dates represents the Company's net investment in the Photovoltaics Business at that balance sheet date.

NOTE 2. Basis of Presentation (Continued)

Operating results for the nine month periods ended June 30, 2014 and 2013 and the years ended September, 2013 and 2012 are not necessarily indicative of the results that may be expected for any future period. The Unaudited Financial Statements for the nine-month periods ended June 30, 2014 and 2013 should be read in conjunction with EMCORE's Annual Report on Form 10-K for the year ended September 30, 2013 and its Quarterly Report on Form 10-Q for the quarter ended June 30, 2014, as filed with the SEC. In the opinion of management, the Unaudited Financial Statements include all adjustments necessary to present fairly the financial position and operating results of the Asset Sale for the periods presented. The Asset Sale is subject to shareholder approval by EMCORE'S shareholders and other closing conditions.

NOTE 3. Related Party Funding and Expense Allocation

EMCORE has a centralized corporate cash management function which funds its operations as needed. The Photovoltaics Business has generally generated cash from its operating activities and has contributed to the cash flows of the Company.

The Photovoltaics Business was allocated corporate overhead expenses from EMCORE for shared corporate-related functions based on the Photovoltaics Business relative proportion of assets, revenue and compensation. Corporate overhead expenses are primarily related to centralized corporate functions, including corporate executive management, accounting and finance, information technology, human resources and legal. The Photovoltaics Business was allocated \$4.3 million and \$3.4 million for the nine month periods ended June 30, 2014 and 2013, respectively, of general corporate expenses incurred by EMCORE which are included within selling, general and administrative expenses in the Unaudited Condensed Combined Statements of Operations. During the years ended September 30, 2013 and 2012, the Photovoltaics Business was allocated general corporate expenses of \$4.7 million and \$6.1 million, respectively.

NOTE 4. Summary of Significant Accounting Policies

The Company's management has assumed that the Photovoltaics Business has adopted all of the Company's significant accounting policies see Note 1 in the Notes to Consolidated Financial Statements in the Company's Form 10-K for the year ended September 30, 2013, for additional information. The following is intended to provide further information concerning how certain of the significant accounting policies would apply to the Photovoltaics Business as a stand-alone business.

Revenue Recognition.

The Photovoltaics Business earns revenues primarily through the sale of products and providing of services. Revenue is recognized upon shipment, provided persuasive evidence of a contract exists, the price is fixed, the product meets the customer's specifications, title and ownership have transferred to the customer, and there is reasonable assurance of collection of the sales proceeds. Revenue from time and material contracts is recognized at contractual rates as labor hours and direct expenses are incurred.

The Photovoltaics Business records revenue on long-term solar panel contracts using either the percentage-of-completion method or the completed contract method. In general, the performance of these types of contracts involves the design, development, and manufacture of complex aerospace or electronic equipment to our customer's specifications. The percentage-of-completion method recognizes

Table of Contents

PHOTOVOLTAICS BUSINESS

NOTE 4. Summary of Significant Accounting Policies (Continued)

estimates for contract revenue and costs in progress as work on the contract continues. Estimates are revised as additional information becomes available.

The Photovoltaics Business uses the completed contract method if reasonably dependable estimates cannot be made or for which inherent hazards make estimates doubtful. Under the completed contract method, contract revenue and costs in progress are deferred as work on the contract continues. Total contract revenue and related costs are recognized upon the completion of the contract.

The Photovoltaics Business also recognizes revenue from research and development contracts, which represents reimbursement by various U.S. government entities, or their contractors, to aid in the development of new technology. The research and development contract funding may be based on a cost-plus, cost reimbursement, or a firm fixed price arrangement.

The Photovoltaics Business also participates in cost-sharing research and development arrangements. Under such arrangements in which the actual costs of performance are split between the U.S. government and the Photovoltaics business on a best efforts basis, no revenue is recorded and our research and development expense is reduced for the amount of the cost-sharing receipts.

Income Taxes

For purposes of the stand-alone financial statements of the Photovoltaics Business, income tax was calculated at statutory rates adjusted for applicable permanent differences, as if the Photovoltaics Business was a separate taxpayer utilizing the "Separate Return Method", even though it has been included in the consolidated tax return of EMCORE. Deferred tax assets and liabilities for the future tax consequences attributable to differences between financial statement carrying amounts of assets and liabilities and their respective tax bases are recognized and included in the accompanying Unaudited Condensed Combined Balance Sheets for the Photovoltaics Business. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be realized or settled.

Historically, since the Photovoltaics Business has been included in the consolidated tax return of EMCORE, it has not determined its net operating loss carryforward balances in the past. Therefore, the net operating loss carryforward balance (and corresponding deferred tax assets) at June 30, 2014 and September 30, 2013 and 2012, cannot be reasonably determined for the Photovoltaics Business and, as a result, are not included in deferred tax assets.

The Photovoltaics Business has not determined the actual amount of net operating losses as this information is not readily available on a stand-alone basis. The Company's management believes a net operating loss exists for the Photovoltaics Business based on the cumulative financial reporting losses generated prior to 2009 that are greater than the financial reporting income generated between 2009 and June 30, 2014. The Company's management also believes that it would have been more likely than not as of September 30, 2011, that the net operating losses for the Photovoltaics Business would be utilized in the future, therefore, the valuation allowance associated with the pre-2009 net operating losses would have been released.

Table of Contents**PHOTOVOLTAICS BUSINESS****NOTES TO UNAUDITED CONDENSED COMBINED FINANCIAL STATEMENTS (Continued)****NOTE 5. Accounts Receivable**

The components of accounts receivable consisted of the following:

<i>(in thousands)</i>	As of June 30, 2014	As of September 30, 2013	As of September 30, 2012
Accounts receivable	\$ 14,116	\$ 18,890	\$ 10,335

Allowance for doubtful accounts		(2,961)	(2,961)
Accounts receivable, net	\$ 18,287	\$ 19,641	\$ 12,344

Unbilled accounts receivable represents revenue recognized but not yet billed as of the period ended. Billings on contracts using the percentage-of-completion method usually occur upon completion of predetermined contract milestones or other contract terms, such as customer approval. The allowance for doubtful accounts is based on the age of receivables and a specific identification of receivables considered at risk of collection.

As of June 30, 2014, September 30, 2013 and September 30, 2012, the Photovoltaics Business had \$6.7 million, \$6.8 million and \$5.6 million, respectively, of accounts receivable recorded using the percentage of completion method. Of these amounts, \$3.5 million was invoiced and \$3.2 million was unbilled as of June 30, 2014, \$3.9 million was invoiced and \$2.9 million was unbilled as of September 30, 2013 and \$1.5 million was invoiced and \$4.1 million was unbilled as of September 30, 2012.

NOTE 8. Goodwill*Impairment Testing Fiscal 2012:*

As of September 30, 2012, the Photovoltaics Business performed an annual goodwill impairment test and reviewed the qualitative factors as described in ASU No. 2011-08. The Company's management determined that it was not more likely than not that the fair value of our Photovoltaics Business was less than its carrying amount.

Impairment Testing Fiscal 2013:

As of September 30, 2013, the Photovoltaics Business performed an annual goodwill impairment test and reviewed the qualitative factors as described in ASU No. 2011-08. Due to the length of time that had elapsed and changes in the underlying assumptions used in the prior quantitative impairment test, the Company's management determined to skip the qualitative assessment and perform a quantitative, step one, assessment of possible impairment based on the estimated fair value of the Photovoltaics Business. The Company's management determined based on that analysis that goodwill related to the Photovoltaics Business unit was not impaired.

NOTE 9. Intangible Assets

The following table sets forth the carrying value of intangible assets:

Deferred tax assets and liabilities for the future tax consequences attributable to differences between financial statement carrying amounts of assets and liabilities and their respective tax basis are recognized and included in the accompanying Unaudited Condensed Combined Balance Sheets for the Photovoltaics Business. income in the years in which those temporary differences are expected to be realized or settled. The Photovoltaics Business has not determined the actual amount of net operating losses or associated carryforwards as this information is not readily available on a stand-alone basis. Therefore, the current and deferred income tax expense had not been adjusted to reflect the income tax benefit that would be expected if a net operating loss was utilized. The Company's management believes a net operating loss exists for the Photovoltaics Business based on the cumulative financial reporting losses generated prior to 2009 that are greater than the financial reporting income generated

between 2009 and the current period. The Company's management also believes that it would have been more likely than not as of September 30, 2011, that the net operating losses of the Photovoltaics Business would be utilized in the future, therefore, the valuation allowance associated with the pre-2009 net operating losses would have been released.

The provision for income tax expense (benefit) consists of the following:

The Company's management believes that it is more likely than not that the future results of the operations of the Photovoltaics Business would generate sufficient taxable income to realize the tax benefits related to its deferred tax assets. Therefore, the Photovoltaics Business does not have a valuation allowance to offset the expected benefits from realization of the net deferred tax assets. Current income taxes payable amounts are treated as an intercompany equity transaction and included as part of the net parent investment in the accompanying Unaudited Condensed Combined Balance Sheets.

The Company's management has not identified any uncertain tax positions for the Photovoltaics Business. In addition, the Photovoltaics Business has not recorded interest or penalties in the financial statements.

The Company has concluded that an ownership shift of greater than 50% was triggered in prior periods. Thus, there are limitations under Internal Revenue Code 382 that may limit the ability to realize the income tax benefit associated with net operating losses.

As part of EMCORE's consolidated federal tax filings the Photovoltaics Business is under examination by the Internal Revenue Service in connection with the September 30, 2012 federal return. The Photovoltaics Business is not under examination in any states.

EMCORE is subject to income tax returns in the U.S. federal jurisdiction and several state jurisdictions. EMCORE is not subject to U.S. federal income tax examinations for tax years before 2010. The statute of limitations associated with the state examinations varies by jurisdiction.

NOTES TO UNAUDITED CONDENSED COMBINED FINANCIAL STATEMENTS (Continued)

NOTE 12. Commitments and Contingencies

Operating Lease Obligations: The Photovoltaics business leases certain land, facilities, and equipment under non-cancelable operating leases. Operating lease amounts exclude renewal option periods, property taxes, insurance, and maintenance expenses on leased properties. Facility leases typically provide for rental adjustments for increases in base rent (up to specific limits), property taxes, insurance, and general property maintenance that would be recorded as rent expense. Rent expense was approximately \$0.2 million for both of the nine months ended June 30, 2014 and 2013, respectively, and \$0.3 million for both of the fiscal years ended September 30, 2013 and September 30, 2012, respectively. There are no off-balance sheet arrangements other than our operating leases.

Asset Retirement Obligations: The Photovoltaics Business has known conditional asset retirement conditions, such as certain asset decommissioning and restoration of rented facilities to be performed in the future. In future periods, the asset retirement obligation is accreted for the change in its present value and capitalized costs are depreciated over the useful life of the related assets. If the fair value of the estimated asset retirement obligation changes, an adjustment will be recorded to both the asset retirement obligation and the asset retirement capitalized cost. Revisions in estimated liabilities can result from revisions of estimated inflation rates, escalating retirement costs, and changes in the estimated timing of settling asset retirement obligations. The fair value of the asset retirement obligations were estimated by discounting projected cash flows over the estimated life of the related assets using credit adjusted risk-free rates. There were no asset retirement obligations settled during the nine months ended June 30, 2014 and 2013, and the fiscal years ended September 30, 2013 and September 30, 2012. Accretion expense of \$29 thousand and \$28 thousand was recorded during the nine months ended June 30, 2014 and 2013, respectively, and \$38 thousand and \$23 thousand for the fiscal years ended September 30, 2013 and 2012, respectively.

Indemnifications: The Photovoltaics Business has agreed to indemnify certain customers against claims of infringement of the intellectual property rights of others in our sales contracts with these customers. Historically, the Photovoltaics Business has not paid any claims under these indemnification obligations.

Legal Proceedings: The Photovoltaics Business may be subject to various legal proceedings, claims, and litigation, either asserted or unasserted that arise in the ordinary course of business. While the outcome of these matters is currently not determinable, the Photovoltaics Business does not expect the resolution of these matters will have a material adverse effect on the Photovoltaics Business or its financial position, results of operations, or cash flows. However, the results of these matters cannot be predicted with certainty. Professional legal fees are expensed when incurred. The Photovoltaics Business accrues for contingent losses when such losses are probable and reasonably estimable. In the event that estimates or assumptions prove to differ from actual results, adjustments are made in subsequent periods to reflect more current information. Should the Photovoltaics Business fail to prevail in any legal matter or should several legal matters be resolved against the Photovoltaics Business in the same reporting period, then the financial results of that particular reporting period could be materially affected.

Intellectual Property Lawsuits

The Photovoltaics Business protects its proprietary technology by applying for patents where appropriate and, in other cases, by preserving the technology, related know-how and information as

trade secrets. The success and competitive position of its product lines are impacted by its ability to obtain intellectual property protection for its research and development efforts.

Contractual Obligations and Commitments

The Photovoltaics Business contractual obligations and commitments for the remainder of fiscal 2014 and over the next five fiscal years are summarized in the table below:

<i>(in thousands)</i>	Total	2014	For the Fiscal Years Ended September 30,		2019 and later
			2015 to 2016	2017 to 2018

Asset retirement obligations	2,475				2,475
Total contractual obligations and commitments	\$ 17,162	\$ 6,315	\$ 890	\$ 876	\$ 9,081

Interest payments are not included in the contractual obligations and commitments table above since they are insignificant to our consolidated results of operations.

Purchase Obligations

Purchase obligations represent agreements to purchase goods or services that are enforceable and legally binding, that specify all significant terms, including: fixed or minimum quantities to be purchased; fixed, minimum or variable price provisions; and the approximate timing of the transactions.

Asset Retirement Obligations

The Photovoltaics Business has known conditional asset retirement conditions, such as certain asset decommissioning and restoration of rented facilities to be performed in the future. Revisions in estimated liabilities can result from revisions of estimated inflation rates, escalating retirement costs, and changes in the estimated timing of settling asset retirement obligations.

NOTE 13. Stock-Based Compensation

EMCORE sponsors three equity incentive compensation plans, under which it issues equity-based awards to employees. The stock-based compensation expense included in the Unaudited Financial Statements represents the portion of EMCORE's total stock-based compensation expense attributed to employees directly supporting the Photovoltaics business and also an allocation of indirect expense attributed to shared employees performing corporate functions.

See Note 15 under the Notes to Consolidated Financial Statements in the Company's Form 10-K for the year ended September 30, 2013, incorporated herein by reference, for additional information regarding stock-based compensation.

equity firm Veritas Capital, pursuant to which Purchaser will acquire substantially all of the assets, and assume substantially all of the liabilities, primarily related to or used in connection with the Photovoltaics Business. PROPOSAL NO. 2: ADVISORY VOTE ON GOLDEN PARACHUTES

The Non-Binding Advisory Golden Parachute Proposal

Section 14A of the Exchange Act, which was enacted as part of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, requires that we provide our shareholders with the opportunity to vote to approve, on an advisory, non-binding basis, the "golden parachute" compensation arrangements for our named executive officers, as disclosed in the table entitled "Golden Parachute Compensation" in the section of this Proxy Statement entitled "Quantification of Potential Payments to Named Executive Officers in Connection with the Asset Sale."

We are asking our shareholders to indicate their approval of the various change of control payments which our named executive officers will or may be eligible to receive in connection with the Asset Sale. These payments are set forth in the table entitled "Golden Parachute Compensation" on page 44 of this Proxy Statement and the accompanying footnotes. Accordingly we are seeking approval of the following resolution at the Special Meeting:

"RESOLVED, that the shareholders of EMCORE approve, solely on an advisory, non-binding basis, the golden parachute compensation which may be paid to EMCORE's named executive officers in connection with the Asset Sale, as disclosed pursuant to Item 402(t) of Regulation S-K in the table entitled "Golden Parachute Compensation" in the section entitled "Quantification of Potential Payments to Named Executive Officers in Connection with the Asset Sale" in EMCORE's proxy statement for the Special Meeting."

Shareholders should note that this non-binding proposal regarding certain Asset Sale-related executive compensation arrangements is merely an advisory vote which will not be binding on EMCORE, our board of directors or Purchaser. Further, the underlying plans and arrangements are contractual in nature and not, by their terms, subject to shareholder approval. Accordingly, regardless of the outcome of the advisory vote, if the Asset Sale is consummated, our named executive officers will be eligible to receive the various change of control payments in accordance with the terms of conditions applicable to those payments.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE NON-BINDING PROPOSAL REGARDING CERTAIN ASSET SALE-RELATED EXECUTIVE COMPENSATION ARRANGEMENTS.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth as of September 23, 2014 certain information regarding the beneficial ownership of our common stock by: (i) each of our named executive officer, (ii) each of our directors, (iii) all of our directors and named executive officers as a group (13 persons), and (iv) each person or "group" (as that term is defined in Section 13(d)(3) of the Exchange Act) known by us to be the beneficial owner of more than 5% of our common stock. Except as otherwise indicated, we believe, based on information furnished by such persons, that each person listed below has the sole voting and investment power over the shares of our common stock shown as beneficially owned, subject to common property laws, where applicable. Shares beneficially owned include shares of our common stock and warrants and options to acquire shares of our common stock that are exercisable within sixty (60) days of September 23, 2014 and phantom share credits representing shares of our common stock earned by our directors for services on the Board that such directors have elected to defer and which will be settled in our common stock upon a change of control or after such directors' termination of service as a director. The Accounting Firm shall be given reasonable access to all relevant records of Seller and Purchaser to calculate the Closing Transferred Employee Accrual. If any remaining issues in dispute are submitted to the Accounting Firm for resolution, each of Purchaser and Seller will be afforded an opportunity to present to the Accounting Firm any material relating to the determination of the matters in dispute and to discuss such matters with the Accounting Firm. The Accounting Firm shall submit such calculation to Seller and Purchaser as soon as practicable, but in any event within thirty (30) days after the remaining issues in dispute are submitted to the Accounting Firm. The determination by the Accounting Firm of the Closing Transferred Employee Accrual, as set forth in a written notice delivered to Purchaser and Seller by the Accounting Firm in accordance with this Agreement absent manifest error will be binding and conclusive on Purchaser and Seller. The Closing Transferred Employee Accrual as finally determined in accordance with this *Section 3.3(b)* is referred to herein as the "*Final Transferred Employee Accrual*." 7.4 *No Solicitation; Change in Recommendation.*

(a) Seller and its Subsidiaries shall, and shall direct their respective Representatives to, cease and cause to be terminated any discussions or negotiations with any Person conducted heretofore with respect to an Alternative Transaction Proposal. Except as otherwise expressly permitted by this *Section 7.4*, Seller and its Subsidiaries shall not, and shall use their reasonable best efforts to cause their Representatives not to, directly or indirectly (A) initiate, solicit or encourage (including by way of furnishing non-public information), or take any other action to facilitate, any inquiries regarding, or the making of any proposal or offer (including any proposal or offer to Seller's shareholders) that constitutes, or could reasonably be expected to result in, an Alternative Transaction Proposal, (B) engage in, continue or otherwise participate in any discussions or negotiations regarding an Alternative Transaction Proposal, (C) agree to, approve, endorse, recommend or consummate an Alternative Transaction Proposal, (D) enter into any Seller Acquisition Agreement, (E) take any action to approve a third party becoming an "interested stockholder," or to approve any transaction with an "interested stockholder," for purposes of Section 14A:10A-1 et seq. of the New Jersey Shareholders' Protection Act or Seller's Restated Certificate of Incorporation, as amended, or (F) resolve, propose or agree, or authorize or permit any Representative, to do any of the foregoing. Seller acknowledges and agrees that doing any of the foregoing by any Representative of Seller or any of its Subsidiaries shall be deemed to be a breach by Seller of this *Section 7.4(a)*. Seller shall, within two (2) Business Days after the date of this Agreement, promptly request each Person that has heretofore executed a confidentiality agreement in connection with such Person's consideration of acquiring the Purchased Assets to return (or, if permitted by the applicable confidentiality agreement, destroy) all information required to be returned (or, if applicable, destroyed) by such Person under the terms of the applicable confidentiality agreement and, if requested by Purchaser, to enforce such Person's obligation to do so and Seller shall immediately terminate all physical and electronic dataroom access previously granted to any such Person or its Representatives.

(b) Notwithstanding anything to the contrary contained in *Section 7.4(a)*, but subject to Seller's compliance in all material respects with the other provisions of this *Section 7.4*, if the board of directors of Seller receives an unsolicited, written bona fide Alternative Transaction Proposal from a Person, that did not arise from a breach of this *Section 7.4*, after the date of this Agreement and prior to the date Seller obtains the Seller Shareholder Approval that the board of directors of Seller (or a committee thereof) determines, after receiving the advice of outside legal counsel and an independent financial advisor of nationally recognized reputation, constitutes or would reasonably be expected to result in a Superior Proposal, then, prior to obtaining the Seller Shareholder Approval, Seller may (i) furnish pursuant to an Acceptable Confidentiality Agreement any information with respect to Seller and its Subsidiaries to the Person making such Alternative Transaction Proposal, provided that any such information must be provided to Purchaser simultaneously with or promptly following its provision to such Person to the extent reasonably practicable and not previously made available to Purchaser, and (ii) participate in discussions and negotiations with such Person regarding an Alternative Transaction Proposal if, but only if, prior to taking the actions described in either of clause (i) or (ii), the board of directors of Seller (or a committee thereof) (A) after receiving advice from Seller's outside legal counsel, determines in good faith that the failure to take such action would be inconsistent with its fiduciary duties to Seller and its shareholders under applicable Law and (B) obtains from such Person an Acceptable Confidentiality Agreement and, substantially simultaneously with its execution, delivers to Purchaser a copy of such Acceptable Confidentiality Agreement. For the purposes of this Agreement, "*Acceptable Confidentiality Agreement*" means any confidentiality agreement entered

into after the date of this Agreement that contains confidentiality and standstill provisions that are no less favorable in the aggregate to Seller than those contained in the Confidentiality Agreement (as defined herein).

(c) Seller shall promptly (and in any event within one (1) Business Day after receipt by Seller or any of its Subsidiaries or any of their respective Representatives), notify Purchaser of the receipt of any Alternative Transaction Proposal or any inquiries relating to an Alternative Transaction Proposal or any request for information from, or any negotiations sought to be initiated or continued with, either Seller or its Representatives concerning an Alternative Transaction Proposal. Seller's notice shall include (i) a copy of any written Alternative Transaction Proposal and any other documents provided to Seller or any of its Subsidiaries with respect to such Alternative Transaction Proposal or (ii) in respect of any Alternative Transaction Proposal, any inquiry relating to an Alternative Transaction Proposal or any request for information relating to an Alternative Transaction Proposal not made in writing, a written summary of the material terms of such Alternative Transaction Proposal, inquiry or request, including the identity of the Person or group of Persons making the Alternative Transaction Proposal, inquiry or request. Seller shall keep Purchaser reasonably informed on a prompt basis (and in any event within one (1) Business Day) of the status or developments regarding any Alternative Transaction Proposal, inquiry or request, including any discussions with respect to or amendments or proposed amendments thereto. Other than a Seller Acquisition Agreement entered into in accordance with this Agreement, none of Seller or any of its Subsidiaries shall, after the date of this Agreement, enter into any agreement, including an Acceptable Confidentiality Agreement, that would prohibit it from satisfying its obligations under this Agreement or grant any Person exclusive rights to negotiate with Seller. Seller shall provide Purchaser with at least forty-eight (48) hours prior written notice of any meeting of the board of directors of Seller (or a committee thereof) at which the board of directors of Seller (or a committee thereof) is reasonably expected to consider any proposal, inquiry, offer or request with respect thereto (or any lesser advance notice otherwise provided to members of the board of directors of Seller (or a committee thereof) in respect of such meeting).

(d) Except as expressly permitted by *Section 7.4(e)* and subject to *Section 7.4(f)*, the board of directors of Seller (or a committee thereof) shall not (i) (A) change, qualify, withdraw, modify or fail to make, or propose to change, qualify, withdraw or modify (publicly or otherwise), in a manner adverse to Purchaser, the Seller Board Recommendation, (B) make any public statement or take any public action inconsistent with the Seller Board Recommendation, (C) approve or recommend, or publicly propose to approve or recommend to the shareholders of Seller an Alternative Transaction Proposal or (D) take formal action or make any recommendation or public statement in connection with a tender offer or exchange offer not conditioned on the sale of the Business pursuant to this Agreement other than (1) a recommendation, in a Solicitation/Recommendation Statement on Schedule 14D-9, against such offer within ten (10) Business Days after the commencement of such offer and in any event within two (2) Business Days prior to the Seller Shareholder Meeting or (2) a "stop, look and listen" communication by the Seller Board pursuant to Rule 14d-9(f) of the Exchange Act (any action described in this clause (i) being referred to as a "*Seller Adverse Recommendation Change*"); *provided, however*, that any public statement other than a "stop, look and listen" statement of the type contemplated by Rule 14d-9(f) under the Exchange Act or a recommendation against acceptance of such tender or exchange offer shall be deemed to be a Seller Adverse Recommendation Change or (ii) authorize Seller or any of its Subsidiaries to enter into any letter of intent, term sheet, merger, acquisition or other agreement or arrangement with respect to, or which may reasonably be expected to lead to or otherwise further, any Alternative Transaction Proposal (other than an Acceptable Confidentiality Agreement permitted under *Section 7.4(b)*) (a "*Seller Acquisition Agreement*").

(e) Notwithstanding anything to the contrary herein, but subject to the provisions of *Section 7.4(f)*, prior to obtaining the Seller Shareholder Approval, the board of directors of Seller (or a committee thereof) may make a Seller Adverse Recommendation Change (i) if the board of directors of Seller receives an unsolicited, written bona fide Alternative Transaction Proposal that did not arise or result from any breach of this *Section 7.4* and that has not been withdrawn that the board of directors of Seller (or a committee thereof), after receiving the advice of outside legal counsel, determines in good faith (A) after also receiving the advice of independent financial advisors of nationally recognized reputation, constitutes a Superior Proposal and (B) that the failure to take such action would be inconsistent with its fiduciary duties under applicable Law; *provided, however*, that Seller shall not enter into a Seller Acquisition Agreement unless this Agreement shall have been terminated by Seller in accordance with *Section 11.1(i)* and the Seller Termination Fee has been paid in accordance with *Section 11.3(b)*; or (ii) if an Intervening Event shall have occurred, if the board of directors of Seller (or a committee thereof), after receiving the advice of outside legal counsel, determines in good faith that, in light of such Intervening Event, the failure to take such action would be inconsistent with its fiduciary duties under applicable Law.

(f) Seller shall not be entitled to effect a Seller Adverse Recommendation Change, terminate this Agreement pursuant to *Section 11.1(i)* or enter into a Seller Acquisition Agreement unless (i) Seller has complied in all material respects with this *Section 7.4*, (ii) Seller has provided written notice (a "*Notice of Seller Adverse Recommendation Change*") to Purchaser that Seller intends to take such action and describing the material terms and conditions of the purported Superior Proposal or the event constituting an Intervening Event, as applicable, that is the basis of such action, including, if applicable, with such Notice of Seller Adverse Recommendation Change a copy of the relevant proposed transaction agreements with the party making such purported Superior Proposal and other material documents, including any equity and debt commitment letters and any other material documents related to the financing of such Superior Proposal, and (iii) following the end of the four (4) Business Day period following Purchaser's receipt of the Notice of Seller Adverse Recommendation Change, (x) if such proposed Seller Adverse Recommendation Change is in response to a purported Superior Proposal, the board of directors of Seller shall have determined in good faith, taking into account any changes to the terms of this Agreement proposed by Purchaser to Seller in response to the Notice of Seller Adverse Recommendation Change or otherwise (the "*Revised Transaction Proposal*"), after having received the advice of an independent financial advisor of nationally recognized reputation and outside counsel, that such Alternative Transaction Proposal remains a Superior Proposal with respect to the Revised Transaction Proposal and (y) if such proposed Seller Adverse Recommendation Change is in response to an Intervening Event, the board of directors of Seller, after consultation with Seller's outside legal counsel, shall have determined in good faith that failure to make a Seller Adverse Recommendation Change would be inconsistent with the directors' fiduciary duties under applicable Law; *provided* that during any such four (4) Business Day period (or any extension thereof), Seller shall negotiate in good faith with Purchaser (to the extent Purchaser desires to negotiate) regarding any Revised Transaction Proposal. Any substantive amendment to the terms of such Superior Proposal shall require a new Notice of Seller Adverse Recommendation Change and Seller shall be required to comply again with the requirements of this *Section 7.4(f)* (*provided, however*, that references to the four (4) Business Day period above shall be deemed to be references to a three (3) Business Day period).

(g) Nothing in this *Section 7.4* shall prohibit the board of directors of Seller (or a committee thereof) from taking and disclosing to the shareholders of Seller a position on any tender or exchange offer, if the board of directors of Seller (or a committee thereof) determines, after consultation with outside legal counsel, that failure to so disclose such position would constitute a violation of applicable Law; *provided, however*, that the board of directors of Seller (or a committee thereof) shall not recommend that the shareholders of Seller tender their shares in

connection with any tender or exchange offer (or otherwise approve or recommend any Alternative Transaction Proposal) or effect a Seller Adverse Recommendation Change, unless in each case the applicable requirements of *Section 7.4(f)* shall have been satisfied. In addition, it is understood and agreed that, for purposes of this Agreement (including *Article 11*), a factually accurate public statement by Seller that describes Seller's receipt of an Alternative Transaction Proposal and the operation of this Agreement with respect thereto, or any "stop, look and listen" communication or any similar communication to the shareholders of Seller, shall not, in and of itself, constitute a Seller Adverse Recommendation Change or an approval or recommendation with respect to any Alternative Transaction Proposal.

(h) As used in this Agreement, "*Alternative Transaction Proposal*" shall mean any bona fide proposal or offer from any Person or group (as defined under Section 13(d) of the Securities Exchange Act of 1934, as amended) (other than Purchaser and its Affiliates) relating to, in a single transaction or series of related transactions, any (i) acquisition of twenty percent (20%) or more of the Purchased Assets or Purchased Assets to which twenty percent (20%) or more of Seller's revenues or earnings associated with the Business are attributable, (ii) acquisition of twenty percent (20%) or more of any class of Common Stock or other equity securities of Seller, (iii) tender offer or exchange offer that, if consummated, would result in any Person or group beneficially owning twenty percent (20%) or more of any class of Common Stock or other equity securities of Seller, or (iv) merger, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving Seller.

(i) As used in this Agreement, "*Superior Proposal*" shall mean any unsolicited, written bona fide Alternative Transaction Proposal on terms which the board of directors of Seller determines in good faith, after having received the advice of Seller's outside legal counsel and independent financial advisors of nationally recognized reputation, to be more favorable, from a financial point of view, to the holders of Common Stock than the sale of the Purchased Assets pursuant to this Agreement, taking into account all of the terms and conditions of such proposal (including all legal and regulatory aspects of such proposal, including the likelihood and timing of consummation thereof) and this Agreement (including any Revised Transaction Proposal); provided, however, that for purposes of the definition of "Superior Proposal," the references to "twenty percent (20%)" in the definition of Alternative Transaction Proposal shall be deemed to be references to "fifty percent (50%)." For purposes of this Agreement, Raymond James & Associates, Inc. shall be deemed to be an independent financial advisor of nationally recognized reputation.

(j) Notwithstanding anything to the contrary contained in *Section 7.4(a)*, but subject to Seller's compliance in all material respects with the other provisions of this *Section 7.4*, (i) upon receipt by Seller of an Alternative Transaction Proposal from a Person, Seller and its Representatives may contact such Person solely in order to clarify and understand the terms and conditions of any Alternative Transaction Proposal made by such Person so as to determine whether such Alternative Transaction Proposal constitutes or would reasonably be expected to result in a Superior Proposal.

(k) Notwithstanding anything to the contrary contained in this *Section 7.4* or elsewhere in this Agreement, the provisions of this *Section 7.4* shall not apply to (i) the sale or disposition by way of asset sale (including a sale of equity securities of any Subsidiary) of any part, or all, of Seller's Other Businesses so long as clause (i) of the definition of Alternative Transaction Proposal is not satisfied or (ii) any transaction that is conditioned on the consummation of the transactions contemplated by this Agreement, including, without limitation, any investment in or tender offer for Common Stock or other equity securities of Seller or any merger, consolidation, recapitalization or other business combination involving Seller or any of its Subsidiaries or any sale of all or substantially all of the assets of Seller and its Subsidiaries.

7.5 *Access to Information; Confidentiality.*

(a) From the date hereof until the Closing, upon reasonable notice, Seller shall: (i) afford Purchaser, the Debt Financing Sources, the Mezzanine Financing Sources and their respective Representatives reasonable access to the properties and Books, Records and Files of the Business (including access to conduct Phase I environmental site assessments but not intrusive soil testing), and (ii) furnish to the Representatives of Purchaser, the Debt Financing Sources and the Mezzanine Financing Sources such additional financial and operating data and other information regarding the Business (or copies thereof) as Purchaser, the Debt Financing Sources or the Mezzanine Financing Sources may from time to time reasonably request; *provided, however*, that any such access or furnishing of information shall be conducted at Purchaser's expense, during normal business hours and in such a manner as not to interfere with the normal operations of the Business or any of Seller's Other Businesses. Notwithstanding anything to the contrary in this Agreement, Seller shall not be required to disclose any information to Purchaser, the Debt Financing Sources or the Mezzanine Financing Sources if such disclosure would be reasonably likely to (x) cause significant competitive harm to the Business if the transactions contemplated hereby are not consummated, (y) jeopardize any attorney-client or other legal privilege (but only if such privilege is asserted in good faith and after using reasonable best efforts to disclose such information in a way that would not waive such privilege) or (z) contravene any applicable Laws, fiduciary duty or binding agreement entered into prior to the date hereof (after using reasonable best efforts to disclose such information in a way that would not contravene any applicable Law, fiduciary duty or binding agreement), and in no event shall Seller or any of its respective Affiliates be required to provide access to or copies of any income Tax Returns of Seller or any such Affiliate.

(b) The terms of the Confidentiality Agreement, dated as of February 20, 2014, between Purchaser and Seller (as amended, the "*Confidentiality Agreement*"), shall continue in full force and effect until the Closing, at which time such Confidentiality Agreement and the obligations of Purchaser under this *Section 7.5(b)* shall terminate; *provided, however*, that, from and after the Closing, except as would have been permitted under the terms of the Confidentiality Agreement, Purchaser shall, and shall cause its officers, directors, employees, authorized representatives and Affiliates to, treat and hold as confidential, and not disclose to any Person the Confidential Information relating to Seller and the Excluded Assets and Seller's Other Businesses. If this Agreement is, for any reason, terminated prior to the Closing, the Confidentiality Agreement shall continue in full force and effect.

(c) Nothing provided to Purchaser pursuant to *Section 7.5(a)* shall in any way amend or diminish Purchaser's obligations under the Confidentiality Agreement. Purchaser acknowledges and agrees, subject to *Section 7.5(b)*, that any Evaluation Material (as defined in the Confidentiality Agreement) provided to Purchaser pursuant to *Section 7.5(a)* or otherwise by or on behalf of Seller or any officer, director, employee or authorized representative shall be subject to the terms and conditions of the Confidentiality Agreement.

(d) For a period of three (3) years after the Closing, for so long as the information or data retained by Seller and its Affiliates and primarily relating to the Business, the Purchased Assets and the Assumed Liabilities constitutes confidential or proprietary information (the "*Business Proprietary Information*"), Seller shall, and shall cause its Affiliates to, treat and hold as confidential all such Business Proprietary Information. If Seller or any of its Affiliates is required (by written request for information or documents in any legal proceeding, interrogatory, subpoena, civil investigative demand or similar process or by Law) to disclose any Business Proprietary Information, it shall notify Purchaser promptly of the request or requirement so that Purchaser, at its expense, may seek an appropriate protective order or waive compliance with this *Section 7.5(d)*. If, in the absence of a protective order or receipt of a waiver hereunder, Seller or any of its

Affiliates is legally compelled to disclose such Business Proprietary Information, Seller or any such Affiliates shall (x) furnish only that portion of the Business Proprietary Information that is legally required to be disclosed and (y) request that confidential treatment be accorded such Business Proprietary Information. From and after the Closing, except as otherwise permitted by the terms of this Agreement or any Ancillary Agreement, Seller shall, and shall cause its Affiliates to, cease all use of the Business Proprietary Information. Notwithstanding the foregoing, the provisions of this *Section 7.5(d)* shall not prohibit the disclosure of the Business Proprietary Information by Seller or its Affiliates to the extent reasonably required (i) to prepare or complete any required Tax Returns or financial statements; (ii) in connection with audits or other proceedings by or on behalf of a Governmental Authority; (iii) to comply with Law; or (iv) in connection with asserting any rights or remedies or performing any obligations under this Agreement. Notwithstanding the foregoing, the provisions of this *Section 7.5(d)* shall not apply to information that (A) has been, is or becomes publicly available other than as a result of a disclosure by Seller or its Affiliates; or (B) is or becomes available to Seller or such Affiliates on a non-confidential basis from a source that, to Seller's Knowledge, or such Affiliate's knowledge, is not prohibited from disclosing such information by a legal, contractual or fiduciary obligation.

7.6 Regulatory and Other Authorizations; Notices and Consents.

(a) Each of Seller and Purchaser shall use its reasonable best efforts to obtain promptly all Consents of all Governmental Authorities that may be or become necessary for the performance of its and the other Party's obligations pursuant to, and the consummation of the transactions contemplated by, this Agreement and the Ancillary Agreements including, without limitation, Consents that may be required under the HSR Act or other Competition Law. Seller and Purchaser shall cooperate with one another in promptly seeking to obtain all such Consents. If any objections are asserted with respect to the transactions contemplated hereby under any Competition Law or if any suit or proceeding is instituted or threatened by any Governmental Authority or any private party challenging any of the transactions contemplated hereby as violative of any Competition Law, each of Purchaser and Seller shall use its reasonable best efforts to promptly resolve such objections. Notwithstanding anything to the contrary in this *Section 7.6*, except as otherwise may be mutually agreed to by the Parties, nothing in this Agreement shall require or obligate Purchaser or any of its Affiliates to, and Seller shall not and shall not permit their Subsidiaries to, without the prior written consent of Purchaser, agree or otherwise be required to sell, divest, dispose of, license, hold separate, or take or commit to take any action that limits in any respect its freedom of action after the Closing with respect to, or its ability to retain after the Closing, any businesses, products, rights, services, licenses, or assets of Purchaser, Seller or any of their respective Affiliates, as applicable.

(b) In furtherance and not in limitation of the foregoing, to the extent required by applicable Competition Law, each party hereto agrees to make an appropriate filing of a notification and report form pursuant to the HSR Act with respect to the transactions contemplated hereby (which filing shall request early termination of the waiting period under the HSR Act) as promptly as practicable and in any event within ten (10) Business Days from the date hereof, or such other time as mutually agreed to by the parties, and to supply as promptly as practicable any additional information and documentary material that may be requested pursuant to the HSR Act and use its commercially reasonable efforts to take, or cause to be taken, all other actions consistent with this *Section 7.6* necessary to cause the expiration or termination of the applicable waiting periods under the HSR Act (including any extensions thereof) as soon as practicable. Filing fees with respect to such filings and notifications shall be borne by Purchaser.

(c) Each Party shall promptly notify the other Party of any communication it or any of its Affiliates receives from any Governmental Authority relating to the matters that are the subject of this Agreement and permit the other Party to review in advance any proposed communication by

such Party to any Governmental Authority relating to the matters that are the subject of this Agreement. Neither Party shall agree to participate in any meeting with any Governmental Authority in respect of any filings, investigation or other inquiry related to the transactions contemplated by this Agreement (including any proceedings under or relating to the HSR Act or other Competition Law) unless it consults with the other Party in advance and, to the extent permitted by such Governmental Authority, gives the other Party the opportunity to attend and participate at such meeting. Subject to the Confidentiality Agreement, the Parties shall coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other Party may reasonably request in connection with the foregoing; *provided that*, notwithstanding anything herein to the contrary, no party to this Agreement shall be under an obligation to disclose confidential information with respect to its Affiliates to (x) any other Party or (y) any Governmental Authority except where such confidential information is afforded confidential treatment. Subject to the Confidentiality Agreement, the Parties shall provide each other with copies of all correspondence, filings or communications between them or any of their representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, with respect to this Agreement and the transactions contemplated by this Agreement.

(d) Purchaser shall have the primary responsibility for securing the transfer, reissuance or procurement of the Permits listed on *Schedule 2.1(f)* of the Seller Disclosure Schedule effective as of the Closing Date. Seller shall cooperate with Purchaser's efforts in this regard, assist in any transfer or reissuance of such Permits held by Seller or the procurement of any other such Permits when so requested by Purchaser and use its commercially reasonable efforts to ensure that all such Permits are available to Purchaser without a disruption to the Business, including, without limitation, all export and import licenses that are required for the ongoing operation of the Business. Seller's commercially reasonable efforts shall include, but not be limited to, providing copies of all such Permits to Purchaser, providing Purchaser with all information it requires about unshipped balances and other terms and conditions of and compliance with such Permits, and engaging with Governmental Authorities with or as required by Purchaser to secure the transfer or reissuance of the Permits to Purchaser.

(e) For purposes of this Agreement, "reasonable best efforts," "commercially reasonable efforts" or any substantially similar undertakings shall not require Purchaser to (i) pay (or agree to pay) more for the Debt Financing or the Mezzanine Financing (whether in interest rate, fees or otherwise) than the terms set forth in the Debt Commitment Letter or Mezzanine Commitment Letter, as applicable, and any fee letter entered into by Purchaser in connection with such Debt Commitment Letter or Mezzanine Commitment Letter, as applicable (after giving effect to any increase in interest rate, fees or otherwise resulting from any lender exercising flex provisions contained in such fee letter), (ii) seek more equity capital than is committed in the Equity Commitment Letter or (iii) waive any condition or agree to any changes to the Debt Commitment Letter, Mezzanine Commitment Letter or Equity Commitment Letter.

(f) For purposes of this Agreement, "reasonable best efforts," "commercially reasonable efforts" or any substantially similar undertakings shall not require Seller to pay (or agree to pay) any fees for obtaining any Consents other than as specifically set forth herein.

(g) Seller will cooperate and take all required steps to (i) promptly after the date hereof file with the U.S. State Department, Directorate of Defense Trade Controls ("*DDTC*") written notice of the transactions contemplated hereby in accordance with Section 122.4 of the ITAR and (ii) promptly prepare any amendments or take any other necessary steps, if requested by Purchaser, to transfer current Permits, including U.S. Government export and import licenses, agreements and other approvals, to Purchaser or such entity as it shall designate.

7.7 *Notifications.* Prior to the Closing Date, Seller shall give prompt notice to Purchaser, and Purchaser shall give prompt notice to Seller, of (a) any notice or other communication received by such party from any Governmental Authority in connection with the transactions contemplated hereby or from any Person alleging that the consent of such Person is or may be required in connection with the transactions contemplated hereby, (b) any actions, suits, claims, investigations or proceedings commenced or, to the Knowledge of such party, threatened against, relating to or involving or otherwise affecting such party or any of its Subsidiaries which relate to the transactions contemplated hereby, (c) in the case of Seller, the occurrence of any event that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (d) the occurrence of any event or the existence of any circumstance that would reasonably be expected to result in the failure of the notifying Party to satisfy a condition specified in Article 10 hereof and (e) any notice or other communication received by such party relating to any default under or breach of any Material Contract to which Seller or any of its Subsidiaries is a party; *provided* that the delivery of any notice pursuant to this *Section 7.7* shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

7.8 *Release of Indemnity Obligations.*

(a) Purchaser shall use commercially reasonable efforts to replace, effective as of the Closing, Seller and its Affiliates, to the extent permitted under Law and applicable financing agreements to which Purchaser is subject, in respect of all obligations of the Seller and any such Affiliate as obligor under any Financial Support Arrangements obtained or entered into by Seller or any such Affiliate for the benefit of the Business. To the extent such substitution has been effected, Seller and such Affiliates shall from and after the Closing cease to have any obligation whatsoever arising from or in connection with such Financial Support Arrangements. To the extent such substitution has not been effected as of the Closing, Seller shall, and shall cause such Affiliates to, use commercially reasonable efforts to cause such Financial Support Arrangements to remain in effect, and Purchaser shall promptly reimburse and indemnify, defend and hold harmless Seller and such Affiliates with respect to any such Financial Support Arrangements.

(b) After the Closing, each of Seller and Purchaser, at the request of the other Party, shall use, and shall cause their respective Affiliates to use, commercially reasonable efforts to obtain any Consent, substitution or amendment required to novate or assign all Assumed Liabilities to Purchaser and any Excluded Liabilities to Seller, and obtain in writing the unconditional release of Seller and its Affiliates with respect to the Assumed Liabilities and the unconditional release of Purchaser with respect to the Excluded Liabilities.

7.9 *Intellectual Property Matters.*

(a) Except as expressly set forth in this *Section 7.9*, no interest in or right to use the name "EMCORE" or any derivation thereof or any other Trademarks of Seller other than the Trademarks listed on *Schedule 2.1(d)* of the Seller Disclosure Schedule (the "*Retained Marks*"), is being transferred or licensed to Purchaser pursuant to the transactions contemplated by this Agreement. Seller hereby grants to Purchaser a limited, worldwide, non-exclusive, non-transferable, non-sublicensable, royalty-free license to use any materials bearing Retained Marks and to sell, transfer and ship any products or related materials bearing Retained Marks only to the extent: (a) requested to do so by Seller, (b) displayed on the hardcopy (non-electronic) form or the softcopy electronic form of such materials delivered to Purchaser at the Closing or (c) required under Assigned Contracts with customers. The foregoing license shall expire upon the earliest occurrence of (i) Purchaser having qualified the use of its Trademarks with each customer, (ii) the end of life of the applicable product, and (iii) six (6) months after the Closing Date. The foregoing license is subject to Seller's standard Trademark usage guidelines, a copy of which has been provided to Purchaser. Within six (6) months following the expiration of the foregoing license, all materials bearing any Retained Mark in the possession of Purchaser, any of its subsidiaries or any

of their respective agents shall be promptly destroyed. Notwithstanding anything in this *Section 7.9* to the contrary, Purchaser and its Affiliates shall have the right (A) to retain records and other historical or archived documents containing or referencing the Retained Marks to the extent used in the Business or related to the Purchased Assets; (B) when advisable or necessary, to refer to the historical relationship between the Business and Purchaser and its Affiliates, on the one hand, and Seller and its Affiliates, on the other hand (whether in documents or correspondence with third parties concerning Purchased Assets, regulatory matters, or otherwise); and (C) to indicate, when advisable or necessary, the Business's historical name(s), regardless of whether such name(s) include any of the Retained Marks.

(b) Promptly after the date hereof, Seller shall use commercially reasonable efforts to correct the ownership or chain of title discrepancies or errors identified in the footnotes in *Schedule 5.15(a)* with the object of correcting any such discrepancies or errors on or prior to the Closing.

7.10 Transition Services. Seller shall enter into a transition services agreement with Purchaser and, to the extent applicable, its Affiliates, in substantially the form attached hereto as *Exhibit F* and on such other terms and provisions as the Parties shall mutually agree in writing (the "*Transition Services Agreement*").

7.11 Further Action.

(a) With respect to any Government Contract or Government Bid listed in *Schedule 5.10(a)* of the Seller Disclosure Schedule, at Purchaser's written request, the Seller shall communicate to the appropriate representative for each Governmental Authority, prime contractor, and/or higher-tier subcontractor, as applicable, the fact that the transactions contemplated by this Agreement are pending. Such communications shall be made as soon as practicable after the Purchaser's written request and prior to the Closing Date and shall be made in such manner as Purchaser reasonably determines in consultation with Seller.

(b) Prior to and after Closing, each of Seller and Purchaser shall use its commercially reasonable efforts to take, or cause to be taken, all appropriate action, to do or cause to be done all things necessary, proper or advisable under applicable Law and the agreements included in the Purchased Assets, and to execute and deliver such documents and other papers and any other agreements, as may be necessary to carry out the provisions of this Agreement and the Ancillary Agreements and consummate and make effective the sale, transfer and conveyance of the Purchased Assets (including the Government Contracts and Government Bids listed in *Schedule 5.10(a)* of the Seller Disclosure Schedule) and the assignment of the Assumed Liabilities or the exclusion of the Excluded Liabilities pursuant to this Agreement and to consummate and make effective the other transactions contemplated by this Agreement and the Ancillary Agreements, including using commercially reasonable efforts to ensure satisfaction of the conditions precedent to each Party's obligations hereunder and thereunder and including, to the extent practicable, using commercially reasonable efforts to obtain all required Consents from third parties, including novation approval or other Consent from any Governmental Authority. The Parties shall commence their efforts to obtain such Consents promptly after the execution of this Agreement. The Parties shall keep the other fully informed, on a current and timely basis, as to the progress of such Consents and provide copies of all letters, correspondence, and other material documents to or from any third party with respect thereto. Notwithstanding anything to the contrary in this Agreement, neither Seller nor any of its Subsidiaries shall agree to any modification of any term of or condition in any Assigned Contract or commit on behalf of Purchaser or the Business to any post-Closing obligation, in each case, in order to obtain consent for the transactions contemplated hereby, except with the prior written consent of Purchaser.

(c) Promptly following Closing and in accordance with FAR 42.1204, Seller, on behalf of itself, all applicable Subsidiaries of Seller, and Purchaser, shall submit to the appropriate contracting officer the documentation required for novation of each Government Contract with a Governmental Authority of the United States Government (as listed in *Schedule 5.3* of the Seller Disclosure Schedule). Seller shall prepare the initial drafts of any required novation requests and furnish all of the information and documents required in connection with any subsequent requests or requirements of the Governmental Authority. Purchaser shall provide to Seller promptly any information regarding Purchaser that is reasonably required in connection with any subsequent requests or requirements of the Governmental Authority.

(d) Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign, license, sublicense or otherwise provide rights with respect to any Purchased Asset or any right thereunder if an attempted assignment, license or other provision, without the Consent of, or other action by, any third party, would constitute a breach or other contravention of a Contract with such third party or would in any way adversely affect the rights of Purchaser or Seller or any of their respective Affiliates relating to such Purchased Assets.

(e) For the novation and/or assignment of each Government Contract and each Government Bid and to the extent that any of the other transfers, distributions, licenses, deliveries, assumptions, or assignments required to be made in connection with the transactions contemplated by this Agreement shall not have been so consummated at Closing, the Parties shall cooperate and use their commercially reasonable efforts after the Closing to effect such consummation as promptly thereafter as reasonably practicable, including executing and delivering such further instruments of transfer and taking such other actions as the Parties may reasonably request in order to effectuate the purposes of this Agreement or to more effectively transfer to Purchaser or confirm Purchaser's right, title to or interest in, all of the Purchased Assets, to put Purchaser in actual possession and operating control thereof and to permit Purchaser to exercise all rights with respect thereto (including rights under Contracts and other arrangements as to which the Consent of any third party to the transfer thereof shall not have previously been obtained); *provided* that Purchaser shall indemnify Seller for any and all Losses incurred by Seller as a direct result of Seller's guarantee obligation required to be given to the United States Government with respect to Purchaser's performance of any novated Government Contract after the effective date of such novation.

(f) In the event and to the extent that Seller and Purchaser are unable to obtain any required Consents, Seller shall (i) continue to be bound thereby pending assignment to Purchaser, (ii) at the direction and expense of Purchaser, pay, perform and discharge fully all of its obligations thereunder from and after the Closing and prior to assignment to Purchaser and (iii) without further consideration therefor, pay, assign and remit to Purchaser promptly all monies, rights and other consideration received in respect of such agreements. Seller shall exercise or exploit its rights and options under all such agreements, leases, licenses and other rights and commitments when and only as reasonably directed by Purchaser. In furtherance of this obligation, Seller and Purchaser will execute at Closing the Pre-Novation Agreement, which shall apply to all Government Contracts and Government Bids for which assignment to Purchaser has not been completed, including any Government Contracts or Government Bids with a Governmental Authority of the United States Government for which novation may be required. If and when any such Consent shall be obtained (the cost of obtaining any such Consent, if any, shall be borne by Seller) or such agreement, lease, license or other right shall otherwise become assignable or sublicensable, Seller shall promptly assign or sublicense its agreed-to rights and obligations thereunder to Purchaser without payment of further consideration and Purchaser shall, without the payment of any further consideration therefor, assume such rights and obligations.

(g) In the event that the Parties determine that certain assets, rights or properties which properly constitute Purchased Assets were not transferred to Purchaser at Closing, Seller shall

promptly take all steps reasonably necessary to transfer and deliver any and all of such assets to Purchaser without the payment by Purchaser of any further consideration therefor. In the event that the Parties determine that certain Excluded Assets were transferred to Purchaser at Closing, then Purchaser shall promptly take all steps reasonably necessary to transfer and deliver any and all of such Excluded Assets to Seller without the payment by Seller of any further consideration therefor.

7.12 *Affiliate Transactions; Intercompany Arrangements.* No later than immediately prior to the Closing, Seller shall, and shall cause its Affiliates to, terminate all agreements or arrangements, written or unwritten, of any kind (other than any Ancillary Agreements), between Seller or any of its Affiliates, on the one hand, and the Business, on the other hand, without liability or cost to Purchaser or any of its Affiliates.

7.13 *Release.*

(a) Effective as of the Closing, Seller, on behalf of itself and each of its Subsidiaries, hereby irrevocably and unconditionally releases and forever discharges the Business and Purchaser and their respective current and former directors, officers, Affiliates, employees and fiduciaries from all actions, causes of action, suits, Liabilities, debts, claims and demands which Seller or any of its Subsidiaries has or may have in the future that arise out of or relate to facts or circumstances in existence prior to the Closing, including those claims that are unknown, unanticipated or unsuspected or that may hereafter arise as a result of the discovery of new and/or additional facts; provided, however, that such releases and discharges shall not affect any claims by Seller or its Subsidiaries which Seller or any of its Subsidiaries has or may have in the future against the Business or Purchaser arising under this Agreement or any Ancillary Agreements or that arise out of acts, events, conditions or omissions that occur or come into existence after the Closing.

(b) Seller acknowledges and understands the significance and potential consequences of its release of unknown claims in *Section 7.13(a)*. In addition, Seller, on behalf of itself and its current Subsidiaries, hereby irrevocably and forever waives all rights it and they may have arising under California Civil Code Section 1542 (or any analogous requirement of law) with respect to the foregoing releases in *Section 7.13(a)*. Seller, on behalf of itself and its current Subsidiaries, understands that Section 1542 provides that: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR." Seller, on behalf of itself and its current Subsidiaries, acknowledges that it has been fully informed by its counsel concerning the effect and import of this Agreement under California Civil Code Section 1542 and other requirements of Law.

7.14 *Books, Records and Files.* Purchaser and Seller agree that Seller may maintain copies of any Books, Records and Files that are included in the Purchased Assets and that are delivered to Purchaser hereunder and Seller may prepare a comprehensive index and file plan of such Books, Records and Files. Purchaser agrees to retain and maintain such Books, Records and Files for a period of at least seven (7) years after the Closing (plus any additional time as required by Law or during which Purchaser has been advised by Seller that (i) there is an ongoing Tax audit with respect to periods prior to the Closing or (ii) any such period is otherwise open to assessment; *provided* that only such Books, Records and Files reasonably related to the appropriate Tax audit or period as advised by Seller shall be subject to such time extension). During such period, Purchaser agrees to give Seller and its representatives reasonable cooperation, access (including copies) and staff assistance, as needed, during normal business hours and upon reasonable notice, with respect to the Books, Records and Files delivered to Purchaser hereunder, and Seller agrees to give Purchaser and its representatives reasonable cooperation, access and staff assistance, as needed, during normal business hours and upon

reasonable notice, with respect to the Books, Records and Files relating to the Business and retained by Seller, in each case as may be necessary for general business purposes, including the defense of litigation, the preparation of Tax returns and financial statements and the management and handling of Tax audits; *provided* that such cooperation, access and assistance does not unreasonably disrupt the normal operations of Purchaser or Seller or their respective Affiliates. Notwithstanding anything to the contrary contained in this Agreement, neither Seller nor any of its respective Affiliates shall be required to provide access to or copies of any income Tax Returns of Seller or any such Affiliate.

7.15 Non-Compete. Subject to the provisions of this *Section 7.15*, Seller agrees that for a period of three (3) years from and after the Closing Date, none of Seller or any of its Affiliates shall compete, directly or indirectly, with the Business as conducted as of the Closing Date (a "*Competitive Activity*"); provided, however, that it shall not be deemed to be a violation of this *Section 7.15* for Seller to, directly or indirectly: (i) invest in or own any non-voting or non-convertible debt securities or other debt obligations of any Person; (ii) make any equity investments in publicly-traded companies that may compete with the Business, (*provided* that such investments are passive in nature and do not exceed 5% of the outstanding voting power of such public companies); or (iii) own any interests in any Person through any Employee Benefit Plan. Purchaser acknowledges that Seller engages in Seller's Other Businesses and, notwithstanding anything herein to the contrary, Purchaser agrees that Seller shall not be in breach of any provision of this *Section 7.15* solely as a result of Seller continuing to engage in Seller's Other Businesses as conducted as of the Closing Date following the Closing Date. The Parties recognize that the Laws and public policies of the various states of the United States and other jurisdictions may differ as to the validity and enforceability of covenants similar to those set forth in this *Section 7.15*. It is the intention of the Parties that the provisions of this *Section 7.15* shall not render unenforceable, or impair, the remainder of the provisions of this *Section 7.15*. Accordingly, if any provision of this *Section 7.15* shall be determined to be invalid or unenforceable, such invalidity or unenforceability shall be deemed to apply only with respect to the operation of such provision in the particular jurisdiction in which such determination is made and not with respect to any other provision or jurisdiction, and *Section 13.4* shall apply to substitute a valid and enforceable provision thereof. Notwithstanding anything in this *Section 7.15* to the contrary, in the event of an acquisition of the stock, business or assets of Seller and/or any of its Affiliates (by asset purchase, stock purchase, merger, consolidation or otherwise) by any Person who is not a current Affiliate of the Seller, this *Section 7.15* shall neither prohibit nor apply to the business of such Person as conducted prior to such acquisition.

7.16 Insurance Cooperation.

(a) From and after the Closing Date, to the extent that any insurance policy owned or controlled by Seller ("*Seller Insurance Policies*") covers any losses from Assumed Liabilities or the Purchased Assets arising out of an occurrence prior to the Closing Date ("*Purchaser Claims*"), at Purchaser's sole cost and expense (including reasonable out-of-pocket costs and expenses of Seller), Seller shall cooperate with Purchaser in submitting Purchaser Claims on behalf of and for the benefit of Purchaser under any Seller Insurance Policy; *provided that* Purchaser acknowledges and agrees that (A) Seller shall not be responsible for any losses from Assumed Liabilities or the Purchased Assets that are "self-insured" by Seller prior to or at the Closing Date or that are within any applicable deductible or retention amounts under any Seller Insurance Policy, (B) Seller shall not be liable to Purchaser for any losses or other amounts hereunder if any insurance company that has issued any Seller Insurance Policy fails to pay such losses or amounts for any reason and (C) except with respect to any Seller Insurance Policy under which any Purchaser Claim is pending, Seller may, at any time, without liability or obligation to Purchaser, amend, commute, terminate, buy-out, extinguish liability under or otherwise modify any Seller Insurance Policy.

(b) Purchaser shall not have access to the Seller Insurance Policies except as provided in this *Section 7.16*. This Agreement shall not be construed to waive any right or remedy of the Seller in

respect of any Seller Insurance Policy. No covenant or agreement by any party hereto to indemnify any other party hereto shall release, or be deemed to release, any insurer with respect to any claim made under any Seller Insurance Policy, nor shall the inclusion of this Section 7.16 be deemed to limit in any way the indemnification obligations of the parties under this Agreement.

(c) Seller shall assign, to the extent assignable, to Purchaser the right to receive any future proceeds (including any proceeds in respect of business interruption insurance for any period after the Closing) relating to any such Purchaser Claim following the Closing. Any Party receiving a notice with respect to any Purchaser Claim shall promptly notify all other parties hereto. To the extent that Seller and Purchaser have competing claims that will exhaust the limits of a Seller Insurance Policy, the limits of such Seller Insurance Policy shall be apportioned between the Parties in proportion to their respective bona fide losses covered thereunder without regard to policy limits.

(d) Notwithstanding anything in this Agreement to the contrary, in the event that Seller (i) consolidates with or merges into any other Person and shall not be the continuing or surviving company or entity of such consolidation or merger; (ii) transfers all or substantially all of its properties and assets to any Person; or (iii) winds up its business, in each case, resulting in a cessation or termination of Seller's insurance, then, subject to the terms of and limitations contained in the Seller Insurance Policies, Purchaser shall have the right but not the obligation in respect of the foregoing clauses (i), (ii) and (iii) to elect to purchase at Purchaser's own cost and subject to the terms of and conditions set forth in the Seller Insurance Policies, a "tail" insurance policy in respect of Liabilities then in existence.

7.17 *Interim Financial Statements.* From the date hereof to the Closing, Seller will make available to Purchaser, within 45 days of the end of the applicable quarterly accounting period for each of the four fiscal quarters of the Business, quarterly unaudited balance sheets and related statements of income of the Business for such quarterly accounting periods and, within 75 days of the end of the annual accounting period of the Business, annual unaudited balance sheets and related statements of income of the Business for such annual accounting period (collectively, the "*Interim Financial Statements*"). The Interim Financial Statements shall be prepared in a manner consistent in all material respects with the Financial Statements previously provided to Purchaser.

7.18 *Financing.*

(a) Except as set forth in the "market flex" provisions of any Financing Commitment, Purchaser shall not permit any amendment or modification to be made to, or any waiver of any provision or remedy pursuant to, the Financing Commitments without the prior written consent of Seller if such amendment, modification or waiver would or would reasonably be expected to (i) reduce the aggregate amount of the Debt Financing or the Mezzanine Financing, as applicable, unless the Equity Financing is increased by an equivalent amount or Purchaser obtains commitments for Alternative Financing for such increase; (ii) impose new or additional conditions or otherwise expand, amend or modify any of the conditions to the receipt of the Financing in a manner that would reasonably be expected to delay or prevent in any material respect the ability of Purchaser to consummate the transactions contemplated by this Agreement; or (iii) adversely impact the ability of Purchaser to enforce its rights against the other parties to the Financing Commitments. Notwithstanding the foregoing, assignments consummated pursuant to the terms of the Financing Commitments are permitted.

(b) Purchaser shall use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper and advisable to arrange and obtain the Financing on the terms (including the "flex" provisions applicable thereto) and conditions described in the Financing Commitments, including using commercially reasonable efforts to (i) maintain in effect the Financing Commitments in accordance with the terms and

subject to the conditions (including the "flex" provisions) thereof; (ii) negotiate, execute and deliver definitive agreements with respect to the Financing contemplated by the Financing Commitments on the terms and conditions (including the flex provisions) contemplated by the Financing Commitments; (iii) satisfy on a timely basis all conditions to funding that are applicable to Purchaser in the Financing Commitments and/or definitive agreements for the Financing; (iv) upon satisfaction of the conditions set forth in each of the Financing Commitments and this Agreement, including the expiration of the waiting period, consummate the Financing at or prior to Closing; and (v) comply in all material respects with its obligations pursuant to the Financing Commitments; *provided, however*, that, notwithstanding anything to the contrary in this Agreement, under no circumstances shall Purchaser or any of its Affiliates be required to commence or sustain a legal proceeding against (x) any of the Debt Financing Sources in connection with this Agreement or the other transactions contemplated herein or the Debt Commitment; or (y) any of the Mezzanine Financing Sources in connection with this Agreement or the other transactions contemplated herein or the Mezzanine Commitment. At the written request of Seller, Purchaser shall provide Seller with such information and material documentation as shall be reasonably requested by Seller to allow Seller to monitor the progress of such financing activities.

(c) In the event any portion of the debt financing contemplated in the Debt Financing Commitment becomes unavailable on the terms and conditions (including any "flex" provisions) contemplated in the Debt Financing Commitment or any portion of the Mezzanine Financing contemplated in the Mezzanine Financing Commitment becomes unavailable on the terms (including any "flex" provisions) and conditions contemplated in the Mezzanine Financing Commitment, Purchaser shall use its commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or advisable to arrange to obtain alternative debt financing (the "*Alternative Financing*") from alternative sources in an amount sufficient to consummate the transactions contemplated by this Agreement and on terms and conditions no less favorable, in the aggregate, to Purchaser than those in the Debt Financing Commitment or the Mezzanine Financing Commitment, as applicable, as promptly as practicable following the occurrence of such event.

(d) Purchaser shall promptly (and in any event, within two (2) Business Days) notify the Seller in writing (i) of any material breach or default (or any event or circumstance that, with or without notice, lapse of time or both, could reasonably be expected to give rise to any material breach or default) by Purchaser under the Financing Commitments or any definitive agreements related thereto or, to the Knowledge of Purchaser, any other party to any Financing Commitment or definitive agreement related thereto, and (ii) of the receipt by Purchaser or any of its Affiliates or Representatives of any written notice or communication, or to the actual knowledge of Purchaser, oral notice or other communication from any Person with respect to any (A) actual or purported material breach, default, termination or repudiation by any party to any Financing Commitment or any definitive agreement related thereto or any provision of the financing contemplated pursuant to the Financing Commitments or any definitive agreement related thereto (including any proposal by any lender named in the Debt Financing Commitment or the Mezzanine Financing Commitment, as applicable, to withdraw, terminate, reduce the amount of financing (to the extent not (x) included within the "flex" provisions or (y) replaced by an equivalent amount of Equity Financing or Alternative Financing) or delay the timing of financing contemplated by the Debt Financing Commitment or the Mezzanine Financing Commitment, as applicable) or (B) material dispute or disagreement between or among any parties to any Financing Commitment or any definitive agreement related thereto, in the case of clauses (A) and (B) above, that would reasonably be expected to result in Purchaser not receiving the proceeds of the Financing on the Closing Date; *provided*, that in no event shall Purchaser be required to disclose any information that is subject to a legally-binding confidentiality restriction or attorney-client or similar privilege if Purchaser shall have used its commercially reasonable efforts to

disclose such information in a way that would not waive such privilege or would (in the opinion of outside counsel) contravene any applicable Law. In the event that Purchaser does not provide access or information in reliance on the proviso to the immediately preceding sentence, Purchaser shall provide notice to Seller that such access or information is being withheld and Purchaser shall use its commercially reasonable efforts to communicate, to the extent feasible, the applicable information in a way that would not violate the applicable obligation or risk waiver of such privilege.

7.19 *Financing Cooperation.*

(a) Prior to the Closing, Seller shall use commercially reasonable efforts, and shall cause each Subsidiary and its and their Representatives to use commercially reasonable efforts, to provide Purchaser with all cooperation reasonably requested by Purchaser to assist it in causing the conditions in the Debt Commitment Letter and the Mezzanine Commitment Letter to be satisfied or as is otherwise necessary or reasonably requested by Purchaser in connection with the Debt Financing and the Mezzanine Financing, including:

(i) participation by officers in a reasonable number of meetings (including one-on-one), presentations, road shows, due diligence sessions, drafting sessions and sessions with rating agencies and prospective lenders or investors and obtaining assistance from its accountants, including participating in a reasonable number of drafting and accounting due diligence sessions;

(ii) assisting Purchaser, the Debt Financing Sources and the Mezzanine Financing Sources with the timely preparation of customary rating agency presentations, marketing materials and information memoranda (including the delivery of one or more customary representation and authorization letters) as may be required in connection with the Financing;

(iii) facilitate the pledging and mortgaging of collateral, including assisting with the preparation of security documents, other definitive financing documents, and other certificates or documents and back-up therefor as may be reasonably requested by Purchaser or the Debt Financing Sources, and otherwise reasonably facilitating the pledging of collateral and the granting of security interests in respect of the Debt Financing provided that no obligation of Seller or any Subsidiaries of Seller under any agreement, document or pledge related to any of the Debt Financing shall be operative until the Closing;

(iv) furnishing Purchaser, the Debt Financing Sources and the Mezzanine Financing Sources, as promptly as practicable, with financial and other pertinent information (provided that Purchaser shall be responsible for the preparation, with the assistance of Seller and its independent accountants, of pro forma financial statements) relating to Seller and its Subsidiaries in respect of the Business as may be reasonably requested by Purchaser, including, without limitation, the Interim Financial Statements in accordance with *Section 7.17*;

(v) cooperating with Purchaser to obtain customary and reasonable corporate and facilities ratings, consents, approvals, authorizations, non-invasive environmental assessments, landlord consents, legal opinions, surveys and title insurance (including such owner's affidavits, survey certifications, certificates of good standing and due authorization, articles of incorporation, non-imputation endorsements and any other documentation reasonably required by the title company to remove the standard exceptions from each title policy or add any endorsements to such title policies as reasonably required by the title company issuing title insurance for the Leased Business Real Property) as reasonably requested by Purchaser;

(vi) assisting in negotiation of definitive documents as may be reasonably requested by Purchaser;

Table of Contents

(vii) reasonably facilitating the pledging or the reaffirmation of the pledge of collateral (including obtaining and delivering any pay-off letters and other cooperation in connection with the repayment or other retirement of existing indebtedness and the release and termination of any and all related liens) on or prior to the Closing Date, as well as cooperating to permit prospective lenders involved in the Financing to evaluate and assess the assets of Seller and its Subsidiaries for purposes of establishing collateral arrangements;

(viii) delivering notices of prepayment within the time periods required by the relevant agreements governing indebtedness and obtaining customary payoff letters, lien terminations and instruments of discharge to be delivered at the Closing, and giving any other necessary notices, to allow for the payoff, discharge and termination in full at the Closing of all indebtedness; and

(ix) promptly and in any event at least five (5) Business Days prior to the Closing Date, furnishing Purchaser, the Debt Financing Sources and the Mezzanine Financing Sources with all documentation and other information (to the extent reasonably requested by the Debt Financing Sources or the Mezzanine Financing Sources at least ten (10) Business Days prior to the Closing Date) that is required by regulatory authorities pursuant to applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act.

(b) Nothing in this *Section 7.19* shall require Seller or any of its Subsidiaries to (i) waive or amend any terms of this Agreement or agree to pay any fees or reimburse any expenses prior to the Closing for which it has not received prior reimbursement or is not otherwise indemnified by or on behalf of Purchaser, or to give any indemnities that are effective prior to the Closing; or (ii) take any action that would unreasonably interfere with the ongoing operations of Seller and its Subsidiaries.

(c) Seller hereby consents to the use of Seller's and its Subsidiaries' names, trademarks and logos in connection with the Financing; *provided, however*, that such names, trademarks and logos are used solely in a manner that is not intended or reasonably likely to harm or disparage Seller or any of its Subsidiaries.

(d) All non-public or other confidential information provided by Seller or any of its Representatives pursuant to this Agreement shall be kept confidential in accordance with the Confidentiality Agreement; *provided, however* that Purchaser shall be permitted to disclose such information to any financing sources or prospective financing sources and other financial institutions and investors that are or may become parties to the Debt Financing or the Mezzanine Financing and to any underwriters, initial purchasers or placement agents in connection with the Debt Financing or the Mezzanine Financing (and, in each case, to their respective counsel and auditors) so long as such Persons (i) agree to be bound by the Confidentiality Agreement as if parties thereto; or (ii) are subject to other customary confidentiality undertakings reasonably satisfactory to Seller (it being acknowledged and agreed that the notices and undertakings in a form customarily used in confidential information memoranda for senior credit facilities or mezzanine facilities are reasonably satisfactory to Seller).

(e) Promptly upon request by Seller, Purchaser shall reimburse Seller (or pay in advance) for any reasonable and documented out-of-pocket costs and expenses (including outside attorneys' fees) incurred by Seller in connection with the cooperation of Seller contemplated by this *Section 7.19*.

(f) Seller, its Subsidiaries and their respective Representatives shall be indemnified and held harmless by Purchaser (whether or not the Closing occurs) from and against any and all liabilities, losses, damages, claims, costs, expenses (including attorneys' fees), interest, awards, judgments, penalties and amounts paid in settlement suffered or incurred by them in connection with their

Table of Contents

cooperation in arranging the Financing pursuant to this Agreement or the provision of information utilized in connection therewith, except to the extent resulting from, or by reason of information provided by or at the direction of Seller, any of its Subsidiaries or their respective Representatives, or to the extent that such liabilities, losses, damages, claims, costs or expenses, directly or indirectly, resulted from or arose out of the willful misconduct, bad faith or gross negligence of Seller, any of its Subsidiaries or their respective Representatives.

7.20 Estoppel Certificate. Seller shall use commercially reasonable efforts to obtain, prior to the Closing, an estoppel certificate from each landlord, lessor, sublessor or licensor of the Leased Business Real Property or lessee, sublessee or licensee of the Owned Business Real Property, confirming, among other things, that no defaults exist thereunder and the status of all payments associated therewith.

7.21 Code Section 338 Election. Purchaser and Seller shall make an election under Section 338(h)(10) of the Code (and, to the extent requested by Purchaser, any corresponding elections under state or other Tax Laws) (each, a "*Code Section 338(h)(10) Election*") with respect to the purchase and sale of the stock of any Purchased Subsidiary that is treated as a corporation for U.S. federal income tax purposes pursuant to this Agreement. Purchaser, at its expense, shall prepare, or cause to be prepared, the forms and schedules (including IRS Form 8023) and take such other steps that are necessary to effect the Code Section 338(h)(10) Election. Seller shall execute all forms and schedules (including, without limitation, IRS Form 8023) required to make any Code Section 338(h)(10) Election (the "*Section 338 Forms*") and return the same to Purchaser prior to the Closing Date, to the extent that the Section 338 Forms have been provided to Seller at least five (5) days prior to the Closing Date and otherwise no more than ten (10) days from the receipt of the same from Purchaser or its agent. Purchaser will compute the adjusted grossed up basis of the assets of such applicable Purchased Subsidiaries in accordance with Code Sections 338 and 1060 (and any similar provision of state or other Tax Laws, as appropriate) and will prepare a draft schedule, allocating such basis among such applicable Purchased Subsidiaries' assets and shall provide such draft schedule to Seller. Seller shall, for ten (10) Business Days thereafter, be entitled to review and comment on such schedule and Purchaser shall consider such comments in good faith. Thereafter, Purchaser shall provide to Seller a final allocation schedule. Purchaser and Seller shall report and file all Tax Returns in all respects and for all purposes consistent with Purchaser's final allocation schedule. Neither Purchaser nor Seller shall take any position (whether in audits, Tax Returns or otherwise) that is inconsistent with Purchaser's final allocation schedule. The allocation schedule shall be amended to take into account any adjustment to Purchase Price under Section 3.2 in a manner consistent with the procedures set forth in this Section 7.21. Seller shall include any income, gain, loss or deduction of the Tax items resulting from each Code Section 338(h)(10) Election on its Tax Returns to the extent required by applicable Law.

7.22 Wells Fargo Facility. In the event that Seller has not delivered to Purchaser at least five (5) Business Days prior to the anticipated Closing Date an executed copy of either the consent of Wells Fargo as described in clause (i) of Section 10.1(d) or an amendment to the Credit and Security Agreement as described in clause (ii) of Section 10.1(d), Seller shall deliver to Purchaser promptly thereafter, but in any event at least three (3) Business Days prior to the anticipated Closing Date, (i) a payoff letter executed by Seller (in accordance with Section 2.6 of the Credit and Security Agreement and otherwise in form and substance reasonably acceptable to Purchaser) in respect of such indebtedness under the Credit and Security Agreement and (ii) wire instructions for Purchaser to pay at Closing a portion of the Preliminary Purchase Price to Wells Fargo (on behalf of Seller) to pay off any amounts outstanding under the Credit and Security Agreement as of the Closing.

7.23 Tax Clearance.

(a) The parties hereby acknowledge that pursuant to P.L. 2007, Chapter 100 (A5002) and the provisions of N.J.S.A. 54:50-38, the transactions set forth herein may be considered a bulk sale by

Table of Contents

Seller and, therefore, Purchaser shall file with the Director of the Division of Taxation in the Department of the Treasury of the State of New Jersey (the "*Division*") at least ten (10) business days prior to Closing, a Notification of Sale, Transfer, or Assignment in Bulk (Form C-9600)(the "*Bulk Sale Notice*") and an executed copy of this Agreement, enumerating the purchase price and the terms and the conditions hereof, as required by law and as necessary to obtain a letter of clearance from the Division. Seller acknowledges that Seller may be required by the Division to complete an Asset Transfer Tax Declaration (Form TTD) in order for the Division to provide a letter of clearance. Seller hereby agrees to provide such completed declaration to the Division upon the assignment of a caseworker at the Division following Purchaser's filing of the Bulk Sale Notice with the Division. Seller agrees to cooperate in good faith with Purchaser with filing the above documents and obtaining a letter of clearance from the Division.

(b) Purchaser shall pay into escrow that portion of the Preliminary Purchase Price equal to the amount which is required by the Division, which amount (together with interest accrued thereon, if any, the "*Division Escrow*") shall be held in escrow by Seller's counsel, Connell Foley LLP (the "*Escrow Agent*"), in its attorney trust account pursuant to a customary escrow agreement to be entered into by Purchaser, Seller and the Escrow Agent at or prior to Closing (the "*Escrow Agreement*"). The Escrow Agent shall hold the Division Escrow in accordance with this Agreement until such time as this Agreement provides that it shall be released. If the Division Escrow exceeds the Preliminary Purchase Price (or net proceeds of the Preliminary Purchase Price that would otherwise be payable to Seller at Closing), then, at Closing, Seller shall deliver to the Escrow Agent, in immediately available funds, an amount equal to the difference between the Division Escrow and the Preliminary Purchase Price (or net proceeds of the Preliminary Purchase Price that would otherwise be payable to Seller at Closing). Purchaser and Seller agree to be bound by the escrow requirements imposed by the Division, including any adjustment of the Division Escrow amount. Upon Purchaser's receipt of a letter from the Division (a "*Demand Letter*") demanding payment to the Division of all or a portion of the Division Escrow, Purchaser shall promptly direct the Escrow Agent, by written notice, to disburse to the Division that portion of the Division Escrow demanded in the Demand Letter. Purchaser shall simultaneously deliver to Seller a copy of any such notice to the Escrow Agent, together with a copy of the Demand Letter. Upon any such written notice from Purchaser to the Escrow Agent, the Escrow Agent shall promptly disburse to the Division such amounts from the Division Escrow as the Division demands in the Demand Letter. However, if the amount of the Division's demand exceeds the amount of the Division Escrow, then Purchaser shall not be required to direct the Escrow Agent to release the Division Escrow to the Division until the Division confirms that it will issue a tax clearance letter upon the receipt of such funds from the Division Escrow. Only after the Division has issued a written letter of clearance to Purchaser, which clearance letter Purchaser shall promptly deliver to Seller, and upon Seller's written request to the Escrow Agent, which written request shall include a copy of the Division's letter of clearance, and simultaneous notice to Purchaser of such request, any remaining balance of funds in the Division Escrow shall be disbursed to Seller by the Escrow Agent.

(c) Seller agrees to pay in a timely manner any and all amounts of Seller's outstanding tax obligations owed to the Division; *provided, however*, Seller reserves the right to dispute any such amounts claimed to be owed to the Division in accordance with applicable Law.

(d) The provisions of this *Section 7.23* shall survive the Closing.

7.24 Future Dividends. Seller covenants that any dividends it makes in respect of the Preliminary Purchase Price or Final Purchase Price shall be made in compliance with applicable Law.

7.25 Subsequent Transaction. In the event that, at any time during the three (3) years following the Closing, all or substantially all of the remaining assets of Seller are sold, transferred or otherwise

Table of Contents

disposed of (a "*Subsequent Transaction*"), prior to or concurrently with the consummation of such Subsequent Transaction, Seller shall deposit immediately available funds in an amount equal to \$15,000,000 into an escrow account (the "*Escrow Account*") with an escrow agent who shall be selected by Purchaser and reasonably acceptable to Seller, pursuant to an escrow agreement in form and substance reasonably agreed to by Purchaser (which escrow shall expire on the third anniversary of the Closing Date); *provided that*, if Seller shall have delivered to Purchaser at least fifteen (15) Business Days prior to the consummation of such Subsequent Transaction evidence reasonably acceptable to Purchaser that such subsequent transferee has a net worth, pro forma for such Subsequent Transaction, equal to or in excess of Seller's net worth immediately prior to the consummation of such Subsequent Transaction, but in no event less than \$50 million, then such subsequent transferee may assume all of Seller's obligations under this Agreement pursuant to an assumption agreement among such subsequent transferee, Seller and Purchaser in a form and substance reasonably acceptable to Purchaser in lieu of Seller's obligation to deposit any amounts into the Escrow Account pursuant hereto. Notwithstanding anything in this Agreement to the contrary, so long as Seller maintains a net worth equal to or in excess of \$50 million, neither Seller nor any subsequent transferee shall have any obligations pursuant to this *Section 7.25*.

7.26 Medical Claims Reimbursement. 11.3 Termination Fees.

(a) In the event that:

(i) (A) an Alternative Transaction Proposal shall have been publicly disclosed or otherwise communicated in writing to Seller's board of directors after the date hereof, (B) following the occurrence of an event described in the preceding clause (A), this Agreement is terminated either (x) by Seller pursuant to *Section 11.1(g)* or (y) by Purchaser pursuant to *Section 11.1(g)* or *11.1(d)* and (C) within twelve (12) months following the date this Agreement is terminated, Seller enters into a definitive agreement with respect to any Alternative Transaction Proposal or consummates a transaction regarding any Alternative Transaction Proposal; *provided, however*, that for purposes of clause (C) of this *Section 11.3(a)(i)*, the references to "twenty percent (20%)" in the definition of Alternative Transaction Proposal shall be deemed to be references to "fifty percent (50%)"; or

(ii) this Agreement is terminated by Seller pursuant to *Section 11.1(i)*; or

(iii) this Agreement is terminated by Purchaser pursuant to *Section 11.1(h)*;

then (A) Seller shall pay to Purchaser the Seller Termination Fee, by wire transfer of same day funds, it being understood that in no event shall Seller be required to pay the Seller Termination Fee on more than one occasion and (B) if this Agreement is terminated pursuant to *Section 11.1(g)* and an Alternative Transaction Proposal shall have been publicly disclosed or otherwise communicated in writing to Seller's board of directors after the date of this Agreement,

Seller shall promptly, but in no event later than two (2) Business Days after the date of such termination (without regard to whether Seller shall have entered into a definitive agreement with respect to an Alternative Transaction Proposal or an Alternative Transaction Proposal is consummated), pay (by wire transfer of immediately available funds) to Purchaser or its designee(s) all reasonable out-of-pocket fees and expenses incurred by Purchaser in connection with this Agreement or the transactions contemplated hereby, including the Financing, in an amount not to exceed \$2,000,000 in the aggregate (*provided* that Purchaser provide reasonable documentation therefor) (the "*Purchaser Expenses*"). Any Purchaser Expenses previously paid by Seller to Purchaser pursuant to this *Section 11.3(a)* shall be credited towards the payment of the Seller Termination Fee. For purposes of this Agreement, "*Seller Termination Fee*" shall mean an amount equal to \$5,330,000. If the Seller Termination Fee becomes payable pursuant to *Section 11.3(a)(i)*, it shall be paid no later than the date of the consummation of the Alternative Transaction Proposal transaction described in clause (C) of *Section 11.3(a)(i)*. If the Seller Termination Fee becomes payable pursuant to *Section 11.3(a)(ii)*, it shall be paid prior to or contemporaneously with the termination of this Agreement pursuant to *Section 11.1(i)*; (and any purported termination pursuant to this Section shall be void and of no force or effect unless Seller shall have made such payment). If the Seller Termination Fee becomes payable pursuant to *Section 11.3(a)(iii)*, it shall be paid no later than three (3) Business Days after the termination of this Agreement pursuant to *Section 11.1(h)*. Notwithstanding anything to the contrary in this Agreement, but subject to *Section 13.11*, in each case on the part of or by Seller or any of its Subsidiaries, in the event this Agreement has been terminated and the Seller Termination Fee is payable and paid to Purchaser pursuant to this *Section 11.3(a)*, receipt of the Seller Termination Fee shall be the sole and exclusive remedy (under the circumstances where such Seller Termination Fee is payable) of Purchaser and its Affiliates against any Seller Party for any loss, damage, liability, claim, obligation or Action (whether in law or in equity and whether based on contract, tort or otherwise) based upon, arising out of or relating to this Agreement (including any breach or alleged breach hereof), the negotiation, execution or performance hereof or the transactions contemplated by this Agreement or in respect of any other document or theory of law or equity or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith, whether at law or equity, in contract, in tort or otherwise. The parties acknowledge and agree that in no event shall Seller be required to pay the Seller Termination Fee on more than one occasion and in no event shall Purchaser be entitled to collect the Seller Termination Fee on more than one occasion. In no event shall the Seller Parties be liable to Purchaser, any Purchaser Party or any Person claiming by, through or for the benefit of Purchaser in excess of an aggregate amount equal to the Seller Termination Fee for any loss, damage, liability, claim, obligation or Action (whether in law or in equity and whether based on contract, tort or otherwise) based upon, arising out of or relating to this Agreement (including any breach or alleged breach hereof), the negotiation, execution or performance hereof or the transactions contemplated by this Agreement or in respect of any other document or theory of law or equity or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith, whether at law or equity, in contract, in tort or otherwise.

(b) In the event that this Agreement is terminated by Seller pursuant to *Section 11.1(d)* or *11.1(j)*, then Purchaser shall pay to Seller the Purchaser Termination Fee, by wire transfer of same day funds, it being understood that in no event shall Purchaser be required to pay the Purchaser Termination Fee on more than one occasion. For purposes of this Agreement, "*Purchaser Termination Fee*" shall mean an amount equal to \$8,000,000. The Purchaser Termination Fee shall be paid no later than three (3) Business Days after the termination of this Agreement pursuant to *Section 11.1(d)* or *11.1(j)*. Notwithstanding anything to the contrary in this Agreement but subject to *Section 13.11*, the sole and exclusive remedies of Seller, any Seller Party or any Person claiming by, through or for the benefit of Seller against any Purchaser Party for any loss, damage, liability,

claim, obligation or Action (whether in law or in equity and whether based on contract, tort or otherwise) based upon, arising out of or relating to this Agreement, the Guarantee, the Financing or the Financing Commitments (including any breach or alleged breach hereof or thereof), the negotiation, execution or performance hereof or thereof or the transactions contemplated hereby or thereby or in respect of any other document or theory of law or equity or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith, whether at law or equity, in contract, in tort or otherwise shall be (i) receipt of the Purchaser Termination Fee from Purchaser in the event this Agreement has been terminated and the Purchaser Termination Fee is payable to Seller pursuant to this *Section 11.3(b)*, (ii) receipt from the Guarantor of any monetary amounts due and payable by the Guarantor under, and subject to all of the terms and conditions of, the Guarantee and (iii) receipt of whatever remedies Seller may have under or in accordance with the Confidentiality Agreement against the other Person party thereto. The parties acknowledge and agree that in no event will Purchaser be required to pay the Purchaser Termination Fee on more than one occasion and in no event shall Seller be entitled to collect the Purchaser Termination Fee on more than one occasion. Without limitation of the generality of the foregoing or of any other provision of this Agreement, (A) in no event shall the Purchaser Parties be liable to Seller, any Seller Party or any Person claiming by, through or for the benefit of Seller in excess of an aggregate amount equal to the Purchaser Termination Fee for any loss, damage, liability, claim, obligation or Action (whether in law or in equity and whether based on contract, tort or otherwise) based upon, arising out of or relating to this Agreement, the Guarantee, the Financing or the Financing Commitments (including any breach or alleged breach hereof or thereof), the negotiation, execution or performance hereof or thereof or the transactions contemplated hereby or thereby or in respect of any other document or theory of law or equity or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith, whether at law or equity, in contract, in tort or otherwise, (B) upon payment of the Purchaser Termination Fee, none of Seller, any Seller Party or any Person claiming by, through or for the benefit of Seller shall have any rights or claims against any Purchaser Party under this Agreement, the Guarantee, the Financing, the Financing Commitments, or any of the transactions contemplated hereby or thereby (whether in law or in equity and whether based on contract, tort or otherwise) or for any breach or alleged breach hereof or thereof and (C) none of Seller, any Seller Party or any Person claiming by, through or for the benefit of Seller shall have any rights or claims against any Purchaser Party under or in connection with this Agreement, the Guarantee, the Financing, the Financing Commitments, or any of the transactions contemplated hereby or thereby (whether in law or in equity and whether based on contract, tort or otherwise) or for any breach or alleged breach hereof or thereof for any damages of any kind or nature or for any other monetary amounts, except as otherwise set forth in the Guarantee.

(c) Any amount that becomes payable pursuant to *Section 11.3(a)* or *Section 11.3(b)* shall be paid by wire transfer of immediately available funds to an account designated by Purchaser or Seller, as applicable.

(d) For purposes of this Agreement, (i) "*Seller Party*" shall mean, collectively, Seller and its Subsidiaries and any of their respective former, current or future directors, officers, employees, agents, general or limited partners, managers, members, shareholders, Affiliates or assignees or any former, current or future director, officer, employee, agent, general or limited partner, manager, member, shareholder, Affiliate or assignee of any of the foregoing; and (ii) "*Purchaser Party*" shall mean, collectively, Purchaser, Guarantor, the Equity Financing Sources, the Debt Financing Sources, the Mezzanine Financing Sources and any of their respective former, current or future directors, officers, employees, agents, general or limited partners, managers, members, shareholders, Affiliates or assignees or any former, current or future director, officer, employee, agent, general or limited partner, manager, member, shareholder, Affiliate or assignee of any of the foregoing.

ARTICLE 12

INDEMNIFICATION AND SURVIVAL

12.1 *Survival of Representations and Warranties.* Except for the Surviving Reps (defined below), none of the representations and warranties in this Agreement or in any certificate or other instrument delivered pursuant to this Agreement shall survive the Closing (other than for purposes of the R&W Insurance Policy). The representations and warranties contained in *Sections 5.1* (Organization, Authority and Qualification), *5.14* (Tax Matters), *5.6(a)* (Title to and Sufficiency of Asset) and *5.25* (Brokers) (collectively, "*Seller Surviving Reps*") and in *Sections 6.1* (Organization and Authority of Purchaser) and *6.8* (Brokers) (collectively, "*Purchaser Surviving Reps*" and, together with the Seller Surviving Reps, the "*Surviving Reps*") shall survive the Closing indefinitely unless a statute of limitations applies to claims of third parties in any such case, and with respect to such claims, and with respect to any and all representations and warranties with respect to matters covered by *Section 5.14* (Tax Matters), such representations and warranties shall expire ninety (90) days following the expiration of the applicable statute of limitations (including any extensions thereof) provided by Applicable Law (the "*Survival Date*"). As of the Survival Date for each of the Surviving Reps, such representations and warranties shall automatically terminate and be of no further force or effect, and except for fraud, no claims of any type whatsoever arising out of, based upon or relating any way to such representations and warranties may be brought by any party after the applicable Survival Date; *provided, however*, that such representations or warranties shall survive beyond such period with respect to (but only with respect to) any inaccuracy therein or breach thereof, notice of which shall have been duly given prior to the Survival Date in accordance with *Sections 12.5* and *12.6*. Furthermore, except for fraud and intentional misrepresentation, the Parties (i) intend that the preceding sentence relating to the expiration and automatic termination of the Surviving Reps as of the applicable Survival Date shall operate as a contractual statute of limitations relating to any and all claims of any type whatsoever arising out of, based upon or relating in any way to such representations and warranties and shall replace and supplant any statute of limitations which may otherwise apply thereto, and (ii) agree and acknowledge that such replacement and supplanting of the statute of limitations by the contractual statute of limitations in this *Section 12.1* is reasonable and appropriate. All covenants or other agreements in this Agreement shall survive the Closing until fully satisfied.

12.2 *Indemnification by Purchaser.* Subject to the other provisions of this *Article 12*, from and after the Closing, Purchaser shall indemnify, hold harmless and reimburse Seller and its Affiliates, officers, directors, agents, successors and assigns (each, a "*Seller Indemnified Party*") from and against and in respect of any and all losses, damages, costs, expenses (including any reasonable and documented attorneys' fees), fines, penalties, disbursements and amounts paid in settlement (collectively, "*Losses*") which any Seller Indemnified Party may actually suffer or incur to the extent arising out of or related to:

- (a) the failure of any Purchaser Surviving Rep to be true and correct as of the date hereof or as of the Closing Date (or as of the date made, where such Purchaser Surviving Rep by its terms is made as of a specified date); *provided*, that any inaccuracy in or breach of any Purchaser Surviving Rep shall be determined without giving effect to any qualification as to "materiality" or "material adverse effect" set forth therein;
- (b) any breach by Purchaser of, or failure by Purchaser to perform, any of its covenants or other agreements set forth in this Agreement;
- (c) the Assumed Liabilities; and
- (d) any other obligations or Liabilities undertaken or assumed by Purchaser pursuant to this Agreement.

12.3 *Indemnification by Seller.* Subject to the other provisions of this *Article 12*, from and after the Closing, Seller shall indemnify, hold harmless and reimburse Purchaser and its Affiliates, officers, directors, agents, successors and assigns (each, a "*Purchaser Indemnified Party*") from and against and in respect of any and all Losses which any Purchaser Indemnified Party may actually suffer or incur to the extent arising out of or related to:

- (a) the failure of any Seller Surviving Rep to be true and correct as of the date hereof or as of the Closing Date (or as of the date made, where such Seller Surviving Rep by its terms is made as of a specified date); *provided*, that any inaccuracy in or breach of any Seller Surviving Rep shall be determined without giving effect to any qualification as to "materiality" or "material adverse effect" set forth therein;
- (b) any breach by Seller of, or failure by Seller to perform, any of its covenants or other agreements set forth in this Agreement; and
- (c) the Excluded Liabilities.

12.4 *R&W Insurance Policy.* Except as set forth in *Section 12.9*, from and after the Closing, the R&W Insurance Policy shall be the sole and exclusive remedy of the Purchaser Indemnified Parties for any and all Losses that are sustained or incurred by any of the Purchaser Indemnified Parties by reason of, resulting from or arising out of any breach of or inaccuracy in any of Seller's representations or warranties contained in this Agreement (other than the Seller Surviving Reps). Without limiting the generality of the foregoing, any rights of any issuer of the R&W Insurance Policy, including any rights of subrogation, do not affect, expand or increase any liability or obligation of Seller in connection with the transactions contemplated by this Agreement.

12.5 *Limitations on Indemnification.*

- (a) The aggregate amount required to be paid to Purchaser pursuant to *Sections 12.3(a)* and *12.3(b)* shall not exceed the Purchase Price, as adjusted pursuant to *Section 3.2*.
- (b) Notwithstanding anything to the contrary contained in this Agreement, no amounts shall be payable as a result of any claim in respect of a Loss arising under *Section 12.2* or *Section 12.3*:
 - (i) to the extent any matter forming the basis for such Loss was taken into consideration in the computation of Net Working Capital, but only to the extent it resulted in a reduction of the Final Net Working Capital; or
 - (ii) except to the extent any such damages are owed to a third party pursuant to a Third-Party Claim, to the extent an Indemnified Party asserts a claim for any punitive, exemplary, special, unforeseen or other consequential damages or any damages measured by lost profits or a multiple of earnings.
- (c) Each Party agrees to use commercially reasonable efforts to mitigate any Loss which forms the basis of a claim for indemnification hereunder to the extent required by Applicable Law.

12.6 *Claims for Indemnification.* All claims for indemnification by any Indemnified Party shall be asserted and resolved as set forth in this *Section 12.6*:

- (a) *Third-Party Claims.* In the event that any written claim or demand for which an Indemnifying Party may be liable to any Indemnified Party hereunder is asserted against or sought to be collected from any Indemnified Party by a third party, such Indemnified Party shall promptly, but in no event later than twenty (20) Business Days following such Indemnified Party's receipt of such claim or demand (including a copy of any related written third party demand, claim or complaint) (the "*Third-Party Claim*"), deliver a Claim Notice to the Indemnifying Party; *provided, however*, that failure to deliver a Claim Notice shall not affect the indemnification provided hereunder except in the event the Indemnifying Party shall have been actually and materially

prejudiced as a result of such failure. If a Third-Party Claim is made against an Indemnified Party, the Indemnifying Party shall be entitled to participate therein and, to the extent that the Indemnifying Party shall wish, to assume the defense thereof (which shall conclusively establish thereby the Indemnifying Party's responsibility to indemnify the Indemnified Party in respect of such Third-Party Claim subject to the limitations in this *Article 12*), and, after notice from the Indemnifying Party to the Indemnified Party of such election to so assume the defense thereof, the Indemnifying Party shall not be liable to the Indemnified Party for any legal expenses of other counsel or any other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof. The Indemnified Party shall cooperate fully with the Indemnifying Party and its counsel in the defense against any such Third-Party Claim. The Indemnified Party shall have the right to participate at its own expense in the defense of any Third-Party Claim. Neither the Indemnifying Party, on the one hand, nor the Indemnified Party, on the other hand, shall admit liability to, or settle, compromise or discharge any Third-Party Claim without the prior consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed; *provided, however*, the Indemnifying Party may settle, compromise or discharge any Third-Party Claim the defense of which was assumed by the Indemnifying Party if such Third-Party Claim provides only for the payment of monetary damages. In the event the Indemnifying Party elects not to defend any Third-Party Claim, the Indemnified Party shall defend against such Third-Party Claim in good faith and in a commercially reasonable manner at the cost and expense of the Indemnifying Party, and the Indemnifying Party shall have the right to participate in such defense at its own expense. Notwithstanding anything to the contrary herein, the Indemnifying Party shall not have the right to assume the defense of any Third-Party Claim and the Indemnified Party may elect to assume the defense to the extent (i) such Third-Party Claim constitutes a claim for non-monetary, equitable or injunctive relief against the Indemnified Party which, if awarded, would be reasonably expected to have a material and adverse impact on the business of the Indemnified Party (after giving effect to the transactions contemplated by this Agreement); or (ii) if an actual or potential conflict of interest exists or would reasonably be expected to potentially arise (as determined by outside counsel) in respect of the matters subject to such Third-Party Claim as determined by the conflict-of-interest rules restricting attorney conduct in the applicable jurisdiction if counsel for the Indemnifying Party were to act as counsel for the Indemnified Party.

(b) In the event of any claim for indemnity under *Section 12.2* or *Section 12.3*, (i) Purchaser agrees to give Seller and its representatives reasonable access to the books and records and employees of Purchaser in connection with the matters for which indemnification is sought to the extent Seller reasonably deems necessary in connection with its rights and obligations under this *Article 12*; and (ii) Seller agrees to give Purchaser and its representatives reasonable access to the books and records and employees of Seller in connection with the matters for which indemnification is sought to the extent Purchaser reasonably deems necessary in connection with its rights and obligations under this *Article 12*.

12.7 Tax Effect. The amount of any Loss subject to indemnification under this Agreement shall be reduced by the amounts of any net tax benefits that have been actually received by the Indemnified Party in the year such Loss is incurred or in the following year and that results from such indemnifiable Loss. As used in this *Section 12.7*, "tax benefit" shall mean the net Tax savings attributable to any deduction, expense, loss, credit or refund to the Indemnified Party, when actually received. The amount of any tax benefit actually received shall be equal to the actual reduction in Taxes of the Indemnified Party paid in cash determined with the applicable Tax items and the indemnity payment made or to be made taken into account as compared with the Taxes that would have been payable without the applicable Tax items.

12.8 *Insurance Offset.* If any Losses sustained by an Indemnified Party are covered by an insurance policy or an indemnification, contribution or similar obligation of another Person (other than an Affiliate of such Indemnified Party), the Indemnified Party shall use commercially reasonable efforts to collect such insurance proceeds or indemnity, contribution or similar payments. If the Indemnified Party receives such insurance proceeds or indemnity, contribution or similar payments prior to being indemnified, held harmless and reimbursed under *Section 12.2* or *Section 12.3*, as applicable, with respect to such Losses, the payment by an Indemnifying Party under this *Article 12* with respect to such Losses shall be reduced by the net amount of such insurance proceeds or indemnity, contribution or similar payments to the extent related to such Losses, less reasonable attorney's fees and other expenses incurred in connection with such recovery. If the Indemnified Party receives such insurance proceeds or indemnity, contribution or similar payments after being indemnified and held harmless by an Indemnifying Party with respect to such Losses, the Indemnified Party shall pay to the Indemnifying Party the net amount of such insurance proceeds or indemnity, contribution or similar payment to the extent related to such Losses, less reasonable attorney's fees and other expenses incurred in connection with such recovery.

12.9 *Exclusive Remedy.* After the Closing, the indemnities set forth in this *Article 12* (and, with respect to Purchaser, the R&W Insurance Policy) shall be the sole and exclusive remedy of the Parties, their successors and assigns, and their respective officers, directors, employees, agents and Affiliates with respect to this Agreement, the events giving rise to this Agreement and the transactions contemplated hereby, except for claims grounded in fraud or intentional misrepresentation. The indemnities set forth in this *Article 12* apply only to matters arising out of this Agreement. Any Loss arising under or pursuant to an Ancillary Agreement shall be governed by the indemnification obligations, if any, contained in such Ancillary Agreement. The parties shall not be entitled to a rescission of this Agreement or to any further indemnification rights or claims of any nature whatsoever in respect thereof (whether by contract, common law, statute, law, regulation or otherwise, including under the Racketeer Influenced and Corrupt Organizations Act, all of which the parties hereto hereby waive).

12.10 *Treatment of Indemnification Payments.* To the extent permitted by Law, any amounts payable pursuant to this *Article 12* shall be considered adjustments to the Final Purchase Price for all income Tax purposes and the Parties and their respective Affiliates agree to take no position inconsistent with such treatment in any Tax Return or proceeding before any Governmental Authority.

ARTICLE 13

MISCELLANEOUS

13.1 *Assignment.* This Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns; *provided, however*, that no assignment shall be made by either Party without the prior written consent of the other Party, except that Purchaser may assign any or all of its rights or benefits under this Agreement without the prior written consent of Seller (whereupon Purchaser shall provide written notice thereof to Seller), as a collateral assignment, to Purchaser's or its Affiliates' lenders or other Debt Financing Sources. Notwithstanding the foregoing, either Party may assign its rights and obligations under this Agreement without such consent to an Affiliate or in connection with a sale, merger or other transaction involving a transfer of substantially all of its assets; *provided* that such assigning Party shall remain liable for its obligations hereunder.

13.2 *Public Announcements.* Neither Party shall issue or make any public announcement, press release or other public disclosure regarding this Agreement or its subject matter without the other Party's prior written consent, except for any such disclosure that is, in the opinion of the disclosing Party's counsel, required by applicable Law or the rules of a stock exchange on which the securities of the disclosing party are listed. In the event a Party is, in the opinion of its counsel, required to make a

public disclosure by applicable Law or the rules of a stock exchange on which its securities are listed, such Party shall, to the extent practicable, submit the proposed disclosure in writing to the other Party prior to the date of disclosure and provide the other Party a reasonable opportunity to comment thereon.

13.3 *Expenses.* Whether or not the transactions contemplated hereby are consummated, and except as otherwise specified herein, each Party shall bear its own expenses with respect to the transactions contemplated by this Agreement.

13.4 *Severability.* Each of the provisions contained in this Agreement shall be severable, and the unenforceability of one shall not affect the enforceability of any others or of the remainder of this Agreement. In event it is determined that a provision of this Agreement is prohibited by or invalid under Law, the Parties agree to negotiate in good faith to modify this Agreement to fulfill as closely as possible the original intents and purposes hereof. To the fullest extent permitted by Law, the Parties hereby to the same extent waive any provision of Law that renders any provision hereof prohibited or unenforceable in any respect.

13.5 *No Third-Party Beneficiaries.* This Agreement is for the sole benefit of the Parties hereto and their permitted assigns and nothing herein, express or implied (including *Article 12*), shall give or be construed to give to any Person, other than the Parties hereto and their permitted assigns, any legal or equitable rights hereunder, except for *Article 12*, which is for the benefit of the Indemnified Parties covered thereby; *provided* that the provisions of *Section 7.5(a)*, *Section 7.18*, *Section 7.19*, *Section 11.2*, *Section 11.3(b)*, *Section 11.3(d)*, *Section 13.1*, this *Section 13.5*, *Section 13.6*, *Section 13.8*, *Section 13.9(b)*, *Section 13.10*, *Section 13.11* and *Section 13.17* shall be enforceable against all parties to this Agreement by each Debt Financing Source, each Mezzanine Financing Source and their respective successors and assigns.

13.6 *Financing Sources.* Notwithstanding anything herein to the contrary, except for the third-party beneficiary rights of Seller under the Equity Commitment Letter and rights of Seller under the Guarantee, subject to the terms and conditions thereunder and under this Agreement, no Seller Party shall have any rights or claims against any Equity Financing Source, any Debt Financing Source or any Mezzanine Financing Source in connection with this Agreement, the Financing, the Financing Commitments or any transaction contemplated hereby or thereby, whether at law or equity, in contract, in tort or otherwise. In furtherance of the foregoing, Seller (on its behalf and on behalf of each other Seller Party) agrees not to commence (and if commenced agrees to dismiss or otherwise terminate) any action or proceeding against any Equity Financing Source (other than in connection with any action expressly permitted in accordance with the preceding sentence), any Debt Financing Source or any Mezzanine Financing Source in connection with this Agreement, the Financing, the Financing Commitments or any transaction contemplated hereby or thereby.

13.7 *Waiver.* The failure of any Party to enforce any condition or part of this Agreement at any time shall not be construed as a waiver of that condition or part, nor shall it forfeit any rights to future enforcement thereof. Any waiver hereunder shall be effective only if delivered to the other Party hereto in writing by the Party making such waiver.

13.8 *Governing Law.* This Agreement shall be construed and enforced in accordance with and governed by the Laws of the State of Delaware without regard to the conflicts of Laws provisions thereof except with respect to matters under the New Jersey Business Corporation Act relating to the approval of the transactions contemplated hereunder, which shall be governed by the laws of the State of New Jersey; *provided, however*, the provisions of this Agreement shall be governed by and construed and enforced in accordance with the laws of the State of New York with respect to any action, suit or proceeding arising out of or related to the Debt Financing, the Debt Financing Commitment or the performance thereof or the Mezzanine Financing, the Mezzanine Financing Commitment or the performance thereof.

13.9 *Jurisdiction.*

(a) The Parties hereto agree that any Action seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in any state or federal court of competent jurisdiction in the State of Delaware, so long as such court shall have subject matter jurisdiction over such Action, and that any cause of action arising out of this Agreement shall be deemed to have arisen from a transaction of business in the State of Delaware, and each of the Parties hereby irrevocably consents to the jurisdiction of such court (and of the appropriate appellate courts therefrom) in any such Action and irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any such Action in any such court or that any such Action which is brought in such court has been brought in an inconvenient forum. Process in any such Action may be served on any Party anywhere in the world, whether within or without the jurisdiction of such court. Without limiting the foregoing, each Party agrees that service of process on such Party as provided in *Section 13.15* shall be deemed effective service of process on such Party.

(b) Notwithstanding anything herein to the contrary, each of the parties hereto agrees that it will not bring or support any proceeding, suit, litigation, investigation, action, cause of action, claim, cross-claim or third party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against any of the Debt Financing Source or any Mezzanine Financing Source in any way relating to this Agreement or any of the transactions contemplated hereby, including but not limited to any dispute arising out of or relating in any way to the Debt Financing, the Debt Commitment Letter or the performance thereof or the Mezzanine Financing, the Mezzanine Commitment Letter or the performance thereof, in any forum other than the courts of the State of New York sitting in the Borough of Manhattan in New York County, or, if under applicable Law exclusive jurisdiction is vested in the Federal courts, the United States District Court for the Southern District of New York (and appellate courts thereof) and that in connection with any such suit, litigation, investigation, action, cause of action, claim, cross-claim or third party claim the governing law specified the Debt Commitment Letter or the Mezzanine Commitment Letter, as applicable, shall govern.

13.10 *Waiver of Jury Trial.* EACH OF THE PARTIES HERETO WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, THE DEBT FINANCING, THE DEBT FINANCING COMMITMENT, THE MEZZANINE FINANCING OR THE MEZZANINE FINANCING COMMITMENT. EACH OF THE PARTIES HERETO HEREBY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (B) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS *SECTION 13.10*.

13.11 *Specific Performance.*

(a) The Parties acknowledge that, in view of the uniqueness of the Business, the Purchased Assets and the transactions contemplated by this Agreement, each Party would not have an adequate remedy at Law for money damages in the event that this Agreement has not been performed in accordance with its terms, and therefore agrees that the other Party shall be entitled

to seek specific enforcement of the terms hereof in addition to any other remedy to which it may be entitled, at Law or in equity. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that the other parties have an adequate remedy at law or an award of specific performance is not an appropriate remedy for any reason at law or equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

(iv) against any other action, proposal, transaction or agreement that could reasonably be expected to impede, interfere with, materially delay, materially postpone or materially adversely affect consummation of the transactions contemplated by the Asset Purchase Agreement;

provided, however, that notwithstanding anything to the contrary in this Agreement, the provisions of clauses (ii) and (iv) of this *Section 1.01(b)* shall not apply to (x) the sale or disposition by way of asset sale (including a sale of equity securities of any Subsidiary) of any part, or all, of Seller's Other Businesses so long as clause (i) of the definition of Alternative Transaction Proposal (as set forth in the Asset Purchase Agreement) is not satisfied, (y) any transaction that is conditioned on the consummation of the transactions contemplated by the Asset Purchase Agreement, including, without limitation, any investment in or tender offer for Common Stock or other equity securities of Seller or any merger, consolidation, recapitalization or other business combination involving Seller or any of its Subsidiaries or any sale of all or substantially all of the assets of Seller and its Subsidiaries, or (z) solely with respect to the Becker Drapkin Shareholders, to the extent required by the Standstill Agreement, any election of directors nominated by the board of directors of Seller.

Each Shareholder shall revoke any and all prior proxies granted by each Shareholder with respect to the Covered Shares. The power of attorney granted by each Shareholder herein is a durable power of attorney and shall survive the dissolution, bankruptcy, death or incapacity of any Shareholder. Each Shareholder agrees, subject to *Section 5.01*, from the date hereof until the termination of this Agreement, not to attempt to revoke, frustrate the exercise of, or challenge the validity of, the irrevocable proxy granted pursuant to this *Section 1.02*.

1.03 *No Inconsistent Agreements*. Each Shareholder hereby covenants and agrees that, except for this Agreement and, solely with respect to clauses (a) and (b) of this *Section 1.03* with respect to the Becker Drapkin Shareholders, the Standstill Agreement, such Shareholder (a) has not entered into, and shall not enter into at any time while this Agreement remains in effect, any voting agreement or voting trust with respect to the Covered Shares, (b) has not granted, and shall not grant at any time while this Agreement remains in effect, a proxy, consent or power of attorney with respect to the Covered Shares except with respect to matters that do not breach in any material respect the voting obligations set forth in *Section 1.01* and (c) has not taken and shall not take any action that would make any representation or warranty of such Shareholder contained herein untrue or incorrect in any material respect or have the effect of preventing or disabling such Shareholder from performing any of its or his material obligations under this Agreement.

We understand that Photon Acquisition Corporation (the "Purchaser"), a company owned by The Veritas Capital Fund IV, L.P. and its controlled investment affiliates (the "Sponsor"), and EMCORE Corporation (the "Company"), propose to enter into the Agreement (defined below) pursuant to which, among other things, the Company will sell substantially all of the assets of its Photovoltaics Division (the "Space Business") to the Purchaser, and the Purchaser will assume specified liabilities of the Space Business (the "Transaction") and that, in connection with the Transaction, the Purchaser will pay to the Company \$150 million in cash (the "Consideration"), subject to adjustment as provided for in the Agreement (as to which adjustment we express no opinion). 1. reviewed a draft of the Asset Purchase Agreement to be entered into between the Company and the Purchaser dated September 16, 2014 (the "Agreement");
2. reviewed certain information related to the historical, current and future operations, financial condition and prospects of the Space Business made available to us by the Company, including, but not limited to, financial projections prepared by the management of the Company relating to the Space Business for the fiscal years ending September 30, 2014 through September 30, 2018, as approved for our use by the Company (the "Projections");

8. conducted such other financial studies, analyses and inquiries and considered such other information and factors as we deemed appropriate; and
9. discussed with members of the senior management of the Company certain information relating to the aforementioned and any other matters which we have deemed relevant to our inquiry.

With your consent, we have assumed and relied upon the accuracy and completeness of all information supplied by or on behalf of the Company or otherwise reviewed by or discussed with us, and we have undertaken no duty or responsibility to, nor did we, independently verify any of such information. We have not made or obtained an independent appraisal of the assets or liabilities (contingent or otherwise) of the Space Business. With respect to the Projections and any other information and data provided to or otherwise reviewed by or discussed with us, we have, with your consent, assumed that the Projections and such other information and data have been reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of management of the Company, and we have relied upon the Company to advise us promptly if any information previously provided became inaccurate or was required to be updated during the period of our review. We express no opinion with respect to the Projections or the assumptions on which they are based. We have assumed that the final form of the Agreement will be substantially similar to the draft reviewed by us, and that the Transaction will be consummated in accordance with the terms of the Agreement without waiver or amendment of any conditions thereto. Furthermore, we have assumed, in all respects material to our analysis, that the representations and warranties of each party contained in the Agreement are true and correct and that each such party will perform all of the covenants and agreements required to be performed by it under the Agreement without being waived. We have relied upon and assumed, without independent verification, that (i) the Transaction will be consummated in a manner that complies in all respects with all applicable international, federal and state statutes, rules and regulations, and (ii) all governmental, regulatory, and other consents and approvals necessary for the consummation of the Transaction will be obtained and that no delay, limitations, restrictions or conditions will be imposed or amendments, modifications or waivers made that would have an effect on the Transaction, the Space Business or the Company that would be material to our analyses or this Opinion. We have been advised by the Company that there are no audited financial statements for the Space Business and, accordingly, we have relied upon and assumed, without independent verification, that there would be no information contained in any such financial statements not otherwise discussed with or reviewed by us that would have been material to our analyses or this Opinion.

We have relied upon and assumed, without independent verification, that there has been no

change in the business, assets, liabilities, financial condition, results of operations, cash flows or prospects of the Space Business since the respective dates of the most recent financial statements and other information, financial or otherwise, provided to us that would be material to our analyses or this Opinion, and that there is no information or any facts that would make any of the information reviewed by us incomplete or misleading in any material respect. We have also relied upon and assumed, without independent verification, at the direction of the Company, that any adjustments to the Consideration pursuant to the Agreement will not be material to our analyses or this Opinion.

We express no opinion as to the underlying business decision to effect the Transaction, the structure or tax consequences of the Transaction or the availability or advisability of any alternatives to the Transaction. We provided advice to the Company with respect to the proposed Transaction. We did not, however, recommend any specific amount of consideration or that any specific consideration constituted the only appropriate consideration for the Transaction. Our opinion is limited to the fairness, from a financial point of view, of the Consideration to be received by the Company.

We express no opinion with respect to any other reasons, legal, business, or otherwise, that may support the decision of the Board to approve or consummate the Transaction. Furthermore, no opinion, counsel or interpretation is intended by Raymond James on matters that require legal, accounting or tax advice. It is assumed that such opinions, counsel or interpretations have been or will be obtained from the appropriate professional sources. Furthermore, we have relied, with the consent of the Company, on the fact that the Company has been assisted by legal, accounting and tax advisors and we have, with the consent of the Company, relied upon and assumed the accuracy and completeness of the assessments by the Company and its advisors as to all legal, accounting and tax matters with respect to the Space Business and the Transaction.

In formulating our opinion, we have considered only what we understand to be the consideration to be received by the Company as is described above and we did not consider and we express no opinion on the fairness of the amount or nature of any compensation to be paid or payable to any of the Company's officers, directors or employees, or class of such persons, whether relative to the consideration to be received by the Company or otherwise. We have not been requested to opine as to, and this Opinion does not express an opinion as to or otherwise address, among other things: (1) the fairness of the Transaction to the holders of any class of securities, creditors, or other constituencies of the Company, or to any other party, except and only to the extent expressly set forth in the last sentence of this Opinion or (2) the fairness of the Transaction to any one class or group of the Company's or any other party's security holders or other constituencies vis-à-vis any other class or group of the Company's or such other party's security holders or other constituents (including, without limitation, the allocation of any consideration to be received in the Transaction amongst or within such classes or groups of security holders or other constituents). We are not expressing any opinion as to the impact of the Transaction on the solvency or viability of the Company or the Purchaser or the ability of the Company or the Purchaser to pay their respective obligations when they come due.

The delivery of this opinion was approved by an opinion committee of Raymond James.

Report of Independent Registered Public Accounting Firm

The Board of Directors and Stockholders
EMCORE Corporation:

We have audited the accompanying consolidated balance sheets of EMCORE Corporation and subsidiaries (the Company) as of September 30, 2013 and 2012, and the related consolidated statements of operations and comprehensive income (loss), shareholders' equity, and cash flows for each of the years in the three-year period ended September 30, 2013. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of EMCORE Corporation and subsidiaries as of September 30, 2013 and 2012, and the results of their operations and their cash flows for each of the years in the three-year period ended September 30, 2013, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the Company's internal control over financial reporting as of September 30, 2013, based on criteria established in Internal Control Integrated Framework (1992) issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO), and our report dated December 6, 2013, expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting.
