### **Explanatory Note**

This Amendment No. 1 to the American Axle & Manufacturing Holdings, Inc. ( AAM ) Current Report on Form 8-K (this Amendment ) amends AAM's original Current Report on Form 8-K filed November 3, 2016, which was filed in connection with AAM's proposed acquisition of MPG pursuant to an Agreement and Plan of Merger dated November 3, 2016. This Amendment files (i) the audited consolidated financial statements for Metaldyne Performance Group Inc. ( MPG ) as of December 31, 2016 and 2015 and for each of the years in the three year period ended December 31, 2016, and the notes related thereto, and (ii) AAM's and MPG's unaudited pro forma condensed combined financial statements, which include the unaudited pro forma condensed combined balance sheet as of December 31, 2016, the unaudited pro forma condensed combined statement of income for the year ended December 31, 2016, and the notes related thereto, which were omitted from the original 8-K in accordance with Item 9.01(a)(4) and Item 9.01(b)(2) of Form 8-K.

#### **Item 8.01 Other Events.**

In connection with Amendment No. 2 to AAM's Registration Statement on S-4 filed in connection with AAM's proposed acquisition of MPG, AAM updated the below risk factor as follows.

*The obligations and liabilities of MPG, some of which may be unanticipated or unknown, may be greater than anticipated, which may diminish the value of AAM's shares.*

MPG's obligations and liabilities, some of which may be unanticipated or unknown, may be greater than anticipated or reflected or reserved for in MPG's historical financial statements. The obligations and liabilities of MPG could have a material adverse effect on AAM's business, reputation, financial condition, or results of operations following the merger. AAM stockholders will not be entitled to indemnification from MPG under the merger agreement with respect to obligations or liabilities of MPG, whether known or unknown. Any such liabilities could substantially reduce AAM's earnings and cash flows or otherwise materially and adversely affect its business, financial condition, or results of operations following the merger.

As disclosed in the Annual Report on Form 10-K of MPG for the fiscal year ended December 31, 2016 (which is not incorporated herein by reference), MPG's subsidiary, Grede Wisconsin Subsidiaries LLC ( Grede Wisconsin ), is currently under investigation by the U.S. Department of Justice and the Environmental Protection Agency for alleged Clean Air Act violations and alleged obstruction of justice relating to the January 2012 removal of debris from the roof of a heat treat oven that was purported to contain asbestos at Grede Wisconsin's now closed facility in Berlin, Wisconsin. The United States Attorney, Eastern District of Wisconsin, indicated to the MPG attorneys handling this matter that the government intends to imminently seek an indictment relating to this matter. If an indictment is brought, MPG intends to defend against this matter.
