**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
OF STOCKGROUP INFORMATION SYSTEMS INC.**

TO BE HELD ON MAY 29, 2007

The accompanying Form of Proxy is solicited on behalf of the Board of Directors (the "Board") of Stockgroup Information Systems Inc. (the "Corporation" or "Company"), to be used at our annual meeting to be held at our offices on the 5th Floor at 750 West Pender Street, Vancouver, British Columbia, on May 29, 2007, at 1:30 p.m. local time. This Proxy Statement, accompanying Form of Proxy, Notice of Meeting and Annual Report to shareholders for the fiscal year ended December 31, 2006, are first being mailed to shareholders on or about May 3, 2007. The Board is soliciting your proxy to give all stockholders of record the opportunity to vote on matters that will be presented at the Meeting. This Proxy Statement provides you with information on these matters to assist you in voting your shares.

We will bear the expense of this solicitation. In addition to solicitation by use of the mails, certain of our directors, officers and regular employees may solicit the return of proxies by telephone, facsimile or other means. Requests will also be made of brokerage houses and custodians, nominees or fiduciaries to forward proxy material at our expense to the beneficial owners of stock held of record by such persons. Our transfer agent, Pacific Corporate Trust Company of Canada, has agreed to assist us in the tabulation of proxies and the counting of votes at our annual meeting.

All of a shareholder's common shares registered in the same name will be represented by one proxy.

WHAT IS A PROXY?

A proxy is your legal designation of another person (the "Proxy") to vote on your behalf. By completing and returning the enclosed Form of Proxy, you are giving the Proxy the authority to vote your shares in the manner you indicate on your Form of Proxy.

WHY DID I RECEIVE MORE THAN ONE FORM OF PROXY?

You will receive multiple Form of Proxies if you hold your shares in different ways (e.g., joint tenancy, trusts, custodial accounts) or in multiple accounts. If your shares are held by a broker (i.e., in "street name"), you will receive your Form of Proxy or other voting information from your broker, and you will return your Form of Proxy to your broker. You should vote on and sign each Form of Proxy you receive.

WHO CAN VOTE?

Only shareholders of record as of the close of business on April 24, 2007 are entitled to receive notice of, attend and vote at our annual meeting. As of March 21, 2007, there are 36,988,663 common shares in the capital of our Corporation issued and outstanding. We have no other voting securities outstanding. Each shareholder of record on April 24, 2007 is entitled to one vote for each common share held.

VOTING INFORMATION

HOW YOU CAN VOTE?

Common shares cannot be voted at our annual meeting unless the holder of record is present in person or represented by proxy. A shareholder has the right to attend our annual meeting at the time and place set forth in the

Stockgroup Information Systems Inc.

Proxy Statement

Notice of Annual Meeting and to vote their securities directly at the meeting. In the alternative, a shareholder may appoint a person to represent such shareholder at our annual meeting by completing the enclosed Form of Proxy, which authorizes a person other than the holder of record to vote on behalf of the shareholder, and returning it to our transfer agent, Pacific Corporate Trust Company, 2nd Floor, 510 Burrard Street, Vancouver, BC V6C 3B9. All shareholders are urged to complete, sign, date and promptly return the proxy by mail in the enclosed postage-paid envelope, or by fax, after reviewing the information contained in this proxy statement. Valid proxies will be voted at our annual meeting and at any postponements or adjournments thereof as you direct in the proxy, provided that they are received by our transfer agent at least 24 hours prior to the scheduled time of the meeting, or any adjournment thereof, or deposited with the Chair of the meeting on the day of the meeting or any adjournment thereof prior to the time of voting.

The common shares represented by the proxy will be voted, or withheld from voting, as directed in the proxy. If no direction is given and the proxy is validly executed, the proxy will be voted FOR the election of the nominees for our Board of Directors, the 2007 Stock Option Plan and for the appointment of Deloitte LLP as the Company's auditors for the 2007 fiscal year, as set forth in this proxy statement. If any other matters properly come before our annual meeting, the persons authorized under the proxies will vote upon such other matters in accordance with their best judgement, pursuant to the discretionary authority conferred by the proxy.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

THE INFORMATION SET FORTH IN THIS SECTION IS OF SIGNIFICANT IMPORTANCE TO MANY SHAREHOLDERS OF OUR CORPORATION, AS A SUBSTANTIAL NUMBER OF SHAREHOLDERS DO NOT HOLD SHARES IN THEIR OWN NAME.

Shareholders who do not hold their shares in their own name (referred to in this Proxy Statement as "beneficial shareholders") should note that only proxies deposited by shareholders whose names appear on the records of our Corporation as the registered holders of common shares can be recognized and acted upon at our annual meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of our Corporation. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by beneficial shareholders in order to ensure that their common shares are voted at our annual meeting. The Form of Proxy supplied to a beneficial shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by our Corporation. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the beneficial shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communication Services ("ADP") in the United States and Independent Investor Communications Company ("IICC") in Canada. ADP and IICC typically apply a special sticker to proxy forms, mail those forms to the beneficial shareholders and beneficial shareholders return the proxy forms to ADP for the United States and IICC for Canada. ADP and IICC then tabulate the results of all instructions received and provide appropriate instructions respecting the voting of shares to be represented at our annual meeting. A beneficial shareholder receiving an ADP proxy or an IICC proxy cannot use that proxy to vote common shares

directly at our annual meeting - the proxy must be returned to ADP or ICC, as the case may be, well in advance of our annual meeting in order to have the common shares voted.

Although a beneficial shareholder may not be recognized directly at our annual meeting for the purposes of voting common shares registered in the name of his broker (or agent of the broker), a beneficial shareholder may attend at our annual meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial shareholders who wish to attend at our annual meeting and indirectly vote their common shares as

Stockgroup Information Systems Inc.

Proxy Statement

proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of our annual meeting.

Alternatively, a beneficial shareholder may request in writing that his or her broker send to the beneficial shareholder a legal proxy which would enable the beneficial shareholder to attend at our annual meeting and vote his or her common shares.

QUORUM

A quorum of shareholders is necessary to take action at our annual meeting. A minimum of one person present in person or represented by proxy and holding a majority of the outstanding common shares entitled to vote at the annual meeting as at April 24, 2007 will constitute a quorum for the transaction of business at our annual meeting. However, if a quorum is not present, the shareholders present at our annual meeting have the power to adjourn the meeting until a quorum is present. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the original meeting. Broker non-votes occur when a nominee holding common shares for a beneficial owner of those common shares has not received voting instructions from the beneficial owner with respect to a particular matter and such nominee does not possess or choose to exercise discretionary authority with respect thereto. Broker non-votes and abstentions will be included in the determination of the number of common shares present at our annual meeting for quorum purposes but will not be counted as votes cast on any matter presented at our annual meeting.

YOUR VOTE IS IMPORTANT. ACCORDINGLY, YOU ARE ASKED TO MARK, DATE, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY WHETHER OR NOT YOU PLAN TO ATTEND OUR ANNUAL MEETING. IF YOU PLAN TO ATTEND OUR ANNUAL MEETING TO VOTE IN PERSON AND YOUR SHARES ARE REGISTERED WITH OUR TRANSFER AGENT (PACIFIC CORPORATE TRUST COMPANY) IN THE NAME OF A BROKER OR BANK, YOU MUST SECURE A PROXY FROM THE BROKER OR BANK ASSIGNING VOTING RIGHTS TO YOU FOR YOUR COMMON SHARES.

What are the Board's recommendations on how I should vote my shares?

The Board recommends that you vote your shares as follows:

Proposal 1 **FOR** the election of all seven nominees for the Directors with terms expiring at the 2008 annual meeting.

Proposal 2 **FOR** the ratification and approval of the Company's 2007 Stock Option Plan.

Proposal 3 **FOR** the ratification of the appointment of Deloitte LLP as the Company's independent registered public accounting firm (independent auditors) for the fiscal year ending December 31, 2007.

What are my choices when voting?

Proposal 1 You may cast your vote in favor of electing the nominees as Directors or withhold your vote on one or more nominees.

Proposals 2 and 3 You may cast your vote in favor of or against each proposal, or you may elect to abstain from voting your shares.

How would my shares be voted if I do not specify how they should be voted?

Proposal 1 **FOR** the election of all nominees for Directors with terms expiring at the 2008 Annual Meeting of Stockholders.

Proposal 2 **FOR** the approval of the Company's 2007 Stock Option Plan.

Proposal 3 **FOR** the ratification of the appointment of Deloitte LLP as the Company's independent registered public accounting firm (independent auditors) for the fiscal year ending December 31, 2007.

REVOCATION OF PROXIES

You may revoke your proxy at any time prior to the start of our annual meeting in three ways:

1. by delivering a written notice of revocation to the Secretary of our Corporation;
2. by submitting a duly executed proxy bearing a later date; or
3. by attending our annual meeting and expressing the desire to vote your common shares in person (attendance at our annual meeting will not in and of itself revoke a proxy).

CURRENCY

Except where otherwise indicated, all dollar (\$) amounts referred to herein are expressed in U.S. dollars.

If you have any further questions about voting your shares or attending the Meeting please call our Corporate Attorney at 1-604-331-0995 ext. 161.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Company has adopted corporate governance guidelines titled "Corporate Governance Guidelines" which are available at www.stockgroup.com by first clicking "INVESTORS" and then "Corporate Governance". The Corporate Governance Guidelines are also available in print to any stockholder who requests it. These principles were adopted by the Board to best ensure that the Board is independent from management, that the Board adequately performs its function as the overseer of management and to help ensure that the interests of the Board and management align with the interests of the stockholders. On an annual basis, each director and executive officer is obligated to complete a Director and Officer Questionnaire which requires disclosure of any transactions with the Company in which the Director or executive officer, or any member of his or her immediate family, have a direct or indirect material interest. Pursuant to the "Corporate Governance Guidelines."

Mandate of the Board of Directors

The Board of Directors of the Company has as its mandate the responsibility for the stewardship of the Company on behalf of the shareholders. In directing the affairs of the Company and delegating to management the day-to-day business of the Company, the Board endorses the guidelines for responsibilities of the Board as set out by regulatory authorities on corporate governance in Canada and the US, and as incorporated in the Company's Corporate Governance Guidelines. The mandate of the Board is to supervise the overall management of the Company. The Board will be responsible for choosing, assessing and compensating the Chief Executive Officer of the Company. In

Stockgroup Information Systems Inc.

Proxy Statement

pursuit of enhancing shareholder value, responsibilities under this mandate include approval of the operating plan, the capital budget and financial goals and, as well, reviewing the strategic plan and its underlying assumptions before granting final approval. In addition, the Board will ensure that plans are in place for an orderly succession of management, the Board, the majority members of which will be unrelated and independent from management, acts as a cohesive team with shared responsibilities and accountabilities that are clearly defined and understood by all members. The Board monitors the performance of management against stated goals and as well, its own effectiveness through regular, formal self-evaluations.

Nominations for Directors

The Board of Directors has appointed a Nominating and Corporate Governance Committee that is responsible for assisting the board in identifying new director nominees. In identifying candidates for membership on the board, the Nominating and Corporate Governance Committee takes into account all factors it considers appropriate, which may include strength of character, mature judgement, career specialization, relevant technical skills, diversity and the extent to which the candidate would fill a present need on the board. As part of the process, the Nominating and Corporate Governance Committee is responsible for conducting background searches and is empowered to retain search firms to assist in the nominations process. Once candidates have gone through a screening process and met with a number of the existing directors, they are formally put forward as nominees for approval by the board.

Communications with the Board

We encourage shareholders to submit proposals, questions or concerns to the Board by writing to Mr. Patrick Spain, the Chairman of our Nominating and Governance Committee or any member of our Board. Instructions and contact information for Mr. Spain and the Board of Directors can be found by visiting our website at www.stockgroup.com under Investors then Corporate Governance . Once a proposal, question or concern is received by Mr. Spain or a Board member, the communication is reviewed and addressed accordingly.

The Board established a Nominating and Governance Committee to monitor our practice against generally accepted governance guidelines, and to determine which guidelines are both practical and beneficial for us. The Nominating and Governance Committee has reviewed our own corporate governance practices, with input and guidance from the Board.

Code of Ethics

The Company's Code of Ethics and Business Conduct for the Senior Executive Officers and Senior Financial Officers embodies the Company's global principles and practices relating to the ethical conduct of the Company's business and its long-standing commitment to honesty, fair dealing and full compliance with all laws affecting the Company's business. Each of the members of our Audit Committee is independent, as that term is defined by Rule 4200(a) (15) of the National Association of Securities Dealers' listing standards. Mr. Zacharias is our audit committee financial expert as defined by the rules of the SEC. The function of the Audit Committee is to review and approve the scope of audit procedures employed by our independent auditors and to review the results of our independent auditors' examination, the scope of audits, our independent auditors' opinions on the adequacy of internal controls and quality of financial reporting, and our Corporation's accounting and reporting principles, policies and practices, as well as our accounting, financial and operating controls. The Audit Committee also reports to our Board with respect to such matters and recommends the selection of independent auditors. that are designed to offer competitive compensation opportunities for our executive officers, which are based on personal performance, individual initiative and achievement, as well as assisting in attracting and retaining qualified executives. The Compensation Committee also endorses the position that stock ownership by management and stock-based compensation arrangements are beneficial in aligning management's and shareholders' interests in the enhancement of shareholder value. No member of our Compensation Committee was, during the fiscal year ended December 31, 2006 or prior, an officer or employee of our Corporation or any of its subsidiaries.

Stockgroup Information Systems Inc.
Report of the Compensation Committee

Proxy Statement

Compensation paid to our Corporation's executive officers is generally comprised of two elements: base salary and long-term compensation in the form of stock options. Compensation levels for executive officers of our Corporation are determined by a consideration of each officer's initiative and contribution to our overall corporate performance, and the officer's managerial abilities and performance in any special projects that the officer may have undertaken. Competitive base salaries that reflect the individual's level of responsibility are important elements of our Corporation's executive compensation philosophy. Subjective considerations of individual performance are considered in establishing incentive compensation. In addition, our Compensation Committee considers our financial position and cash flow in making compensation decisions.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee (the Committee) currently consists of Patrick Spain, Lee deBoer, and Leslie Landes, and is governed by a written charter which can be viewed at www.stockgroup.com under Investors/Corporate Governance. The Committee was formed in 2004. During 2006, the nominating Committee did not receive a recommended nominee for director from a security holder that beneficially owned more than 5% of our common share under rule (407)(c)(ix) of Regulation S-B. The Committee's duties include recommending candidates to the Board for appointment or election to the Board, assisting in attracting new Board members, making recommendations to the Board regarding Board structure, composition, and rotation, reviewing CEO and other senior officer succession plans, monitoring compliance with the Insider Trading Policy and Whistleblower Policy, and nominating a member to act as Designated Officer for the Whistleblower Policy. During the fiscal year ended Dec 31, 2006, the Nominating and Corporate Governance Committee met once. The meetings were attended by all of our members either in person or by teleconference.

No member of the Committee was, during the fiscal year ended December 31, 2006 or prior, an officer or employee of our Corporation or any of its subsidiaries.

Commencing for the compensation year beginning June 1, 2006, each director receives an annual fee of \$8,600 related to service on the Board of Directors, with an additional \$3,000 per annum paid to members of our Audit Committee. In 2006, each director was eligible to receive up to 75,000 stock options to acquire shares of common stock, with the exercise price being equal to the market price of our common stock on the date of grant. Subject to an annual review by the Company's Compensation Committee, directors who are re-elected and continue to serve for more than one year may receive up to an additional 75,000 stock options after each annual general meeting in compensation for future service. During the year, we paid three directors a sum of \$10,000 each in lieu of granting stock options, as our 2003 Stock Option Plan has a limited number of registered options remaining for issuance.

EXECUTIVE COMPENSATION

Summary of Compensation of Executive Officers

Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the Committee) of the Board has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Committee ensures that the total compensation paid to the directors, officers and employees is fair, reasonable and competitive.

Throughout this Proxy Statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during fiscal 2006, as well as the other individuals included in the Summary Compensation Table on page 13, are referred to as the named executive officers.

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns executives' interests with those of the stockholders by rewarding performance above established goals, with the ultimate objective of improving stockholder value. The Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives. To that end, the Committee believes executive compensation packages provided by the Company to its executives, including the named executive officers, should include both cash and stock-based compensation that reward performance as measured against established goals.

The following summary compensation table reflects all compensation awarded to, earned by, or paid to the Chief Executive Officer and the President and our Chief Financial Officer of our Company for all services rendered to us in all capacities during each of the 2006 fiscal year. None of the other executive officers received salary and bonus exceeding \$100,000 during those years.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR ELECTION OF ALL SEVEN NOMINEES FOR DIRECTORS WITH A TERM EXPIRING AT THE 2008 ANNUAL MEETING.

PROPOSAL 2: TO ADOPT THE STOCKGROUP INFORMATION SYSTEMS INC. 2007 STOCK OPTION PLAN.

The Company grants stock options pursuant to shareholder approved stock option plans. The Company's 1999, 2000, 2001, 2002, and 2003 Stock Option Plans (collectively the "Plans") authorize a total of 5,220,600 common shares for issuance. The Plans entitle employees, non-employee directors, and consultants to purchase common shares of the Company on the exercise of stock options. Options immediately become exercisable once vested. Any options that do not vest as the result of a grantee leaving the Company are forfeited and the common shares underlying them are returned to the reserve if they were granted under the 2003 Stock Option Plan.

The Company generally grants stock options for a fixed number of shares to employees with an exercise price equal to at least the fair market value of the underlying common shares on the date of grant. The standard vesting schedule used for stock option grants to most employees is a two year vesting calendar, with equal vesting occurring at the end of each quarterly period. Stock option grants to management generally follow a four year vesting calendar, with

vesting occurring at the end of each quarterly period. All stock options are denominated in U.S. dollars and expire either five or six years after the date of grant.

| Balance at December 31, 2006 | 391,325 | 3,884,250 | \$0.12 - \$0.59 | \$0.29 |

The Company ceased granting of stock options under its 1999, 2000, 2001 and 2002 Stock Option Plans in December 2002. Stock options outstanding to purchase common shares under these plans continue to be exercisable as vested until exercised or forfeited, and if forfeited, they are no longer available for future grants. For 2006, there were 761,400 options exercised for proceeds of \$189,594. For 2005, there were 136,125 options exercised for proceeds of \$24,538. Subsequent to December 31, 2006, an additional 175,000 options were granted.

In March 2007, the Board, upon the recommendation of the Compensation Committee (the Committee), unanimously approved and adopted the Corporation's 2007 Stock Option Plan (the 2007 Plan) which is a new plan to make available 3,300,000 non-qualified options to purchase the Corporation's common shares. The Board believes the 2007 Plan should be approved as there are currently very few options left to grant to participants under the Plans mentioned in this section above.

Philosophy

We have a company philosophy of "shared fate" which recognizes there is a community of interest among all of our stakeholders. We believe the Corporation's Stock Option Plan for directors, employees, officers, consultants and advisors under which all eligible for option grants, creates an ownership consciousness among the stakeholders that more closely aligns their interests with those of our shareholders. Through our broad-based plan, our stakeholders share in the risks and the rewards of our business.

The following is a summary of the U.S. federal income tax consequences of transactions under the 2007 Plan based on current federal income tax laws. **This summary is not intended to be exhaustive and does not discuss the tax consequences of a participant's death or the provision of any income tax laws of any municipality, state or foreign country in which a participant may reside.**

Nonqualified Stock Options. With respect to nonqualified stock options: (i) no income is recognized by the participant at the time the nonqualified stock option is granted; (ii) generally, at exercise, ordinary income is recognized by the participant in an amount equal to the difference between the option exercise price paid for the shares and the fair market value of the shares on the date of exercise and the Company is entitled to a tax deduction in the same amount; and (iii) upon disposition of the shares, any gain or loss is treated as capital gain or loss. In the case of a participant at the time of grant, any income recognized upon exercise of a nonqualified stock option will constitute wages for which withholding will be required.

INCLUSION OF FUTURE SHAREHOLDER PROPOSALS IN PROXY MATERIALS

All proposals of shareholders intended to be included in our proxy statement and form of proxy relating to our Annual Meeting of shareholders for the year ending December 31, 2007 (the "2008 Annual Meeting") must be received by our Corporation no later than January 31, 2008. All such proposals must comply with the requirements of Rule 14a-8 of Regulation 14A of the Securities Exchange Act of 1934, as amended which sets forth specific requirements and limitations applicable to nominations and proposals at annual meetings of shareholders.

"HOUSEHOLDING" OF PROXY MATERIAL

In December of 2000, the Securities and Exchange Commission adopted new rules that permit companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding", potentially means extra conveniences for security holders and cost savings for companies.

This year, a number of brokers with accountholders who are shareholders of our Corporation will be "householding" our proxy materials. As indicated in the notice previously provided by these brokers to shareholders of our Corporation, a single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement, please notify your broker.

Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker.

(c) A majority of the Committee shall constitute a quorum, and the acts of the members of the Committee who are present at any meeting thereof at which a quorum is present, or acts unanimously approved by the members of the Committee in writing, shall be the acts of the Committee.

5.3 Effect of Board or Committee or Designated Officer Decisions.

All decisions and determinations and the interpretation and construction by the Board or the committee or a Designated Officer of any provision of this Plan or any agreement, notification or document evidencing the grant of Options and any determination by the Board or the Committee or a Designated Officer pursuant to any provision of this Plan or any such agreement, notification or document, shall be final, binding and conclusive with respect to all Participants and/or Optionees and any other holders of any Option granted under the Plan. - 6.2 At no time, however, may Options under the Plan, together with all of the Company's previously established or proposed share compensation arrangements, result, at any time, in:

- (a) more than 5% of the outstanding shares of common stock of the Company being granted to any one Participant in any 12 month period (unless the Company is classified as a Tier 1 Issuer, in accordance with the TSX Venture Exchange Corporate Finance Manual, and has obtained disinterested shareholder approval);
- (b) more than 2% of the outstanding shares of common stock of the Company being granted to any one Consultant in any 12 month period;

- 6.3 The Plan shall not confer upon any Optionee any right with respect to continuation of employment or consulting relationship with the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate his or her employment or consulting relationship at any time, with or without cause.

7. Board Approval; Effective Date.

Pursuant to Section 3 hereof, the Plan shall take effect on June 1, 2007 (the "Effective Date"). No Option may be granted after the Termination Date as hereinafter defined.

8. Options or Shares.

The Board or the Committee or a Designated Officer may from time to time authorize grants to Participants of Options to purchase Shares, or the grant of shares upon such terms and conditions as the Board or the Committee or a Designated Officer may determine in accordance with the following provisions:

8.1 Options or Shares to be Granted; Terms.

(a) Options granted pursuant to this Section 8 would be Non-qualified Stock Options. The Board or the Committee or a Designated Officer shall determine the specific terms of Options.

(b) Each grant shall specify the period or periods of continuous employment, or continuous engagement of the consulting or advisory services, of the Optionee by the Company or any Subsidiary, or such other conditions as the Board or the Committee or a Designated Officer may provide, that are necessary before the Options or installments thereof shall become exercisable.

(c) All Options issued under the Plan shall vest over a period of at least one year and not greater than thirty-four percent (34%) of the Options may vest in any one year.

(d) All Options issued under the Plan are non-transferable and non-assignable.

8.2 Number of Shares Subject to Options.

Each grant shall specify the number of Shares to which it pertains. Subject to Section 6, successive grants may be made to the same Optionee regardless of whether any Options previously granted to the Optionee remain unexercised.

8.3 Term of Option; Earlier Termination.

Subject to further provisions of this Section 8, unless otherwise provided in the Agreement, the term (the "Option Term") of each Option shall be five (5) years from the Date of Grant, provided that no grant shall be effective until the Company and the Participant have executed and delivered an Agreement. In no case shall the Option Term exceed five (5) years unless the Options expire during a Company imposed black-out period. If an Optionee's Options terminate due to the expiration of the Option Term, during a Company imposed black-out period, the Directors of the Company, by a majority vote, may, at their discretion, extend the Option Term.

8.4 Exercise Price.

Stockgroup Information Systems Inc.

Proxy Statement

Each grant shall specify an Option Price per Share for the Shares to be issued pursuant to exercise of an Option, which shall be determined by the Board or the Committee or a Designated Officer; provided, however, that any such exercise price shall not be less than that, from time to time, permitted under the rules and policies of any exchange or over-the-counter market which is applicable to the Company. In the case of options granted to consultants, the exercise price shall be no less than the Fair Market Value per share on the Date of Grant. Any reduction in exercise price for the Option of an Insider of the Company will be subject to disinterested shareholder approval.

8.5 Payment for Shares.

The Option Price of an exercised Option and any taxes attributable to the delivery of Shares under the Plan or portion thereof, shall be paid in cash in the form of United States currency or check or other cash equivalent acceptable to the Company.

8.6 Rights as a Stockholder.

Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of an Option.

8.7 Exercise of Option.

(a) Procedure for Exercise.

(i) Any Option granted hereunder shall be exercisable at such times and under such conditions as determined by the Board or the Committee or a Designated Officer, including performance criteria with respect to the Company and/or the Optionee, and as shall be permissible under the terms of the Plan. Unless otherwise determined by the Board or the Committee or a Designated Officer at the time of grant, an Option may be exercised in whole or in part.

(ii) An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company. Full payment may, as authorized by the Board or the Committee or a Designated Officer, consist of any consideration and method of payment allowable under Section 8.5 of the Plan.

(iii) Exercise of an Option in any manner shall result in a decrease in the number of Shares which thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) Termination of Status as an Employee, Director, Officer, Consultant or Advisor. Unless otherwise provided in an Agreement, if an Employee's employment by the Company is terminated, except if such termination is voluntary or occurs due to retirement with the consent of the Board or the Committee or a Designated Officer or due to death or disability, then the Option, to the extent not exercised, shall terminate on the date on which the Employee receives notice that the Employee's employment by the Company is terminated. In no case shall options issued to a Director, Officer, Employee, Consultant or Advisor be exercisable for more than sixty (60)

calendar days after the Optionee ceases to be in one of those categories. If an Employee's termination is voluntary or occurs due to retirement with the consent of the Board or the Committee or a Designated Officer, then the Employee may after the date such Employee ceases to be an employee of the Company, exercise his or her Option at any time within sixty (60) calendar days after the date he or she ceases to be an Employee of the Company, but only to the extent that he was entitled to exercise it on the date of such termination. To the extent that the Employee was not entitled to exercise the Option at the date of such termination, or if the Employee does not exercise such Option (which he was entitled to exercise) within the time specified herein, the Option shall terminate. Options granted to an Optionee who is engaged in Investor Relations Activities shall expire within thirty (30) days after the Optionee ceases to be employed to provide investor relations activities.

(c) Death. Unless otherwise provided in the Agreement, if an Optionee dies during the term of the Option and is at the time of his death an Employee, the Option may be exercised at any time within twelve (12) months following the date of death by the Optionee's executor or other legal representative or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent that the Optionee was entitled to exercise the Option on the date of death, or if the Optionee's estate, or person who acquired the right to exercise the Option by bequest or inheritance, does not exercise such Option (which he was entitled to exercise) within the time specified herein, the Option shall terminate.

(d) Disability of Optionee. In the event of termination of an Optionee's consulting relationship or continuous status as an Employee as a result of his or her disability, an Optionee may, but only within twelve (12) months from the date of such termination (and in no event later than the expiration date of the term of such Option as set forth in the Option Agreement), exercise the Option to the extent otherwise entitled to exercise it at the date of such termination. To the extent that an Optionee is not entitled to exercise the Option at the date of termination, or if an Optionee does not exercise such Option to the extent so entitled within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(e) Leave of Absence. Excluding an approved maternity or paternity leave, in the event of a management approved leave of absence, any unvested Options shall cease to vest and shall not be exercisable as if you were an active employee of the Company, subject to the terms of this Plan. If you return to active status, your Options will continue to vest and be exercisable in accordance with their terms. If you do not return to active status within 30 calendar days, your unvested Options will be canceled immediately and your vested Options will be canceled on the 31st day following your last day of active employment.

(f) Rule 16b-3. Options granted to persons subject to Section 16(b) of the Exchange Act must comply with Rule 16b-3 and shall contain such additional conditions or restrictions as may be required thereunder to qualify for the maximum exemption from Section 16 of the Exchange Act with respect to Plan transactions.

(g) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares, an Option previously granted, based on such terms and conditions as the Administrator shall establish and communicate to the Optionee at the time that such offer is made.

8.8 Agreement.

Each grant of an Option or Restricted Share award shall be evidenced by an Agreement, which shall be executed on behalf of the Company by any Officer thereof and delivered to and accepted by the Optionee and shall contain such terms and provisions as the Board or the Committee or a Designated Officer may determine consistent with this Plan.

9. Adjustments Upon Changes in Capitalization or Merger.

Subject to any required action by the stockholders of the Company, the number of Shares covered by each outstanding Option, and the number of Shares which have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option, as well as Shares covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Shares, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration." Such adjustment shall be made by the Board or the Committee or a Designated Officer, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof, shall be made with respect to the number of Shares subject to an Option or the Option Price thereof.

In the event of the proposed dissolution or liquidation of the Company, and subject to TSX Venture Exchange approval as required, all Options will terminate immediately prior to the consummation of such proposed action unless otherwise provided by the Board. The Board may, in the exercise of its sole discretion in such instances, declare that any Option shall terminate as of a date fixed by the Board and give each holder the right to exercise his or her Option as to all or any part thereof, including Shares as to which the Option would not otherwise be exercisable. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, the Option shall be assumed or an equivalent Option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, that the holder shall have the right to exercise the Option as to all of the Shares, including Shares as to which the Option would not otherwise be exercisable. If the Board makes an Option exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify the holder that the Option shall be fully exercisable for a period of sixty (60) days from the date of such notice (but not later than the expiration of the term of the Option), and the Option will terminate upon the expiration of such period.

10. Transferability.

Except to the extent otherwise expressly provided in the Plan, the right to acquire Shares or other assets under the Plan may not be assigned, encumbered or otherwise transferred by an Optionee and any attempt by an Optionee to do so will be null and void. No Option granted under this Plan may be transferred by an Optionee except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act, as amended, or the rules thereunder or equivalent laws of the Optionees jurisdiction of residence. Options granted under this Plan may not be exercised during a Participant's lifetime except by the Optionee or, in the event of the Optionee's legal incapacity, by his or her guardian or legal representative acting in a fiduciary capacity on behalf of the Participant under applicable law and court supervision.

11. Time of Granting of Options.

Stockgroup Information Systems Inc.

Proxy Statement

The Date of Grant of an Option shall, for all purposes, be the date on which the Board or the Committee or a Designated Officer makes the determination granting such Option. Notice of the determination shall be given to each Participant to whom an Option is so granted within a reasonable time after the date of such grant. The date the Optionee executes the Agreement shall have no effect on the Grant Date.

12. Amendment and Termination of the Plan.

- 12.1 The Board may amend Plan from time to time in such respects as the Board may deem advisable or otherwise terminate the Plan.
- 12.2 Any such amendment or termination of the Plan shall not affect Options already granted and such Options shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Optionee and the Board or the Committee or a Designated Officer, which agreement must be in writing and signed by the Optionee and the Company.
- 12.3 Notwithstanding the foregoing, this Plan shall terminate upon the earlier of the date on which all awards available for issuance in the last year of the Plan shall have been issued and fully exercised (the Termination Date). Upon termination of the Plan, no further Options may be granted pursuant to the Plan, but all Options granted prior thereto and still outstanding on such date shall thereafter continue to have force and effect in accordance with the provisions of the Agreements evidencing such Options.

The Company is authorized to withhold income taxes as required under applicable laws or regulations. To the extent that the Company is required to withhold any amounts due to federal, state, local or foreign laws and/or regulations in connection with any payment made or benefit realized by an Optionee or other person under this Plan, and the amounts available to the Company for the withholding are insufficient, it shall be a condition to the receipt of any such payment or the realization of any such benefit that the Optionee or such other person make arrangements satisfactory to the Company for payment of the balance of any taxes or other amounts required to be withheld. At the discretion of the Board or the Committee or a Designated Officer, any such arrangements may without limitation include relinquishment of a portion of any such payment or benefit or the surrender of outstanding Shares. The Company and any Optionee or such other person may also make similar arrangements with respect to the payment of any taxes with respect to which withholding is not required.

14. Miscellaneous Provisions.

14.3 Other Compensation.

The Board or the Committee or a Designated Officer may condition the grant of any award or combination of awards authorized under this Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by the Company or a Subsidiary to the Participant.

14.4 Continuation of Employment or Services.

This Plan shall not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary and shall not interfere in any way with any right that the Company or any Subsidiary would otherwise have to terminate any Participant's employment or other service at any time. Nothing contained in the Plan shall prevent the Company or any Subsidiary from adopting other or additional compensation arrangements for its Employees.

14.5 Certain Terminations of Employment or Consulting Services, Hardship and Approved Leaves of Absence.

Notwithstanding any other provision of this Plan to the contrary, and subject to TSX Venture Exchange Approval, in the event of termination of employment or consulting services by reason of death, disability, normal retirement, early retirement with the consent of the Company, termination of employment or consulting services to enter public or military service with the consent of the Company or leave of absence approved by the Company, or in the event of hardship or other special circumstances, of an Optionee who holds an Option that is not immediately and fully exercisable, the Board or the Committee or a Designated Officer may take any action that it deems to be equitable under the circumstances or in the best interest of the Company, including without limitation waiving or modifying any limitation or requirement with respect to any award under this Plan.

14.6 Binding Effect.

The provisions of the Plan and the applicable Agreements shall inure to the benefit of, and be binding upon, the Company and its successors or assigns, and the Participants, their legal representatives, their heirs or legacies and their permitted assignees.

14.7 Exchange Act Compliance.

With respect to persons subject to Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act. To the extent any provisions of the Plan or action by the Board or the Committee or a Designated Officer fails to so comply, they shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board or the Committee or a Designated Officer.

(b) As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased or otherwise acquired only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company such a representation is required by any of the aforementioned relevant provisions of law.

(c) Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Share hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

14.9 Fractional Shares.

The Company shall not be required to issue any fractional Shares pursuant to this Plan. The Board or the Committee or a Designated Officer may provide for the elimination of fractions or for the settlement thereof in cash.

14.10 Reservation of Shares.

The Company will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.
