Pursuant to the Subscription Agreements, the Company issued and sold to the Investors, in a private placement transaction made in reliance upon exemptions from registration pursuant to Section 4(2) under the Securities Act of 1933 (the Securities Act), private placement warrants to purchase an aggregate of 1,429,393 shares of the Company's common stock, par value \$0.001 per share (Common Stock) at an exercise price equal to \$15.00 (the Private Warrants) for a total purchase price paid by the Investors to the Company of approximately \$14,294. The Private Warrants are exercisable at any time on or after the issuance date and on or prior to 5:00pm New York time on January 30, 2015. The exercise price and the number of shares issuable upon exercise of the Private Warrants are subject to certain adjustments upon the occurrence of certain events, including, but not limited to, stock splits or dividends, business combinations, sale of assets, similar recapitalization transactions, or other similar transactions and in the event that the Company issues or is deemed to issue shares of Common Stock for less than the applicable exercise price of the Warrants. The exercisability of the Private Warrants may be limited if, upon exercise, the holder or any of its affiliates would beneficially own more than 4.99% of the Common Stock.

The foregoing information is a summary of the agreements involved in the transactions described above, is not complete, and is qualified in its entirety by reference to the full text of the private placement agreements, copies of which are attached as exhibits to this Current Report on Form 8-K and Registered Offering (as defined below) agreements, copies of which were attached to the Current Report on Form 8-K filed on June 26, 2013.
