## Item 1.01 Entry into a Material Definitive Agreement

### Shenandoah Loan Agreements

On February 6, 2006, we entered into a Master Loan Agreement, Construction and Term Loan Supplement, Construction and Revolving Term Loan Supplement, Security Agreement and Real Estate Mortgage with Farm Credit Services of America, FLCA (individually and collectively, the *Loan Agreements* ). A participating interest in the Loan Agreements was transferred to CoBank, ACB. Under the Loan Agreements, the lenders will loan up to \$47,000,000. The loan proceeds are to partially finance construction of a dry-mill ethanol production facility near Shenandoah, Iowa (the *Plant* ), and to provide funding for working capital purposes.

On June 13, 2007, we entered into an Amendment to the Master Loan Agreement, a Revolving Credit Supplement, an Amendment to the Construction and Term Loan Supplement, and an Amendment to the Construction and Revolving Term Loan Supplement with CoBank, ACB (individually and collectively, the *Loan Amendments* ). The Loan Amendments were effective as of May 31, 2007. The Loan Amendments made a number of revisions to the Loan Agreements, including the following:

- Increased the projected construction cost for the Plant \$71,000,000 to \$73,250,000.
- Increased the maximum amount of allowable debt, other than amounts owed under the Loan Agreements and Loan Amendments and debt incurred in the ordinary course of business, from \$500,000 to \$1,000,000.
- Modified certain of the affirmative and negative covenants to allow the Company more flexibility in executing its business plans.
- Lengthened the compliance dates and/or increased the amounts of the Company's working capital, net worth and debt service ratio covenants.
- Added a revolving credit supplement in the amount of \$500,000 for issuance of letters of credit.

- Lengthened the term for advances under the Construction and Term Loan Supplement from a term expiring on July 31, 2007 to a term expiring on December 1, 2007.

- Extended the date on which the first quarterly installment payment under the Construction and Term Loan Supplement is due from November 20, 2007 to May 20, 2008. Subsequent payment dates were similarly extended.

- Extended the date on which the first quarterly installment payment under the Construction and Revolving Term Loan Supplement is due from May 1, 2014 to November 1, 2014. Subsequent payment dates were similarly extended.

The Loan Amendments were also executed to formally reflect the changes that had been agreed to with our lenders due to changes in circumstances as a result of the Company acquiring Superior Ethanol, LLC, as well as to reflect a change in the anticipated completion date of the Plant in Shenandoah from May 1, 2007 to late July 2007. Superior became a subsidiary of the Company around the time of the commencement of construction on the Company's ethanol plant near Shenandoah, Iowa, but after the Loan Agreements were initially effective.
