These statements are based upon the current beliefs and expectations of Green Plains and/or VBV s management and are subject to significant risks and uncertainties. Actual results may differ from those

set forth in the forward-looking statements. These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond Green Plains' control).

The following factors, among others, could cause Green Plains' financial performance to differ materially from that expressed in such forward-looking statements: (i) that the Merger Transactions may not ultimately close for any of a number of reasons, such as Green Plains not obtaining shareholder approval or the VBV subsidiaries not obtaining member approval; (ii) that Green Plains will forego business opportunities while the Merger Transactions are pending; (iii) that prior to the closing of the Merger Transactions, the businesses of Green Plains and VBV may suffer due to uncertainty; (iv) that, in the event the Merger Transactions are completed, the combination of Green Plains and VBV may not result in a stronger company; (v) that the costs related to the Merger Transactions will exceed the forecasted benefits; (vi) the risk that the businesses of Green Plains and/or VBV in connection with the Merger Transactions will not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected; (vii) the risk that expected revenue synergies and cost savings from the Merger Transactions may not be fully realized or realized within the expected time frame; (viii) the risk that revenues following the Merger Transactions may be lower than expected; (ix) operating costs, revenue loss and business disruption following the Merger Transactions, including, without limitation, difficulties in maintaining relationships with employees, may be greater than expected; (x) the inability to obtain governmental approvals of the Merger Transactions on the proposed terms and schedule; (xi) the risk that the strength of the United States economy in general and the ethanol industry specifically may be different than expected results; (xii) potential litigation; (xiii) technological changes; (xiv) the effect of corporate restructurings, acquisitions and/or dispositions, including, without limitation, the Merger Transactions and Green Plains' merger with Great Lakes Cooperative which was consummated on April 3, 2008, and the actual restructuring and other expenses related thereto, and the failure to achieve the expected revenue growth and/or expense savings from such corporate restructurings, acquisitions and/or dispositions; (xv) unanticipated regulatory or judicial proceedings or rulings; (xvi) the impact of changes in accounting principles; (xvii) the impact on Green Plains' and/or VBV's businesses, as well as on the risks set forth above, of various domestic or international military or terrorist activities or conflicts; (xviii) the impact of changes in state and federal energy, environmental, agricultural or trade policies, and (xix) Green Plains' success at managing the risks involved in the foregoing.

Green Plains cautions that the foregoing list of factors is not exclusive. All subsequent written and oral forward-looking statements concerning Green Plains, the Merger Transactions or other matters and attributable to Green Plains or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above. Green Plains does not undertake any obligation to update any forward-looking statement, whether written or oral, relating to the matters discussed in this Current Report on Form 8-K.

Green Plains will file a registration statement with the SEC, which will include a proxy statement/prospectus regarding the proposed Mergers. The VBV and VBV subsidiary members and Green Plains shareholders and other investors are urged to read the registration statement and the proxy statement/prospectus when they become available, as well as any other relevant documents concerning the proposed Merger Transactions filed with the SEC (and any amendments or supplements to those documents), because they will contain important information.
