This prospectus contains “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act, regarding, among other things, our plans, strategies and prospects, both business and financial, including, without limitation, the forward-looking statements set forth in the section titled “Management’s Discussion and Analysis of Financial Condition and Results of Operations” of our Annual Report on Form 10-K for the year ended December 31, 2009 incorporated by reference in this prospectus. Although we believe that our plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions, including, without limitation, the factors described in the sections titled “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” of our Annual Report on Form 10-K for the year ended December 31, 2009 incorporated by reference in this prospectus. Many of the forward-looking statements contained in this prospectus may be identified by the use of forward-looking words such as “believe,” “expect,” “anticipate,” “should,” “planned,” “will,” “may,” “intend,” “estimated,” “aim,” “on track,” “target,” “opportunity,” “tentative” and “potential,” among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this prospectus are set forth in this prospectus and in other reports or documents that we file from time to time with the Securities and Exchange Commission, which we refer to as the SEC, and include, but are not limited to:

the market for our securities and satisfaction of closing conditions in connection with recently announced financings;

our ability to sustain and grow revenues and cash flows from operating activities by offering video, high-speed Internet, telephone and other services to residential and commercial customers, and to maintain and grow our customer base, particularly in the face of increasingly aggressive competition and the difficult economic conditions in the United States;

PROSPECTUS SUMMARY

The following summary highlights information contained elsewhere in this prospectus. It does not contain all the information that may be important to you in making an investment decision. You should read this entire prospectus carefully, including the documents incorporated by reference, which are described under “Incorporation by Reference of Certain Documents” and “Where You Can Find Additional Information.” You should also carefully consider, among other things, the matters discussed in the section titled “Risk Factors.” In this prospectus, unless the context requires otherwise, references to “the Company,” “the Issuer,” “we,” “our,” or “us” refer to Charter Communications, Inc. and its consolidated subsidiaries. “Charter” refers to Charter Communications, Inc., the issuer of the Class A Common Stock offered hereby, alone.

Our Business

We are among the largest providers of cable services in the United States, offering a variety of entertainment, information and communications solutions to residential and commercial customers. Our infrastructure consists of a hybrid of fiber and coaxial cable plant passing approximately 11.9 million homes, with 96% of homes passed at 550 MHz or greater and 96% of plant miles two-way active. A national Internet Protocol (IP) infrastructure interconnects all Charter markets.

For the year ended December 31, 2009, we generated approximately \$6.8 billion in revenue, of which approximately 51% was generated from our residential video service. We also generate revenue from high-speed Internet, telephone service and advertising with residential and commercial high-speed Internet and telephone service contributing the majority of the recent growth in our revenue.

As of December 31, 2009, we served approximately 5.3 million customers. We sell our video, high-speed Internet and telephone services primarily on a subscription basis, often in a bundle of two or more services, providing savings and convenience to our customers. Bundled services are available to approximately 95% of our homes passed, and approximately 57% of our customers subscribe to a bundle of services.

We served approximately 4.8 million video customers as of December 31, 2009, of which approximately 67% subscribed to digital video service. Digital video enables our customers to access advanced services such as high definition television, OnDemand video programming, an interactive program guide and digital video recorder, or DVR service.

We also served approximately 3.1 million high-speed Internet customers as of December 31, 2009. Our high-speed Internet service is available in a variety of download speeds up to 60 Mbps. We also offer home networking service, or Wi-Fi, enabling our customers to connect up to five computers wirelessly in the home.

We provided telephone service to approximately 1.6 million customers as of December 31, 2009. Our telephone services typically include unlimited local and long distance calling to the U.S., Canada and Puerto Rico, plus more than 10 features, including voicemail, call waiting and caller ID.

Through Charter Business®, we provide scalable, tailored broadband communications solutions to business organizations, such as business-to-business Internet access, data networking, fiber connectivity to cellular towers, video and music entertainment services and business telephone. As of December 31, 2009, we served approximately 224,300 business customers, including small- and medium-sized commercial customers. Our advertising sales division, Charter Media®, provides local, regional and national businesses with the opportunity to advertise in individual markets on cable television networks.

We have a history of net losses. Our net losses were principally attributable to insufficient revenue to cover the combination of operating expenses and interest expenses we incurred because of our debt, impairment of franchises and depreciation expenses resulting from the capital investments we have made and continue to make in our cable properties. However, with our emergence from bankruptcy on November 30, 2009, we reduced our debt by approximately \$8 billion, reducing our interest expense by approximately \$830 million annually.

On March 27, 2009, we filed voluntary petitions in the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”), to reorganize under Chapter 11 of the United States Bankruptcy Code (the “Bankruptcy Code”). The Chapter 11 cases were jointly administered under the caption In re Charter Communications, Inc., et al., Case No. 09-11435. We continued to operate our businesses and owned and managed our properties as a debtor-in-possession under the jurisdiction of the Bankruptcy Court in accordance with the applicable provisions of the Bankruptcy Code until we emerged from protection under Chapter 11 of the Bankruptcy Code on November 30, 2009.

On May 7, 2009, we filed a Joint Plan of Reorganization (the “Plan”), and a related disclosure statement (the “Disclosure Statement”), with the Bankruptcy Court. The Plan was confirmed by the Bankruptcy Court on November 17, 2009 (the “Confirmation Order”), and became effective on November 30, 2009, the date on which we emerged from protection under Chapter 11 of the Bankruptcy Code.

Charter was organized as a Delaware corporation in 1999. Charter is a holding company whose principal asset is a controlling common equity interest in Charter Communications Holding Company, LLC (“Charter Holdco”). As sole manager, Charter controls the affairs of Charter Holdco and its limited liability company subsidiaries.

Recent Events

On February 28, 2010, our former President and Chief Executive Officer, Neil Smit, resigned and our Chief Operating Officer, Michael J. Lovett, assumed the additional title of Interim President and Chief Executive Officer. On April 12, 2010, we announced the appointment of Mr. Lovett as our President and Chief Executive Officer and his election as a member of the Board of Directors of Charter, effective immediately. We also announced that Eloise Schmitz, our Executive Vice President and Chief Financial Officer, would be leaving Charter effective July 31, 2010. We are undergoing a search for a Chief Financial Officer, but no assurance can be given as to the timing or the results of such search.

On March 31, 2010, Charter Communications Operating, LLC (“Charter Operating”) and its affiliates closed on a transaction to amend and restate its senior secured credit facilities to, among other things, allow for the creation of a new revolving facility of \$1.3 billion, the extension of maturities of a portion of the facilities and the amendment and restatement of certain other terms and conditions. Upon the closing, each of Bank of America, N.A. and JPMorgan Chase Bank, N.A., as agent and retiring agent, respectively, for itself and on behalf of the lenders under the Charter Operating senior secured credit facilities, agreed to dismiss with prejudice the pending appeal of our Confirmation Order pending before the Bankruptcy Court and to waive any objections to our Confirmation Order issued by the Bankruptcy Court. The lenders’ Stipulation of Dismissal and waiver of objections was filed on March 31, 2010 and the case was dismissed on April 1, 2010.

On April 14, 2010, CCO Holdings, LLC (“CCO Holdings”) entered into an agreement to sell an aggregate of \$1.6 billion principal amount in two tranches of senior notes due 2018 (the “2018 Notes”) and senior notes due 2020 (the “2020 Notes”). Also on April 14, 2010, CCO Holdings announced that the 2018 Notes would be priced at 7.875% for \$900 million of notes and the 2020 Notes would be priced at 8.125% for \$700 million of notes. The sale of the 2018 Notes and 2020 Notes is expected to close on April 28, 2010. The net proceeds of this issuance will be used to finance the tender offers for any and all of CCO Holdings’

outstanding 8.750% senior notes due 2013 (\$800 million aggregate principal amount outstanding) and any and all of Charter Operating's outstanding 8.375% senior second lien notes due 2014 (\$770 million aggregate principal amount outstanding).

On April 14, 2010, we announced that (i) our revenues for the first quarter of 2010 are expected to be approximately \$1.735 billion, an increase of 4.5% compared with the pro forma results of the first quarter of 2009, and (ii) operating costs and expenses (which include operating, selling, general and administrative expenses) for the first quarter of 2010 are expected to be \$1.098 billion, an increase of 5.1% compared to the pro forma results of the first quarter of 2009. Pro forma revenues and operating expenses reflect the sales and acquisitions of cable systems in 2009 as if such transactions had occurred on January 1, 2009. These results are preliminary and have not been reviewed by our auditors, and as such, there can be no assurance that these results will not differ from the financial information reflected in our financial statements for such period or for the quarter ended March 31, 2010 when they

have been finalized or that they are indicative of future performance. Actual results could differ materially from those reflected above based on the factors set forth under “Risk Factors,” among others.

PRINCIPAL AND SELLING STOCKHOLDERS

The following table sets forth information as of March 31, 2010 regarding the beneficial ownership of our Class A common stock (1) immediately prior to and (2) as adjusted to give effect to this offering by:

- each of the selling stockholders;
- each holder of more than 5% of our outstanding shares of common stock;
- each of our directors and named executive officers; and
- all of our directors and executive officers as a group.

Beneficial ownership for the purposes of the following table is determined in accordance with the rules and regulations of the SEC. These rules generally provide that a person is the beneficial owner of securities if such person has or shares the power to vote or direct the voting thereof, or to dispose or direct the disposition thereof or has the right to acquire such powers within 60 days. Common stock subject to options that are currently exercisable or exercisable within 60 days of March 31, 2010 is deemed to be outstanding and beneficially owned by the person holding the options. These shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Percentage of beneficial ownership is based on 112,481,877 shares of Class A common stock outstanding as of March 31, 2010. Except as disclosed in the footnotes to this table, we believe that each stockholder identified in the table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the stockholder. Unless otherwise indicated in the table or footnotes below, the address for each beneficial owner is 12405 Powerscourt Drive, St. Louis, Missouri 63131.

- 25,000,000 shares of Class B Common Stock; and
- 250,000,000 shares of preferred stock, including 5,520,001 shares of Series A Preferred Stock.

Common Stock

Common Stock Outstanding

The rights, preferences and privileges of holders of Class A Common Stock and Class B Common Stock (collectively with the Class A Common Stock, the “Common Stock”) are subject to, and may be adversely affected by, the rights of the holders of our Series A Preferred Stock and shares of any other series of our preferred stock which we may designate and issue in the future.

To the greatest extent permitted by applicable Delaware law, the shares of Class A Common Stock are uncertificated, and transfer will be reflected by book-entry, unless a physical certificate is requested by a holder.

The Class B Common Stock is identical to the Class A Common Stock except with respect to certain voting, transfer and conversion rights. Subject to the Lock-Up Agreement (as defined below), each share of Class B Common Stock is convertible into one share of Class A Common Stock at the option of the holder or, at any time on or after January 1, 2011 and until September 15, 2014, at the option of a majority of the disinterested members of the board of directors, and at any time after September 15, 2014 at the election of a majority of the members of the board of directors (other than members of the board of directors elected by holders of Class B Common Stock). Class B Common Stock is subject to significant transfer restrictions including restrictions under a Lock-Up Agreement between the Company and the holders of the Class B Common Stock (the “Lock-Up Agreement”). Class A Common Stock, however, issued upon conversion of Class B Common Stock, is not subject to the same restrictions. Shares of Class B Common Stock must at all times be held only by (i) Mr. Paul G. Allen, (ii) his estate, spouse, immediate family members and heirs, and (iii) any trust, corporation, partnership or other entity, the beneficiaries, stockholders, partners or other owners of which consist exclusively of Mr. Allen or such other persons referred to in clause (ii) above or a combination of the above, which we refer to collectively as Authorized Class B Holders, and upon any transfer to a person or entity other than an Authorized Class B Holder, each share of Class B Common Stock will be automatically converted into one share of Class A Common Stock. In addition, certain restrictions on conversion and transfer of Class B Common Stock are set forth in the Lock-Up Agreement. Shares of the Class B Common Stock are only to be issued to Mr. Allen or certain of his affiliates.

Holders of shares of our capital stock are entitled to vote on all matters submitted to a vote of our stockholders, including the election of directors, as follows:

- shares of Class A Common Stock are entitled to one vote per share;

- shares of Class B Common Stock are entitled to a number of votes per share, which at all times when shares of Class B Common Stock are outstanding represent 35% of the combined voting power of the Company's capital stock, on a fully diluted basis; and
- the Series A Preferred Stock is entitled to 0.025 vote per share.

Mr. Allen and entities affiliated with Mr. Allen hold in excess of 35% of the combined voting power of the capital stock of Charter and have the right to elect four of 11 members of the board of directors. There may be additional holders of significant voting power in Charter, though pursuant to the Amended and Restated Certificate of Incorporation, prior to September 15, 2014, the votes attributable to each share of Class A Common Stock held by any holder (other than Mr. Allen and certain of his affiliates) will be automatically reduced pro rata among all shares of Class A Common Stock held by such holder and (if applicable) shares of Class A Common Stock held by any other holder (other than Mr. Allen and certain of his affiliates) included in any "person" or "group" with such holder so that no "person" or "group" (other than Mr. Allen and certain of his affiliates) is or becomes the holder or beneficial owner (as such term is used in Rule 13d-3 and Rule 13d-5 under the Exchange Act, except that in calculating the beneficial ownership of any particular "person" (as such term is used in Section 13(d) of the Exchange Act) such "person" shall be deemed to have beneficial ownership of all securities that such "person" has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition), directly or indirectly, of more than 34.9% of the combined voting power of the capital stock of Charter, subject to waiver by the disinterested members of the board of directors as provided in the Amended and Restated Certificate of Incorporation. We refer to this voting power limitation as the Voting Threshold. Holders of Class B Common Stock (other than Mr. Allen and certain of his affiliates) are also subject to a reduction of their voting power to comply with the Voting Threshold.

The holders of Common Stock and their respective affiliates will not have cumulative voting rights.

Pursuant to our amended and restated bylaws, the number of members of the board of directors shall be fixed at 11 members. Except for the initial board of directors, which was appointed pursuant to the terms of the Plan, for as long as shares of Class B Common Stock are outstanding, holders of Class B Common Stock have the right to elect 35% of the members of the board of directors (rounded up to the next whole number), and all other members of the board of directors will be elected by majority vote of the holders of Class A Common Stock (and any series of preferred stock then entitled to vote at an election of the directors). In addition, members of the board of directors elected by holders of Class B Common Stock have no less than proportionate representation on each committee of the board of directors, subject to applicable SEC and stock exchange rules and except for any committee formed solely for the purpose of reviewing, recommending and/or authorizing any transaction in which holders of Class B Common Stock or their affiliates (other than Charter or its subsidiaries) are interested parties.

Under our Amended and Restated Certificate of Incorporation, (i) any director may be removed for cause by the affirmative vote of a majority of the voting power of the outstanding Class A Common Stock and Class B Common Stock (and any series of preferred stock then entitled to vote at an election of directors), voting together as a single class, (ii) any director elected by the holders of Class B Common Stock voting separately as a class may be removed from office, without cause, solely by the vote of a majority of the voting power of the outstanding Class B Common Stock, voting as a separate class, and (iii) any director elected by the vote of the holders of Class A Common Stock voting separately as a class (including holders of voting preferred stock, as applicable) may be removed from office, without cause, solely by the vote of a majority of the voting power of the outstanding Class A Common Stock, voting separately as a class (including any holders of voting preferred stock entitled to vote thereon).

Dividend Rights

Subject to limitations under Delaware law, preferences that may apply to any outstanding shares of preferred stock, and contractual restrictions, holders of each class of Common Stock are entitled to receive ratably dividends or other distributions when and if declared by the board of directors. In addition to such restrictions, whether any future dividends are paid to Charter's stockholders will depend on decisions that will be made by the board of directors and will depend on then existing conditions, including Charter's financial condition, contractual restrictions, corporate law restrictions, capital requirements and business prospects. The ability of the board of

directors to declare dividends also will be subject to the rights of any holders of outstanding shares of the Charter's preferred stock, including the Series A Preferred Stock, and the availability of sufficient funds under the Delaware General Corporation Law ("DGCL") to pay dividends. For a more complete description of the dividend rights of holders of shares of Charter's preferred stock, see the sections titled "Description of Capital Stock—Series A 15% Pay-In-Kind Preferred Stock, and —Blank Check Preferred Stock" below.

Warrants to Purchase Class A Common Stock

Pursuant to the Plan, Charter issued warrants to purchase Class A Common Stock to (i) holders of notes issued by CCH I Holdings, LLC ("CIH") (the "CIH Warrants"), (ii) holders of notes issued by Charter Communications Holdings, LLC ("Charter Holdings" or "CCH") (the "CCH Warrants") and (iii) Charter Investment, Inc. ("CII"), an entity that was previously 100% owned by Mr. Allen² (the "CII Warrants"). The CIH Warrants, CCH Warrants and CII Warrants have an exercise price of \$46.86, \$51.28 and \$19.80, respectively. Each of the CIH Warrants and CCH Warrants expire five years after the date of issuance. The CII Warrants expire seven years after the date of issuance. The warrants provide for a cashless exercise by the warrant holder. The warrant exercise price and the number of shares issuable upon exercise of the warrants are subject to adjustment upon certain events including: stock subdivisions, combinations, splits, stock dividends, capital reorganizations, or capital reclassifications of Class A Common Stock and in connection with certain distributions of cash, assets or securities. In addition, holders of certain of the warrants have the right to participate, along with other holders of Common Stock, in future below-market offerings of rights to purchase securities (including, but not limited to, Common Stock) on an as-exercised basis. The warrants are not redeemable.

Liquidation Rights

In the event of any liquidation, dissolution or winding up of Charter, the holders of Class A Common Stock and Class B Common Stock will be entitled to share *pari passu* in the net assets of Charter available after the payment of all debts and other liabilities and subject to the prior rights of any outstanding class of our preferred stock.

Preemptive Rights

Pursuant to our amended and restated certificate of incorporation, the holders of Class A Common Stock and Class B Common Stock have no preemptive rights.

Anti-Takeover Provisions

Our amended and restated certificate of incorporation provides that the board of directors may impose restrictions on the trading of Charter's stock if (i) Charter has experienced an "owner shift" as determined for purposes of Section 382 of the Internal Revenue Code of 1986, as amended, of at least 25 percentage points and (ii) the equity value of Charter has decreased by at least 35% since our emergence from bankruptcy on November 30, 2009 (the "Effective Date"). These restrictions, which are intended to preserve Charter's ability to use its net operating losses, which we refer to as NOLs, may prohibit any person from acquiring stock of Charter if such person is a "5% shareholder" or would become a "5% shareholder" as a result of such acquisition. The restrictions will not operate to prevent any stockholder from disposing of shares and are subject to certain other exceptions relating to shares of Common Stock issued or issuable under the Plan. The board of director's ability to impose these restrictions will terminate on November 30, 2014.

2 The CII warrants were transferred to Mr. Allen on or about February 8, 2010 and in connection with the exchange of his Holdco Units, Mr. Allen further transferred ownership of CII to Charter.

In addition, our amended and restated certificate of incorporation, in addition to any affirmative vote required by law or our amended and restated bylaws, a “business combination” (as defined in our amended and restated certificate of incorporation) involving as a party, or proposed by or on behalf of, an “interested stockholder,” an “affiliate,” or an “associate” of the “interested stockholder” (each as defined in our amended and restated certificate of incorporation) or a person who upon consummation of the “business combination” would become an “affiliate” or “associate” of an “interested stockholder” requires, unless prohibited by law, that (i) a majority of the members of the board of directors who are not an “affiliate” or “associate” or representative of an “interested stockholder” must determine that the “business combination,” including the consideration, is fair to the Company and its stockholders (other than any “interested stockholder” or its “affiliates and associates); and (ii) holders of a majority of the votes entitled to be cast by holders of all of the then outstanding shares of “voting stock” (as defined in our amended and restated certificate of incorporation), voting together as a single class (excluding voting stock beneficially owned by any “interested stockholder” or its “affiliate” or “associate”) must approve the transaction.

Section 203 of the DGCL provides that if a person acquires 15% or more of the voting stock of a Delaware corporation, such person becomes an “interested stockholder” and may not engage in certain “business combinations” with the corporation for a period of three years from the time such person acquired 15% or more of the corporation’s voting stock, unless: (1) the board of directors approves the acquisition of stock or the merger transaction before the time that the person becomes an interested stockholder, (2) the interested stockholder owns at least 85% of the outstanding voting stock of the corporation at the time the merger transaction commences (excluding voting stock owned by directors who are also officers and certain employee stock plans), or (3) the merger transaction is approved by the board of directors and by the affirmative vote at a meeting, not by written consent, of stockholders of 2/3 of the holders of the outstanding voting stock which is not owned by the interested stockholder. A Delaware corporation may elect in its certificate of incorporation or bylaws not to be governed by this particular Delaware law, or “opt-out.” We have not elected to “opt-out.”

Preferred Stock

Series A 15% Pay-In-Kind Preferred Stock

On April 1, 2010, notice was given by Charter to redeem all of the shares of the Series A Preferred Stock on April 16, 2010 for a redemption payment of \$25.948 per share or a total redemption payment for all shares of approximately \$143.2 million. On April 16, 2010, Charter redeemed all shares of the Series A Preferred Stock.

Blank Check Preferred Stock

Under the terms of our amended and restated certificate of incorporation, the board of directors is authorized to issue from time to time up to an aggregate of 250 million shares of series of preferred stock and to fix or alter the designations, preferences, rights and any qualifications, limitations or restrictions of the shares of each series, including the dividend rights, dividend rates, conversion rights, voting rights, rights and terms of redemption (including sinking fund provisions), redemption price or prices, liquidation preferences and the number of shares constituting any series. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions. If the board of directors decides to issue shares of preferred stock to persons supportive of current management, this could render more difficult or discourage an attempt to obtain control of the company by means of a merger, tender offer, proxy contest or otherwise. Authorized but unissued shares of preferred stock also could be used to dilute the stock ownership of persons seeking to obtain control of Charter.

SHARES ELIGIBLE FOR FUTURE SALE

Future sales of substantial amounts of our Class A Common Stock in the public market, or the perception that such sales may occur, could adversely affect the prevailing market price of our Class A Common Stock. No prediction can be made as to the effect, if any, future sales of shares, or the availability of shares for future sales, will have on the market price of our Class A Common Stock prevailing from time to time.

Sale of Restricted Shares

As of March 31, 2010, we had 112,481,877 shares of Class A Common Stock outstanding. Except as set forth below, all shares of our Class A Common Stock outstanding after this offering will be freely tradeable without restriction or further registration under the Securities Act unless held by one of our “affiliates,” as that term is defined in Rule 144 under the Securities Act. Unless otherwise registered under the Securities Act, sales of shares of our Class A Common Stock by affiliates will be subject to the volume limitations and other restrictions set forth in Rule 144.

Class A Common Stock and Warrants Issued in Reliance on Section 1145 of the Bankruptcy Code

We relied on section 1145(a)(1) and (2) of the Bankruptcy Code to exempt from the registration requirements of the Securities Act the offer and sale of a portion of our Class A Common Stock, as well as the CIH Warrants and CCH Warrants to purchase Class A Common Stock. Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under the Plan from registration under Section 5 of the Securities Act and state laws if certain requirements are satisfied. Section 1145(a)(2) of the Bankruptcy Code exempts the offer and sale of securities issued under 1145(a)(1) of the Bankruptcy Code, such as the CIH Warrants and CCH Warrants, from registration under Section 5 of the Securities Act and state laws if certain requirements are satisfied. These shares may be resold without registration unless the recipient is an “underwriter” with respect to those securities. Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as any person who:

- purchases a claim against, an interest in, or a claim for an administrative expense against the debtor, if that purchase is with a view to distributing any security received in exchange for such a claim or interest;
- offers to sell securities offered under the Plan for the holders of those securities;
- offers to buy those securities from the holders of the securities, if the offer to buy is (i) with a view to distributing those securities; and (ii) (a) under an agreement made in connection with the Plan, the completion of the Plan, or with the offer or sale of securities under the Plan; or (b) is an “affiliate” of the issuer.

To the extent that persons who receive Class A Common Stock are deemed to be “underwriters,” resales by those persons would not be exempted by section 1145 of the Bankruptcy Code from registration under the Securities Act or other applicable law. Those persons would, however, be permitted to sell our Class A Common Stock or other securities without registration if they are able to comply with the provisions of Rule 144 under the Securities Act, as described further below.

Class A Common Stock Issued in the Rights Offering and Class B Common Stock and CII Warrants issued to Mr. Allen

Certain holders of notes of certain of our subsidiaries (the “Eligible Holders”) agreed to purchase shares of our Class A Common Stock in a rights offering pursuant to the Plan and certain commitment agreements. In addition, we issued shares of Class B Common Stock and CII Warrants to CII (an entity then controlled by Mr. Allen) pursuant to the Plan. The Class A Common Stock issued to the Eligible Holders pursuant to the rights offering, and the Class B

Common Stock and CII Warrants issued to CII pursuant to the Plan, are exempt from the registration requirements of Section 5 of the Securities Act pursuant to Section 4(2) thereof, are deemed “restricted securities” within the meaning of Rule 144 of the Securities Act and may not be sold unless registered under the

Securities Act or in compliance with an applicable exemption therefrom. As a result, the Class A Common Stock issued to the Eligible Holders, and Class B Common Stock and CII Warrants, are not freely tradeable.

Pursuant to the Plan and a registration rights agreement that we entered into with the members of the Crossover Committee (as defined in the Plan), CII and Mr. Allen, we are required to use our commercially reasonable efforts to cause a shelf registration statement covering the resale of the Class A Common Stock issued to the members of the Crossover Committee, and any Class A Common Stock issued to or issuable to Mr. Allen (or his designees) upon (i) exchange of his Class B Common Stock and his membership units in Charter Holdco, our subsidiary, or (ii) exercise of his CII Warrants, to be declared effective by the SEC no later than June 30, 2010, permitting such Class A Common Stock to be freely tradable, subject to the volume limitations and other restrictions set forth in Rule 144 applicable to Class A Common Stock held by affiliates of the Company. Pursuant to such requirement, we have filed this registration statement on Form S-1 with the SEC. Eligible Holders that purchased less than 1% of the Class A Common Stock in the rights offering are not entitled to registration rights.

Stock Options and Other Stock Awards

The Plan contemplates the adoption of a new management incentive plan under which shares of our Class A Common Stock, or options or other awards to purchase shares of Class A Common Stock, can be issued to the Company's directors, management and other employees. Under our Amended and Restated 2009 Stock Incentive Plan, 7,696,786 shares of Class A Common Stock have been reserved for issuance, and Charter has awarded 1,612,308 restricted shares of Class A Common Stock to certain of its employees and non-employee directors.

We have filed a registration statement on Form S-8 covering all of the shares of Class A Common Stock reserved for issuance under our Amended and Restated 2009 Stock Incentive Plan, and such shares will be freely tradeable in the public market as soon as issued subject to certain limitations applicable to affiliates and any restrictions applicable to the vesting of awards.

If the selling stockholders were deemed to be underwriters, the selling stockholders may be subject to certain statutory liabilities as underwriters under the Securities Act.

If Class A Common Stock is sold through underwriters or broker-dealers, the selling stockholders will be responsible for underwriting discounts or commissions or agent’s commissions.

- fixed prices;

In connection with the sales of Class A Common Stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers. These broker-dealers may in turn engage in short sales of Class A Common Stock in the course of hedging their positions. The selling stockholders may also sell the Class A Common Stock short and deliver the Class A Common Stock to close out short positions, or loan or pledge the Class A Common Stock to broker-dealers that in turn may sell the Class A Common Stock.

In order to comply with the securities laws of certain states, if applicable, the shares may be sold only through registered or licensed brokers or dealers. We know of no existing arrangements between any selling stockholder, any other stockholder, broker, dealer, underwriter, or agent relating to the sale or distribution of the shares of Class A Common Stock offered by this prospectus. To our knowledge, there are currently no plans, arrangements or understandings between any selling stockholders and any underwriter, broker-dealer or agent regarding the sale of Class A Common Stock by the selling stockholders. In addition, we cannot assure you that any such selling stockholders will not transfer, devise or gift the Class A Common Stock by other means not described in this prospectus. There can be no assurance that any selling stockholder will sell any or all of the Class A Common Stock pursuant to this prospectus. In addition, any Class A Common Stock covered by this prospectus that qualifies for sale pursuant to Rule 144 of the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

We will pay all of the expenses incident to the registration, offering, and sale of the shares of Class A Common Stock to the public, other than commissions or discounts of underwriters, broker-dealers, or agents. Under the Plan we are also obligated to provide customary indemnification to selling stockholders.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers, and controlling persons, we have been advised that in the opinion of the SEC this indemnification is against public policy as expressed in the Securities Act and is therefore, unenforceable.

We have advised each of the selling stockholders that while it is engaged in a distribution of the shares included in this prospectus it is required to comply with Regulation M promulgated under the Exchange Act. With certain exceptions, Regulation M precludes the selling stockholder, any affiliated purchasers, and any broker-dealer or other person who participates in the distribution from bidding for or purchasing, or attempting to induce any person to bid for or purchase any security which is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of the foregoing may affect the marketability of the shares offered hereby this prospectus.

This offering will terminate on the date that all shares offered by this prospectus have been sold by the selling stockholders.
