

ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

Issuance of Senior Notes due 2022 and Senior Notes due 2024

On November 5, 2014 (the “Closing Date”), CCOH Safari, LLC (“Safari II”), a subsidiary of Charter Communications, Inc. (the “Company”), issued \$1.5 billion aggregate principal amount of 5.500% Senior Notes due 2022 (the “2022 Notes”) and \$2.0 billion aggregate principal amount of 5.750% Senior Notes due 2024 (the “2024 Notes” and, together with the 2022 Notes, the “Notes”). The offering and sale of the Notes were made pursuant to an automatic shelf registration statement on Form S-3 filed with the Securities and Exchange Commission on October 29, 2014 and a prospectus supplement dated October 29, 2014. The payment obligations under the Notes are fully and unconditionally guaranteed on a senior unsecured basis by the Company.

The offering and sale of the Notes resulted in net proceeds of approximately \$3.46 billion, after deducting underwriting discounts and commissions. The net proceeds of this issuance, together with new borrowings under the credit facility of Charter Communications Operating, LLC, a subsidiary of the Company, will be used to fund the previously announced (1) asset purchase, (2) asset exchange and (3) contribution and spin-off transaction (collectively, the “Transactions”) contemplated by the binding definitive agreement, dated April 25, 2014, between the Company and Comcast Corporation, to pay related fees and expenses and for general corporate purposes.

As described in more detail below, the gross proceeds of the offering and sale of the Notes will be held in escrow. The release of the proceeds to the Company (the “Escrow Release”) will be subject to the satisfaction of certain conditions, including the closing of the Transactions. Substantially concurrently with the Escrow Release, the Notes will become obligations of the Company’s subsidiaries, CCO Holdings, LLC (“CCOH”) and CCO Holdings Capital Corp. (“CCOH Capital” and, together with CCOH, the “Issuers”) and Safari II will merge into CCOH.

In connection therewith, Safari II and the Issuers entered into the following agreements:

Indentures

On the Closing Date, Safari II and the Company, as guarantor, entered into a First Supplemental Indenture and a Second Supplemental Indenture each with The Bank of New York Mellon Trust Company, N. A., as trustee (the “Trustee”), providing for the issuance of the 2022 Notes (the “First Supplemental Indenture”) and the issuance of the 2024 Notes (the “Second Supplemental Indenture” and, together with the First Supplemental Indenture, the “Supplemental Indentures”), respectively, and the terms thereof. The Supplemental Indentures each supplement a base indenture entered into on November 5, 2014, among Safari II, the Issuers, the Company, as guarantor, and the Trustee (the “Base Indenture” and, together with the Supplemental Indentures, the “Indenture”) providing for the issuance of the Notes generally. The Indenture provides, among other things, that the Notes are general unsecured obligations initially of Safari II. Interest is payable on the Notes on each June 1 and December 1, commencing December 1, 2014. At any time following the Escrow Release and prior to December 1, 2017, with respect to the 2022 Notes, and December 1, 2019, with respect to the 2024 Notes, the Issuers may redeem some or all of the outstanding Notes of such series at a redemption price equal to 100% of the principal amount thereof plus accrued and unpaid interest, if any, on such Notes to the redemption date, plus an applicable make-whole premium. If the Escrow Release occurs, on or after December 1, 2017, with respect to the 2022 Notes, and December 1, 2019, with respect to the 2024 Notes, the Issuers may redeem some or all of the outstanding Notes of such series at redemption prices set forth in the respective Supplemental Indentures. In addition, at any time following the Escrow Release and prior to December 1, 2017, the Issuers may redeem up to 40% of the aggregate principal amount of the Notes of each series at a redemption price equal to, in the case of the 2022 Notes, 105.500% of the principal amount thereof, and in the case of the 2024 Notes, 105.750% of the principal amount thereof, in each case, plus accrued and unpaid interest, if any, to the redemption date, provided that certain conditions are met.

The payment obligations of Safari II (prior to the Escrow Release) and of the Issuers (if and after the Escrow Release occurs) under the Notes are fully and unconditionally guaranteed on a senior unsecured basis by the Company. The terms of the Indenture, among other things, limit the ability of the Issuers to incur additional debt and issue preferred stock; pay dividends or make other restricted payments; make certain investments; create liens; allow restrictions on the ability of certain of its subsidiaries to pay dividends or make other payments to it; sell assets; merge or consolidate with other entities; and enter into transactions with affiliates.

If the Transactions are not consummated on or prior to November 5, 2015 or if the Company notifies the Trustee and the Escrow Agent (as defined below) in writing that the Transactions have been terminated in accordance with their respective terms or upon

---

the occurrence of certain other events, the Notes will be subject to a special mandatory redemption. The special mandatory redemption price will be equal to 100% of the initial issue price of the Notes, plus accrued and unpaid interest from the issue date of the Notes, up to, but not including, the date of such special mandatory redemption. Subject to certain limitations, in the event of a Change of Control (as defined in the Supplemental Indentures), the Issuers will be required to make an offer to purchase the Notes at a price equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, to the date of repurchase.

The Indenture provides for customary events of default which include (subject in certain cases to customary grace and cure periods), among others, nonpayment of principal or interest; breach of other covenants or agreements in the Indenture; failure to pay certain other indebtedness; failure to pay certain final judgments; failure of certain guarantees to be enforceable; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs, the Trustee or the holders of at least 25% in aggregate principal amount of the then outstanding series of Notes may declare all the Notes of such series to be due and payable immediately.

#### Escrow Agreement

In connection with the issuance and sale of the Notes, Safari II, the Company (with respect to Section 9(q) thereof only), U.S. Bank National Association, as escrow agent (the “Escrow Agent”), and the Trustee entered into an escrow agreement dated November 5, 2014 (the “Escrow Agreement”). Pursuant to the Escrow Agreement, Safari II deposited into an escrow account the gross proceeds from the offering of the Notes plus an amount sufficient to fund a special mandatory redemption of the Notes (as described above) as though such special mandatory redemption were to occur on the first scheduled interest payment date for the Notes. No later than November 24, 2014 (the “First Additional Deposit Date”) and May 25, 2015 (the “Second Additional Deposit Date”), Safari II will be required to deposit an additional deposit amount that, together with the amounts then on deposit in the escrow account, will be sufficient to (i) in the case of the First Additional Deposit Date, pay all scheduled interest payments through and including June 1, 2015 and (ii) without duplication, fund a special mandatory redemption on (x) in the case of the First Additional Deposit Date, June 1, 2015 and (y) in the case of the Second Additional Deposit Date, the fourth business day after November 5, 2015. Prior to the consummation of the Transactions, the Notes will be secured by a first-priority security interest in the escrow account and all deposits and investment property therein to the Trustee for the benefit of the holders of the Notes. The Escrow Release will be subject to the satisfaction of certain conditions, including the closing of the Transactions.

Copies of the Base Indenture, First Supplemental Indenture, Second Supplemental Indenture and Escrow Agreement are filed herewith as Exhibits 4.1, 4.2, 4.3 and 10.1, respectively.
