RADWARE LTD. ANNOUNCES RECORD RESULTS AND NOMINATION OF CHAIRMAN

*** Record quarterly revenues of \$29.2 million**

*** Non-GAAP profitability tripled sequentially from previous quarter to \$0.12 EPS**

TEL AVIV, ISRAEL; November 3, 2009 Radware (NASDAQ: RDWR), the leading provider of integrated application delivery solutions for business-smart networking, today reported record quarterly revenues of \$29.2 million for the third quarter of 2009. This represents an increase of 24% compared with revenues of \$23.5 million for the third quarter of 2008 and an increase of 8% compared with revenues of \$27.1 in the second quarter of 2009.

Net income on a GAAP basis for the third quarter of 2009 was \$0.2 million or \$0.01 per diluted share compared with a net loss of \$8.5 million or \$0.44 per diluted share in the third quarter of 2008.

Net income on a Non-GAAP basis for the third quarter of 2009 was \$2.3 million or \$0.12 per diluted share, compared with a net loss of \$4.3 million or \$0.22 per diluted share in the third quarter of 2008.

At the end of the third quarter of 2009, the company's overall cash position including cash, short-term and long-term bank deposits and marketable securities amounted to \$120.2 million an increase of \$5.4 million over previous quarter.

We are pleased to report yet another record quarter of results along with a significant increase in profitability, advised Roy Zisapel, CEO Radware. For several quarters now we have been able to sequentially increase market share. This is a direct result of our ability to competitively win key customer accounts, strike several new distribution and reseller partnerships and further capitalize on the Alteon acquisition while we continue to extend and innovate the capabilities of our solutions. In just a year we've cost-effectively and successfully driven the business to over 20% growth with strong profitability leverage.

During the quarter ended September 30, 2009, Radware released the following significant announcements:

- Radware Receives a 2009 INTERNET TELEPHONY Excellence Award

- Radware Discusses Next-Generation Data Center Strategies at its Global Executive Exchange Forums

- Radware Prevents Network Downtime for Carolinas HealthCare System, One of the Largest Healthcare Systems in the U.S.

Use of Non-GAAP Financial Information

In addition to reporting financial results in accordance with generally accepted accounting principles (GAAP), Radware uses non-GAAP measures of net income and earnings per share, which are adjustments from results based on GAAP to exclude stock-based compensation expenses, in accordance with SFAS 123R, non-recurring retention expenses, amortization of intangible assets and acquisition-related expenses. Radware's management believes the non-GAAP financial information provided in this release is useful to investors for the purpose of understanding and assessing Radware's ongoing operations. The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for results prepared in accordance with GAAP. A reconciliation of the non-GAAP financial measures discussed in this press release, to the most directly comparable GAAP financial measures, is included with the financial information contained in this press release. Management uses both GAAP and non-GAAP information in evaluating and operating business internally and, as such, has determined that it is important to provide this information to investors.

###

This press release may contain forward-looking statements that are subject to risks and uncertainties. Factors that could cause actual results to differ materially from these forward-looking statements include, but are not limited to, general business conditions in the Application Switching and Network Security industry, changes in demand for Application Switching and Network Security products, the timing and amount or cancellation of orders and other risks detailed from time to time in Radware's filings with the Securities and Exchange Commission, including Radware's Form 20-F.
