- (1) Assumes conversion of all of the Holder's LYONs at a conversion rate of 5.7615 shares of common stock per \$1,000 principal amount at maturity of the LYONs. However, this conversion rate will be subject to adjustment as described under "Description of the LYONs -- Conversion Rights." As a result, the amount of common stock issuable upon conversion of the LYONs may increase or decrease in the future.
- (2) The Allstate Corporation ("Allstate") directly and through its subsidiaries currently owns 29,600 shares of Company common stock. The Agents Pension Plan (the "Pension Plan") currently owns 1,400 shares of Company common stock. The Pension Plan is a qualified ERISA plan that is maintained for the benefit of certain agents of Allstate Insurance Company ("AIC"), a subsidiary of Allstate. The Trustee for the Pension Plan holds title to all Pension Plan investments. Allstate disclaims any interest in securities held in the pension plan trust, although the Investment Committee of the Pension Plan consists of AIC officers. In the course of managing their investment portfolios, AIC and its affiliates may acquire and hold investments that exceed 10% of a class of equity securities of an issuer. The Public Equity Group of the Investment Department of AIC, which has the responsibility for the securities described herein, is not aware of any positions, offices or other material relationships involving AIC or its subsidiaries which are required to be disclosed. However, no independent investigation has been made as to whether there are or may have been any such transactions as a result of insurance activities, investment activities or other groups or divisions or actions with respect to or by such investing companies.
- (3) This entity is either an investment company or a portfolio of an investment company registered under Section 8 of the Investment Company Act of 1940, as

amended, or a private investment account advised by Fidelity Management & Research Company ("FMR Co."). FMR Co. is a Massachusetts corporation and an investment advisor registered under Section 203 of the Investment Advisers Act of 1940, as amended, and provides investment advisory services to each of such Fidelity entities identified above, and to other registered investment companies and to certain other funds which are generally offered to a limited group of investors. FMR Co. is a wholly-owned subsidiary of FMR Corp. ("FMR"), a Massachusetts corporation. The holdings indicated are as of December 13, 2000.

- (4) Shares indicated as owned by such entity are owned directly by various private investment accounts, primarily employee benefit plans for which Fidelity Trust Management Trust Company ("FMTC") serves as trustee or managing agent. FMTC is a wholly-owned subsidiary of FMR and a bank as defined in

7

Section 3(a)(6) of the Securities Exchange Act of 1934, as amended. The holdings indicated are as of December 13, 2000.

- (5) Merrill Lynch, Pierce, Fenner & Smith, Inc. was the Initial Purchaser in a private placement of the LYONs by the Company on November 1, 2000. Merrill Lynch, Pierce, Fenner & Smith, Inc. is not aware of any position, office or directorship relationship with the Company or its affiliates. However, it may or may not have, from time to time, acted in a financial investment advisory capacity to the Company.
- (6) Van Kampen Asset Management, Inc. is the investment advisor to the Van Kampen Harbor Fund and has discretionary authority over its portfolio. Van Kampen Asset Management, Inc. is also the investment advisor to a number of other funds. Those funds hold an aggregate amount of 2,635,165 shares of common stock of the Company.
- (7) Information about other Selling Securityholders will be set forth in prospectus supplements, if required.
- (8) Assumes that any other Holders of LYONs, or any future transferees, pledgees, donees or successors of or from any such other Holders of LYONs, do not beneficially own any common stock other than the common stock issuable upon conversion of the LYONs at the initial conversion rate.

The preceding table has been prepared based upon information furnished to us by the Selling Securityholders in the table. From time to time, additional information concerning ownership of the LYONs and common stock may rest with certain Holders thereof not named in the preceding table, with whom we believe we have no affiliation.

The Selling Securityholders listed in the above table may have sold or transferred, in transactions exempt from the registration requirements of the Securities Act, some or all of their LYONs since the date on which the information is presented in the above table. Information about the Selling Securityholders may change over time. Any changed information will be set forth in prospectus supplements.

Because the Selling Securityholders may offer all or some of their LYONs or the underlying common stock from time to time, we can not estimate the amount of the LYONs or the underlying common stock that will be held by the Selling Securityholders upon the termination of any particular offering. See "Plan of Distribution."
