MANAGEMENT STOCK BONUS AND STOCK OPTION PLANS

Mobile TeleSystems OJSC informs that on October 24, 2002, pursuant to option agreements, we granted options in respect of 1,739,322 common shares to our board members and 1,107,359 common shares to our key employees. As further described below, these options are with regard to the shares that were issued to our subsidiary Rosico in connection with our initial public offering . These options provide that, on July 15, 2004, board members and key employees may purchase our common shares at \$1.49 per share, which represents the 100-day average sales price of the shares at October 24, 2002. The stock option agreement for a board member will terminate if the board member is terminated as a board member before our 2003 annual general shareholder meeting. The stock option agreement for a key employee will terminate if the employee leaves us before July 15, 2004.

By way of background, on April 27, 2000, contingent on the closing of our initial public offering, we established a stock bonus plan and stock option plan for selected officers, key employees and key advisors. Under the plans, directors, key employees and key advisors received 3,587,987 of our common shares and will participate in a stock option plan under which they may receive options to purchase up to an additional 9,966,631 of our common shares. At the time of the initial public offering, we issued 13,554,618 shares of common stock to our subsidiary Rosico pursuant to these plans at a price of \$1.024 per share for the total amount of \$13.9 million.

Under the stock option plan, board members and key employees, upon being granted stock options, will have the right to purchase up to 9,966,631 common shares of the company. On August 14, 2001, pursuant to option agreements, we granted options in respect of 1,020,682 common shares to our board members and 830,010 common shares to our key employees. These options provide that, on July 15, 2003, board members and key employees may purchase our common shares at \$1.31 per share, which represents the 100-day average sales price of the shares at August 14, 2001. The stock option agreement for a board member will terminate if the board member is terminated as a board member before our 2002 annual general shareholder meeting. The stock option agreement for a key employee will terminate if the employee leaves us before July 15, 2003.
