**Section 1. Registrant's Business and Operations**

Item 1.01. Entry into a Material Definitive Agreement.

On October 28, 2004, Alliance Capital Management L.P. ( Alliance Capital ) and Federated Investors, Inc. ( Federated ) reached a definitive agreement under which Federated is to acquire the cash management business of Alliance Capital ( Agreement ). Under the Agreement, up to \$29 billion in assets from 22 third-party-distributed money market funds of Alliance Capital will be transitioned into Federated money market funds. The boards of directors at both Federated and the general partner of Alliance Capital have approved the transaction, but it is still subject to certain approvals and other customary closing considerations. This transaction, which is expected to close in phases occurring between the first and third quarters of 2005, includes upfront cash payments to Alliance Capital totaling approximately \$26 million due at the transaction closing dates, annual contingent purchase price payments payable over five years, and a final contingent \$10 million payment. The annual contingent purchase price payments will be calculated as a percentage of revenues, less operating expenses, directly attributed to these assets and certain other assets of former Alliance Capital cash management clients. The final contingent \$10 million payment is based on comparing applicable revenues during the fifth year following closing to the revenues generated by those assets prior to the closing. At the current levels, these additional payments would approximate \$103 million over five years.
