Item 1.01. Entry Into a Material Definitive Agreement.

On December 2, 2004, The St. Paul Travelers Companies, Inc. (the Company) adopted the St. Paul Travelers Deferred Compensation Plan (the Employee Plan) and The St. Paul Travelers Companies, Inc. Deferred Compensation Plan for Non-Employee Directors (the Directors Plan, and together with the Employee Plan, the Plans). The Plans are intended to comply with the requirements imposed under new Section 409A of the Internal Revenue Code of 1986, as amended (the Code), and the provisions of the Plans will be construed in a manner consistent with the requirements of such section of the Code. The Company intends to amend the Plans, to the extent necessary, to comply with guidance that the United States Department of Treasury is expected to issue with respect to Section 409A of the Code. The obligations of the Company under the Plans are unsecured general obligations to pay in the future the balance of the deferred compensation accounts pursuant to the terms of the Plans.

The Employee Plan allows certain eligible employees of the Company to annually defer between 1% and 50% of their annual base salary and between 1% and 100% of their annual incentive award and have the amounts deferred credited to his or her deferred compensation account. Each participant must allocate amounts credited to his or her deferred compensation account among various investment funds approved by the plan administrator, which may include a Company stock fund.

The Director Plan permits the members of the Company's Board of Directors who are not employees of the Company to defer any compensation payable in cash, including any annual retainer, committee chair or vice-chair fees, additional fees, meeting fees or other cash compensation, and any payment due with respect to deferred stock awards granted under the Company's stock incentive plan (other than deferred stock awards credited in respect of deferred cash compensation). Any amount of cash compensation deferred results in a credit to the director's account of a number of common stock units determined by dividing the amount of the deferred cash compensation by the fair market value of a share of common stock (as determined under the Company's stock incentive plan that is in effect from time to time). Dividend equivalents shall be credited to the accounts in the amount equal to the dividends that would have been payable with respect to the number of common stock units in the director's account by the fair market value of a share of common stock. The common stock units are paid out in the form of one share of Company stock for each common stock unit. The shares of Company stock issued upon payment of the common stock units are issued from the Company's stock incentive plan that is effect from time to time.

Item 1.02. Termination of a Material Definitive Agreement.

Effective December 31, 2004, The Deferred Management Incentive Awards Plan, The Deferred Stock Plan for Non-Employee Directors, The Directors' Deferred Compensation Plan and the Travelers Deferred Compensation Plan were suspended with respect to new deferrals; however, such plans will continue to operate for the purpose of administering amounts deferred under those plans on or prior to December 31, 2004. In addition, the prior terms of the Director Plan, which is being amended and restated as described above, will continue with respect to amounts deferred under that plan on or prior to December 31, 2004.
