The Fund invests primarily in debt securities issued by Florida municipalities. The ability of the issuers of the debt securities to meet

their obligations may be affected by economic developments in a specific industry or municipality. In order to reduce the risk associated with such economic developments, at December 31, 2004, 92.0% of the securities in the portfolio of investments are backed by bond insurance of various financial institutions and financial guaranty assurance

| agencies. The aggre | egate percentage insured by an individual financial institution ranged from 5.1% to 50.1% of total investments. |
|------------------------|--|
| • | Security exempt from registration under Rule 144A of the Securities Act of 1933. These securities transactions exempt from registration, normally to qualified institutional buyers. At December 31, gate value of the securities is \$4,845,251 or 12.8% of the Fund s net assets |
