(213) 765-5578
<http://www.guessinc.com/Investors/>

The Company will also furnish any exhibit to the 2004 annual report on Form 10-K if specifically requested.

Q: What may I vote on by proxy?

A: (1) The election of two nominees to serve on the Board;

(2) The approval of the Guess?, Inc. Annual Incentive Bonus Plan so that compensation paid thereunder will continue to be deductible by the Company for federal income tax purposes; and

(3) The ratification of the appointment of KPMG LLP as independent auditors for 2005.

Q: How does the Board recommend I vote on the proposals?

A: The Board recommends a vote FOR the nominees, FOR the approval of the Guess?, Inc. Annual Incentive Bonus Plan and FOR the ratification of KPMG LLP as independent auditors for 2005.

Q: Who is entitled to vote?

A: Shareholders as of the close of business on April 5, 2005 (the Record Date) are entitled to vote at the Annual Meeting.

Q: How many shares can vote?

A: As of the Record Date, April 5, 2005, 44,210,568 shares of common stock (the Common Stock) of the Company, the only voting securities of the Company, were issued and outstanding. Every shareholder of Common Stock is entitled to one vote for each share held.

Q: How do I vote?

A: Complete, sign and date each proxy card you receive and return it in the prepaid envelope.

You have the right to revoke your proxy at any time before the Annual Meeting by:

- (1) notifying the Corporate Secretary of the Company in writing;
- (2) voting in person; OR
- (3) returning a later-dated proxy card.

Q: What if my shares are held in street name?

A: If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee which is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker how to vote and are also invited to attend the meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the meeting unless you obtain a signed proxy from the record holder giving you the right to vote these shares. Your broker or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

Q: What shares are included on the proxy card(s)?

A: The shares on your proxy card(s) represent ALL of your shares. If you do not return your proxy card(s) or vote in person at the Annual Meeting, your shares will not be voted.

Q: What does it mean if I get more than one proxy card?

A: If your shares are registered differently and are in more than one account, you will receive more than one proxy card. If you intend to vote by return mail, sign and return all proxy cards to ensure that all your shares are voted.

We encourage you to have all accounts registered in the same name and address (whenever possible). You can accomplish this by contacting our transfer agent:

Q: How may I obtain a separate set of voting materials?

A: If you share an address with another shareholder, you may receive only one set of proxy materials (including our annual report to shareholders, 2004 Form 10-K and Proxy Statement) unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, you may write or call us to request a separate copy of these materials from:

Guess?, Inc.
Attn: Investor Relations
1444 South Alameda Street
Los Angeles, California 90021
(213) 765-5578

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may write or call us at the above address and phone number to request delivery of a single copy of these materials.

Q: What is a quorum?

A: A quorum is a majority of the outstanding shares entitled to vote. They may be present or represented by proxy. For the purposes of determining a quorum, shares held by brokers or nominees will be treated as present. Abstentions will also be treated as present for the purpose of determining whether a quorum is present.

Q: What is required to approve each proposal?

A: A quorum must have been established in order to consider any matter. To elect the two directors, the two candidates for director receiving the most votes will become directors of the Company. Shareholders may not cumulate their votes. All other proposals require the affirmative for vote of a majority of those shares present in person or represented by proxy and entitled to vote on those proposals at the Annual Meeting. If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained. However, shares represented by such broker non-votes will be counted in determining whether there is a quorum. A properly executed proxy marked Abstain with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, proxies marked Abstain as to Proposal No. 1 will not have any effect on the election of directors, but proxies marked Abstain as to Proposal No. 2 and Proposal No. 3 will have the same effect as a vote cast against the proposal.

Under the rules of the New York Stock Exchange (the NYSE) in effect at the time this Proxy Statement was printed, your broker may be permitted to vote your shares on all of the proposals, even if the broker does not receive instructions from you. Your broker will provide you with directions on voting your shares, and you should instruct your broker to vote your shares according to those instructions.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business is presented at the Annual Meeting, your signed proxy card will give authority to each of Carlos Alberini, our President and Chief

Operating Officer, Deborah Siegel, our General Counsel and Secretary, and Jason Miller, our Assistant General Counsel and Assistant Secretary, to vote on such matters at their discretion.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including director nominations, for consideration at future shareholder meetings as follows:

Shareholder Proposals: For a shareholder proposal to be considered for inclusion in the Company's proxy statement for the annual meeting next year, the written proposal must be received by the Corporate Secretary of the Company at our principal executive offices no later than December 16, 2005. If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of the Annual Meeting, the deadline for inclusion of proposals in our proxy statement is instead a reasonable time before we begin to print and mail our proxy materials. Such proposals also will need to comply with Securities and Exchange Commission (SEC) regulations under Rule 14a-8 regarding the inclusion of shareholder proposals in Company-sponsored proxy materials. Proposals should be addressed to:

Guess?, Inc.
Attn: Corporate Secretary
1444 South Alameda Street
Los Angeles, California 90021

For a shareholder proposal that is not intended to be included in the Company's proxy statement under Rule 14a-8, the shareholder must deliver a proxy statement and form of proxy to holders of a sufficient number of shares of Common Stock to approve that proposal, provide the information required by the bylaws of the Company (the Bylaws) and give timely notice to the Corporate Secretary of the Company in accordance with the Bylaws, which, in general, require that the notice be received by the Corporate Secretary of the Company:

- Not earlier than the close of business on February 9, 2006, and
- Not later than the close of business on March 11, 2006.

If the date of next year's annual meeting is moved more than 30 days before or after the anniversary date of the Annual Meeting, then notice of a shareholder proposal that is not intended to be included in the Company's proxy statement under Rule 14a-8 must be received no later than the close of business on the tenth day following the day on which notice of the date of such annual meeting is mailed to the shareholders or the date on which public disclosure of the date of such annual meeting is made, whichever is first.

Nomination of Director Candidates: You may propose director candidates for consideration by the Board's Nominating and Governance Committee in accordance with the procedures set forth in the Bylaws, as summarized under the caption "Corporate Governance and Board Matters" Consideration of Director Nominees Shareholder Nominees herein.

Copy of Bylaw Provisions: You may contact the Company's Corporate Secretary at our principal executive offices for a copy of the relevant bylaw provisions regarding the requirements for making shareholder proposals and nominating director candidates. The Bylaws also are available on the Company's website at <http://www.guessinc.com/Investors/>.

Q: How is the Company soliciting proxies for the Annual Meeting?

A: This solicitation is made by mail on behalf of the Board of Directors. Costs of the solicitation will be borne by the Company. Further solicitation of proxies may be made by telephone, telegraph, facsimile

or personal interview by the directors, officers and employees of the Company and its affiliates, who will not receive additional compensation for the solicitation. The Company will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to shareholders.

Q: How can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and publish final results in our quarterly report on Form 10-Q for the second quarter of fiscal year 2005.

Q: How may I communicate with the Company's Board or the non-management directors on the Company's Board?

A: Individuals may communicate with the Board by submitting an e-mail to the Company's Board at *bod@guess.com*. All directors have access to this e-mail address. Communications that are intended specifically for non-management directors should be sent to the e-mail address above to the attention of the Chair of the Nominating and Governance Committee.

PROPOSAL NO. 1: ELECTION OF CLASS III DIRECTORS
(Item 1 on Proxy Card)

Pursuant to the Company's Restated Certificate of Incorporation, the Board of Directors is divided into three classes of directors serving staggered terms (Classes I, II and III). One class of directors is elected at each annual meeting of shareholders for a three-year term and will hold office until their successors shall have been elected and qualified. The Bylaws currently authorize a Board of Directors consisting of not less than three or more than fifteen directors. The Board of Directors currently consists of seven members of whom Carlos Alberini and Alice Kane are Class I directors, Paul Marciano, Anthony Chidoni and Karen Neuburger are Class II directors and Maurice Marciano and Howard Weitzman are Class III directors.

At the Annual Meeting, two Class III directors are to be elected to serve for a term to expire at the 2008 annual meeting of shareholders. The nominees for these positions are Maurice Marciano and Alex Yemenidjian (the Class III Nominees). Mr. Marciano is the Company's Co-Chairman of the Board and Co-Chief Executive Officer. Mr. Yemenidjian does not currently serve on the Board of Directors of the Company and is not otherwise employed by, or affiliated with, the Company. Mr. Weitzman, whose term as a Class III director expires at the Annual Meeting, has elected not to stand for re-election at the Annual Meeting. Each of the Class III Nominees has consented to being named in this Proxy Statement and has agreed to serve as a member of the Board of Directors if elected. Information regarding the Class III Nominees and the continuing directors whose terms expire in 2006 and 2007 is set forth under the heading "Directors and Executive Officers" herein.

The Class III directors will be elected by a plurality of the votes cast at the Annual Meeting. Shareholders may not cumulate their votes. Accordingly, broker non-votes and abstentions will not affect the outcome of the election of the Class III directors. The accompanying proxy will be voted FOR the election of the Class III Nominees unless contrary instructions are given. **If the Class III Nominees are unable to serve, which is not anticipated, the persons named as proxies intend to vote for such other person or persons as the Board of Directors may designate. In no event will the shares represented by the proxies be voted for more than two Class III directors at the Annual Meeting. Unless instructed to the contrary in the proxy, the shares represented by the proxies will be voted FOR the election of the Class III Nominees named above.**

The Board of Directors unanimously recommends a vote FOR each of the Class III Nominees.

**PROPOSAL NO. 2: APPROVAL OF THE GUESS?, INC.
ANNUAL INCENTIVE BONUS PLAN
(Item 2 on Proxy Card)**

The Guess?, Inc. Annual Incentive Bonus Plan (the "Bonus Plan"), which has been maintained by the Company since 1996, generally provides for performance-based incentive awards to certain key employees of the Company. The Bonus Plan is designed to satisfy the requirements of Section 162(m) of the Internal Revenue Code ("Section 162(m)") so that the Company can take federal income tax deductions for the performance-based compensation paid under the Bonus Plan to its Named Executive Officers (see Executive Compensation Summary Compensation Table herein for a list of our Named Executive Officers for 2004).

Section 162(m) generally provides that publicly held companies may not take a federal income tax deduction for certain compensation in excess of \$1 million paid to a Named Executive Officer in any one year unless that compensation is performance-based. One of the requirements of performance-based compensation for purposes of Section 162(m) is that the compensation be paid pursuant to a plan that has been approved by shareholders. The Company's shareholders last approved the Bonus Plan at the Company's 2000 annual meeting and in order for compensation paid under the Bonus Plan to continue to qualify as performance-based for tax deductibility purposes, it must be approved by our shareholders again at the Annual Meeting.

The Bonus Plan is intended to provide motivation for selected key employees of the Company and its subsidiaries to attain and maintain the highest standards of performance, to attract and retain executives of outstanding competence and to direct the energies of executives toward the achievement of specific business goals established for the Company and its subsidiaries. The following is a brief summary of the material features of the Bonus Plan. The full text of the Bonus Plan is attached as Appendix A to this Proxy Statement.

Administration

The Bonus Plan is administered by the Compensation Committee of the Board of Directors (the "Committee"). The Committee has authority and discretion to administer and interpret the provisions of the Bonus Plan and to adopt such rules and regulations for the administration of the Bonus Plan as the Committee deems necessary or advisable. Decisions of the Committee will be final, conclusive and binding upon all parties, including, without limitation, the Company and plan participants. The Committee may designate all or any portion of its power and authority under the Bonus Plan to any sub-committee of the Committee or to any executive officer or executive officers of the Company; provided that no such designation shall be permitted or effective with respect to any award to, or any other matter concerning, any Named Executive Officer (which for purposes of the Bonus Plan includes any individual the Committee determines, in its discretion, is or may be a covered employee under Section 162(m)).

Eligibility and Participation

Participation in the Bonus Plan is limited to those key employees of the Company and its subsidiaries who, in the sole opinion of the Committee, are in a position to have a significant impact on the performance of the Company and who are selected by the Committee. Approximately 120 individuals participated in the Bonus Plan during the 2004 plan year. Prior to or at the time performance objectives are established for a plan year, the Committee will identify those key employees who will in fact be participants for such plan year.

Determination of Awards

Within the time period prescribed by Section 162(m), for each calendar year, the Committee shall: (i) determine the participants who are to be eligible to receive performance-based awards under the Bonus Plan, (ii) notify each such participant in writing concerning his or her selection, (iii) select the performance criteria to be used for each participant and (iv) establish, in terms of an objective formula or standard for each participant, the performance goal and the amount of each award which may be earned if such performance goal is achieved.

The performance criteria are limited to the following: net earnings, operating earnings or income, earnings per share, cash flow, absolute and/or relative return on equity or assets, pre-tax profits, earnings growth, revenue growth, share price growth, shareholder returns, gross or net profit margin, comparison to peer companies, or any combination of the foregoing, any of which may be measured either in absolute terms, or as compared to any incremental increase, or as compared to the results of a peer group. Each performance goal may be expressed in terms of overall Company performance or the performance of an operating unit, business unit, segment, subsidiary or other division or any portion or combination thereof of the Company.

In determining performance, the Committee in its discretion shall, in the case of awards to Named Executive Officers, and may, in the case of awards to all other participants, direct that adjustments to the performance goals or actual financial performance as reported be made to reflect extraordinary organizational, operational or other changes that have occurred during such year, in each case, with respect to Named Executive Officers, only to the extent consistent with the requirements of Section 162(m). The Committee may, however, provide at the time the performance goals are established that one or more of such adjustments will not be made as to a specific award to a Named Executive Officer. The Committee is also authorized at any time during or after the plan year to increase (except with respect to awards payable to Named Executive Officers), reduce or eliminate the amount of an award payable to any participant for any reason. The Committee may also provide that the Chief Executive Officer or Officers shall have the discretion to increase or decrease the award otherwise payable to any participant other than a Named Executive Officer based upon their individual performance during the year.

In addition to, or in combination with, the performance-based awards described above, the Committee may, in its sole and absolute discretion, provide for discretionary bonuses for any participant other than a Named Executive Officer.

On or before March 10 of the year subsequent to any plan year, the Committee shall determine awards to participants for such plan year by comparing actual financial performance to the performance goals, performance criteria and amounts of awards adopted by the Committee for such year and the Committee shall, with respect to Named Executive Officers, certify that the amount of the award has been accurately determined in accordance with the terms, conditions and limits of the Bonus Plan. If the Committee has not adopted specified goals for the plan year, the Committee shall meet by March 10 of the year subsequent to the plan year to determine if discretionary bonuses shall be awarded to participants other than the Named Executive Officers.

Current Awards

Bonus amounts paid under the Bonus Plan with respect to 2004 to the Named Executive Officers are reported under Executive Compensation Summary Compensation Table herein. The Committee has established the performance goals for calendar year 2005 with respect to awards to Named Executive Officers by reference to the business criteria set forth in the Bonus Plan. Bonus amounts, if any, that will be paid to participants for 2005 and future plan years are not determinable at this time. Bonus amounts for performance-based awards will depend upon meeting performance targets that are substantially uncertain

and that even if met would remain subject to the Committee's discretion as described herein. Bonus amounts for discretionary awards are subject to the discretion of the Committee. The maximum award payable to any participant under the Bonus Plan for any calendar year shall be \$3.2 million.

Payment of Awards

Approved bonus awards will be paid in cash to each participant promptly after the amount of the award has been determined and, with respect to awards to Named Executive Officers, the Committee has certified that the relevant performance goals have been achieved.

Duration and Amendment

If the Bonus Plan is approved by the shareholders, it will be effective for 2005 and will continue in effect until the fifth anniversary of such approval. The Committee may at any time terminate, modify or suspend the Bonus Plan, in whole or in part, and if suspended, may reinstate any or all provisions, provided that no such termination or modification shall impair any rights that may have accrued under the Bonus Plan; and provided further, that the Committee may not without shareholder approval adopt any amendment that would require the vote of shareholders pursuant to Section 162(m).

Payment of Taxes

The Company may deduct from any payments under the Bonus Plan any applicable withholding taxes required to be withheld with respect to such payments.

Other Compensation

The Bonus Plan is not exclusive. The Company may pay other bonuses and other compensation to the Named Executive Officers and other key employees under other authority of the Board of Directors and applicable law. If the Bonus Plan is not approved by shareholders, the Company currently contemplates that any cash bonuses for 2005 for the Named Executive Officers would be discretionary. Any such bonuses then paid would not be deductible under Section 162(m) to the extent that (when combined with other non-exempt compensation paid) they exceed the \$1 million limit on non-exempt compensation paid to Named Executive Officers.

Recommendation of the Board of Directors

The Board of Directors believes, in general, that it is desirable and in the best interest of the Company and its shareholders to enable the Company's Bonus Plan to continue to comply with the requirements of Section 162(m). The Board further believes that the Bonus Plan provides an important incentive that complements the Company's existing policies and other long-term plans in linking portions of executive compensation to the Company's performance.

The favorable vote of a majority of votes cast regarding the proposal is required to approve the Bonus Plan. Accordingly, broker non-votes will not affect the outcome of the vote on the proposal and abstentions will be treated as votes cast against the proposal. Unless instructed to the contrary in the proxy, the shares represented by the proxies will be voted FOR the proposal to approve the Bonus Plan.

The Board of Directors unanimously recommends a vote *FOR* the approval of the Bonus Plan.

**PROPOSAL NO. 3: RATIFICATION OF APPOINTMENT OF
INDEPENDENT AUDITORS
(Item 3 on Proxy Card)**

The Audit Committee has selected the firm of KPMG LLP (KPMG), the Company's independent auditors for the year ended December 31, 2004, to act in such capacity for the fiscal year ending December 31, 2005, and recommends that the shareholders vote in favor of such appointment. There are no affiliations between the Company and KPMG, its partners, associates or employees, other than those which pertain to the engagement of KPMG in the previous year (i) as independent auditors for the Company and (ii) for certain tax advice and tax planning services. KPMG has served as the Company's independent auditors since 1990.

Shareholder approval of the selection of KPMG as our independent auditors is not required by our Bylaws or otherwise. The Sarbanes-Oxley Act of 2002 requires the Audit Committee to be directly responsible for the appointment, compensation and oversight of the audit work and the independent auditors. The Audit Committee will consider the results of the shareholder vote for this proposal and, in the event of a negative vote, will reconsider its selection of KPMG. Even if KPMG's appointment is ratified by the shareholders, the Audit Committee may, at its discretion, appoint a new independent auditing firm at any time if it determines that such a change would be in the best interests of the Company and its shareholders.

We expect that a representative of KPMG will be present at the Annual Meeting, will be available to respond to appropriate questions and will have the opportunity to make such statements as he or she may desire.

The favorable vote of a majority of votes cast regarding the proposal is required to ratify the selection of KPMG. Accordingly, broker non-votes will not affect the outcome of the vote on the proposal and abstentions will be treated as votes cast against the proposal. Unless instructed to the contrary in the proxy, the shares represented by the proxies will be voted FOR the proposal to ratify the selection of KPMG to serve as independent auditors for the Company for the fiscal year ending December 31, 2005.

The Board of Directors unanimously recommends a vote *FOR* the ratification of KPMG.

RELATIONSHIP WITH INDEPENDENT AUDITORS

The firm of KPMG has served as the Company's independent auditors since 1990 and served as the Company's independent auditors for the fiscal year ended December 31, 2004. As stated in Proposal No. 3, the Audit Committee has selected KPMG to serve as our independent auditors for the fiscal year ending December 31, 2005.

All fees paid to KPMG were reviewed and considered for independence by the Audit Committee.

Other non-audit services(4)	0	43
Total all other fees	\$ 241	\$ 386

(1) Audit fees consist of fees for professional services rendered for the audit of the Company's consolidated financial statements included in Form 10-K, including the audit of internal controls required by Section 404 of the Sarbanes-Oxley Act of 2002, and the review of financial statements included in Form 10-Qs, and for services that are normally provided by the auditor in connection with statutory and regulatory filings or engagements.

(2) Audit related fees consist of fees for services related to employee benefit plans, assistance with the implementation of requirements under Section 404 of the Sarbanes-Oxley Act of 2002, internal audit services in 2003 and assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements that are not reported under Audit Fees.

(3) Tax fees consist of fees for tax compliance, tax advice and tax planning services. For fiscal year 2003, the amount includes \$8,000 for tax compliance and preparation services and \$209,000 for all other tax related services. For fiscal year 2004, the amount includes \$9,000 for tax compliance and preparation services and \$134,000 for all other tax related services.

(4) Other non-audit services consist of fees for any services not included in the first three categories and include fees in fiscal year 2003 for Italian compliance services.

All non-audit services were pre-approved by our Audit Committee pursuant to the pre-approval policies and procedures described below.

The Audit Committee has considered whether the provision of non-audit services provided by KPMG is compatible with maintaining KPMG's independence. Before KPMG was engaged by the Company to render audit services, the engagement was approved by the Company's Audit Committee.

In addition to retaining KPMG to audit and review our consolidated financial statements for 2004, the Company retained KPMG, as well as other accounting firms, to provide other auditing and advisory services in 2004. The Company understands the need for KPMG to maintain objectivity and independence in its audit of the Company's financial statements. To minimize relationships that could appear to impair the objectivity of KPMG, the Audit Committee has restricted the non-audit services that KPMG may provide to the Company primarily to tax services and has determined that the Company would obtain even these non-audit services from KPMG only when the services offered by KPMG are more effective or economical than services available from other service providers, and, to the extent possible, only after competitive bidding.

The Audit Committee utilizes a policy pursuant to which the audit, audit-related, and permissible non-audit services to be performed by the independent auditor are pre-approved prior to the engagement to perform such services. Pre-approval is generally provided annually, and any pre-approval is detailed as

to the particular service or category of services and is generally limited by a maximum fee amount. The independent auditor and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditor in accordance with this pre-approval, and the fees for the services performed to date. The Audit Committee may delegate its pre-approval authority to the Chairman or any other member of the Audit Committee, and any approvals made pursuant to this delegated authority normally will be reported to the Audit Committee at its next meeting. Only the services described in footnote 4 above were pre-approved pursuant to the *de minimis* exception provided in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

The Audit Committee Charter requires that key KPMG partners assigned to our audit be rotated at least every five years and that other KPMG partners be rotated at least every seven years.

REPORT OF THE AUDIT COMMITTEE

Our Board of Directors has determined that each member of the Audit Committee is an independent director, based on the director independence standards of the NYSE and the Company's independence guidelines. Each member of the Audit Committee also satisfies the SEC's additional independence requirement for members of audit committees. In addition, our Board of Directors has determined that Anthony Chidoni is an audit committee financial expert, as defined by SEC rules.

The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the independent auditors' qualifications and independence, the performance of the Company's internal audit function and independent auditors, and risk assessment and risk management. We reviewed and discussed with management the audited financial statements contained in the Company's fiscal year 2004 annual report. Also, we reviewed with KPMG, who is responsible for expressing an opinion on the conformity of our audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality and acceptability of our accounting principles and any other matters that we are required to discuss under generally accepted auditing standards. In addition, we have discussed with KPMG its independence from management and the Company including matters required to be discussed by Statement on Auditing Standards No. 61 as may be amended or supplemented pertaining to communications with audit committees. The Audit Committee has received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee) as may be amended or supplemented. The Audit Committee also concluded that KPMG's provision of audit and non-audit services to the Company, as described in the previous section, is compatible with KPMG's independence.

We discussed with KPMG the overall scope and plans of their audits. We met with KPMG, as the Company's independent auditors, with and without management present, to discuss results of their examinations, their evaluations of our internal controls, and the overall quality of our financial reporting at each of our six meetings in 2004.

Relying on the reviews and discussions referred to above, we recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the SEC.

By the Audit Committee,
Anthony Chidoni, Chairman

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company is engaged in various transactions with entities affiliated with trusts for the respective benefit of Maurice and Paul Marciano, who are executives of the Company, Armand Marciano, their brother and former executive of the Company, and certain of their children (the "Marciano Trusts"). The Company believes that the arrangements involving each of the companies in which the Marciano Trusts have an investment and related party transactions discussed below were entered into on terms no less favorable to the Company than could have been obtained from an unaffiliated third party.

License Agreements and Licensee Transactions

Edgar Filing: GUESS INC ET AL/CA/ - Form DEF 14A

On September 28, 1990, the Company entered into a license agreement with Charles David of California (Charles David). Charles David is controlled by the father-in-law of Maurice Marciano. The

13

Marciano Trusts and Nathalie Marciano (the spouse of Maurice Marciano) together owned 50% of Charles David and the remaining 50% was owned by the father-in-law of Maurice Marciano. During the second quarter of 2004, the Marciano Trusts and Armand Marciano sold their shares in Charles David and no longer own any shares in Charles David. Nathalie Marciano, the wife of Maurice Marciano, continues to own 10% of the shares in Charles David. The license agreement grants Charles David the rights to manufacture worldwide and distribute worldwide (except Japan and certain European countries) for men, women and some children, leather and rubber footwear which bear the GUESS? trademark. The license also includes related shoe care products and accessories. In 2002, the license agreement was renewed for six years and included athletic footwear. The Charles David license agreement was terminated effective December 31, 2004 for athletic footwear and June 30, 2005 for fashion footwear. There are no other rights and obligations between the Company and Charles David.

Gross royalties earned by the Company under such license agreement for the fiscal years ended December 31, 2004, 2003 and 2002 were \$2.3 million, \$2.4 million, and \$2.0 million, respectively. Additionally, the Company purchased \$4.9 million, \$5.9 million, and \$5.7 million of products from Charles David for resale in the Company's retail stores during the same periods. At both December 31, 2004 and 2003, the Company had royalty receivables due from Charles David of \$0.4 million.

On January 1, 2003, the Company entered into a license agreement with Barn S.r.l. ("Barn"), an Italian corporation, under which the Company granted Barn the right to manufacture and distribute children's clothing in certain territories of Europe. The license has an initial term of three years and has terms substantially similar to the Company's other license agreements. Two key employees of the Company's wholly-owned subsidiary Guess Italia, S.r.l. own Barn. In addition, Guess Italia, S.r.l. provides office space and services for Barn. During 2004 and 2003, the Company recorded \$0.5 million and \$0.3 million, respectively, in revenues related to this license. At both December 31, 2004 and 2003 the Company had an outstanding receivable due from Barn of \$0.1 million.

Leases

The Company leases manufacturing, warehouse and administrative facilities in Los Angeles and Beverly Hills, California from partnerships affiliated with the Marciano Trusts and certain of their affiliates. There were two leases in effect at December 31, 2004, which expire in February 2006 and July 2008. The total lease payments to these limited partnerships are currently \$0.2 million per month. Aggregate lease payments under leases in effect for the fiscal years ended December 31, 2004, 2003 and 2002 were \$3.1 million, \$3.4 million, and \$2.9 million, respectively.

During the first quarter of 2005, the Company, through a wholly-owned Canadian subsidiary, began leasing warehouse and administrative facilities in Montreal, Quebec from a partnership affiliated with Maurice Marciano and Paul Marciano. The lease has a term of 10 years with initial lease payments of approximately \$550,000 Canadian per year.

The Company believes the related party leases have not been significantly affected by the fact that the Company and the lessors are related.

Aircraft Charter Arrangements

The Company has entered into an agreement with MPM Financial, LLC, a California limited liability company ("MPM Financial") owned by an affiliated trust of Maurice Marciano and Paul Marciano, to periodically charter an aircraft owned by MPM Financial and managed pursuant to an Aircraft Charter and Management Services Agreement dated December 31, 2004 by and between MPM Financial and The Air Group, Inc. ("The Air Group"), an independent third party. Under the charter arrangement, the Company is entitled to receive a ten percent discount from the standard hourly charter rates The Air Group charges for the aircraft to unrelated third parties.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Independence, Structure and Committee Composition

The Board is composed of seven directors, four of whom qualify as independent directors pursuant to the rules adopted by the SEC applicable to the corporate governance standards for companies listed on the NYSE. In determining independence, the Board affirmatively determines that directors have no material relationship with the Company. When assessing materiality, the Board considers all relevant facts and circumstances including, without limitation, transactions between the Company and the director directly or organizations with which the director is affiliated, and the frequency and dollar amounts associated with these transactions. The Board further considers whether the transactions were at arm's length in the ordinary course of business and whether the transactions were consummated on terms and conditions similar to those of unrelated parties. In addition, the Board uses the following categorical standards to determine director independence: (1) not being a present or former employee, or having an immediate family member as an executive officer, of the Company within the past three years; (2) not personally receiving, or having an immediate family member receive, more than \$100,000 per year of direct compensation other than for Board or committee service, pension or other forms of deferred compensation for prior service or more than \$100,000 per year of compensation paid to an immediate family member who is a non-executive employee of the Company; (3) not being employed within the past three years in any capacity, or having an immediate family member employed in a professional capacity, by the Company's independent auditors, KPMG; (4) not being employed, or having an immediate family member employed, within the past three years as an executive officer of another company where now or at any time during the past three years any of the Company's present executive officers serve or served on the other company's compensation committee; (5) not being an executive officer or employee, or having an immediate family member who is an executive officer, of a company that makes or made payments to, or receives or received payments from, the Company, for property or services in an amount which, in 2004 or any of the three preceding calendar years, exceeds or exceeded the greater of \$1 million, or 2% of the other company's consolidated gross revenues; (6) not being an executive officer of a charitable organization of which the Company has within the preceding three years made any contributions to that organization in any single fiscal year that exceeded the greater of \$1 million, or 2% of the charitable organization's consolidated gross revenues; (7) not accepting directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any of its subsidiaries, provided that compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such compensation is not contingent in any way on continued service); and (8) not being an affiliated person of the Company or any of its subsidiaries.

Edgar Filing: GUESS INC ET AL/CA/ - Form DEF 14A

Applying these categorical standards, the Board determined that the following directors and director nominee qualify as independent: Anthony Chidoni, Alice Kane, Karen Neuburger, Howard Weitzman and Alex Yemenidjian (the Independent Directors). Each of the members of each of the committees of the Board is an Independent Director, and, in the case of members of the Audit Committee, also meets the additional criteria for independence of audit committee members set forth in Rule 10A-3(b)(1) under the Exchange Act.

As of the date of this Proxy Statement, our Board has the following three committees: (1) Audit Committee, (2) Compensation Committee and (3) Nominating and Governance Committee. The membership during the last fiscal year and the function of each of the committees are described below. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available on the Company's website at <http://www.guessinc.com/Investors/>. The Board of Directors held nine meetings during 2004, and each director (including Karen Neuburger from the date she became a director on June 30, 2004) attended at least 75 percent in the aggregate of the meetings of the Board of Directors and of the committees of which he or she was a member. Directors are encouraged to attend annual meetings of the Company's shareholders. Six directors attended the last annual meeting of shareholders.

Among other things, the Audit Committee prepares the Audit Committee report for inclusion in the annual proxy statement; annually reviews the Audit Committee Charter and the Audit Committee's performance; appoints, evaluates and determines the compensation of our independent auditors; reviews and approves the scope of the annual audit, the audit fees and the financial statements; reviews our disclosure controls and procedures, internal controls, information security policies, internal audit function, and corporate policies with respect to financial information and earnings guidance; oversees investigations

into complaints concerning financial matters; and reviews other risks that may have a significant impact on the Company's financial statements. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from the Company for, outside legal, accounting and other advisors as the Audit Committee deems necessary to carry out its duties.

The report of the Audit Committee is included herein on page 11. A current copy of the Audit Committee Charter is available on the Company's website at <http://www.guessinc.com/Investors/>.

Consideration of Director Nominees

Shareholder Nominees

The policy of the Nominating and Governance Committee is to consider properly submitted shareholder nominations for candidates for membership on the Board as described below under "Identifying and Evaluating Nominees for Directors." The Nominating and Governance Committee will evaluate a prospective nominee suggested by any shareholder in the same manner and against the same criteria as any other prospective nominee identified by the Nominating and Governance Committee from

any other source. In evaluating such nominations, the Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership criteria set forth under *Director Qualifications* below.

Any shareholder nominations proposed for consideration by the Nominating and Governance Committee should include the following information and documentation:

- the nominator's name, address and phone number and a statement of the number of shares of our Common Stock beneficially owned by the nominator during the year preceding the date of nomination;
- the nominee's name, age, business address, residence address, phone number, principal occupation and a statement of the number of shares of our Common Stock beneficially owned by the nominee during the year preceding the date of nomination;

- a representation that such shareholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and
- a written consent by the nominee to being named as a nominee and to serve as a director if elected.

Any shareholder nominations for candidates for membership on the Board should be addressed to:

The Nominating and Governance Committee will also consider the following factors in connection with its evaluation of each prospective nominee:

- whether the prospective nominee will foster a diversity of backgrounds and experiences, and will add to or complement the Board's existing strengths;
- whether the nominee possesses the requisite education, training and experience to qualify as financially literate or as an audit committee financial expert under applicable SEC and NYSE rules; and
- for incumbent directors standing for re-election, the Nominating and Governance Committee will assess the incumbent director's performance during his or her term, including the number of meetings attended, level of participation, and overall contribution to the Company.

Identifying and Evaluating Nominees for Directors

The Nominating and Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating and Governance Committee regularly assesses whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating and Governance Committee through current Board members, professional search firms, shareholders, members of management or other persons. These candidates are evaluated at regular or special meetings of the Nominating and Governance Committee, and may be considered at any point during the year. Mr. Yemenidjian initially came to the attention of the Nominating and Governance Committee through a recommendation from a member of the Company's Board. As described above, the Nominating and Governance Committee considers properly submitted shareholder nominations for candidates for the Board. Following verification of the shareholder status of persons proposing candidates, recommendations are aggregated and considered by the Nominating and Governance Committee at a regularly scheduled meeting, which is generally the first or second meeting prior to the issuance of the proxy statement for the Company's annual meeting. If any materials are provided by a shareholder in connection with the nomination of a director candidate, such materials are forwarded to the Nominating and Governance Committee. The Nominating and Governance Committee also reviews materials provided by professional search firms or other parties in connection with a nominee which is not proposed by a shareholder. In evaluating such nominations, the Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board.

Executive Sessions

Executive sessions of non-management directors are held at least four times a year. The sessions are scheduled and chaired by the Chair of the respective committee. Any non-management director can request that an additional executive session be scheduled.

Individuals may communicate with the Board by submitting an e-mail to the Company's Board at bod@guess.com. All directors have access to this e-mail address. Communications that are intended

specifically for non-management directors should be sent to the e-mail address above to the attention of the Chair of the Nominating and Governance Committee.

EMPLOYMENT AGREEMENTS

The Company has entered into individual employment agreements (the "Executive Employment Agreements") with each of Maurice Marciano and Paul Marciano (the "Executives"). The initial term of the Executive Employment Agreements began on August 13, 1996 (the "Effective Date") and terminated on the third anniversary of the Effective Date. However, the Executive Employment Agreements automatically extend after the initial term for successive one-year terms, unless notice not to extend is given by either party at least 90 days prior to the end of the then current term. No notice has been given. The Executive Employment Agreements provide for an annual base salary of \$900,000 for each of Maurice Marciano and Paul Marciano, which may be increased by the Compensation Committee based on annual reviews. The Compensation Committee elected to increase Paul Marciano's base salary for 2005 to \$1,000,000. For 2004, Maurice Marciano voluntarily elected to waive all but \$34,615 of his \$900,000 salary. In addition, based on the achievement of certain pre-established goals, Maurice Marciano would have been entitled to receive a \$770,000 bonus for 2004 under the Company's Bonus Plan. However, at the voluntary request of Maurice Marciano, the Compensation Committee elected to reduce his 2004 bonus from \$770,000 to \$450,000. The Compensation Committee also elected to gross-up for tax purposes the amounts paid for transportation on Maurice Marciano's behalf for 2004. The Executive Employment Agreements provide for annual bonuses to be determined in accordance with the Bonus Plan, with a maximum bonus equal to 160% of base salary. As more fully described under Compensation Committee Report, for 2005, the Compensation Committee elected to make Paul Marciano eligible for an additional bonus based on the profitability of the licensing segment of the Company's business. Commencing on the expiration of the term of an Executive Employment Agreement, or earlier should an Executive Employment Agreement be terminated other than due to the Executive's death or for cause (as defined in the Executive Employment Agreements), the Company and Maurice Marciano or Paul Marciano, as the case may be, will enter into a two-year consulting agreement under which such Executive will render certain consulting services for which the Company will pay an annual consulting fee equal to 50% of such Executive's annual base salary, as in effect immediately prior to the commencement of the consulting period. In addition, each Executive is entitled to certain fringe benefits, including full Company-paid health and life insurance for himself and his immediate family during his lifetime. If either of the Executives is terminated without cause or resigns for good reason (as such terms are defined in the

Executive Employment Agreements), then such Executive will receive as severance his then current base salary and annual target bonus for the remainder of his term of employment. The Executive will also continue to participate in Company-sponsored health and life insurance, and other fringe benefit plans and programs during the severance period. Each Executive Employment Agreement further provides that upon the death or permanent disability of the Executive, such Executive (or his beneficiary) will receive a pro rata portion of his annual target bonus for the year in which the Executive's death or permanent disability occurs. The Executive Employment Agreements also include certain noncompetition, nonsolicitation and confidentiality provisions.

In November 2000, Carlos Alberini entered into an employment agreement with the Company, as amended (the "Alberini Employment Agreement"), for a term commencing on December 11, 2000 through December 31, 2003. The Alberini Employment Agreement was amended on June 16, 2003 and provides for a month-to-month term after December 31, 2003. The Alberini Employment Agreement provides for an annual base salary of \$400,000, which may be increased by the Compensation Committee based on annual reviews. See "Summary Compensation Table" for actual base salary paid during each of the last three fiscal years. In addition, the Alberini Employment Agreement provides for annual bonuses to be determined in accordance with the Bonus Plan, with a maximum bonus equal to 120% of base salary if applicable performance goals are met. On December 11, 2000, Mr. Alberini was granted 205,680 shares of restricted Common Stock, all of which have since vested. He was also granted stock options to purchase 500,000 shares of Common Stock under the 1996 Incentive Plan with an exercise price equal to the closing price on December 11, 2000 and which vest over a five year period beginning on December 31, 2001. On July 29, 2003, Mr. Alberini was granted stock options to purchase an additional 100,000 shares of Common Stock under the 1996 Incentive Plan with an exercise price equal to the closing price on such date and which vest over a four year period beginning on the first anniversary of the date of grant. Mr. Alberini is eligible to participate in the Company's 401(k) Plan and is entitled to other similar benefits provided to senior executives. If Mr. Alberini's employment is terminated by the Company at any time other than for his death, disability or for cause (as such terms are defined in the Alberini Employment Agreement), the Company and Mr. Alberini will enter into a consulting agreement for up to twelve months under which Mr. Alberini will render consulting services for which the Company will pay an annualized consulting fee equal to Mr. Alberini's base salary, as in effect prior to the commencement of the consulting period. In addition, Mr. Alberini will be entitled to receive continued vesting of any then outstanding options over the term of the consulting period. The Alberini Employment Agreement also includes certain noncompetition, nonsolicitation and confidentiality provisions.

On October 22, 2001, the Company extended an offer of employment to Frederick Silny (the "Silny Letter"). Pursuant to the Silny Letter, Mr. Silny receives a base salary of \$300,000 per year. In addition, the Silny Letter provides for annual bonuses to be determined in accordance with the Bonus Plan. Pursuant to the Silny Letter, Mr. Silny was granted incentive stock options to purchase 71,684 shares of Common Stock and non-qualified stock options to purchase 8,316 shares of Common Stock under the 1996 Incentive Plan which vest over a four year period beginning on the first anniversary of the date of grant. In addition, Mr. Silny was granted 10,000 shares of restricted Common Stock under the 1996 Incentive Plan which vested over a three year period beginning on the first anniversary of the date of grant. The Silny Letter also provides for a severance payment in an amount equal to six months of base salary and health and disability benefits, upon termination of Mr. Silny's employment by the Company for reasons other than for cause. The amount of the severance payment that would be due to Mr. Silny is also subject to offset equal to any amounts that he earns from other employment during the period ending six months after his termination.

On August 16, 2002, the Company extended an offer of employment to Nancy Shachtman (the "Shachtman Letter"). The Shachtman Letter provides for base salary of \$400,000 per year, which amount was increased to \$410,462 in 2004. In addition, the Shachtman Letter provides for annual bonuses to be determined in accordance with the Bonus Plan. Pursuant to the Shachtman Letter, Ms. Shachtman was

granted non-qualified stock options to purchase 100,000 shares of Common Stock under the 1996 Incentive Plan which vest over a four year period beginning on the first anniversary of the date of grant. In addition, Ms. Shachtman was granted 40,000 shares of restricted Common Stock under the 1996 Incentive Plan which vest over a three year period beginning on the first anniversary of the date of grant. The Shachtman Letter also provides for a car allowance of up to \$8,000 per year.

COMPENSATION OF DIRECTORS

Directors who are employees of the Company receive no additional compensation for serving on the Board of Directors.

In March 2002, the Board of Directors approved an amendment and restatement of the Non-Employee Directors' Plan which took effect at the 2002 annual meeting of shareholders for all continuing directors and for any newly elected or appointed directors after that meeting. Under the Non-Employee Directors' Plan, directors who are not employees of the Company (Non-Employee Directors) are entitled to receive an annual retainer fee of \$30,000, plus \$5,000 annual retainer for each Chair of each committee, for their services and attendance fees of \$1,500 per Board meeting and \$750 per committee member per committee meeting attended. Annual retainer fees may, however, be waived in exchange for non-qualified options to purchase a number of shares of Common Stock equal in value to 2½ times that of the fees so waived. The aggregate exercise price of these options is equal to the closing market price of the Common Stock on the date of grant. The options become exercisable in 25% installments on the first day of each of the four fiscal quarters following the date of grant. Pursuant to the Non-Employee Directors' Plan, if there is a change in control of the Company (as therein defined), all options become immediately exercisable. Further, under the Non-Employee Directors' Plan, each Non-Employee Director, upon joining the Board of Directors, will receive 2,000 shares of restricted Common Stock and will receive an additional 2,000 shares of restricted Common Stock on the first business day of each fiscal year thereafter. The shares of restricted Common Stock vest in full on the earlier of the second anniversary of the date of issuance or on the last day of such Non-Employee Director's term if such term is served in full. All Non-Employee Directors are reimbursed for expenses incurred in connection with attendance at Board or committee meetings.

In addition, under the Non-Employee Directors' Plan, each Non-Employee Director, upon joining the Board of Directors, will receive non-qualified options to purchase 12,000 shares of Common Stock and will receive non-qualified options to purchase an additional 7,500 shares of Common Stock on the first business day of each fiscal year thereafter. The exercise price of such options will be equal to the fair market value of the Common Stock on the respective date of grant and the term of the options will be for ten years. The options will become exercisable in 25% installments on each of the first four anniversaries of the date of grant, provided that the options will immediately become exercisable in full upon the occurrence of a change in control of the Company.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee during 2004 were Mr. Weitzman, as Chairman, Mr. Chidoni, Ms. Kane and Ms. Neuburger. None of the Company's executive officers served as a member of the compensation committee of any entity that has one or more executive officers serving on our Board of Directors during the fiscal year ended December 31, 2004.

No member of the Compensation Committee is an employee or a former officer of the Company or any of its subsidiaries.

COMPENSATION COMMITTEE REPORT

The report of the Compensation Committee of the Board of Directors with respect to compensation in fiscal 2004 is as follows:

Compensation Philosophy

The initial framework of compensation paid to the Company's executive officers was determined at the time of the Company's initial public offering. Based on discussions with the Company's investment bankers and an independent compensation consultant and based on comparisons with other companies in our industry, the Board of Directors established ranges of salary, bonus and stock option compensation for its executive officers. The Company established a Compensation Committee during 1997 which now has responsibilities over the Company's formal policies for executive compensation. In its hiring practices, the Company seeks to obtain the services of the most highly qualified individuals in its industry, and has provided compensation accordingly.

In 2004, the Compensation Committee engaged independent executive compensation consultants to assess the Company's executive pay strategy, including a review and analysis of executive compensation within a selected peer group of companies. Based on the analysis of the compensation consultants and additional considerations by the Compensation Committee, including the scope of responsibility of each of the Company's executive officers, the Compensation Committee has made certain changes to Paul Marciano's compensation package, as described below, and is continuing to consider other compensation changes for executive officers going forward.

Components of Compensation

The principal components of executive officer compensation are generally as follows:

Base Salary. The base salary of the Company's executive officers is fixed pursuant to the terms of their respective employment agreements or offer letters. See Employment Agreements. The Compensation Committee evaluates the performance of the executive officers annually and considers changes to base salary as appropriate.

Annual Performance Bonus. Annual bonuses are payable to the Company's executive officers under the Bonus Plan based on the Company's achievement of certain pre-set corporate financial performance targets established for the fiscal year and the individual contribution of each executive officer at the discretion of the Compensation Committee. The financial performance targets established for each year are generally based on net earnings or other similar financial measures and include multiple target thresholds. The Company met certain of the Bonus Plan's threshold financial performance targets for the 2004 fiscal year; accordingly, bonuses were payable under the Bonus Plan with respect to fiscal 2004. See Executive Compensation Summary Compensation Table.

Long-Term Incentive Compensation. Long-term incentives are provided through stock option grants and other stock-based awards under the Company's 2004 Equity Incentive Plan (the 2004 Incentive Plan). Awards under the 2004 Incentive Plan are designed to further align the interests of each executive officer with those of the shareholders and provide each officer with a significant incentive to manage the Company from the perspective of an owner with an equity stake in the Company's business.

Compensation of the Co-Chief Executive Officers. Pursuant to the terms of each of their employment agreements entered into at the time of the Company's initial public offering, Maurice Marciano and Paul Marciano each receive a base salary of \$900,000 per year, which amount may be increased based on annual reviews. For 2004, the base salary for each of the Co-Chief Executive Officers was set at \$900,000. For 2004, Maurice Marciano voluntarily elected to waive all but \$34,615 of his \$900,000 salary. The Compensation Committee elected to gross-up for tax purposes the amounts paid for

transportation on Maurice Marciano's behalf for 2004. The aggregate transportation and tax gross-up costs for Maurice Marciano for 2004 equaled \$453,267. In addition, during 2004, Maurice Marciano and Paul Marciano were each granted options to purchase 250,000 shares of Common Stock. The maximum bonus to which each of the Co-Chief Executive Officers is entitled pursuant to their respective employment agreements is an amount equal to 160% of their respective base salaries and is determined each year in accordance with the Bonus Plan as described above. Paul Marciano received a \$770,000 bonus payment and Maurice Marciano received a \$450,000 bonus payment in 2005 with respect to fiscal 2004. Based on the achievement of certain pre-established goals, Maurice Marciano would have been entitled to receive a \$770,000 bonus for fiscal 2004 under the Bonus Plan. However, at the voluntary request of Maurice Marciano, the Compensation Committee elected to reduce his 2004 bonus from \$770,000 to \$450,000. The Compensation Committee has determined, based on the analysis of the independent executive compensation consultants and additional considerations by the Compensation Committee, including the scope of Paul Marciano's responsibilities, to increase Paul Marciano's base salary for 2005 to \$1,000,000 and to make Paul Marciano eligible for an additional bonus under the Bonus Plan to be based on the profitability of the licensing segment of the Company's business. Under the terms of the Bonus Plan, in no event may any executive officer receive a bonus in any year in excess of \$3.2 million.

Compensation of the President and Chief Operating Officer. Pursuant to the terms of his employment agreement, as amended, Carlos Alberini receives a base salary of \$400,000 per year, which amount may be increased based on annual reviews. His maximum bonus is equal to 120% of his base salary if the applicable performance goals are met. Mr. Alberini received a bonus payment of \$150,000 in 2005 under the Bonus Plan for fiscal year 2004.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code generally provides that publicly held companies may not deduct compensation paid to Named Executive Officers to the extent such compensation exceeds \$1 million per officer in any year. However, pursuant to regulations issued by the Treasury Department, certain limited exceptions to Section 162(m) apply with respect to qualified performance-based compensation. The Company has taken steps to provide that these exceptions will apply to compensation paid to its Named Executive Officers, and the Company will continue to monitor the applicability of Section 162(m) to its ongoing compensation arrangements. If the shareholders of the Company approve Proposal No. 2 herein concerning the Bonus Plan, compensation paid to such Named Executive Officers under the Bonus Plan are expected to continue to be deductible for federal income tax purposes under Section 162(m). If the shareholders of the Company do not approve the Bonus Plan, any bonuses paid to such Named Executive Officers will be discretionary and may not be deductible by the Company.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and any beneficial owner of more than ten percent of a registered class of the Company's equity securities, to file reports (Forms 3, 4 and 5) of stock ownership and changes in ownership with the SEC and the NYSE. Officers, directors and beneficial owners of more than ten percent of the Common Stock are required by SEC regulation to furnish the Company with copies of all such forms that they file.

Based solely on the Company's review of the copies of Forms 3, 4 and 5 and the amendments thereto received by it for the year ended December 31, 2004, or written representations from certain reporting persons that no Forms 5 were required to be filed by those persons, the Company believes that during the period ended December 31, 2004, all filing requirements were complied with by its executive officers, directors and beneficial owners of more than ten percent of the Common Stock, except for Paul Marciano and Maurice Marciano, who did not timely file two and one Form 4, respectively, relating to certain sales of Common Stock. These forms were subsequently filed with the SEC.

APPENDIX A

GUESS?, INC. ANNUAL INCENTIVE BONUS PLAN

Section 1. *Purposes*

The purposes of the Guess?, Inc. Annual Incentive Bonus Plan (the *Plan*) are (i) to provide greater motivation for selected key employees of Guess?, Inc., a Delaware corporation (the *Company*), and its Subsidiaries (as defined in Section 3(c) below) to attain and maintain the highest standards of performance, (ii) to attract and retain executives of outstanding competence, and (iii) to direct the energies of executives toward the achievement of specific business goals established for the Company and its Subsidiaries.

The Plan is designed to qualify compensation paid under the Plan to Covered Employees (as defined in Section 3(a) below) as performance-based compensation as that term is defined in Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder (*Section 162(m)*).

Section 2. *Administration and Interpretation*

(a) The Plan shall be administered by the Compensation Committee (the *Committee*) of the Board of Directors of the Company (the *Board*), which shall consist of not less than two members of the Board who qualify as *outside directors* as defined under Section 162(m). The Committee may designate all or any portion of its power and authority under this Plan to any sub-committee of the Committee or to any executive officer or executive officers of the Company (each an *Authorized Committee Designee*); *provided* that no such designation shall be permitted or effective with respect to any award to, or any other matter concerning, any Covered Employee. An Authorized Committee Designee, to the extent provided by the Committee, shall have and may exercise all the power and authority of the Committee hereto, subject to the limitations set forth in the immediately preceding sentence.

(b) The Committee is authorized to interpret the Plan and may from time to time adopt such rules and regulations for carrying out the Plan as it may deem necessary or advisable. Decisions of the Committee shall be final, conclusive and binding upon all parties, including, without limitation, the Company and the key employees who participate in the Plan.

(c) The Plan shall be administered to comply with Section 162(m) and, if any provisions of the Plan cause any award to a Covered Employee to not qualify as performance-based compensation under Section 162(m), that provision shall be stricken from this Plan, but the other provisions of the Plan shall remain in effect. Any action striking any portion of the Plan shall modify the stricken terms as narrowly as possible to give as much effect as possible to the intentions of the parties under the Plan.

Section 3. *Participation*

(a) Participation in the Plan during any year shall be limited to (i) any person serving as Chief Executive Officer of the Company and each other executive officer of the Company that the Committee determines, in its discretion, is or may be a *covered employee* of the Company within the meaning of Section 162(m) (*Covered Employees*) and (ii) those key employees of the Company and its Subsidiaries, other than the Covered Employees, who, in the sole opinion of the Committee, are in a position to have a significant impact on the performance of the Company and who are selected by the Committee (*Key Employees*) and together with the Covered Employees, *Participants*); *provided* that participation by an employee of a Subsidiary shall be subject to approval of the Plan by such Subsidiary's Board of Directors, which approval shall constitute the Subsidiary's agreement to pay, at the direction of the Committee,

A-1

awards directly to its employees or to reimburse the Company for the cost of such participation in accordance with rules adopted by the Committee.

(b) Unless otherwise determined by the Committee in its sole and absolute discretion, or as provided in a Participant's employment agreement, if a Participant ceases to be employed by the Company and/or its Subsidiaries prior to the end of a year for any reason other than disability (as determined by the Company), retirement at or after age 55, or death, his or her participation in the Plan for such year will terminate forthwith and he or she will not be entitled to any award for such year. If, prior to the end of a year, a Participant's employment ceases because of disability (as determined by the Company), retirement at or after age 55, or death, or if the effective date of participation by a Participant for any year shall be after January 1 of such year, the Participant shall be entitled to receive only that proportion of the amount, if any, that he or she otherwise would have received under the Plan for the full calendar year which the number of calendar days of his or her participation in the Plan during such year bears to the total number of calendar days in such year; *provided, however*, that if the effective date of participation by a Covered Employee for any year shall be after the first day of the year, then the Committee must establish the Performance Goals (as defined in Section 4(d) below) for such Covered Employee while the performance relating to such Performance Goals remain substantially uncertain within the meaning of Section 162(m) and in no event after 25% of the year has elapsed.

(c) The term *Subsidiary* shall mean any corporation at least 50% of whose issued and outstanding voting stock is owned, directly or indirectly by the Company.

Section 4. *Determination of Incentive Awards*

Within the time period prescribed by Section 162(m) for each year, the Committee may authorize awards to Participants pursuant to either or both of the following methods in clauses (a) and (b) below:

(a) For each calendar year, the Committee shall: (i) determine the Participants who are to be eligible to receive performance-based awards under the Plan during such year, (ii) notify each such Participant in writing concerning his or her selection for participation in the Plan for such year, (iii) select the Performance Criteria applicable to such year for each such Participant and (iv) establish, in terms of an objective formula or standard for each Participant, the Performance Goal and the amount of each award which may be earned for such year if such Performance Goal is achieved.

(b) The Committee may in its sole and absolute discretion provide for discretionary bonuses for any of the Key Employees.

(c) The term *Performance Criteria* means the criteria that the Committee selects for purposes of establishing the Performance Goal or Performance Goals for a Participant. The Performance Criteria that will be used to establish Performance Goals are limited to the following: net earnings, operating earnings or income, earnings per share, cash flow, absolute and/or relative return on equity or assets, pre-tax profits, earnings growth, revenue growth, share price growth, shareholder returns, gross or net profit margin, comparison to peer companies, or any combination of the foregoing, any of which may be measured either in absolute terms, or as compared to any incremental increase, or as compared to the results of a peer group.

(d) The term *Performance Goals* means the goals established in writing by the Committee for the year based upon the Performance Criteria. The Performance Goal may be expressed in terms of overall Company performance or the performance of an operating unit, business unit, segment, subsidiary or other division or any portion or combination thereof of the Company.

(e) Actual financial performance shall be measured by reference to the Company's financial records and the consolidated financial statements of the Company. In determining performance, the Committee in its sole and absolute discretion shall, in the case of awards to Covered Employees, and may, in the case of

awards to Key Employees, direct that adjustments to the Performance Goals or actual financial performance as reported be made to reflect extraordinary organizational, operational or other changes that have occurred during such year, such as (without limitation) acquisitions, dispositions, expansions, contractions, material non-recurring items of income or loss or events that might create unwarranted hardships or windfalls to Participants, in each case, with respect to Covered Employees, only to the extent consistent with the requirements of Section 162(m) to qualify such awards as performance-based compensation. Notwithstanding the foregoing, the Committee may, by express provision with respect to a specific award provide at the time the performance goals are established that one or more of the adjustments in the foregoing sentence will not be made with respect to the award or establish such other events or circumstances, consistent with Section 162(m), with respect to which the Committee will make appropriate adjustment to the award. The Committee is authorized at any time during or after the Plan year to increase (except with respect to awards payable to Covered Employees), reduce or eliminate the amount of an award payable to any Participant for any reason. The Committee may also provide that the Chief Executive Officer or Officers shall have the discretion to increase or decrease the award otherwise payable to any Key Employee based upon their individual performance during the year.

Section 5. *Awards*

(a) On or before March 10 of the year subsequent to any Plan year, the Committee shall determine awards to Participants for such Plan year by comparing actual financial performance to the Performance Goals, Performance Criteria and amounts of awards adopted by the Committee for such year and the Committee shall, with respect to Covered Employees, certify, by resolution or other appropriate action in writing, that the amount of the award has been accurately determined in accordance with the terms, conditions and limits of the Plan and that the Performance Goals and any other material terms established by the Committee or set forth in this Plan were in fact satisfied. If the Committee has not adopted specified goals for the Plan year, the Committee shall meet by March 10 of the year subsequent to the Plan year to determine if discretionary bonuses shall be awarded to Key Employees. Each award under the Plan shall be paid in cash promptly after the amount of the award has been determined and, with respect to awards to Covered Employees, the Committee has certified that the relevant performance goals have been achieved.

(b) No award under this Plan shall be considered as compensation in calculating any insurance, profit-sharing, retirement, or other benefit for which the recipient is eligible unless any such insurance, profit-sharing, retirement or other benefit is granted under a plan which expressly provided that incentive compensation shall be considered as compensation under such plan.

(c) There is no requirement that the maximum amount available for awards in any year be awarded, nor that an award will be granted to any particular Participant for any year. Any portion of any amount available for making awards for any year which shall not have been awarded, shall not carry over or increase the maximum amount of awards payable in any subsequent year.

(d) Notwithstanding any provision in the Plan to the contrary, the maximum award payable to any Participant under the Plan for any calendar year shall be \$3.2 million.

(e) In the exercise of its discretion, the Committee may allow a Participant to elect to defer the receipt of all or any portion of an award under the Plan. Any such deferral shall be made pursuant to the terms and conditions set forth in any deferred compensation plan or arrangement adopted by the Company. In the case of any deferred payment of an award to a Covered Employee after the attainment of the applicable Performance Goal, any amount in excess of the amount otherwise payable shall be based on either Moody's Average Corporate Bond Yield (or such other rate of interest that is deemed to constitute a reasonable rate of interest for purposes of Section 162(m)) over the deferral period or the return over the deferral period of one or more predetermined actual investments such that the amount payable at the

A-3

later date will be based upon actual returns, including any decrease or increase in the value of the investment(s).

Section 6. *Death of Participant*

If a Participant dies before or after termination of employment, any unpaid installments of an award shall be paid to his or her legal representatives, either in the installments as originally provided or otherwise as the Committee may determine in each individual case, or, where the Committee has authorized the designation of beneficiaries, to such beneficiaries as may have been designated by the Participant.

Section 7. *Non-Assignability and Contingent Nature of Rights*

No Participant, no person claiming through him or her, nor any other person shall have any right or interest in the Plan or its continuance, or in the payment of any award under the Plan, unless and until all the provisions of the Plan, the rules adopted thereunder, and restrictions and limitations on the award itself have been fully complied with. No rights under the Plan, contingent or otherwise, shall be transferable, assignable or subject to any pledge or encumbrance of any nature.

Section 8. *Source of Payments*

The Company shall not have any obligation to establish any separate fund or trust or other segregation of assets to provide for payments under the Plan. To the extent any person acquires any rights to receive payments hereunder from the Company, such rights shall be no greater than those of an unsecured creditor.

Section 9. *Tax Withholding*

The Company or a Subsidiary thereof, as appropriate, shall have the right to deduct from all payments made under the Plan to a Participant or to a Participant's beneficiary or beneficiaries any Federal, state or local taxes required by law to be withheld with respect to such payments.

Section 10. *Duration, Termination and Amendment*

Subject to approval by the Company's stockholders at the 2005 annual meeting of Company stockholders, the Plan shall be effective for the fiscal year of the Company commencing January 1, 2005 and shall continue in effect until the fifth anniversary of the date of such stockholder approval, unless earlier terminated as described below. Upon such approval of the Plan by the Company's stockholders at the 2005 annual meeting of Company stockholders, all awards approved or granted under the Plan on or after January 1, 2005 shall be fully effective.

The Committee may at any time terminate or from time to time modify or suspend, in whole or in part, and if suspended, may reinstate, any or all of the provisions of the Plan in such respects as the Committee may deem advisable; *provided* that no such termination or modification shall impair any rights which have accrued under the Plan; and *provided further*, that the Committee may not without stockholder approval adopt any amendment that would require the vote of stockholders pursuant to Section 162(m).

Section 11. *No Restriction on Right to Effect Changes*

The Plan shall not affect in any way the right or power of the Company or its stockholders to make or authorize any sale of all or any portion of the assets of the Company or any Subsidiary, any merger or consolidation of the Company or any Subsidiary, a reorganization, dissolution or liquidation of the

Company or any Subsidiary, or any other event or series of events, whether of a similar character or otherwise.

Section 12. *Headings*

The headings of sections herein are included solely for convenience of reference and shall not affect the meaning of any of the provisions of the Plan.

Section 13. *Governing Law*

This Plan shall be governed by and construed in accordance with the laws of the State of California.

Section 14. *No Contract of Employment or Right to Awards*

Nothing contained herein shall be construed as a contract of employment between the Company and any Participant, or as giving a right to any person to be granted awards under the Plan or to continue in the employment of the Company or any of its Subsidiaries, or as limiting the right of the Company or any of its Subsidiaries to discharge any Participant at any time, with or without cause.
