Item 1.01 Entry into a Material Definitive Agreement.

On June 22, 2005, The Chubb Corporation (the Corporation) entered into a \$500 million five-year revolving credit agreement (the Credit Agreement) with a syndicate of financial institutions, including Deutsche Bank AG New York Branch, as administrative agent, Deutsche Bank Securities Inc. and Citigroup Global Markets Inc., as joint lead arrangers, Citicorp USA, Inc., as syndication agent, and The Bank of New York and Wachovia Bank, National Association, as documentation agents. The Credit Agreement replaced and consolidated the Corporation's existing \$250 million Amended and Restated Short Term Credit Agreement, dated as of June 23, 2004 and the existing \$250 million Medium Term Credit Agreement, dated as of June 28, 2002.

The Credit Agreement provides for up to \$500 million of unsecured credit. The interest rates applicable to loans under the Credit Agreement are generally based on the administrative agent's base rate plus a specified margin, the Eurodollar rate plus a specified margin or money market auction rates. The Corporation will pay a facility fee and, for any date on which advances exceed 50% of commitments, a utilization fee. The applicable margin and the facility fee vary based upon the Corporation's long-term senior unsecured non-credit-enhanced debt ratings.

Pursuant to covenants in the Credit Agreement, the Corporation must maintain consolidated shareholder's equity (adjusted to exclude the effect of Statement of Financial Accounting Standards No. 115) of not less than \$5.6 billion. In addition, the Credit Agreement contains other customary restrictive covenants as well as certain customary events of default. The Credit Agreement will expire on the earlier of (a) June 22, 2010 and (b) the date of termination in whole of the commitments upon an optional termination of the commitments by the Corporation or upon an event of default. Borrowings under the Credit Agreement may be used for general corporate purposes of the Corporation. Pursuant to the terms of the Credit Agreement, the Corporation has an option to request an increase in the credit available under the Credit Agreement, no more than twice per year, up to a maximum facility amount of \$750 million, subject to the satisfaction of certain conditions and the agreement of the existing lenders or new lenders to such increased commitment.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.
