-

**Item 1.01. Entry into a Material Definitive Agreement; Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant; and Item 8.01. Other Events**

On October 7, 2005, Reliant Energy, Inc. entered into a \$299 million term loan with Deutsche Bank AG, New York Branch. The term loan matures in April 2010 and bears interest at LIBOR plus 2.375%. The terms of the loan are substantially similar to those of our principal corporate credit facility. Borrowings under the term loan will be used to support collateral posting obligations. We entered into this facility to maintain prudent liquidity reserves in light of increased natural gas prices.

Deutsche Bank Securities Inc. is also a lender and co-syndication agent under our existing credit facilities. In addition, it occasionally performs financial advisory and investment and commercial banking services for us.

The summary description of the term loan is qualified by reference to the term loan agreement, which is filed as an exhibit to this report.

**Item 9.01. Financial Statements and Exhibits.**

(c) We have filed the following exhibit with this Form 8-K:

10.1 Credit and Guaranty Agreement dated as of October 7, 2005, between Reliant Energy, Inc. and Deutsche Bank AG, New York Branch.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

**RELIANT ENERGY, INC.**
