2. To transact such other business as may properly come before the Annual Meeting and any adjournment or postponement thereof.

The foregoing matters are described in more detail in the enclosed Proxy Statement.

The Board of Directors has fixed April 18, 2006, as the record date for determining stockholders entitled to vote at the Annual Meeting of Stockholders.

You are cordially invited to attend the meeting in person. Your participation in these matters is important, regardless of the number of shares you own. Whether or not you expect to attend in person, we urge you to complete, sign, date and return the enclosed proxy card as promptly as possible in the enclosed envelope. If you choose to attend the meeting you may then vote in person if you so desire, even though you may have executed and returned the proxy. PROXY STATEMENT

The Board of Directors of Cogent Communications Group, Inc. (the **Company**), a Delaware corporation, is soliciting your proxy on the proxy card enclosed with this Proxy Statement. Your proxy will be voted at the 2006 Annual Meeting of Stockholders (the **Annual Meeting**) to be held on Friday, June 7, 2006, at 9:00 a.m., local time, at the Company's offices at 1015 31st Street, NW, Washington, D.C. 20007, and any adjournment or postponement thereof. This Proxy Statement, the accompanying proxy card and the Company's Annual Report to Stockholders are first being mailed to stockholders on or about April 25, 2006.

VOTING SECURITIES

Voting Rights and Outstanding Shares

Only stockholders of record on the books of the Company as of 5:00 p.m., April 18, 2006 (the **Record Date**), will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the outstanding voting securities of the Company consisted of 44,128,879 shares of common stock, par value \$0.001 per share (the **Common Stock**).

Holders of our Common Stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. The Inspector will also determine whether or not a quorum is present. Except in very limited circumstances, the affirmative vote of a majority of the shares having voting power present in person or represented by proxy at a duly held meeting at which a quorum is present is required under the Company's Bylaws for approval of proposals presented to stockholders. In general, our Bylaws also provide that a quorum consists of a majority of the shares issued and outstanding and entitled to vote, the holders of which are present in person or represented by proxy. The Inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum and therefore, abstentions will have the effect of a negative vote for purposes of determining the approval of any matter submitted to the stockholders for a vote.

Proxies

The shares represented by the proxies received, properly dated and executed and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders. A proxy may be revoked at any time before it is exercised by:

- delivering written notice of revocation to the Company, Attention: Ried Zulager;
 - delivering a duly executed proxy bearing a later date to the Company; or
 - attending the Annual Meeting and voting in person.
-

Any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted FOR the election of directors and as the proxy holders deem advisable on other matters that may come before the meeting, as the case may be, with respect to the item not marked. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or telegram.

**PROPOSAL
ELECTION OF DIRECTORS**

Eight directors are to be elected at the Annual Meeting to serve until their respective successors are elected and qualified. Nominees for election to the Board shall be approved by a majority of the votes cast by holders of the Common Stock present in person or by proxy at the Annual Meeting, each share being entitled to one vote.

In the event any nominee is unable or unwilling to serve as a nominee, the proxies may be voted for the balance of those nominees named and for any substitute nominee designated by the present Board or the proxy holders to fill such vacancy, or for the balance of those nominees named without nomination of a substitute, or the Board may be reduced in accordance with the Bylaws of the Company. Recommendation of the Board of Directors:

The Board recommends a vote FOR the election of all nominees named above.

THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors met 15 times during 2005 and acted by unanimous written consent 4 times. Each director, during his term as director, attended at least 75% of the aggregate number of meetings of the Board, except Messrs. Weingarten and Brooks. Each director, during his term as director, attended at least 75% of the aggregate number of meetings of the Committees of the Board of which he was a member, except Messrs. Margalit and Brooks. During 2005, the Board had a standing Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee in April 2005. The members of this committee are Messrs. Glassmeyer and Brooks who are both independent members of our Board. Our Board has adopted a charter governing the activities of the Nominating and Corporate Governance Committee. The charter of the Nominating and Corporate Governance Committee may be found on the Company's website at www.cogentco.com. Pursuant to its Charter, the Nominating and Corporate Governance Committee's tasks include identifying individuals qualified to become Board members, recommending to the Board director nominees to fill vacancies in the membership of the Board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting, making recommendations to the Board concerning the size and composition of the Board, conducting succession planning regarding the Chief Executive Officer and other senior officer positions of the Company and leading the Board in its annual review of Board performance. The committee also develops and recommends to the Board corporate governance principles applicable to the Company.

Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the committee's understood needs of the Board at that time. In addition, the committee considers whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Nominating and Corporate Governance Committee has the sole authority to retain, compensate, and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

The Nominating and Corporate Governance Committee considers proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not to date adopted a formal process because it believes that the informal consideration process has been adequate to date. The committee intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for committee consideration, the name of that nominee and related personal information should be forwarded to the Nominating and Corporate Governance Committee, in care of the corporate Secretary, at least three months before the next annual meeting to assure time for meaningful consideration by the committee. See also Notice of Stockholder Business and Nominations for Bylaw requirements for nominations.

The Nominating and Corporate Governance Committee met two times in 2005 and did not act by unanimous written consent.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications that are received by the Secretary for the Board's attention, or summaries thereof, will be forwarded to the Board has served the Board's and the stockholders' needs. In view of Securities and Exchange Commission disclosure requirements relating to this issue, the Nominating and Corporate Governance Committee may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website, any communications to the Board should be sent to it in care of the Secretary.

Code of Conduct

The Company's Code of Conduct may be found on the Company's website under the Investor Relations link at www.cogentco.com.

Board Member Attendance at Annual Meetings

The Company encourages all of its directors to attend the Annual Meeting of Stockholders. The Company generally holds a board meeting coincident with the Annual Meeting to minimize director travel obligations and facilitate their attendance at the Annual Meeting.

Director Independence

Nasdaq National Market Marketplace Rules require that a majority of the Board be independent. No director qualifies as independent unless the Board determines that the director has no direct or indirect relationship with the Company that would interfere with the exercise of independent judgment in carrying

out the responsibilities of a director. In assessing the independence of its members, the Board examined the commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships of each member. The Board's inquiry extended to both direct and indirect relationships with the Company. Based upon both detailed written submissions by its members and discussions regarding the facts and circumstances pertaining to each member, considered in the context of applicable Nasdaq National Market Marketplace Rules, the Board has determined that all of the directors are independent other than Messrs. Schaeffer and Peterson.

Audit Committee

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), consists of Messrs. Liebhaber (chairman), Bertrand, and Brooks, each of whom is independent as the term independence is defined in the applicable listing standards of Nasdaq and Rule 10A-3 under the Exchange Act. The Board has determined that each Messrs. Bertrand, Margalit and Brooks qualifies as an audit committee financial expert, as that term is defined in the Exchange Act. The responsibilities of this committee include:

- the appointment, compensation, retention and oversight of our independent public accountants;
- reviewing with the independent public accountants the plans and results of the audit engagement;
- approving professional services provided by the independent public accountants;
- reviewing our critical accounting policies, our Annual and Quarterly reports on Forms 10-K and 10-Q, and our earnings releases;
- reviewing the independence of the independent public accountants; and
- reviewing the adequacy of our internal accounting controls and overseeing our ethics program.

The Audit Committee met nine times during 2005 and did not act by unanimous written consent. The charter of the Audit Committee, as adopted by the Board in February 2006, is attached hereto as *Appendix A*.

Audit Committee Report

This report was filed by the Audit Committee prior to the election of Mr. Liebhaber to the Board and the committee.

To the Board of Directors:

We have reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2005.

We have received and reviewed the letter from Ernst & Young LLP required by the Independence Standards Board, and have discussed with Ernst & Young their independence, including the written disclosures and letter required by Independence Standard No. 1 of the Independence Standards Board.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005 for filing with the Securities and Exchange Commission.

Audit Committee:

Jean-Jacques Bertrand
Erel Margalit
Steven Brooks

Compensation Committee

The Compensation Committee consists of Messrs. Margalit, Glassmeyer and Brooks each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq. This Committee is responsible for determining compensation for our executive officers and other employees, and administering the compensation programs. The Compensation Committee met two times during 2005 and did not act by unanimous written consent.

Director Compensation

In 2005, we did not compensate any of our Board members for their participation on our Board of Directors, however, on October 26, 2005, the Board of Directors approved the following parameters for compensation of non-management directors for their services:

- \$1,000 cash per in-person board meeting for each non-management director, effective from January 1, 2006, and
- 7,500 shares of Common Stock per year to each non-management director, adjusted for partial year service, with 3,750 shares of Common Stock to be allocated to currently serving non-management directors (awarded in January 2006 for services provided during 2005).

Equity Plan Information

2003 Incentive Award Plan and Offer to Exchange. During the third quarter of 2003, we adopted the 2003 Incentive Award Plan. We believed that adoption of the 2003 Award Plan was necessary to permit us to continue to incent our employees, consultants and directors by granting restricted stock awards as part of their overall compensation. The decision to grant shares of restricted preferred stock under the 2003 Award Plan was made in order to allow our management and employees to share in the proceeds of our sale or other liquidation when the amount of the proceeds resulted in a distribution to preferred

stockholders under the liquidation provisions of the preferred stock, but were not sufficient to result in distributions to holders of our common stock. We anticipated that this structure would incent our management and employees by providing them with the possibility of reaping an economic benefit in a greater number of scenarios than would be the case if the 2003 Award Plan provided only for common stock grants.

The Compensation Committee determined that each of our employees would be eligible to receive grants of Series H preferred stock under the 2003 Award Plan pursuant to an arrangement that we refer to as the offer to exchange. The number of shares granted to each employee pursuant to the offer to exchange was based on the number of options to purchase common stock granted to that employee under our 2000 Equity Incentive Plan, and in the case of our Chief Executive Officer, former Chief Financial Officer and our current Chief Financial Officer, the number of options and shares of restricted common stock held by such individuals. As a condition to participating in the offer to exchange, employees were required to relinquish all options to purchase our common stock, and in the case of our Chief Executive Officer, former Chief Financial Officer and our current Chief Financial Officer, options to purchase our common stock and the restricted common stock previously issued to them. Restrictions on transfer of shares of Series H preferred stock granted pursuant to the offer to exchange were removed with respect to 27% of the shares granted upon receipt of the shares and then in equal monthly installments over the subsequent 35 months. The Series H preferred stock granted in the offer to exchange converted into shares of common stock in the Equity Conversion.

2004 Incentive Award Plan. In 2004, we adopted our 2004 Incentive Award Plan. The 2004 Award Plan is intended to enhance and supplement the 2003 Award Plan and the awards made thereunder by broadening the types of awards that may be granted to employees and consultants and by providing for grants to directors. In addition to awards of restricted shares of common stock, the 2004 Award Plan provides us with the ability to award other equity-based incentive compensation, such as options to purchase shares of our common stock, stock appreciation rights, dividend equivalent rights, performance awards, restricted stock units, deferred stock and stock payments to employees, consultants and directors.

The principal purpose for the adoption of the 2004 Award Plan was to promote the success of our business and enhance our value by linking the personal interests of employees, consultants and directors to our success and by providing these individuals with an incentive for outstanding performance. We believe that the 2004 Plan also gives us the flexibility to offer a variety of types of compensation and to remain competitive in recruiting and retaining qualified key personnel. In April 2005, our Board of Directors and shareholders approved an increase in the number of shares available for grant under the 2004 Award Plan by 600,000 shares of common stock. As of March 1, 2006, there were 446,146 shares of common stock awardable for grant under the 2004 Award Plan.

As of December 31, 2005, a total of 2,965,523 shares were subject to outstanding stock options and restricted stock held by approximately 296 participants under the award plans. On December 30, 2005 the closing price of the our Common Stock on the American Stock Exchange was \$5.49 per share.

We currently maintain only the 2003 Award Plan and 2004 Award Plan, each of which has been approved by our stockholders. The following table provides information as of December 31, 2005 about outstanding options and shares reserved for future issuance under the award plans:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by security holders	2,965,523	\$ 1.12	563,445
Equity compensation plans not approved by security holders			
Total	2,965,523	\$ 1.12	563,445

Bonus

The Company's executive officers and employees are eligible to receive cash bonuses as may be determined by the Compensation Committee to the extent that pertinent objectives are achieved. The component objectives utilized by the Compensation Committee in determining bonus eligibility are the extent to which the Company achieves annual financial targets for revenue, cash flow and for earnings before interest, taxes, depreciation, and amortization (EBITDA). The nature and weighting of these objectives are established prospectively each year by the Compensation Committee, and the payment of bonuses to a participant is determined by the Compensation Committee on the basis of an annual, retrospective assessment of Company and individual performance.

In the event of a change of control resulting in his termination without cause, 100% of his then restricted stock options will vest immediately.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for determining compensation for the Company's executive officers and other employees, and administering the 2003 Incentive Award Plan, the 2004 Incentive Award Plan, the Company's management bonus plan and other compensation programs. In 2004, the Compensation Committee consisted of Messrs. Glassmeyer, Margalit, and Brooks. In April 2005, Mr. Weingarten replaced Mr. Brooks on the committee.

The compensation of the Chief Executive Officer was originally determined in negotiations with the venture capitalists who initially invested in the company in February of 2000, and is governed by the terms of his employment agreement that is discussed above. The compensation of subsequently hired executive officers was determined in negotiations between the Chief Executive Officer and such executive officers and in consultation with the Board of Directors and the Compensation Committee and in most cases is governed by the terms of employment agreements. Subsequent adjustments to the compensation of executive officers other than the Chief Executive Officer have been made based upon the recommendation of the Chief Executive Officer after consultation with the Compensation Committee.

The Company's current executive compensation program is composed primarily of salary paid in cash, bonuses paid in cash, stock options and restricted stock. All Company executive officers also participate in the Company's benefit programs, including the Company's 401(k) plan and its medical, dental and other benefits plans.

Salary

As described above, the Compensation Committee periodically reviews the compensation of the Company's Chief Executive Officer and each executive officer and, subject to applicable employment agreements, determines the compensation for each executive based upon the nature and extent of the executive's responsibilities; the executive's performance; comparative compensation levels for the

executive's peers, both within the Company and in comparable companies; and the Company's attainment of certain financial and strategic objectives and other factors.

Bonus

The Company's executive officers and employees are eligible to receive cash bonuses as may be determined by the Compensation Committee to the extent that pertinent objectives are achieved. The component objectives utilized by the Compensation Committee in determining bonus eligibility are the extent to which the Company achieves annual financial targets for revenue, cash flow, and for earnings before interest, taxes, depreciation, and amortization (EBITDA). The nature and weighting of these objectives are established prospectively each year by the Compensation Committee, and the payment of bonuses to participant is determined by the Compensation Committee on the basis of an annual, retrospective assessment of Company and individual performance.

Options and Restricted Stock

The Company has made awards of options and restricted stock to employees to align their interests with the Company's outside stockholders. Almost every employee has received options.

Vesting of options under the Award Plan is based on continued employment. All awards under the Award Plan are determined by the Compensation Committee and/or the full Board of Directors as appropriate, taking into account such factors as the nature of the participant's responsibilities and the business priorities of the Company.

Based on its evaluation of the performance of the executive officers, the Compensation Committee believes that the Company's executive officers are committed to achieving positive long-term financial performance and enhanced stockholder value, and that the compensation policies and programs discussed in this report have motivated the Company's executive officers to work toward these goals.

Tax Deductibility of Compensation

Section 162(m) of the Code limits the Company's federal income tax deduction for certain executive compensation in excess of \$1,000,000 paid to the Chief Executive Officer and the four other most highly compensated executive officers. The \$1,000,000 deduction limit does not apply, however, to performance based compensation as that term is defined in Section 162(m)(4)(C) of the Code and the regulations promulgated thereunder. The Award Plan is structured so that awards granted under that plan may, subject to certain conditions, qualify as performance based compensation under Section 162(m) of the Code. The Compensation Committee recognizes the possibility that if the amount of the base salary and other compensation of a named executive officer exceeds \$1,000,000, it may not be fully deductible for federal income tax purposes. The Compensation Committee will make a determination at any such time whether to authorize the payment of such amounts without regard to deductibility or whether the terms of such payment should be modified as to preserve any deduction otherwise available.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Employment Agreements

We have employment agreements with certain of our named executive officers as described in Proposal Employment Agreements.

Our Headquarters Lease

We lease office space in Washington, D.C. from a partnership of which our Chairman and Chief Executive Officer, Dave Schaeffer, is the general partner. The annual rent for this space is approximately \$400,000 and the lease expires August 31, 2006 with an option to renew. We believe that this lease agreement is on terms at least as favorable to us as could have been obtained from an unaffiliated third party.

Transactions with Columbia Ventures Corporation

We have obtained transatlantic fiber optic circuits from a subsidiary of Columbia Ventures Corporation. Columbia Ventures Corporation is owned by one of our directors, Kenneth D. Peterson Jr., and is the holder of approximately 7.0% of our Common Stock. The price for the circuits is approximately \$53,000 per month and in 2005, we paid the subsidiary of Columbia Ventures \$160,000 to lease such circuits. We believe that these terms are at least as advantageous to us as those we could receive from an unaffiliated party.

Transactions with CTC Communications Corporation

The Company has also entered into an agency sales and mutual marketing agreement with CTC Communications Corporation, a company owned indirectly by one of the Company's directors, Kenneth D. Peterson Jr. CTC is also a customer of the Company. In November 2004, these two employees became employees of Cogent Europe. The Company acquired from LNG in January 2004 LNG's operating subsidiaries in France and Spain.

Purchases from Cisco Systems, Inc.

In April 2005, the Company entered into a letter of credit for \$0.5 million between its commercial bank and Cisco Capital related to a \$1.2 million purchase of Cisco network equipment. At the time Cisco owned more than 5% of the Company's common stock. The equipment was delivered to the Company in the third quarter of 2005. In October 2005, the Company entered into an additional \$0.5 million letter of credit related to a \$3.6 million purchase order for Cisco equipment and prepaid \$0.7 million against this purchase. The letters of credit and the \$1.0 million restricted short-term investments securing these letters of credit are expected to be released in the first half of 2006 when the final payments for this equipment are made. The Company purchased approximately \$5.0 million of network equipment from Cisco for the year ended December 31, 2005. In particular, an independent director may not accept, directly or indirectly, any consulting, advisory or compensatory fees from the Company and may not be an affiliate of the Company.

Each Committee member shall be financially literate as determined by the Board in its business judgment at the time of his or her appointment to the Committee. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in the member's financial sophistication, including but not limited to, being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

Independence and financial literacy shall be determined pursuant to the standards specified by the SEC, the American Stock Exchange, and the National Association of Securities Dealers Automated Quotations (**NASDAQ**) (including an affirmative determination of independent status by the Board).

The members of the Committee, including the Chair, shall be appointed by the Board on the recommendation of a majority of the independent directors. Committee members may be removed from the Committee, with or without cause, by the Board.

III. Meetings and Procedures

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are not inconsistent with any provisions of the Company's bylaws that are applicable to the Committee.

The Committee shall meet at least once during each fiscal quarter and more frequently as the Committee deems desirable. The Committee shall meet separately, periodically, with management with the independent auditor.

The Committee may exclude from its meetings any persons it deems appropriate, including, but not limited to, any non-management director that is not a member of the Committee.

IV. Powers and Responsibilities

1. *Appointment and Oversight.* The Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditor (including resolution of any disagreements between Company management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company, and the independent auditor shall report directly to the Committee.

2. *Pre-Approval of Services.* Before the independent auditor is engaged by the Company or its subsidiaries to render audit or non-audit services, the Committee shall pre-approve the engagement. Committee pre-approval of audit and non-audit services will not be required if the engagement for the services is entered into pursuant to pre-approval policies and procedures established by the Committee regarding the Company's engagement of the independent auditor, provided the policies and procedures are detailed as to the particular service, the Committee is informed of each service provided and such policies and procedures do not include delegation of the Committee's responsibilities under the Exchange Act to the Company's management. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at a subsequent meeting. If the Committee elects to establish pre-approval policies and procedures regarding non-audit services, the Committee must be informed of each non-audit service provided by the independent auditor. Committee pre-approval of non-audit services (other than review and attest services) also will not be required if such services fall within available exceptions established by the SEC.

3. *Investigations.* The Committee may conduct or authorize, if it considers appropriate, investigations into any matters within the scope of the powers and responsibilities delegated to the Committee.

4. *Additional delegations of authority.* In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company's bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee's sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

5. *Independence of Independent Auditor.* The Committee shall discuss with the independent auditor its independence from the Company, and obtain and review a written statement prepared by the independent auditor describing all relationships between the independent auditor and the Company, consistent with Independence Standards Board Standard 1, and consider the impact that any relationships or services may have on the objectivity and independence of the independent auditor.

(i) The Committee shall assume the responsibility for taking, or for recommending that the Board take, appropriate action to oversee the independence of the outside auditor.

Annual Financial Statements and Annual Audit

6. *Meetings with Management, the Independent Auditor and the Internal Auditor.*

(i) The Committee shall meet with management and the independent auditor in connection with each annual audit to discuss the scope of the audit, the procedures to be followed and the staffing of the audit.

(ii) The Committee shall review and discuss with management and the independent auditor: (A) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles; (B) issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (C) any analyses prepared by management or the independent auditor setting forth significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including analyses of the effects of alternative GAAP methods on the Company's financial statements; and (D) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the Company's financial statements.

(iii) The Committee shall review and discuss the annual audited financial statements with management and the independent auditor, including the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations.

7. *Separate Meetings with the Independent Auditor.*

(i) The Committee shall review with the independent auditor any problems or difficulties the independent auditor may have encountered during the course of the audit work, including any restrictions on the scope of activities or access to required information or any significant disagreements with management and management's responses to such matters. Among the items that the Committee should consider reviewing with the Independent Auditor are: (A) any accounting adjustments that were noted or proposed by the auditor but were passed (as immaterial or otherwise) and (B) any management or internal control letter issued, or proposed to be issued, by the independent auditor to the Company. The Committee shall obtain from the independent auditor assurances that Section 10A(b) of the Exchange Act has not been implicated.

(ii) The Committee shall discuss with the independent auditor the report that such auditor is required to make to the Committee regarding: (A) all accounting policies and practices to be used that the independent auditor identifies as critical; (B) all alternative treatments within GAAP for policies and practices related to material items that have been discussed among management and the independent auditor, including the ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor; and (C) all other material written communications between the independent auditor and management of the Company, such as any management letter, management representation letter, reports on observations and recommendations on internal controls, independent auditor's engagement letter, independent auditor's independence letter, schedule of unadjusted audit differences and a listing of adjustments and reclassifications not recorded, if any.

(iii) The Committee shall discuss with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as then in effect.

8. *Recommendation to Include Financial Statements in Annual Report.* The Committee shall, based on the review and discussions in paragraphs above, and based on the disclosures received from the independent auditor regarding its independence and discussions with the auditor regarding such independence pursuant to paragraphs above, determine whether to recommend to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year subject to the audit.

9. The Committee shall provide the Company with the report of the Committee with respect to the audited financial statements for inclusion in each of the Company's annual proxy statements.

Quarterly Financial Statements

10. *Meetings with Management, the Independent Auditor and the Internal Auditor.* The Committee shall review and discuss the quarterly financial statements with management and the independent auditor, including the Company's disclosures under *Management's Discussion and Analysis of Financial Condition and Results of Operations*.

Related Party Transactions

11. The Committee shall review and approve all related party transactions. Related party transactions shall refer to transactions required to be disclosed pursuant to SEC Regulation S-K, Item 404.

Other Powers and Responsibilities

12. The Committee shall consider any correspondence from or with regulators or governmental agencies, any employee complaints, any legal matters or any published reports that raise material issues regarding the Company's financial statements, financial reporting process, accounting policies or internal audit function. Where the Committee believes additional review, investigation, or action is necessary it shall do so.

13. The Committee shall have the authority to engage independent counsel and other advisers, as it deems necessary to carry out its duties.

14. The Committee shall establish procedures by which the Company shall provide for appropriate funding, as determined by the Committee, for payment of (i) compensation to the independent auditor for the purpose of rendering or issuing an audit report or performing other audit, review or attest services, (ii) for payment of compensation to any advisors employed by the Committee, and (iii) for ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

15. The Committee shall establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters. The Committee shall also establish procedures for the confidential and anonymous submission by employees regarding questionable accounting or auditing matters. The Committee shall periodically review such procedures to ensure their effectiveness and to ensure the Company's compliance with such procedures.

16. The Committee, through its Chair, shall report regularly to, and review with, the Board any issues that arise with respect to the quality or integrity of the Company's financial statements, the performance and independence of the Company's independent auditor, or any other matter the Committee determines is necessary or advisable to report to the Board.
