Pursuant to the Exchange Agreement, which is incorporated herein by reference as Exhibit B hereto, (i) Luxco transferred to the Company 100% of the issued and outstanding share capital of Sirona and a Promissory Note issued June 30, 2005 by Sirona to Luxco in the original principal amount of 150,992,464 and (ii) the Company issued to Luxco 36,972,480 shares (the *Shares*) of Common Stock (the *Exchange*). The Exchange did not require the expenditure of any funds.

The information set forth in Item 4 of this Schedule 13D/A is hereby incorporated herein by reference.

Item 4. Purpose of Transaction.

The purpose of the transaction was the combination of Schick Technologies, Inc. and Sirona and the acquisition by Luxco of approximately 67.7% of the outstanding stock of the combined company.

In connection with the Exchange, the Company amended its certificate of incorporation (the *Certificate Amendment*) to increase the number of authorized capital stock to a total of 100,000,000 shares, consisting of 95,000,000 shares of Common Stock and 5,000,000 shares of preferred stock, and to change its corporate name from Schick Technologies, Inc. to Sirona Dental Systems, Inc. In addition, the holders of securities with registration rights will be able to require the Company to include their shares in future registration statements that the Company files, subject to reduction at the option of the underwriters of such an offering. Upon any of these registrations, these shares will be freely tradable in the public market without restriction. The Company will be obligated under the registration agreement to pay the registration expenses incurred in connection with any registration, qualification or compliance relating to the exercise of a holder's registration rights, other than underwriting discounts and commissions. Additionally, the Company agrees to indemnify and hold harmless holders (and their affiliates) of registrable securities covered by a registration statement against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the holders (or their affiliates) may be required to make because of any of those liabilities. The Company also agrees not to modify the terms and conditions of the existing registration rights agreement or grant registration rights that could adversely affect a holder's registration rights under the registration agreement without the prior written consent of holders of at least a majority of the securities with registration rights. A copy of the registration agreement is incorporated herein by reference.
