Item 1.01. Entry Into a Material Definitive Agreement

Grant of SARS and Restricted Stock Awards under 2006 Stock Plan

On July 13, 2006, the Committee under the Company's 2006 Stock Plan, approved by shareholders at the 2006 annual meeting, approved the grant of Stock Appreciation Rights and performance based Restricted Stock Awards to six executive officers of the Company.

The SARs have a term ending on January 31, 2009, and entitle the holder to receive an amount equal to the excess of the fair market value of the indicated number of shares at December 31, 2008 over the aggregate exercise price of the SAR, payable in shares of common stock. The SARs were granted at an exercise price of \$19.46, the fair market value of the common stock at July 13, 2006. The only condition to exercise of the award of SARs is continued service with the Company through the exercise date of the SAR.

The issuance of the shares of Restricted Stock granted is subject to the achievement of designated income goals through the end of the 2008 fiscal year. The named officers will be entitled to receive the number of shares indicated under the level performance target level achieved. Depending on actual performance, the Restricted Stock will vest at 0%, 25% 50% or 100% of the maximum award. If the lowest level of performance is not met, no shares of Restricted Stock would be issued in respect of the awards. If the target level of performance is met, but not the maximum award level of performance, 50% of the shares will be issued. If the maximum award level of performance is issued, 100% of the award shares will be issued. Notwithstanding the provisions of any Option, SAR or Restricted Stock award which provide for its exercise or vesting in installments or subject to conditions, all awards will be immediately exercisable and fully vested upon the occurrence of a change in control. Until the satisfaction of performance conditions, or such earlier time determined in accordance with the 2006 Stock Plan, no shares of Restricted Stock will be issued, and the grant recipients will not have the right to vote or receive dividends with respect to the shares subject to the award.

The executive officers of the Company received the following grants. The amount of Restricted Stock that will ultimately vest and be payable will be subject to the Company's performance through 2008 and the additional vesting and other requirements set forth above
