Item 2.02. Results of Operations and Financial Condition

On November 9, 2006, Wireless Facilities, Inc. (the Company) issued a press release regarding the Company's financial results for the third quarter ended of fiscal year 2006. The full text of the Company's press release is attached hereto as Exhibit 99.1.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 7, 2006, the Board of Directors (the Board) of the Company approved a change in the fiscal year end from the last Friday in December to December 31. Concurrently, the Board approved a change in the interim fiscal periods to provide that the last day of the fiscal quarter shall be the last day of the calendar month of each quarter. As a result, the third fiscal quarter of fiscal 2006, which would have ended on September 29, 2006, ended as of September 30, 2006. Prior to this change in fiscal year, the Company operated and reported using a 52-53 week fiscal year ending the last Friday in December. As a result, a fifty-third week was added every five or six years. Under the prior reporting system, each 52 week fiscal year consisted of four equal quarters of 13 weeks each, and each 53 week fiscal year consists of three 13 week quarters and one 14 week quarter. The change in fiscal year and interim fiscal periods will not be applied to periods prior to the quarter ended September 30, 2006, and, consistent with prior reports, all prior fiscal periods presented or discussed in this report have been presented as ending on the last day of the nearest calendar month. In reliance on Exchange Act Release No. 26589, the Company will not file a transition report covering the transition period from December 30, 2006 to December 31, 2006.
