**ITEM 1.01. Entry into a Material Definitive Agreement**

On July 20, 2007, Constellation Energy Group, Inc. (the "Constellation") entered into an Investor Agreement (the "Agreement") with Electricite de France International, SA ("EDFI"). The Agreement is to become effective upon the later of (a) the effectiveness of a joint venture between Constellation and EDFI to participate in the development, ownership and operation of new nuclear projects in the United States and Canada and (b) the receipt of all required regulatory approvals, and will expire on July 19, 2012. During the term of the Agreement, EDFI, its subsidiaries and controlled affiliates (the "EDFI Group") may acquire no more than 5% of the issued and outstanding shares of Constellation common stock prior to July 20, 2008 and no more than 9.9% of the issued and outstanding shares of Constellation common stock on or after July 20, 2008. EDFI has agreed to vote any shares of Constellation common stock beneficially owned by the EDFI Group in the manner recommended by Constellation's Board of Directors and to not take any actions that seek control of Constellation during the term of the Agreement. The Agreement also restricts the timing of Constellation common stock dispositions by the EDFI Group as well as the amount of common stock that may be disposed. EDFI will have the right to have an observer at meetings of the Committee on Nuclear Power of Constellation's Board of Directors so long as Constellation and EDFI are members of the joint venture.

A copy of the Agreement is attached hereto as Exhibit 10.1 and incorporated herein by reference.
