Item 1.01 Entry into a Material Definitive Agreement

On August 10, 2007, Snap-on entered into a five-year \$500 million multi-currency revolving credit facility that terminates on August 10, 2012. This \$500 million facility replaces Snap-on's previous \$400 million multi-currency revolving credit facility set to terminate on July 27, 2009. J.P. Morgan Securities Inc. and Citigroup Global Markets Inc were the joint lead arrangers and book runners for the \$500 million multi-currency revolving credit facility. The \$500 million revolving credit facility's financial covenant requires that Snap-on maintain, as of each fiscal quarter end, a ratio of total debt to the sum of total debt plus shareholders' equity of not greater than 0.60 to 1.00 or a ratio of total debt to earnings before interest, taxes, depreciation and amortization (EBITDA), for the preceding four fiscal quarters then ended, of not less than 3.50 to 1.00. As of the date of this document, Snap-on believes it is in compliance with all covenants of this revolving credit facility.

Item 1.02 Termination of a Material Definitive Agreement.

On August 10, 2007, in connection with the transaction described in Item 1.01 above, Snap-on terminated its \$400 million revolving credit facility set to terminate on July 27, 2009. Citigroup Global Markets was the sole lead arranger and book manager for the \$400 million revolving credit facility. The \$400 million credit facility required that Snap-on maintain a ratio of total debt plus shareholders' equity of not greater than 0.60 to 1.00. At the time of termination, Snap-on believes that it was in compliance with all of the covenants under the \$400 million credit facility. For the circumstances relating to the termination of the \$400 million credit facility, see Item 1.01 above which is incorporated by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
