-

**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement**

On November 26, 2007, Vital Images, Inc. (the Company) and Toshiba Medical Systems Corporation (Toshiba) entered into Amendments No. 1 and 2 to the Marketing and Distribution Agreement between the Company and Toshiba (the Amendments). The Amendments amend the Marketing and Distribution Agreement dated March 30, 2007 (the Original Agreement) between the Company and Toshiba. Under the Original Agreement, Toshiba offers *Vitreax*® software, the Company's advanced medical imaging software for diagnostic evaluation of computed tomography (CT), magnetic resonance (MR) and positron emission tomography (PET) image data, through its subsidiaries and distributors in more than 50 countries in North and South America, Europe, the Middle East, Africa, Australia and Asia. The Amendments to the Original Agreement (as amended, the Toshiba Agreement) expanded the Territory (as such term is defined in the Toshiba Agreement) into which Toshiba may market and distribute the Company's products to include Japan. In addition, the Toshiba Agreement provides that the Company will provide advanced visualization and analysis solutions for Toshiba's newly-launched AquilionONE dynamic volume CT scanner.
