Solicitation and Revocability of Proxies

This Proxy Statement and enclosed form of Proxy (the Proxy) are first being sent to shareholders of the Corporation on or about March 25, 2008. Shares represented by the Proxy, if properly signed and returned, will be voted in accordance with the specifications made thereon by the shareholders. Any Proxy not specifying to the contrary will be voted FOR the Class 3 nominees noted and FOR the ratification of the appointment of S.R. Snodgrass, A.C., Certified Public Accountants, as the independent auditors of the Corporation for the year ending December 31, 2008. The execution and return of the enclosed Proxy will not affect a shareholder's right to attend the Annual Meeting and to vote in person if the shareholder gives written notice to the Secretary of the Corporation. The cost of assembling, printing, mailing, and soliciting Proxies, and any additional material, which the Corporation may furnish shareholders in connection with the Annual Meeting, will be borne by the Corporation. In addition to the solicitation of Proxies by use of the mails, directors, officers, and employees of the Corporation and/or the Bank may solicit Proxies by telephone, telegraph, or personal interview, with nominal expense to the Corporation. The Corporation will also pay the standard charges and expenses of brokerage houses or other nominees or fiduciaries for forwarding Proxy soliciting material to the beneficial owners of shares.

A shareholder who returns a Proxy may revoke the Proxy at any time before it is voted (1) by giving written notice of revocation to Ronald A. Walko, President and Chief Executive Officer, Penns Woods Bancorp, Inc., 300 Market Street, Williamsport, PA 17701, (2) by executing a later-dated Proxy and giving written notice thereof to the Secretary of the Corporation, or (3) by voting in person after giving written notice to the President of the Corporation.

Quorum

Pursuant to the Bylaws of the Corporation, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast shall constitute a quorum for transaction of business at the Annual Meeting.

Voting Securities

Holders of record of the Common Stock at the close of business on March 4, 2008 will be entitled to notice of and to vote at the Annual Meeting. On March 4, 2008 there were 3,876,114 shares of Common Stock outstanding. Each share of the Common Stock outstanding as of the close of business on March 4, 2008, is entitled to one vote on each matter that comes before the meeting and holders do not have cumulative voting rights with respect to the election of directors.

Under Pennsylvania law and the Bylaws of the Corporation, the presence of a quorum is required for each matter to be acted upon at the Annual Meeting. Votes withheld, abstentions, and broker non-votes will be counted in determining the presence of a quorum for the particular matter.

Assuming the presence of a quorum, the three nominees for director receiving the highest number of votes cast by shareholders entitled to vote for the election of directors shall be elected. Votes withheld from a nominee and broker non-votes will not constitute or be counted as votes cast for such nominee.

Assuming the presence of a quorum, the affirmative vote of a majority of all votes cast by shareholders at the Annual Meeting is required for the ratification of the independent auditors. Abstentions and broker non-votes will not constitute or be counted as votes cast and therefore will not affect the vote on the ratification of auditors.

All Proxies properly executed and not revoked will be voted as specified.

(1) Represents portion of interest credited to the director's deferred fee account which exceeds 120% of the applicable federal rate under the Internal Revenue Code. The director fee agreements are described below.

All Directors of the Bank received \$800 for each meeting of the Board of Directors, \$500 for each Audit or Asset Liability Committee meeting, and \$400 for all other committee meetings of the Board of Directors of the Bank held during 2007. A \$7,000 retainer fee was also paid to each Director of the Corporation during 2007. In addition, Directors receive compensation for accompanying an officer on property appraisals at a rate of \$20 for the first hour and \$10 for each subsequent hour. The Secretary of the Board of Directors also receives \$150 for each Board meeting. In the aggregate, the Board of Directors earned \$254,400 for all Board of Directors meetings and committee meetings of the Bank attended. This total also includes the total received for appraisals, and the secretarial function. A portion of fees earned was used to fund a deferred compensation plan for the Directors who participated in the plan.

Edgar Filing: PENNS WOODS BANCORP INC - Form DEF 14A

The Bank and Messrs. Bowes, Casale, Furey, McCormick, Rockey, and Walko have entered into director fee agreements pursuant to which each participating director may defer payment of all or a portion of his director's fees. The Bank has established a deferral account for each participating director on its books. Benefits are funded by each director's fees and the Bank's general assets and are payable upon retirement, early termination, disability, death, or the occurrence of a change in control of the Company or the Bank. Interest is credited to each deferral account at an annual rate equal to 50% of the Corporation's return on equity for the immediately prior year, compounded monthly. Following termination of service, interest is credited to a deferral account at a rate based on the yield of the 10-year treasury note. A participating director may receive a benefit if the Board of Directors has determined that, following a request by a participating director, such director has suffered a severe unforeseeable financial hardship and becomes payable at the board's discretion. Generally, the payments are payable, at the participating director's election, in a lump sum or in 60 equal monthly installments. Following the occurrence of a triggering event, payments will commence within 30 days after, at the participating director's election, his retirement or termination of service or the occurrence of a change in control of the Company or the Bank. If payments were not triggered until the participating

director's death, the benefits will be paid within 90 days following receipt of the director's death certificate. For more information regarding the agreements with Messrs. Walko and Rockey, see the "Executive Compensation" discussion below.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Director Plummer retired from Jersey Shore State Bank in June 1995. He was the President of Lock Haven Savings Bank until April 1995. He is currently a member of the Compensation and Benefits Committee. Mr. Plummer has no disclosable relationships or related transactions with the Corporation or any other subsidiary. He is Secretary of the Board of Directors of the Bank. Directors Bowes, Casale, Davis, Furey, Keiler, Nestlerode, and Valencik have lending relationships with Jersey Shore State Bank, our wholly-owned banking subsidiary, which were made, and presently are, in compliance with Regulation O. For more information relating to loans to our directors, see "Certain Transactions." With these exceptions, no member of the Compensation and Benefits Committee (i) was, during the 2007 fiscal year, or had previously been, an officer or employee of the Corporation or its subsidiaries nor (ii) had any direct or indirect material interest in a transaction of the Corporation or a business relationship with the Corporation, in each case that would require disclosure under applicable rules of the SEC. No other interlocking relationship existed between any member of the Compensation and Benefits Committee or an executive officer of the Corporation, on the one hand, and any member of the Compensation Committee (or committee performing equivalent functions, or the full Board of Directors) or an executive officer of any other entity, on the other hand, requiring disclosure pursuant to the applicable rules of the SEC.

ELECTION OF DIRECTORS

The Bylaws provide that the Board of Directors shall consist of not less than five (5) nor more than twenty-five (25) Directors who are shareholders, the exact number to be fixed and determined from time to time by resolution of the full Board of Directors or by resolution of the shareholders at any annual or special meeting. The Board of Directors has set the number of Directors at twelve (12) with the number adjusting to ten (10) following the expiration of the terms of Lynn S. Bowes and Jay H. McCormick upon election of the nominees for Class 3 Directors at the Annual Meeting. The Bylaws further provide that the Directors shall be divided into three (3) classes, as nearly equal in number as possible, known as Class 1, Class 2, and Class 3. Due to the retirement of two Class 3 Directors, James M. Furey, II has voluntarily changed from a Class 2 to a Class 3 Director in order to maintain three nearly equal classes. The Directors of each class serve for a term of three (3) years and until their successors are elected and qualified. Under Pennsylvania law, and the Corporation's articles of incorporation, Directors of the Corporation can be removed from office by a vote of shareholders only for cause. The Directors of the Corporation serve as follows:

Nominees for election of Class 3 Directors to serve until 2011:	Class 1 Directors whose term expires in 2010:	Class 2 Directors whose term expires in 2009:
H. Thomas Davis, Jr. (age 59)	Michael J. Casale, Jr. (age 56)	Leroy H. Keiler, III (age 44)
James M. Furey, II (age 60)	R. Edward Nestlerode, Jr. (age 55)	James E. Plummer (age 65)
D. Michael Hawbaker (age 40)	William H. Rockey (age 61) Ronald A. Walko (age 61)	Hubert A. Valencik (age 66)

The Board of Directors has affirmatively determined that all of the Corporation's Directors are independent within the meaning of the NASDAQ listing standards, except for Ronald A. Walko, President and Chief Executive Officer of the Corporation and the Bank, William H. Rockey, Senior Vice President of the Corporation and the Bank, and Hubert A. Valencik, retired Chief Operations Officer of the Bank and former Senior Vice President of the Corporation (2005). The Board categorically determined that a lending relationship resulting from a loan made by the Bank to a Director would not affect the determination of independence if the loan complies with Regulation O under the federal banking laws. The Board also categorically determined that maintaining with the Bank a deposit, savings, or similar account by a Director or any of the Director's affiliates would not affect the determination of independence if the account is maintained on the same terms and conditions as those available to similarly situated customers.

The proxies solicited hereunder will be voted FOR (unless otherwise directed) the three (3) nominees listed previously for election as Class 3 Directors. Each nominee has agreed to serve if elected and qualified. The Corporation does not contemplate that any nominee will be unable to serve as a Director for any reason. However, in the event one or more of the nominees should be unable to stand for election, Proxies will be voted for the remaining nominees and such other persons selected by the Board of Directors, in accordance with the best judgment of the Proxy holders.

Section 16(a) of the Securities Exchange Act of 1934, as amended (the Exchange Act) requires our officers and directors, and any persons owning ten percent or more of our common stock, to file in their personal capacities initial statements of beneficial ownership on Form 3, statements of changes in beneficial ownership on Form 4, and annual statements of beneficial ownership on Form 5 with the Securities and Exchange Commission (the SEC). Persons filing such beneficial ownership statements are required by SEC regulation to furnish us with copies of all such statements filed with the SEC. The rules of the SEC regarding the filing of such statements require that late filings be disclosed in the Corporation's proxy statement. Based solely on our review of any copies of such statements and amendments thereto furnished to us, we believe that all such statements were timely filed in 2007.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Discussion and Analysis addresses the following issues: members of the Compensation and Benefits Committee (the Committee) and their role, compensation-setting process, philosophy regarding executive compensation, and components of executive compensation.

Committee Members and Independence

The Committee is comprised of five (5) independent directors under NASDAQ listing standards. The members of the Committee are: Lynn S. Bowes, Michael J. Casale Jr., Jay H. McCormick, R. Edward Nestlerode Jr., and James E. Plummer.

Role of Committee

The Committee's focus is to establish a compensation policy and philosophy that will enable the Corporation to attract, retain, motivate, and reward executive officers that are critical to the success of the Corporation. In doing so, the Committee:

- reviews and adjusts the principles guiding the compensation policy to maintain alignment with short and long-term strategic goals and to build shareholder value;
- establishes performance objectives including, but not limited to, earnings, return on assets, return on equity, total assets, and quality of the loan portfolio;
- evaluates the performance of the executive officers in comparison to the performance goals;
- determines the compensation of executive officers and the components of the compensation;
- administers the retirement plans of the Corporation, including the defined benefit, defined contribution, and 401k plans;
- administers the 2006 Employee Stock Purchase Plan;
- recommends changes to compensation plans, cash or equity, to the full Board of Directors;
- reviews and recommends changes to succession plans; and
- reviews and recommends changes to Director compensation.

Committee Meetings

The Committee meets as often as necessary with one meeting being held during 2007 to determine and approve wage and benefit changes for the 2008 fiscal year. The Committee works with the President and Chief Executive Officer to determine the meeting agenda, material to be reviewed, and discussion with consultants, as needed. The materials and inputs utilized may include, but are not limited to, the following:

- financial reports outlining budget to actual performance;
- reports of corporate achievement/recognition by outside parties;
- forecasted financial results as compared to the current budget and actual results;
- peer financial analysis and comparison;
- completion and progress of meeting strategic goals;
- peer equity and cash compensation data;
- national and regional compensation surveys; and
- financial impact of current and proposed compensation programs.

Committee Process

The Committee tends to set the compensation of the executive officers and other employees during the fourth quarter of each fiscal year for the next year. Although the decisions are made in the fourth quarter, the Committee continuously monitors the performance of the Corporation and executives through out the year as part of the routine full Board of Director meetings.

The Committee utilizes the input and assistance of management when making compensation decisions. Management input includes:

- employee performance evaluations and compensation recommendations;
- reporting actual and forecasting future results;
- establishing performance objectives;
- review and recommendations of non-cash employee compensation programs; and
- assistance with Committee meeting agendas.

The President and Chief Executive Officer has direct involvement with the Committee during the meetings in order to provide guidance on the attainment of strategic goals, executive officer performance evaluations, and recommendation of executive officer compensation packages, other than his own.

Annually the Committee meets to evaluate the performance of the executive officers, set the compensation for the following fiscal year, and to determine their cash bonus for the current year.

Compensation Elements

Base Salary

The Committee believes that the base salary of the executive officers is the cornerstone of the compensation package and provides the majority of compensation to the executive. The base salary provides a consistent level of pay to the executive, which the Committee feels decreases the amount of executive turnover, promotes the long-term goals of the Corporation, and is a tax deductible expense. The factors used in determining the level of base salary include the executive's qualifications and experience, tenure with the Corporation, responsibilities, attainment of goals and objectives, past performance, and peer practices. A review of past performance and the attainment of goals and objectives are reviewed annually as part of the formal annual performance review. During the review, objectives and goals for the next year and upcoming milestones related to the Corporate strategic plan are discussed. Peers for the Corporation are bank holding

companies within the Philadelphia Federal Reserve District with assets between \$500 million and \$1 billion. Data for these peers is gathered from various sources including, but not limited to, Securities and Exchange Commission filings, Federal Reserve filings, and other information released by the peer.

Annual Bonus Program

The Committee administers an annual cash bonus program to reward executive officers and other officers for their continued support and attainment of Corporate and personal goals as outlined during the annual performance review as noted in the Base Salary discussion. Cash payments are approved by the Committee based on the recommendation of the President and Chief Executive Officer except for his, which is determined by the Committee. The program is not tied to specific performance targets, but rather is determined at the discretion of the Committee based on the level of net income, return on assets, return on equity, quality of the loan portfolio, and attainment of goals or exceptional personal performance.

Equity Awards

The Committee currently does not use stock options as part of the compensation package for executive officers. The Committee feels that the cash compensation provided at this time adequately rewards executive officers for their contribution to the Corporation. In addition, the Committee believes shareholder value is better enhanced by the use of cash payments to executive officers versus the issuance of options, which may lead to an increased number of outstanding shares causing diminished share based returns. Executive officers, as with all employees, wishing to acquire the Corporation's stock are eligible to participate in the 2006 Employee Stock Purchase Plan.

Additional Benefits

Executive officers may participate in other employee benefit programs that are generally available to the other employees of the Corporation. Other perquisites received by executive officers are described within this Proxy Statement as part of the Summary Compensation table.

Employment, Severance and Change-in-Control Agreements

The Committee has issued severance and change-in-control agreements to two executive officers. A discussion of each executive's agreement follows.

Mr. Ronald A. Walko

Edgar Filing: PENNS WOODS BANCORP INC - Form DEF 14A

In August of 1991, Mr. Walko entered into an Employment Agreement with the Bank. Under the terms of the Employment Agreement, he will receive an annual base salary of at least \$254,826. The term of the Agreement was five years, subject to automatic renewal after each successive five-year term. The Agreement was renewed in 2006 for a five-year period.

Under the current Employment Agreement, increases in compensation will be determined in accordance with the annual performance evaluation. Mr. Walko has the right to terminate this agreement upon 60 days written notice to the Bank if he does not receive an increase in compensation on each annual anniversary date. The Bank will also provide at its expense Mr. Walko with an automobile for business purposes, annual membership at the Ross Club or similar organization, and all benefits provided to other employees as set forth in the Employee Handbook.

The Employment Agreement may be terminated by the Bank for cause, willful misconduct or refusal in carrying out the duties assigned by the Board of Directors, whereby the Bank shall pay one-half the salary to Mr. Walko for the period of time between the Date of Termination and the end of term of the Agreement, or the date Mr. Walko commences comparable employment on a full time basis elsewhere, whichever occurs first. If the agreement is terminated by the Bank without cause, the Bank shall pay Mr. Walko his full salary for the period of time between the Date of Termination and the end of the term of the Agreement, or the date Mr. Walko commences comparable employment elsewhere on a full time basis, whichever occurs first. If during the term of the Agreement Mr. Walko dies or becomes disabled, Mr. Walko or his estate shall be paid an amount equal to six months compensation or the balance due on this contract, whichever is less. If Mr. Walko terminates this agreement because he is reduced to a lesser stature and authority, the Bank shall pay the balance of all sums due under the contract up to the Date of Termination. If Mr. Walko voluntarily terminates his agreement for reasons other than changes in stature and authority, he shall not work for another banking institution having an office in Lycoming County, Pennsylvania for a one-year period after the Date of Termination.

The Bank has entered into a severance agreement with Mr. Walko. Under the terms of the agreement, if the executive officer's employment is terminated within two years after a change in control of the Corporation he will be entitled to receive from the Bank (i) his full compensation and through the date of termination and (ii) a lump sum severance payment equal to two times the annual average of salary plus bonuses earned by him during the five calendar years preceding the date of termination; such amount would be prorated, however, if the termination occurs within two years of his 65th birthday. The Agreement also provides Mr. Walko with insurance coverage similar to those in effect immediately prior to the notice of termination for a period of twenty-four months; however, these will be reduced to the extent that he receives comparable benefits from another employer during the corresponding period. In addition to the retirement benefits he is entitled to receive under the Bank Pension Plan or any other pension or retirement plan in which he participates, the Corporation will pay him a lump sum equal to the actuarial equivalent of the excess of the accrued retirement pension up to the date of termination, adjusted for an additional twenty-four months of credited service at his compensation and the actual accrued up to his date of termination (in no event will months of age or service credit be accumulated after his 65th birthday).

During any period following a change in control of the Corporation, if employment is terminated by the employer for disability, or by the employer or the employee by reason of retirement or death, the benefits will be determined in accordance with the Corporation's programs then in effect. If the employee is terminated for cause subsequent to a change in control or terminates employment other than for Good Reason or retirement, he will receive full compensation through the date of termination and will have no further rights under this Agreement thereafter.

Mr. William H. Rockey

On January 11, 1999, Mr. Rockey entered into an Employment Agreement with the Corporation and the Bank. The initial term of the Agreement was three years and the Agreement annually renews for a term ending three years from each annual anniversary date. Under the terms of the Employment Agreement, he will receive an annual base salary of at least \$96,700, subject to increases by the Bank. Mr. Rockey is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership or other plans, benefits and privileges available to employees and executive officers of the Corporation and the Bank.

The Agreement may be terminated by the Corporation and the Bank for cause (as defined in the Agreement), whereby the parties' obligations under the Agreement will cease. If the Agreement is terminated by the Corporation and the Bank without cause or Mr. Rockey voluntarily terminates his employment for good reason (as defined in the Agreement) following a change in control (as defined in the agreement), the Corporation or the Bank shall pay Mr. Rockey, in cash, within 30 days of termination, an aggregate amount equal to the greater of (x) two times Mr. Rockey's then base salary or (y) the aggregate amount of base salary due and payable over the remaining employment period at the time of termination; provided, however, that in the event the lump sum payment described above, when added to all other amounts or benefits provided to Mr. Rockey upon termination, would result in the imposition of an excise tax under Section 4999 of the Internal Revenue Code of 1986 (the Code) such lump sum shall be reduced to the extent necessary to avoid imposition of the tax. If during the term of the Agreement Mr. Rockey voluntarily retires (not relating to a change in control), dies or becomes disabled, the obligations of the parties under the Agreement will cease, unless Mr. Rockey was previously terminated without cause or previously provided notice of termination for good reason following a change in control, in which case, Mr. Rockey, or his estate, as the case may be, will be entitled to the greater of the amount described in clauses (x) and (y) above.

The Agreement contains noncompete covenants which generally prohibit Mr. Rockey from engaging in banking activities within a county or any contiguous county in which a branch office of the Bank is located. These covenants extend for a period of one year in the event Mr. Rockey's employment is terminated for cause.

Mr. Thomas A. Donofrio

In May 2005, Mr. Donofrio entered into an employment agreement with the Bank as an Executive Vice President and Chief Administrative Officer. The term of the employment agreement extends through May 31, 2008 and is not being renewed.

The employment agreement currently provides for an annual base salary of \$179,998, which may be increased from time to time by action of the Bank's Board of Directors. Mr. Donofrio is also entitled to participate in the incentive bonus and other benefit programs maintained by the Bank for similarly situated officers.

Edgar Filing: PENNS WOODS BANCORP INC - Form DEF 14A

The employment agreement contains a change in control provision applicable to changes in control of the Corporation or the Bank. Generally, if Mr. Donofrio's employment terminates as a result of events of "good reason" such as involuntary termination, significant change to authority, relocation of office greater than 50 miles, or failure to provide similar benefits as specified in the employment agreement following a change in control of the Corporation or the Bank, Mr. Donofrio will be entitled to a cash payment equal to two times Mr. Donofrio's base amount, as determined pursuant to Section 280G(b)(3) of the Internal Revenue Code (generally average annual income for the five years preceding the year in which a change in control occurs). If the Bank terminates Mr. Donofrio's employment in the absence of cause or disability during the employment period, the employment agreement provides that he will receive (i) continued payments of his base salary in effect on the Date of Termination plus an amount equal to his average bonus amounts during his employment for a period of twelve months or the period of time remaining on the employment period, whichever is longer, and (ii) medical benefits coverage for a period of two years following termination.

The employment agreement contains noncompete covenants which generally prohibit him from soliciting customers or engaging in banking activities within a county or any contiguous county in which a branch office of the Bank is located. These covenants extend for a period of one year following Mr. Donofrio's termination of employment, except for a termination by the Bank or Mr. Donofrio by delivery of a notice of non-renewal in which case the covenants extend one year following the end of the existing employment period.

RETIREMENT PLAN

Edgar Filing: PENNS WOODS BANCORP INC - Form DEF 14A

The Bank maintains a noncontributory defined benefit pension plan (the Plan) for all employees hired prior to January 1, 2004, meeting certain age and length of service requirements. Benefits are based primarily on years of service and the average annual compensation earned by an employee, which is the employee's annual compensation averaged over the five highest paid consecutive calendar years within the final ten years of employment. Annual compensation is based upon the employee's W-2 wages, which includes base salary, bonus, personal vehicle mileage for certain executive officers, and life insurance coverage that exceeds \$50,000. The Bank's funding policy is consistent with the funding requirements of Federal law and regulations. Plan assets are comprised of common stocks and U.S. Government and corporate debt securities. The plan was amended, effective January 1, 2004, to cease eligibility for employees with a hire date of January 1, 2004 or later. Employees with a hire date of January 1, 2004 or later are eligible to receive, after one year of service, an annual contribution by the Bank equal to a discretionary percentage of an employee's base compensation into an account established for the employee under the 401(k) plan. The accrued Normal Retirement Benefit is determined by the following formula: 1.4% of the average annual compensation up to social security covered compensation multiplied by the credited service, plus 2% of the average annual compensation that is in excess of the Social Security covered compensation multiplied by the number of years of credited service.

The following table sets forth the total number of years of credited service and the present value of the accumulated benefit as of December 31, 2007 for the named executive officers who participate in the Plan.

CERTAIN TRANSACTIONS

NASDAQ Marketplace Rule 4350(h) requires that we conduct an appropriate review of related party transactions for potential conflict of interest situations on an ongoing basis, and all such transactions must be approved by our Audit Committee or another independent body of the

board of directors.

Our Code of Ethics and Conflicts of Interest policy requires all directors, officers and employees who may have a potential or apparent conflict of interest to notify our Human Resource Director. A potential conflict exists whenever an individual has an outside interest direct or indirect which conflicts with the individual's duty to the Corporation or any of its affiliates or adversely affects the individual's judgment in the discharge of his or her responsibilities. Prior to consideration, full disclosure of all material facts concerning the relationship and financial interest of the relevant individuals in the transaction is required. The Code of Ethics and Conflict of Interest policy is available for review by contacting the President.

To identify related party transactions, each year, we submit and require our directors and officers to complete Director and Officer Questionnaires identifying any transaction with us or any of our subsidiaries in which the officer or director or their family members have an interest.

There have been no material transactions between the Corporation and the Bank, or any material transactions proposed, with any Director or executive officer of the Corporation and the Bank, or any associate of the foregoing persons. The Corporation and the Bank have had, and intend to continue to have, banking and financial transactions in the ordinary course of business with Directors and Officers of the Corporation and the Bank and their associates on comparable terms and with similar interest rates as those prevailing from time to time for other customers of the Corporation and the Bank.

Total loans outstanding from the Bank at December 31, 2007 to the Corporation's and the Bank's Officers and Directors as a group and members of their immediate families and companies in which they had an ownership interest of 10% or more was \$9,335,000 or approximately 13.23% of the total equity capital of the Bank. Loans to such persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than the normal risk of collectability or present other unfavorable features.

RATIFICATION OF INDEPENDENT AUDITORS

The Board of Directors of the Corporation has appointed the firm of S.R. Snodgrass, A.C., Certified Public Accountants (the Auditors), of Wexford, Pennsylvania, as the Corporation's independent auditors for its 2008 fiscal year. Such appointment was recommended by the audit committee and is subject to shareholder ratification. A representative from the Auditors is expected to be present at the annual

meeting, will be given an opportunity to make a statement if he or she desires to do so, and will be available to answer appropriate questions from shareholders.

The Auditors served as the Corporation's independent public accountants for the 2007 fiscal year, provided assistance to the Corporation and the Bank in connection with regulatory matters, charging the Bank for such services at its customary hourly billing rates. The non-audit services were approved by the Corporation's and the Bank's Board of Directors after due consideration of the effect of the performance thereof on the independence of the Auditors and after the conclusions by the Corporation's and the Bank's Board of Directors that there was no effect on the independence of the Auditors. The Auditors have advised the Corporation that none of its members have any financial interest in the company.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION FOR THE APPOINTMENT OF S.R. SNODGRASS, A.C., AS THE CORPORATION'S INDEPENDENT AUDITORS FOR THE 2008 FISCAL YEAR. The affirmative vote of a majority of all votes cast at the Annual Meeting is required to ratify the appointment. All proxies will be voted FOR ratification appointment unless a shareholder specifies to the contrary on such shareholder's proxy card.
