Item 5.02

Compensatory Arrangements of Certain Officers.

As first reported on the Current Report on Form 8-K filed March 8, 2007, Mothers Work, Inc. (the Company) is a party to Supplemental Executive Retirement Agreements (the SERP Agreements) with its Chairman and Chief Executive Officer, Dan Matthias and with its President and Chief Creative Officer, Rebecca Matthias. In connection with the adoption of the SERP Agreements, the Company created a grantor trust (the Grantor Trust) for the purpose of accumulating assets in anticipation of its payment obligations under the SERP Agreements. The SERP Agreements provide that the Company will make annual contributions to the Grantor Trust to enable the assets of the Grantor Trust to approximate the actuarial present value of the benefits then accrued under the SERP Agreements. The terms of the SERP Agreements and the Rabbi Trust also provide that the assets of the Grantor Trust are generally to be used only to discharge the Company's obligations under the SERP Agreements (or, in the event of the Company's insolvency, for the benefit of the Company's general creditors).

On May 20, 2008, the Company, entered into (i) a Letter Agreement (the Letter Agreement) with Dan Matthias, Rebecca Matthias and Wachovia Bank, National Association (the Trustee), and (ii) an amendment to the Grantor Trust agreement with the Trustee (the Amendment), and together with the Letter Agreement, the Agreements). The Agreements amend the SERP Agreements and the Grantor Trust agreement to provide for the Company to deliver currently an irrevocable standby letter of credit to the Trustee in an amount equal to the Company's current funding obligation under the SERP Agreements (which is \$3,885,258). The Agreements then provide for distribution by the Trustee to the Company of the assets currently held in the Grantor Trust.

The amendments effected by the Agreements also allow for the issuance, from time to time, of irrevocable standby letters of credit, or the increase of size of an irrevocable standby letter of credit already held by the Trustee, in lieu of any deposit to the Grantor Trust otherwise required in the future. In addition, the Agreements permit the Company, from time to time at its sole discretion, to reduce the size of any irrevocable standby letter of credit issued to the Trustee, so long as the Company simultaneously funds the Grantor Trust with an amount of cash equal to the amount of the reduction of the letter of credit.

The foregoing description is qualified in its entirety by reference to the full text of the Letter Agreement, which is filed with this Current Report on Form 8-K as Exhibit 10.1.
