Item 2.02 Results of Operation and Financial Condition.

On January 8, 2009, Helen of Troy Limited (the Company) issued a press release announcing its results for its fiscal quarter ended November 30, 2008. Additionally, on January 8, 2009, the Company held a conference call discussing its results for the same period mentioned above. With this Form 8-K, we are furnishing copies of the press release (attached hereto as Exhibit 99.1) and the text of the conference call (attached hereto as Exhibit 99.2). The press release and copy of the text of the conference call are also provided on the Investor Relations Page of our website at: <http://www.hotus.com>.

The Company desires to avail itself of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 (the Act) and is including this cautionary statement for the express purpose of availing itself of the protection afforded by the Act. The accompanying press release and conference call transcript contain certain forward-looking statements, which are subject to change. A number of risks or uncertainties could cause actual results to differ materially from historical or anticipated results or from the results or effects contemplated by the forward-looking statements. Generally, the words anticipates, believe, believes, expects, expected, should, expectation, hope, for, and other similar words identify forward-looking statements. The Company cautions readers not to place undue reliance on forward-looking statements. The actual results may differ materially from those described in any forward-looking statements. The Company intends its forward-looking statements to speak only as of the time of such statements, and does not undertake to update or revise them as more information becomes available. Additional information concerning risks and other potential factors that could affect the Company's financial results and the forward-looking statements is included in the Company's Form 10-K for the year ended February 29, 2008, and in our subsequent interim filings with the Securities and Exchange Commission (the SEC).

The press release and copy of the text of the conference call include certain information that may be considered non-GAAP financial information as contemplated by SEC Regulation G, Rule 100. The press release contains tables that reconcile measures to their corresponding GAAP-based measures presented under the Consolidated Condensed Statements of Income, in the press release. The material limitation associated with the use of the non-GAAP financial measures is that the non-GAAP measures do not reflect the full economic impact of the Company's activities. These non-GAAP measures are not prepared in accordance with GAAP, are not an alternative to GAAP financial information, and may be calculated differently than non-GAAP financial information disclosed by other companies. Accordingly, undue reliance should not be placed on non-GAAP information.

The information in this Form 8-K and the Exhibits attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or any proxy statement or report or other document that the Company may file with the SEC, regardless of any general incorporation language in any such filing, except as shall be expressly set forth by specific reference in such filing.
