**Item 8.01 Other Events**

Attached to this Form 8-K as Exhibit 99.1 is a copy of a letter to be sent by Inland Western Retail Real Estate Trust, Inc. (the Company) to its shareholders on or about January 23, 2009 in connection with, among other things, the Company's annual statement of value, being the Company's estimate of the value of a share of its stock for purposes of the Employee Retirement Income Security Act, as amended (ERISA), which letter is incorporated by reference in its entirety into this filing.

In order for qualified plans to report account values as required by ERISA, we provide an estimated share value on an annual basis. As of December 31, 2008, the annual statement of value for our shares for shareholders subject to ERISA was estimated to be \$8.50 per share.

The annual statement of value for shareholders subject to ERISA and to certain other plan shareholders is only an estimate and may not reflect the actual value of our shares. The annual statement of value is based on the estimated value of each share of common stock based as of the close of our fiscal year. The board of directors, in part, relied upon third party sources and advice in arriving at this estimated value, which reflects, among other things, the impact of the recent adverse trends in the economy and the real estate industry. Because this is only an estimate, we may subsequently revise any annual valuation that is provided. We cannot assure that:

- this estimate of value could actually be realized by us or by our shareholders upon liquidation;
- shareholders could realize this estimate of value if they were to attempt to sell their shares of common stock now or in the future;
- this estimate of value reflects the price or prices at which our common stock would or could trade if it were listed on a national stock exchange or included for quotation on a national market system; or
- the annual statement of value complies with any reporting and disclosure or annual valuation requirements under ERISA or other applicable law.

In conjunction with the Company's estimate of the value of a share of its stock for purposes of ERISA, the board of directors amended the Company's Distribution Reinvestment Program (DRP), effective March 1, 2009, solely to modify the purchase price. Under the DRP, a shareholder may acquire, from time to time, additional shares of our stock by reinvesting cash distributions payable by us to such shareholder, without incurring any brokerage commission, fees or service charges. Thus, on or after March 1, 2009, additional shares of our stock purchased under the DRP will be purchased at a price of \$8.50 per share.
